THE COMPANY

inContact, Inc. (inContact , we , us , our , or the Company) is principally focused on selling software solutions and telecommunication services in the contact center industry. In 2005 we began the process of transitioning from operating as a telecommunications services provider to operating primarily as a Software-as-a-Service (SaaS) provider.

We began as a reseller of telecommunication services. After a series of strategic acquisitions, we emerged with a new product approach combining a national voice over IP (VoIP) network with innovative, on-demand contact handling and agent optimization software technology called inContact®. We use the SaaS model to sell our inContact product suite to the contact center industry. Our inContact product suite is a set of software applications hosted and delivered by us to our customers on a per-seat basis with the ability to scale capacity up or down as business fluctuates.

We offer a variety of connectivity options for carrying an inbound call into our inContact suite or linking agents to our inContact suite, including dedicated T1s, IP connectivity, toll free and local inbound numbers. We continue to sell telecommunication services unbundled from our inContact suite including a dedicated voice T1 product, the Intelligent-T and our switched 1+ services.

Our principal business office is located at 7730 So. Union Park Avenue, Suite 500, Midvale, UT 84047, and our telephone number is (801) 320-3200. Our website address is www.incontact.com. Information contained in our website or any other website does not constitute part of this prospectus.

RISK FACTORS

Before deciding to invest in our securities, you should consider carefully the discussion of risks and uncertainties set forth under the caption Risk Factors in any of our filings with the SEC pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934 incorporated by reference herein. For more information, see Where You Can Find More Information. The risks and uncertainties we discuss in the documents incorporated by reference in this prospectus are those that we believe may affect our company at the time such statements are made. Additional risks and uncertainties not presently known to us or that we currently deem immaterial also may materially and adversely affect our business, financial condition and results of operations.

NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and information incorporated by reference into this prospectus contain forward-looking statements that involve substantial risks and uncertainties. Forward-looking statements are those that predict or describe future events or trends and that do not relate solely to historical matters. Further, when we use the words may, expect, anticipate, plan, believe, seek, estimate, internal, and similar words, we intend such statements and expressions that may be forward-looking statements. We believe it is important to communicate certain of our expectations to our investors. Forward-looking statements are not guarantees of future performance. They involve risks, uncertainties and assumptions that could cause our future results to differ materially from those expressed in any forward-looking statements. Risks, uncertainties and other factors that might cause such differences include the risks identified in the section entitled Risk Factors in our most recent Annual Report on Form 10-K and in other reports we file with the SEC or in other documents that we publicly disseminate from time to time. Many factors are beyond our ability to control or predict. You are accordingly cautioned not to place undue reliance on such forward-looking statements. We have no obligation or intent to update publicly any forward-looking statements whether in response to new information, future events or otherwise, except as required by applicable law.

Table of Contents**USE OF PROCEEDS**

We will receive funds if any of the purchase rights under the Stock Option Agreements are exercised. inContact will not receive any of the proceeds from the offer and resale of shares by the Selling Security Holders.

SELLING SECURITY HOLDERS

The following table sets forth as of March 17, 2009, the name of each of the selling security holders, the number of shares of common stock that each selling security holder owns beneficially, the number of shares of common stock issuable under outstanding stock options owned by each selling security holder that may be offered for resale from time to time by this prospectus, the number of shares of common stock that would be owned by each selling security holder assuming all offered shares are sold, and the percent of our outstanding common stock each selling security holder will continue to hold assuming the sale of all the common stock offered. We may amend or supplement this prospectus from time to time to update the disclosure set forth herein.

Selling Security Holder (1)	Number Of Shares Owned (2)	Number Of Shares Offered (3)	Number Of Shares Owned After	Percentage Owned After
Scott Welch	360,000	75,000	285,000	0.2

- (1) Each of the persons listed is an affiliate of inContact (as defined in rule 405 adopted under the Securities Act) because he now serves as an executive officer and/or a director.
- (2) The number of shares listed includes all shares that may be offered under this prospectus even though the offered shares may not be deemed to be beneficially owned in accordance with Rule 13d-3 of the Securities Exchange Act of 1934 because the shares are issuable under options that are subject to vesting and are not exercisable within 60 days of the date of this prospectus. All other shares included in these figures are included in accordance with Rule 13d-3. Under such rule, beneficial ownership includes any shares as to which the individual has sole or shared voting power or investment power and also any shares that the individual has the right to acquire within 60 days of the date of this prospectus through the exercise of any stock option or other right. Unless otherwise indicated in the footnotes, each person has sole voting and investment power (or shares such powers with his or her spouse) with respect to the shares shown as beneficially owned. Percentage of beneficial ownership is based on 31,065,228 shares of common stock outstanding as of March 17, 2009.
- (3) The number of shares offered by each of the persons listed are shares issuable under outstanding stock options with the following terms:

Name	Issue Date	Expiration Date	No. of Shares	Exercise Price
Scott Welch	01-14-04	11-04-13	25,000	\$ 3.05
	11-09-04	11-04-13	50,000	\$ 2.00

PLAN OF DISTRIBUTION

The selling security holders and any of their pledgees, donees, transferees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of common stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The selling security holders may use any one or more of the following methods when selling shares:

ordinary brokerage transactions and transactions in which the broker-dealer solicits Investors;

Edgar Filing: inContact, Inc. - Form S-8 POS

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

Table of Contents

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

to cover short sales made after the date that the registration statement of which this prospectus is a part is declared effective by the Commission;

broker-dealers may agree with the selling security holders to sell a specified number of such shares at a stipulated price per share;

a combination of any such methods of sale; and

any other method permitted pursuant to applicable law.

