PROXY STATEMENT

FOR

2008 ANNUAL MEETING OF SHAREHOLDERS

GENERAL INFORMATION

The enclosed proxy is solicited by the Board of Directors of SRI/Surgical Express, Inc. (the Board of Directors or the Board) for use at the Annual Meeting of Shareholders to be held on Thursday, May 22, 2008, at 10:00 a.m., local time, and at any adjournment of the meeting, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at our corporate and principal executive offices located at 12425 Race Track Road, Tampa, Florida 33626. Our telephone number at our executive offices is (813) 891-9550.

These proxy solicitation materials, together with our 2007 Annual Report to Shareholders on Form 10-K filed with the Securities and Exchange Commission on March 26, 2008 (the Annual Report), were first mailed on or about April 4, 2008, to all shareholders entitled to vote at the Annual Meeting. In this Proxy Statement, the terms SRI, the Company, we, us and our refer to SRI/Surgical Express, Inc.

Record Date

Only shareholders of record at the close of business on March 13, 2008 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. We have one class of outstanding voting securities, our common stock. As of the Record Date, 6,470,978 shares of our common stock were outstanding. For information regarding security ownership by management and by the beneficial owners of 5.0% or more of our common stock, see Security Ownership of Directors, Officers, and Principal Shareholders below.

Revocability of Proxies

You may revoke any proxy given pursuant to this solicitation at any time before its use at the Annual Meeting by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person.

Voting

Each shareholder is entitled to one vote for each share of common stock on all matters presented at the Annual Meeting. The holders of common stock will vote together as one group in the election of directors and other matters presented at the Annual Meeting. Shareholders do not have the right to cumulate their votes in the election of directors.

Solicitation

We will bear the entire cost of solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to beneficial owners. Certain of our directors, officers, and other employees, without additional compensation, may also solicit proxies personally or by telephone, telegram, letter or facsimile.

Quorum; Abstentions; Broker Non-Votes

A majority of the shares of our common stock entitled to vote on a matter, represented in person or by proxy, will constitute a quorum for action on a matter at the Annual Meeting. We count shares that reflect

withheld votes, abstentions or broker non-votes (i.e., shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) as shares that are present for purposes of determining the presence of a quorum, but not in determining the number of shares voted for or against any nominee for election as a director or any other proposal. For Proposal No. 1, the three director nominees receiving the highest number of affirmative votes cast will be elected as directors. Proposal No. 2 requires that the number of votes cast in favor of the proposal exceed the number of votes cast against the proposal. Withheld votes, abstentions and broker non-votes will not be counted as votes cast for purposes of determining whether the proposal has received sufficient votes for approval, and therefore will have no effect on the outcome of the vote.

Fiscal Year End

The Company's fiscal year ends on the Sunday nearest December 31.

Communications with Directors

You may communicate with any of our directors or with all directors as a group by sending communications by regular mail to: SRI/Surgical Express, Inc., c/o Chairman of the Board of Directors, 12425 Race Track Road, Tampa, Florida 33626.

Communications are distributed to the Board of Directors, or to any individual director or directors as appropriate, depending on the content of the communication. Members of our Board of Directors have requested that certain items that are unrelated to their duties and responsibilities be excluded, such as spam, junk mail and mass mailings, product or service complaints, resumés and other forms of job inquiries, and business solicitations or advertisements. In addition, material that is unduly hostile, threatening, illegal or similarly unsuitable will be excluded, with the provision that any excluded communication will be made available to any outside director upon request. The procedures regarding distribution of shareholder communications to the Board of Directors have been approved by a majority of independent directors.

