**Item 8.01 Other Events.**

In connection with a review of its executive compensation practices, the Compensation Committee of the Board of Directors (the Compensation Committee ) of DaVita Inc. (the Company ) has determined that it will no longer enter into any new or materially amended agreements with its executives that include any excise tax gross-up provisions with respect to payments contingent upon a change in control. In unusual circumstances where the Compensation Committee believes that accommodations have to be made to recruit a new executive to the Company, limited reimbursement for taxes payable may be included in executives' contracts; but even in those circumstances, the excise tax gross-up provisions will be limited to payments triggered by both a change in control and termination of employment and will be subject to a three-year sunset provision. Executives who were entitled to receive the excise tax gross-up prior to January 1, 2009 will continue to be entitled to the excise tax gross-up.
