On December 17, 2007, Epicor Software Corporation (Epicor or the Company) announced that it reached an agreement with NSB on the terms of the recommended acquisition of NSB by Epicor pursuant to a scheme of arrangement under section 425 of the United Kingdom Companies Act 1985 whereby shareholders of NSB would receive 38 pence in cash per NSB ordinary share (the Scheme). In connection with the Scheme, Epicor and NSB entered into an Implementation Agreement on December 17, 2007. Epicor completed its acquisition of NSB on February 7, 2008 (the Acquisition). In order to finance the Acquisition, Epicor and certain of its subsidiaries entered into a credit agreement (the Credit Facility) on December 16, 2007, as amended on February 11, 2008, with Banc of America Securities LLC, as Sole Lead Arranger and Book Manager and with Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer (the Administrative Agent), KeyBank National Association, as Syndication Agent and a group of financial institutions, as lenders. As a result of the Acquisition and the attention that management was required to pay to the closing of the Acquisition and the post-closing integration of the operations of the Company and NSB, the Company is unable to file its Form 10-K for the year ended December 31, 2007 within the prescribed period, which was accelerated due to the Company s change in status to a Large Accelerated Filer from an Accelerated Filer for the first time this fiscal year, without unreasonable effort or expense. Because the Company was focused on completing the Acquisition, the Company did not have sufficient time and resources to prepare and review the Form 10-K for the fiscal year ended December 31, 2007 prior to the prescribed due date of February 29, 2008, and the Company is still in the process of providing information necessary for its independent registered public accounting firm to complete: (i) its audit of the Company s financial statements for the fiscal year ended December 31, 2007, and (ii) its audit of management s assessment of the effectiveness of the Company s internal control over financial reporting as of December 31, 2007 in accordance with Section 404 of the Sarbanes-Oxley Act of 2002 and the related rules of the Public Company Accounting Oversight Board. The Company currently expects to file its Form 10-K for the fiscal year ended December 31, 2007 on or before March 17, 2008, the fifteenth calendar day following the prescribed due date for the filing of the Company s Form 10-K.

Total revenues for the fiscal year ended December 31, 2007 were \$429.8 million compared to total revenues of \$384.1 for the fiscal year ended December 31, 2006. GAAP net income for the quarter ended December 31, 2007 was \$22.5 million, or \$0.38 per diluted share, compared to \$6.7 million, or \$0.12 per diluted share, in the quarter ended December 31, 2006. GAAP net income for the fiscal year ended December 31, 2007 was \$41.3 million, or \$0.71 per diluted share, compared to \$23.8 million, or \$0.42 per diluted share, for the fiscal year ended December 31, 2006. The Company believes that such financial results reported by the Company fairly present in all material respects the financial condition and results of operations of the Company as of and for the fourth quarter and year ended December 31, 2007. These statements are based on current expectations as of the date of this filing and involve a number of risks and uncertainties, which may cause actual results to differ significantly from such estimates. These and other risks are set forth in more detail in the section entitled "Certain Factors That May Affect Future Results" under "Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's quarterly report on Form 10-Q for the quarter ended September 30, 2007.

The Company assumes no obligation and does not intend to update any forward-looking statements, whether as a result of new information, future events or otherwise.