CORPORATE GOVERNANCE

General Information About the Board of Directors and Corporate Governance

Our policies and practices comply with existing listing standards of The NASDAQ Stock Market LLC (NASDAQ) and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including:

Our Board of Directors has determined that five of our seven directors are independent under the listing standards of NASDAQ as of the date of this Proxy Statement, and six of seven of our directors are non-employee directors;

The non-employee members of our Board of Directors meet regularly without the presence of management;

Our Board of Directors has a standing Compensation Committee, Audit Committee, and Nominating and Governance Committee;

Our Board of Directors has determined that each member of the Compensation Committee, the Audit Committee and the Nominating and Governance Committee is independent under the listing standards of NASDAQ;

The Audit Committee meets with management and the auditors to receive information concerning the design and operation of internal controls;

Grant Thornton LLP, our independent accounting firm, reports directly to the Audit Committee; and

On the recommendation of the Audit Committee, our Board of Directors has adopted an Amended and Restated Code of Business Conduct and Ethics for our directors, officers and employees, and a compliance policy to allow for confidential and anonymous reporting of suspected or known violations of these policies.

Our Board of Directors has adopted written charters for its Audit Committee, Compensation Committee, and Nominating and Governance Committee that clearly establish their respective roles and responsibilities. Each charter provides that the respective committee is authorized to obtain advice and independently seek assistance from outside advisors.

We maintain a corporate governance page on our website, which includes key information about our corporate governance practices, including the charters for the Audit Committee, Compensation Committee, and Nominating and Governance Committee, as well as our Amended and Restated Code of Business Conduct and Ethics. The corporate governance page can be found at <http://www.srisurgical.com> by clicking on About Us, Investors then Corporate Governance.

Board Independence

Our Board of Directors has determined that Messrs. Boosales, Emanuel, Federico, Orsatti and Simmons are independent under the listing standards of NASDAQ. The Audit Committee, Compensation Committee and Nominating and Governance Committee are each comprised solely of our independent directors. Mr. Peterson is not independent based on his service as a consultant to the Company. Mr. Woodard is not independent based on his service as our Chief Executive Officer. In making its independence determinations, our Board of Directors reviewed transactions and relationships between the director or any member of his immediate family and us or one of our subsidiaries or affiliates based on information provided by the director, Company records and publicly available information. In addition, our Board of Directors considered the following types of relationships and transactions: (i) principal employment positions and other public company directorships held by each director; (ii) contracts or arrangements that are ongoing or which existed during any of the past three fiscal years between us and/or our affiliates and any entity for which the non-employee director or his or her immediate family member is an executive officer or ten percent or more shareholder; and (iii) contracts or arrangements that are ongoing or which existed during any of the past three fiscal years between us and/or our affiliates and any other public company for which the director serves as a director.

Board Meetings and Committees of the Board

Our Board of Directors held six meetings, including regularly scheduled and special meetings, during 2007. During 2007, no director attended fewer than 75% of the meetings of the Board of Directors or fewer than 75% of the meetings of any committee of the Board of which he was a member. We invite our Board of Directors to our Annual Meeting of Shareholders, but do not require them to attend. Last year, all of the directors except Charles W. Federico, attended our 2007 Annual Meeting. Our Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating and Governance Committee.

Compensation Committee. The Compensation Committee, which currently consists of Messrs. Boosales (chair), Federico, and Orsatti, assists our Board of Directors in making decisions regarding specific compensation plans, salaries, bonuses, and other benefits payable to our executive officers. The Board of Directors has determined that each member of the Compensation Committee is independent under the listing standards of NASDAQ. The Compensation Committee held four meetings during 2007.

The processes and procedures for the consideration and determination of executive compensation are as follows:

The Compensation Committee determines cash compensation for our executive officers with the benefit of a review by our Board of Directors and input from the Chief Executive Officer regarding compensation of other executive officers.

Our Board of Directors approves equity awards for our executive officers with the benefit of recommendations from the Compensation Committee.

Historically, our Board of Directors has not retained compensation consultants. In establishing compensation for newly engaged executives, our Board of Directors considers recommendations of the Compensation Committee and the executive search firms that assist in recruiting our executives. In the future, the Compensation Committee expects to gather and analyze publicly available compensation-related data of similarly situated companies in making its recommendations to our Board of Directors.

Our Board of Directors has approved a written charter for the Compensation Committee, which the committee reviews annually and updates as appropriate.

Audit Committee. The Audit Committee currently consists of Messrs. Emanuel (chair), Boosales, and Simmons. Our Board of Directors has determined that each member of the Audit Committee is independent under the listing standards of NASDAQ, and Messrs. Emanuel and Simmons of the Audit Committee are audit committee financial experts, as that term is defined by the Securities and Exchange Commission (the SEC).