The selling security holders may also sell shares under Rule 144 adopted under the Securities Act, if available, rather than under this prospectus.

Unless otherwise prohibited, the selling security holders may enter into hedging transactions with broker-dealers or other financial institutions in connection with distributions of the shares or otherwise. In such transactions, broker-dealers or financial institutions may engage in short sales of the shares in the course of hedging the position they assume with a selling security holder. The selling security holders may also engage in short sales, puts and calls, forward-exchange contracts, collars and other transactions in our securities or derivatives of our securities and may sell or deliver shares in connection with these trades. If a selling security holder sells shares short, he or she may redeliver the shares to close out such short positions. The selling security holders may also enter into option or other transactions with broker-dealers or financial institutions which require the delivery to the broker-dealer or the financial institution of the shares. The broker-dealer or financial institution may then resell or otherwise transfer such shares pursuant to this reoffer prospectus. In addition, the selling security holder may loan his or her shares to broker-dealers or financial institutions who are counterparties to hedging transactions and the broker-dealers, financial institutions or counterparties may sell the borrowed shares into the public market. A selling security holder may also pledge shares to his or her brokers or financial institutions and under the margin loan the broker or financial institution may, from time to time, offer and sell the pledged shares. To our knowledge, no selling security holder has entered into any agreements, understandings or arrangements with any underwriters, broker-dealers or financial institutions regarding the sale of his or her shares other than ordinary course brokerage arrangements, nor are we aware of any underwriter or coordinating broker acting in connection with the proposed sale of shares by a selling security holder.

The selling security holders and any broker-dealers or agents that are involved in selling the shares may be deemed to be underwriters within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Discounts, concessions, commissions and similar selling expenses, if any, that can be attributed to the sale of securities will be paid by the selling security holder and/or the purchasers.

INDEMNIFICATION

Under the certificate of incorporation and bylaws of inContact the board of directors has the authority to indemnify officers and directors to the fullest extent permitted by Delaware law. Further, inContact has separate indemnification agreements with certain of its officers and directors. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers, and controlling persons, or to the extent any of the selling security holders are entitled to indemnification under their agreements with us, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Item 4. Description of Securities

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

inContact's Charter provides that, to the fullest extent that limitations on the liability of directors and officers are permitted by the Delaware General Corporation Law (the "DGCL"), no director or officer of inContact shall have any liability to inContact or its stockholders for monetary damages. The DGCL provides that a corporation's charter may include a provision which restricts or

Table of Contents

limits the liability of its directors or officers to the corporation or its stockholders for money damages except: (1) to the extent that it is provided that the person actually received an improper benefit or profit in money, property or services, for the amount of the benefit or profit in money, property or services actually received, or (2) to the extent that a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding in the proceeding that the person's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding. inContact's Charter and Bylaws provide that inContact shall indemnify and advance expenses to its currently acting and its former directors to the fullest extent permitted by the DGCL and that inContact shall indemnify and advance expenses to its officers to the same extent as its directors and to such further extent as is consistent with law.

The Charter and Bylaws provide that inContact will indemnify its directors and officers and may indemnify employees or agents of inContact to the fullest extent permitted by law against liabilities and expenses incurred in connection with litigation in which they may be involved because of their offices with inContact. However, nothing in the Charter or Bylaws of inContact protects or indemnifies a director, officer, employee or agent against any liability to which he would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office. To the extent that a director or officer has been successful in defense of any proceeding, our Bylaws provide that he shall be indemnified against reasonable expenses incurred in connection therewith.

inContact maintains an officer's and director's liability insurance policy insuring its officers and directors against certain liabilities and expenses incurred by them in their capacities as such, and insuring the inContact under certain circumstances, in the event that indemnification payments are made to such officers and directors.

inContact has also entered into indemnification agreements (the "Indemnification Agreements") with certain of its directors and officers (individually, the "Indemnitee"). The Indemnification Agreements, among other things, provide for indemnification to the fullest extent permitted by law against any and all expenses, judgments, fines, penalties and amounts paid in settlement of any claim. The Indemnification Agreements provide for the prompt advancement of all expenses to the Indemnitee and for reimbursement to inContact if it is found that such Indemnitee is not entitled to such indemnification under applicable law. The Indemnification Agreements also provide that after a change in control (as defined in the Indemnification Agreements) of inContact, all determinations regarding a right to indemnity and the right to advancement of expenses shall be made by independent legal counsel selected by the Indemnitee.

The foregoing summaries are necessarily subject to the complete text of the statute, the Company's Certificate of Incorporation, as amended, and Bylaws, and the arrangements referred to above and are qualified in their entirety by reference thereto.

Item 7. Exemption from Registration Claimed

Our grants of awards and options under employee benefit plans were issued pursuant to the exemption from registration afforded by Section 4(2) of the Securities Act and/or Regulation D promulgated thereunder. These restricted security issuances did not involve any underwriters, underwriting discounts or commissions. Because each recipient of the award or stock option is or was an officer, director, employee or other service provider to the Company, we believe that each issuance did not involve any public offering and was exempt from the registration requirements of the Securities Act.

Item 9. Undertakings

1. The undersigned registrant hereby undertakes:
