ACTION 1

AMENDMENT TO THE CERTIFICATE OF INCORPORATION

Proposals and Board Recommendation

The Board of Directors and a majority of our stockholders approved an amendment on March 14, 2007 to the certificate of incorporation. The Amendment is reflected in the form of the Certificate of Amendment to Certificate of Incorporation (the "Form of Amendment") is attached hereto as Exhibit A.

The amendment deals with only one subject:

An Increase in Authorized Capital Stock of the Company. The Company's Certificate of Incorporation currently authorizes the Company to issue up to 500,000,000 shares of Capital Stock. As of May 11, 2006, Company records indicate that the Company had issued and outstanding 498,590,441 shares of Capital Stock. As a result, the number of authorized, non-designated shares of Preferred Stock available for issuance by the Company in the future has been reduced to virtually zero, and the Company's flexibility with respect to possible future stock splits, equity financings, stock-for-stock acquisitions, stock dividends or other transactions that involve the issuance of Common Stock has been virtually eliminated. The proposed increase of authorized shares will improve the Company's flexibility to take such actions. The Company has no understandings or agreements at this time with regard to any actions other than the completion of the Plan and securing permanent financing necessary to implement the Company's business plan.

Voting Procedures.

The foregoing corporate actions were taken without a meeting or formal vote of stockholders solely on the basis of the Written Consent of a majority of our outstanding shares which are owned by IVI and management. No further vote of stockholders is required by our Articles of Incorporation or Bylaws or by applicable provisions of the Nevada Revised Statutes.

SIGNATURES