Among other things, the Audit Committee selects and retains (subject to our shareholders' approval) the independent auditors, sets the independent auditors' compensation, reviews and evaluates the results and scope of the audit and other services provided by our independent auditors, reviews reports from management, legal counsel, and third parties relating to legal compliance, and establishes procedures for receipt and treatment of confidential, anonymous submissions by our employees of concerns regarding accounting, auditing, and internal controls matters.

Our Board of Directors has approved a written charter for the Audit Committee, which the committee reviews annually and updates as appropriate. During 2007, the Audit Committee held five meetings.

Nominating and Governance Committee. Our Nominating and Governance Committee, which consists of Messrs. Orsatti (chair), Emanuel, and Federico, provides assistance to the Board of Directors in (i) identifying and recommending qualified director nominees; (ii) evaluating the performance and effectiveness of the Board of Directors and its committees; (iii) evaluating and recommending corporate governance guidelines and practices; and (iv) administering our Related Party Transaction Policies and Procedures. The Nominating and Governance Committee may, in its sole discretion, engage director search firms and may consult with outside advisors to assist it in carrying out its duties to the Company. The Nominating and Governance Committee has the sole authority to approve the fees and other retention terms with respect to any such firms. The Board of Directors has determined that each member of the Nominating and Governance Committee is independent under the listing standards of NASDAQ. The Nominating and Governance Committee held five meetings during 2007.

To fulfill its responsibility to recruit and recommend to the full Board of Directors nominees for election as directors, the Nominating and Governance Committee reviews the composition of the full Board of Directors to determine the qualifications and areas of expertise needed to further enhance the composition of the Board of Directors and works with management in attracting candidates with those qualifications. Appropriate criteria for Board membership include the following:

Directors should be individuals of high integrity and independence and substantial accomplishments;

Directors should have demonstrated leadership ability and the ability to exercise sound business judgment; and

The background and experience of directors should be in areas important to our company, such as business, finance, operations, and healthcare industry experience.

The Nominating and Governance Committee considers candidates for directors suggested by our shareholders, provided that the recommendations are made in accordance with the procedures required under applicable law and described in this Proxy Statement under the heading Requirements to Submit Proxy Proposals and Director Nominations. Shareholder nominations that comply with these procedures and that meet the criteria outlined above receive the same consideration that the Nominating and Governance Committee's nominees receive.

Indemnification

We have entered into indemnification agreements with our executive officers and directors. The indemnification agreements provide, among other things, that we will indemnify such officer or director, under the circumstances and to the extent provided for in the agreements, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party to by reason of his or her position as a director, officer or other agent of the Company, and otherwise to the fullest extent permitted under applicable law and our bylaws.

Related Party Transactions Policies and Procedures

On July 31, 2007, our Board of Directors adopted written related party transaction policies and procedures (the Policy). For purposes of the Policy, related party transactions include transactions that involve more than \$50,000 in any calendar year in which the Company is a participant and any related party has a direct or indirect interest, and related party includes our officers, directors or 5 percent shareholders and their immediate family members.

Except as described below, the Nominating and Governance Committee (excluding any interested director) (the Committee) will review the material facts of all related party transactions. The Committee will either approve or disapprove of the entry into the related party transaction after taking into account, among other factors it deems appropriate, whether the related party transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction. If advance Committee approval of a related party transaction is not feasible, the Committee will consider, and if it deems appropriate, ratify the transaction at the Committee's next regularly scheduled meeting.

The following related party transactions are deemed to be pre-approved or ratified by the Committee (subject to the specific requirements and limitations set forth in the Policy):

employment arrangements with our executive officers;

compensation arrangements with our directors;

transactions with companies affiliated with related parties if the amount involved does not exceed the greater of \$50,000 or 2 percent of the company's total annual revenues;

charitable contributions that do not exceed the lesser of \$50,000 or 2 percent of the charitable organization's total annual receipts;

transactions pursuant to which all of our shareholders receive proportional benefits;

transactions involving competitive bids;

regulated transactions; and

banking transactions.

