Item 2.02. Results of Operations and Financial Condition.

On June 13, 2007, Casey's General Stores, Inc. (the Company) issued a press release announcing its financial results for the fourth quarter and fiscal year ended April 30, 2007. A copy of the Company's press release is attached as Exhibit 99.1 and is incorporated herein by reference.

Item 7.01. Regulation FD Disclosure.

Also on June 13, 2007, the Company reported 2007 same-store sales results for stores open for one full year. Same store gasoline gallons sold decreased 0.2% in May 2007 compared to May 2006. The gasoline margin was above the Company's fiscal 2007 goal of 10.8 cents per gallon. The average retail price of gasoline sold during May 2007 was \$3.13 per gallon. Same-store sales of grocery and other merchandise increased 9.9% and prepared food and fountain same-store sales increased 8.1% in May 2007 compared to May 2006.

The information contained in this Item is being furnished and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Item 8.01. Other Information.

On May 30, 2007, a complaint was filed in the United States District Court for the Northern District of Iowa by two former employees against the Company, in which the claim is made that Casey's failed to properly pay overtime compensation to two or more of its assistant managers. Specifically, plaintiffs claim that the assistant managers were treated as non-exempt employees entitled to overtime pay, but that the Company failed to properly record all hours worked and failed to pay the assistant managers overtime pay for all hours worked in excess of 40 per week. The action purports to be a collective action under the Fair Labor Standards Act (essentially equivalent to a class action) brought on behalf of all persons who are currently or were employed during the three-year period immediately preceding the filing of [the] complaint as Assistant Managers at any Casey's General Store operated by Defendant (directly or through one of its wholly owned subsidiaries), who worked overtime during any given week within that period and who have not filed a complaint to recover overtime wages. The complaint seeks relief in the form of back wages owed all members of the class during the three-year period preceding the filing of the complaint, liquidated damages, attorneys fees and costs. Management does not believe the Company is liable to the plaintiffs for the conduct complained of, and intends to contest the matter vigorously.
