ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission, which we refer to as the SEC, using a shelf registration process. Under this shelf registration process, we may from time to time sell any combination of the securities described in this prospectus in one or more offerings. We may sell these securities either separately or in units. We also may issue common stock, preferred stock, or debt securities upon the conversion, exchange or exercise of certain of the securities described in this prospectus.

This prospectus provides you with a general description of the securities we may offer. Each time we sell securities, we will provide a prospectus supplement that will contain specific information about the terms of that offering. The prospectus supplement may also add, update, or change information contained in this prospectus. You should read both this prospectus and any prospectus supplement together with the additional information described below under the heading **Where You Can Find More Information**.

The registration statement that contains this prospectus, including the exhibits to the registration statement and the information incorporated by reference, contains additional information about the securities offered under this prospectus. That registration statement can be read at the SEC web site or at the SEC office mentioned below under the heading **Where You Can Find More Information**.

Following the initial distribution of an offering of securities, PNC Capital Markets LLC and other affiliates of ours may offer and sell those securities in secondary market transactions. PNC Capital Markets LLC and other affiliates of ours may act as a principal or agent in these transactions. This prospectus and the applicable prospectus supplement will also be used in connection with these transactions. Sales in any of these transactions will be made at varying prices related to prevailing market prices and other circumstances at the time of sale.

No person is authorized to give any information or to make any representations other than those contained or incorporated by reference in this prospectus or the applicable prospectus supplement, and, if given or made, such information or representation must not be relied upon as having been authorized. This prospectus and the applicable prospectus supplement do not constitute an offer to sell or the solicitation of an offer to buy any securities other than the securities described in the applicable prospectus supplement or an offer to sell or the solicitation of an offer to buy such securities in any circumstances in which such offer or solicitation is unlawful.

Neither the delivery of this prospectus or the applicable prospectus supplement, nor any sale made hereunder and thereunder, shall, under any circumstances, create any implication that there has been no change in our affairs since the date of this prospectus or that the information contained or incorporated by reference in this prospectus or the applicable prospectus supplement is correct as of any time subsequent to the date of such information.

In this prospectus, we use **PNC** to refer to The PNC Financial Services Group, Inc. specifically, **PNC Funding** to refer to PNC Funding Corp specifically; and **we** or **us** to refer collectively to PNC and PNC Funding, unless the context requires otherwise. References to The PNC Financial Services Group, Inc. and its subsidiaries, on a consolidated basis, are specifically made where applicable.

WHERE YOU CAN FIND MORE INFORMATION

PNC files annual, quarterly and current reports, proxy statements and other information with the SEC. These filings are available to the public over the Internet at the SEC's website at <http://www.sec.gov>. You may also read and copy any document we file with the SEC at its Public Reference Room, located at 100 F Street, N.E., Washington, D.C. 20549. Please call the SEC at 1-800-SEC-0330 for further information on the operation of its public reference room. The reports and other information filed by PNC with the SEC are also available at our Internet website, www.pnc.com. We have included the web addresses of the SEC and PNC as inactive textual references only. Except as specifically incorporated by reference into this document, information on those websites is not part of this document.

You can also inspect reports, proxy statements and other information about us at the offices of The New York Stock Exchange, 20 Broad Street, New York, New York 10005.

The SEC allows us to incorporate by reference information into this prospectus. This means that we can disclose important information to you by referring you to another document filed separately with the SEC. The information incorporated by reference is considered part of this prospectus, and because we incorporate by reference future filings with the SEC later information that we file will automatically update and supersede this information.