Under the Policy, the Committee may establish guidelines for our management to follow in its ongoing dealings with related parties. The Committee will review and assess, at least annually, the appropriateness of ongoing related party relationships and will confirm compliance with any guidelines.

Required Vote

The Audit Committee of the Board of Directors conditioned its appointment of our independent auditors upon the receipt of the affirmative vote of a majority of the shares represented, in person or by proxy, and voting at the Annual Meeting. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THIS PROPOSAL.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In this context, we met and held discussions with management and the independent auditors. Management represented to us that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with management and the independent auditors. We discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as adopted by the Public Accounting Oversight Board in Rule 3200T.

In addition, we received from the independent auditors the written disclosures and the letter relating to the independent auditors' independence, as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as adopted by the Public Accounting Oversight Board in Rule 3600T, and we discussed with the independent auditors their independence from the Company and its management.

We discussed with the Company's independent auditors the overall scope and plan for their audit. We met with the independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, we recommended to the Board of Directors, and the Board of Directors has approved, including the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 30, 2007, for filing with the SEC.

The Audit Committee and the Board of Directors also have recommended, subject to shareholder approval, the selection of the Company's independent auditors for the year ended December 28, 2008 - see Proposal No. 2.

EXECUTIVE OFFICER COMPENSATION

Compensation Discussion and Analysis

Overview

The Compensation Committee of our Board of Directors (the Compensation Committee) is responsible for establishing and implementing executive compensation arrangements designed to recruit and retain executives. The Compensation Committee periodically reviews these arrangements for consistency with our compensation philosophy and objectives and with the goal of making them more effective.

Philosophy and Objectives of Executive Compensation

In establishing executive compensation arrangements, we primarily seek to align our executives' incentives with the interests of our shareholders in both the short and long term. We place a relatively heavy emphasis on equity compensation as a percentage of total compensation to establish long-term incentives, although we do not have any rule for establishing the relative amounts of each component. We also structure our annual incentive cash compensation to motivate our executives to achieve business and individual goals.

Setting Compensation

The Compensation Committee determines cash compensation for our executive officers with the benefit of a review by the Board of Directors and input from the Chief Executive Officer regarding compensation of other officers. The Compensation Committee establishes objectives for annual performance-based cash incentive compensation for executives. The Board of Directors approves equity awards for our executive officers with the benefit of recommendations from the Compensation Committee.

The Board of Directors, including the Compensation Committee, has relied on its members' extensive general business and industry-specific knowledge and experience in determining executive compensation. In establishing compensation for newly engaged executives, the Board of Directors considered recommendations of the Compensation Committee and the executive search firms that assisted in recruiting those executives. Historically, the Board of Directors has not retained a compensation consultant. The Compensation Committee expects to gather and analyze publicly available compensation-related data of similarly-sized companies operating in the same industries and regions, including local competitors, in making its recommendations to the Board of Directors regarding future compensation decisions.

2007 Executive Compensation Components

For the 2007 fiscal year, the principal components of executive compensation for our executive officers were:

base salary

performance-based cash incentive compensation

long-term equity incentive compensation, and

retirement and other benefits.

Base Salary: We establish base salaries for each of our executive officers based on the executive officer's position, responsibilities, experience, business judgment, and role in developing and implementing our overall business strategy, without applying a specific formula to weigh each of these factors. We review base salary levels annually and adjust them from time to time for market changes, promotions, or other changes in job responsibilities. Generally, we believe base salaries paid to executive officers should be competitive with salaries paid to executive officers with similar positions and responsibilities at similar companies. The Compensation

Committee periodically reviews regional and industry-specific compensation statistics, but it has not benchmarked our executives' compensation levels against levels of any other companies or groups of companies.

In 2007 and 2008, the Compensation Committee adjusted the base salary of Mr. Ruiz from \$262,500 to \$270,375 and \$270,375 to \$278,486, respectively, based on cost-of-living increases. In addition, the Compensation Committee adjusted Mr. McGuire's 2008 base salary from \$194,875 to \$220,000 in connection with Mr. McGuire's promotion from Senior Vice President of Strategic Sourcing to Senior Vice President of Sales effective as of March 3, 2008. Mr. Carlton's base salary was not adjusted before his resignation in February 2007.

