**Tokyo, July 29, 2008** In accordance with the Rules on Timely Disclosure of Tokyo Stock Exchange, Nomura Holdings, Inc. today announced that it has recorded an impairment of its investment in the shares of subsidiaries and affiliates in its unconsolidated financial statements for the first quarter of the fiscal year ending March 31, 2009.

The impairment is mainly due to a decrease in the net asset value of shares of a subsidiary investing in a US fund management firm and the shares of Nomura Holdings subsidiary holding company for the Americas. The impact for the first quarter of the fiscal year ending March 31, 2009, has been reflected in Nomura Holdings consolidated financial statements announced today.