This prospectus incorporates by reference the documents listed below that PNC previously filed with the SEC and any future filings that PNC makes with the SEC under Section 13(a), 13(c), 14, and 15(d) of the Securities Exchange Act of 1934 (in each case other than those documents or portions of those documents not deemed to have been filed in accordance with SEC rules) between the date of this prospectus and the termination of the offering of the securities to be issued under the registration statement, or if later until the date on which any of our affiliates cease offering and selling these securities:

RISK FACTORS

We are subject to a number of risks potentially impacting our business, financial condition, results of operations and cash flows. For a detailed description of the potential risks, see Part I, Item 1A of PNC's Annual Report on Form 10-K for the year ended December 31, 2008 (as updated by our Current Report on Form 8-K filed on January 15, 2010) which report is incorporated by reference in this prospectus. You should also review the risk factors that will be set forth in other documents that we file with the SEC after the date of this prospectus. See [Where You Can Find More Information](#). Additional risk factors may also be set forth in any applicable prospectus supplement.

FORWARD-LOOKING STATEMENTS

This prospectus and any accompanying prospectus supplement, including information incorporated in them by reference, have statements regarding our outlook or expectations for earnings, revenues, expenses, capital levels, liquidity levels, asset quality and/or other matters regarding or affecting PNC that are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are typically identified by words such as believe, plan, expect, anticipate, intend, outlook, estimate, forecast, project and other similar words and expressions. Forward-looking statements are subject to numerous assumptions, risks and uncertainties, which change over time. Forward-looking statements speak only as of the date they are made. We do not assume any duty and do not undertake to update our forward-looking statements. Actual results or future events could differ, possibly materially, from those that we anticipated in our forward-looking statements, and future results could differ materially from our historical performance. Our forward-looking statements are subject to the following principal risks and uncertainties. We provide greater detail regarding some of these factors in PNC's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2009, June 30, 2009 and September 30, 2009 and in PNC's Annual Report on Form 10-K for the year ended December 31, 2008 (as updated by our Current Report on Form 8-K filed on January 15, 2010), filed with the SEC and available on the SEC's website at www.sec.gov, including in the Risk Factors and Risk Management sections of those reports. Our forward-looking statements may also be subject to other risks and uncertainties, including those discussed elsewhere in this prospectus and any accompanying prospectus supplement or in our other filings with the SEC.

Our businesses and financial results are affected by business and economic conditions, both generally and specifically in the principal markets in which we operate. In particular, our businesses and financial results may be impacted by:

Changes in interest rates and valuations in the debt, equity and other financial markets.

Disruptions in the liquidity and other functioning of financial markets, including such disruptions in the markets for real estate and other assets commonly securing financial products.

Actions by the Federal Reserve and other government agencies, including those that impact money supply and market interest rates.

Changes in our customers', suppliers' and other counterparties' performance in general and their creditworthiness in particular.

Changes in levels of unemployment.

Changes in customer preferences and behavior, whether as a result of changing business and economic conditions or other factors.

A continuation of recent turbulence in significant portions of the U.S. and global financial markets, particularly if it worsens, could impact our performance, both directly by affecting our revenues and the value of our assets and liabilities and indirectly by affecting

our counterparties and the economy generally.

Table of Contents

Our business and financial performance could be impacted as the financial industry restructures in the current environment, both by changes in the creditworthiness and performance of our counterparties and by changes in the competitive and regulatory landscape.

Given current economic and financial market conditions, our forward-looking financial statements are subject to the risk that these conditions will be substantially different than we are currently expecting. These statements are based on our current expectations that interest rates will remain low in the first half of 2010 but will move upward in the second half of the year and our view that the modest economic recovery that began last year will extend through 2010.

Legal and regulatory developments could have an impact on our ability to operate our businesses or our financial condition or results of operations or our competitive position or reputation. Reputational impacts, in turn, could affect matters such as business generation and retention, our ability to attract and retain management, liquidity, and funding. These legal and regulatory developments could include:

Changes resulting from legislative and regulatory responses to the current economic and financial industry environment, including current and future conditions or restrictions imposed as a result of our participation in the TARP Capital Purchase Program.

Other legislative and regulatory reforms, including broad-based restructuring of financial industry regulation as well as changes to laws and regulations involving tax, pension, bankruptcy, consumer protection, and other aspects of the financial institution industry.