Performance-Based Cash Compensation: We believe that approximately 70% of our executive officers' annual performance-based cash compensation should be contingent on the Company's achieving quantitative financial performance targets, such as revenues, gross margin, profitability, and cash flow, and approximately 30% of the executive's compensation should be contingent on satisfying individual qualitative performance objectives established for the executive officer. The Compensation Committee establishes annual financial targets for our executives. The Compensation Committee evaluates performance of the Company and each executive officer and awards incentives in the first calendar quarter following the end of the fiscal year.

The Compensation Committee determined in the first quarter of 2008 that the Company did not meet its 2007 financial performance targets, which included management's budgeted total revenues of \$98.1 million and loss before income taxes of \$0.1 million. Actual total revenues were \$94.2 million and the actual loss before income taxes was \$5.0 million. The Compensation Committee determined that Mr. Ruiz achieved certain individual non-financial business objectives during 2007, including improvements in department staffing and successful implementation of Sarbanes-Oxley Act compliance measures. The Compensation Committee recommended and the Board of Directors approved a cash payment to Mr. Ruiz of incentive compensation of \$13,000, based on his achievement of these objectives during 2007.

Mr. McGuire received a lump sum payment of \$10,000 on February 5, 2007, which is the date that the Company accepted Mr. Carlton's resignation, to induce Mr. McGuire to assume increased responsibilities as Chairman of our Management Committee. Mr. McGuire led our Management Committee, which effectively managed our day-to-day operations until the appointment of Mr. Woodard as our Chief Executive Officer on December 31, 2007. In addition, the Compensation Committee determined that Mr. McGuire achieved certain individual non-financial business objectives during 2007, including his successful leadership of our Management Committee, stabilization of our sales force and improvements in customer relationships. On January 22, 2008, the Compensation Committee recommended and the Board of Directors approved a cash payment to Mr. McGuire of incentive compensation of \$20,000 based on his achievement of these objectives during 2007.

In accordance with his separation agreement, Mr. Carlton received a lump sum payment in the amount of \$36,000 for his performance-based cash incentive compensation for 2006 and the period January 1 through February 5, 2007. This lump sum payment was primarily attributable to Mr. Carlton's achievement of certain individual non-financial business objectives during 2006.

Long-Term Stock Incentives: Our equity plans provide for grants to employees of stock options and restricted stock. We design our grants to executives to align a significant portion of our executive compensation with the long-term interests of our shareholders by providing an incentive that focuses attention on managing the Company from the perspective of an owner with an equity stake in our business. Awarded stock options have an exercise price equal to the fair market value of our common stock on the grant date. These stock options typically vest ratably over five years and expire ten years after the grant date. We believe stock option awards encourage retention of our key employees and that vesting requirements foster loyalty.

The Compensation Committee awarded Mr. McGuire options to purchase 20,000 shares of our common stock upon his appointment as Chairman of our Management Committee. As more fully described above, the

Compensation Committee determined that Mr. McGuire achieved certain individual non-financial business objectives during 2007. As a result, the Compensation Committee recommended and the Board of Directors approved an award of 30,000 stock options to Mr. McGuire on January 22, 2008, to be issued on February 1, 2008. The award has a term of ten years and vests ratably over five years.

We have adopted a policy pursuant to which the Compensation Committee will review and recommend all future stock option grants to the full Board of Directors for approval by the end of April each year. The option grants will be approved by the Board of Directors by the end of April each year and issued on the second full trading day after the Company's quarterly earnings release for our first quarter. In the case of a new hire or promotion, the Compensation Committee will also review and recommend any option grants to the Board of Directors for approval. The grant date of these options will be the first trading day of the month following the date of hire or promotion.

Retirement and Other Benefits: Our executive officers participate in our 401(k) plan and other benefits that are generally available to employees. We do not provide retirement or other benefit plans established especially for executives or other key employees, except for the equity and incentive compensation arrangements described above.