Increased litigation risk from recent regulatory and other governmental developments.

Unfavorable resolution of legal proceedings or other claims and regulatory and other governmental inquiries.

The results of the regulatory examination and supervision process, including our failure to satisfy the requirements of agreements with governmental agencies.

Changes in accounting policies and principles.

Our issuance of securities to the US Department of the Treasury may limit our ability to return capital to our shareholders and is dilutive to PNC's common shares. If we are unable previously to redeem the shares, the dividend rate increases substantially after five years.

Our business and operating results are affected by our ability to identify and effectively manage risks inherent in our businesses, including, where appropriate, through the effective use of third-party insurance, derivatives, and capital management techniques, and by our ability to meet evolving regulatory capital standards.

The adequacy of our intellectual property protection, and the extent of any costs associated with obtaining rights in intellectual property claimed by others, can impact our business and operating results.

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form S-3ASR

Our ability to anticipate and respond to technological changes can have an impact on our ability to respond to customer needs and to meet competitive demands.

Our ability to implement our business initiatives and strategies could affect our financial performance over the next several years.

Competition can have an impact on customer acquisition, growth and retention, as well as on our credit spreads and product pricing, which can affect market share, deposits and revenues.

Our business and operating results can also be affected by widespread natural disasters, terrorist activities or international hostilities, either as a result of the impact on the economy and capital and other financial markets generally or on us or on our customers, suppliers or other counterparties specifically.

Also, risks and uncertainties that could affect the results anticipated in forward-looking statements or from historical performance relating to our equity interest in BlackRock, Inc. are discussed in more detail in BlackRock's filings with the SEC, including in the Risk Factors sections of BlackRock's

Table of Contents

reports. BlackRock's SEC filings are accessible on the SEC's website and on or through BlackRock's website at www.blackrock.com. This material is referenced for informational purposes only and should not be deemed to constitute a part of this prospectus or any prospectus supplement.

In addition, our acquisition of National City Corporation (National City) on December 31, 2008 presents us with a number of risks and uncertainties related both to the acquisition transaction itself and to the integration of the acquired businesses into PNC. These risks and uncertainties include the following:

The anticipated benefits of the transaction, including anticipated cost savings and strategic gains, may be significantly harder or take longer to achieve than expected or may not be achieved in their entirety as a result of unexpected factors or events.

Our ability to achieve anticipated results from this transaction is dependent on the state going forward of the economic and financial markets, which have been under significant stress recently. Specifically, we may incur more credit losses from National City's loan portfolio than expected. Other issues related to achieving anticipated financial results include the possibility that deposit attrition or attrition in key client, partner and other relationships may be greater than expected.

Legal proceedings or other claims made and governmental investigations currently pending against National City, as well as others that may be filed, made or commenced relating to National City's business and activities before the acquisition, could adversely impact our financial results.

Our ability to achieve anticipated results is also dependent on our ability to bring National City's systems, operating models and controls into conformity with ours and to do so on our planned time schedule. The integration of National City's business and operations into PNC, which will include conversion of National City's different systems and procedures, may take longer than anticipated or be more costly than anticipated or have unanticipated adverse results relating to National City's or PNC's existing businesses. PNC's ability to integrate National City successfully may be adversely affected by the fact that this transaction will result in PNC entering several markets where PNC did not previously have any meaningful retail presence.

In addition to the National City transaction, we grow our business from time to time by acquiring other financial services companies. Acquisitions in general present us with risks, in addition to those presented by the nature of the business acquired, similar to some or all of those described above relating to the National City acquisition.

Table of Contents

THE PNC FINANCIAL SERVICES GROUP, INC.

PNC is one of the largest diversified financial services companies in the United States and is headquartered in Pittsburgh, Pennsylvania. As described further below PNC acquired National City on December 31, 2008.