Severance and Change in Control Arrangements

Mr. Ruiz and Mr. McGuire are entitled to receive portions of their annual base salaries and prorated bonuses as severance if they are terminated without cause. We offered these terms to Mr. Ruiz as part of his initial recruitment package. We offered these terms to provide a sense of security for, and to help retain, Mr. McGuire in connection with the appointment of Mr. Carlton as our President and Chief Executive Officer in February 2005. Upon Mr. Carlton's resignation in February 2007, we paid severance payments substantially in accordance with the severance provisions set forth in Mr. Carlton's employment agreement, which was entered into at the commencement of Mr. Carlton's employment.

Our 1998 Stock Option Plan and 2004 Stock Compensation Plan provide that all grants under these plans vest in full on a change in control of the Company. In addition to their role in facilitating recruitment, we believe that these severance and change in control arrangements encourage retention.

We believe that these severance and change in control arrangements reflect market levels for comparable executives and are important to effectively recruit and retain key executives. For a more detailed discussion of these arrangements, see *Employment Agreements, Termination of Employment and Change-in-Control Arrangements* below.

Tax and Accounting Implications

Deductibility of Executive Compensation: The Company believes that compensation paid under its compensation plans will be fully deductible for federal income tax purposes under current rules.

Accounting for Stock-Based Compensation: Beginning on January 1, 2006, the Company began accounting for stock-based payments, including its stock option grants, in accordance with requirements of FASB Statement 123(R).

Mr. Carlton was paid \$350,000 over the 12-month period following his termination of employment in accordance with his separation agreement. Mr. Carlton forfeited 28,000 shares of restricted stock and 60,000 options as a result of his resignation. Mr. McGuire served as Chairman of the Management Committee. The Management Committee managed the Company under the oversight of an Executive Committee of the Board of Directors comprised of N. John Simmons, Jr. and James T. Boosales.

(6) Mr. McGuire served as our Senior Vice President of Strategic Sourcing from January 2006 until his promotion to Senior Vice President of Sales on March 3, 2008.

Employment Agreements, Termination of Employment and Change-in-Control Arrangements*Employment Agreements*

We have employment agreements with Gerald Woodard, our Chief Executive Officer, and Wallace D. Ruiz, our Senior Vice President and Chief Financial Officer. We have not entered into an employment agreement with David J. McGuire, our Senior Vice President of Sales.

Mr. Woodard's employment agreement provides for annual base salary of \$375,000 in 2008 and a signing bonus of \$100,000. In addition, Mr. Woodard is entitled to participate in our management incentive plan. In connection with the commencement of his employment, Mr. Woodard has received inducement grants of 150,000 stock options, which vest in three equal annual installments, and 25,000 shares of restricted stock, which vest in full upon the earlier of three years or termination for any reason other than cause, death or disability.

Mr. Ruiz's employment agreement provides for annual base salaries of \$270,375 and \$278,486 in 2007 and 2008, respectively, and participation in our management incentive plan.

Termination of Employment

According to the terms of their respective employment agreements, Mr. Woodard and Mr. Ruiz are entitled to receive upon their termination for any reason other than for cause, death or disability, their respective annual base

salary and health insurance benefits for twelve months and nine months, respectively, and a pro-rated cash award under our management incentive plan (as determined by our Board of Directors acting in good faith). The base salary component of the severance is payable in accordance with the Company's then-current pay practices over the severance period following a termination and the pro-rated cash award is payable as a lump sum at such time that the executive officer would have been entitled to receive any earned cash award for the year in which he is terminated if he had been employed on the last day of year in which his employment is terminated. For purposes of each of Mr. Woodard's and Mr. Ruiz's employment agreements, cause generally includes the executive's indictment, conviction or plea of no contest for a felony, violation of the employment agreement, failure to perform his duties, failure to cooperate with a governmental investigation, insubordination, incompetence, misconduct, unethical conduct or failure to comply with our policies. Under their respective employment agreements, Mr. Woodard and Mr. Ruiz are prohibited from competing with us during the two-year period following termination of their employment, and the foregoing severance is conditioned upon their compliance with such covenant not to compete with the Company and the execution of a release in favor of the Company.

We have a retention agreement with Mr. McGuire, under which the Company will continue to pay Mr. McGuire his base salary and health insurance benefits for a period 180 days following termination of employment for any reason other than cause, death or disability. For purposes of Mr. McGuire's retention agreement, cause generally includes Mr. McGuire being charged with a felony, disclosure of our trade secrets or other confidential information, or misconduct, insubordination or violation of Company policies. Mr. McGuire also entered into a non-competition and confidentiality agreement with the Company, pursuant to which Mr. McGuire is prohibited from competing with the Company during the one-year period following termination of his employment, and the foregoing severance is conditioned upon Mr. McGuire's compliance with such competition and confidentiality agreement and his execution of a release in favor of the Company.

On February 5, 2007, Christopher Carlton resigned from his positions as President and Chief Executive Officer. In connection with Mr. Carlton's resignation, the Company entered into a separation agreement with Mr. Carlton setting forth the terms of his resignation, including separation benefits and obligations. Pursuant to the terms of Mr. Carlton's separation agreement, the Company paid to Mr. Carlton \$350,000 and premiums to fund Mr. Carlton's participation in certain group medical and dental programs over the twelve-month period following his termination of employment. The Company also paid to Mr. Carlton a lump sum payment of \$36,000 for his management incentive award for 2006 and the prorated period from January 1, 2007 through February 5, 2007. The separation agreement includes a general release by Mr. Carlton in favor of the Company and provides that Mr. Carlton will comply with the confidentiality and non-compete obligations set forth in his employment agreement, which prohibit Mr. Carlton from competing with the Company during the two-year period following his termination.

If Mr. Ruiz had been terminated for any reason other than for cause, death or disability on December 30, 2007, which was the last business day of the Company's 2007 fiscal year, Mr. Ruiz would have received the following severance benefits in accordance with the procedures outlined above: nine months' base salary equal to \$202,781, a cash award under our management incentive plan equal to \$13,000 and payment of health insurance premiums by the Company in the aggregate amount of \$6,022 (which represents 75 percent of the annual health insurance premiums).

If Mr. McGuire had been terminated for any reason other than for cause, death or disability on December 30, 2007, Mr. McGuire would have received the following severance benefits pursuant to his retention agreement: 180 days' base salary equal to \$97,438, a cash award under our management incentive bonus plan equal to \$20,000 and payment of health insurance premiums by the Company in the aggregate amount of \$4,014 (which represents 50 percent of the annual health insurance premiums).

Change in Control Arrangements and Termination Due to Death

Our 1998 Stock Option Plan and 2004 Stock Compensation Plan provide that all grants under these plans vest on a change in control of the Company and grants of restricted stock vest upon the recipient's death. If a

change in control occurs, the Company may elect to cancel participants' options and instead pay to them the difference between the exercise price of such options and the fair market value of the shares issuable on the exercise thereof. For these purposes, a change in control generally occurs when:

our shareholders approve a liquidation of the Company, a sale of all or substantially all of the Company's assets or certain mergers or consolidations of the Company; or

if during any two consecutive years, individuals who at the beginning of the period constitute our Board of Directors cease for any reason to constitute at least a majority of our Board of Directors, except for individuals whose election or nomination for election was previously approved by at least two-thirds of the directors who were directors at the beginning of the period or whose nomination for election was previously so approved.

If a change in control occurred on December 30, 2007, which was the last business day of the Company's 2007 fiscal year, 67,500 options and 20,000 shares of restricted stock held by Mr. Ruiz would have vested, resulting in an aggregate dollar amount realizable by Mr. Ruiz equal to \$90,000, and 65,000 options and 16,000 shares of restricted stock held by Mr. McGuire would have vested, resulting in an aggregate dollar amount realizable by Mr. McGuire equal to \$72,000. For purposes of the foregoing calculation, the aggregate dollar value realizable with respect to option shares that vest upon a change in control is derived by multiplying (A) the number of securities underlying such options by (B) the difference between (i) the closing price of the Company's common stock on the date of change in control and (ii) the per share option exercise price. The aggregate dollar value realizable with respect to restricted stock that vests upon a change in control or death is determined by multiplying the number of shares of such stock by the closing price of the Company's common stock on the date of change in control or termination due to death.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have a procurement agreement with Standard Textile Co., Inc. under which we agree to purchase approximately 90% of our reusable surgical products from Standard Textile through 2008. Standard Textile is one of our shareholders see Security Ownership of Directors, Officers, and Principal Shareholders. We are not bound to purchase any minimum quantity of products under these agreements; however, we expect to make payments under the contracts to fulfill our requirements. During 2007, we purchased products from Standard Textile for approximately \$3.0 million. Our current contract with Standard Textile expires in August 2008. We are in the early stages of a formal proposal process with several vendors, including Standard Textile, with respect to our future procurement arrangements.

Effective March 20, 2006, we entered into a Consulting Agreement with Wayne R. Peterson, a director and shareholder of the Company, to provide advice on matters relating to operations and supply chain management. Pursuant to the Consulting Agreement, which is terminable at will by either party, Mr. Peterson receives \$1,000 per full day of service. As of March 13, 2008, Mr. Peterson has earned \$435,000 under the agreement. We anticipate that the Consulting Agreement will be continued during 2008 under the same terms and conditions.

REQUIREMENTS TO SUBMIT PROXY PROPOSALS

AND DIRECTOR NOMINATIONS

Pursuant to Rule 14a-8 under the Exchange Act, to be eligible for inclusion in the Company's proxy statement for the 2009 Annual Meeting, any shareholder proposal must be submitted (along with the information set forth below) in writing to the Secretary of the Company at our principal executive offices at 12425 Race Track Road, Tampa, Florida 33626 before December 15, 2008. Each proposal shall include:

the shareholder's name and address;

the number of shares of common stock that the shareholder holds of record or beneficially;

the dates upon which the shares of common stock were acquired;

documentary support for a claim of beneficial ownership; and

a statement of willingness to hold such common stock through the date of the 2009 Annual Meeting of Shareholders.

In order for a shareholder proposal made outside of Rule 14a-8 under the Exchange Act to be considered timely within the meaning of Rule 14a-4(c) under the Exchange Act (although not included in the Company's

proxy statement), a shareholder must follow certain procedures to nominate persons for election as directors or to introduce an item of business at an Annual Meeting of Shareholders. These procedures provide that nominations for director nominees and/or an item of business to be introduced at an Annual Meeting of Shareholders must be submitted in writing to the Secretary of the Company at our principal executive offices. We must receive the notice of your intention to introduce a nomination or to propose an item of business at our 2009 Annual Meeting not later than February 26, 2009 and not earlier than January 12, 2009. If we do not receive notice within such timeframe, or if we meet other requirements of the SEC rules, the persons named as proxies in the proxy materials relating to that meeting will use their discretion in voting the proxies when these matters are raised at the meeting.

In addition to the foregoing requirements, all shareholder proposals will be subject to the requirements of the proxy rules adopted under the Exchange Act and the Company's Restated Articles of Incorporation, the Company's Amended and Restated Bylaws and Florida law.

Any nomination of a director must contain the following information about the nominee:

name, age, and business and residence addresses;

principal occupation or employment;

the number of shares of common stock beneficially owned by the nominee;

the information that would be required under the rules of the SEC in a Proxy Statement soliciting proxies for the election of such nominee as a director; and

a signed consent of the nominee to serve as a director of the Company, if elected.

Notice of a proposed item of business must include the following information:

a brief description of the substance of, and the reasons for conducting, such business at the Annual Meeting;

any material interest of the shareholder in such business; and

the same information required above with respect to any other shareholder that to the knowledge of the shareholder proposing the business, supports the proposal.

In addition, a shareholder nominating a director or proposing an item of business must provide the following information: (a) the shareholder's name and address, as they appear on our books and (b) the class and number of shares of our stock that are beneficially owned by the shareholder.

OTHER MATTERS

We know of no other matters to be submitted to the meeting. If any other matters properly come before the meeting, the persons named in the enclosed proxy card intend to vote the shares that they represent as we recommend.

It is important that your shares be represented at the meeting, regardless of the number of shares that you hold. You are, therefore, urged to execute the accompanying proxy card and return it in the enclosed envelope.