PNC was incorporated under the laws of the Commonwealth of Pennsylvania in 1983 with the consolidation of Pittsburgh National Corporation and Provident National Corporation. Since 1983, PNC has diversified its geographical presence, business mix and product capabilities through internal growth, strategic bank and non-bank acquisitions and equity investments, and the formation of various non-banking subsidiaries.

PNC has businesses engaged in retail banking, corporate and institutional banking, asset management, residential mortgage banking and global investment servicing, providing many of its products and services nationally and others in PNC's primary geographic markets located in Pennsylvania, Ohio, New Jersey, Michigan, Maryland, Illinois, Indiana, Kentucky, Florida, Missouri, Virginia, Delaware, Washington, DC and Wisconsin. PNC also provides certain investment servicing internationally.

On December 31, 2008, PNC acquired National City for approximately \$6.1 billion. The total consideration included approximately \$5.6 billion of PNC common stock, \$150 million of preferred stock, and cash paid to warrant holders by National City.

PNC completed the acquisition primarily by issuing approximately 95 million shares of PNC common stock. In accordance with purchase accounting methodologies, National City Bank's balance sheet was adjusted to fair value at which time the bank was under-capitalized from a regulatory perspective. However, PNC's consolidated balance sheet remained well-capitalized and liquid.

On December 31, 2008 PNC issued to the US Department of the Treasury \$7.6 billion of preferred stock together with a warrant to purchase shares of common stock of PNC, in accordance with the terms of the TARP Capital Purchase Program. These proceeds were used to enhance National City Bank's regulatory capital position to well-capitalized in order to continue serving the credit and deposit needs of existing and new customers. On a consolidated basis, these proceeds also resulted in further improvement to our liquidity and capital positions.

We completed the required divestiture of 61 of National City Bank's branches including \$4.1 billion of deposits and \$.8 billion of loans by September 4, 2009. We merged National City Bank into PNC Bank, National Association (PNC Bank) on November 6, 2009.

PNC stock is listed on the New York Stock Exchange under the symbol PNC. As of September 30, 2009, PNC had total consolidated assets of approximately \$271.4 billion, total consolidated deposits of approximately \$183.8 billion and total consolidated shareholders' equity of approximately \$28.9 billion. PNC is a holding company and services its obligations primarily with dividends and advances that it receives from subsidiaries. PNC's subsidiaries that operate in the banking and securities businesses can pay dividends only if they are in compliance with the applicable regulatory requirements imposed on them by federal and state bank regulatory authorities and securities regulators. PNC's subsidiaries may be party to credit or other agreements that also may restrict their ability to pay dividends. PNC currently believes that none of these regulatory or contractual restrictions on the ability of its subsidiaries to pay dividends will affect PNC's ability to service its own debt. PNC must also maintain the required capital levels of a bank holding company before it may pay dividends on its stock.

Under the regulations of the Federal Reserve, a bank holding company is expected to act as a source of financial strength for its subsidiary banks. As a result of this regulatory policy, the Federal Reserve might require PNC to commit resources to its subsidiary banks when doing so is not otherwise in the interests of PNC or its shareholders or creditors.

USE OF PROCEEDS

Unless otherwise provided in the applicable prospectus supplement, we will apply the net proceeds from the sale of the securities for general corporate purposes, which may include:

advances to PNC (in the case of PNC Funding) and its subsidiaries to finance their activities,

financing of possible future acquisitions,

repayment or redemption of outstanding indebtedness,

redemption of outstanding warrants, and

repurchases of issued and outstanding shares of common and/or preferred stock.

Until we use the net proceeds for these purposes, we will use the net proceeds to reduce our short term indebtedness or for temporary investments. We expect that we may from time to time engage in additional financings of a character and in amounts to be determined. We will not receive any of the proceeds from the sale of securities covered by this prospectus that are sold by any selling security holders.

Table of Contents

DESCRIPTION OF DEBT SECURITIES AND GUARANTEES

This section describes the general terms and provisions of the debt securities that PNC Funding may offer, and the guarantees of those debt securities by PNC. The debt securities may be either senior debt securities, subordinated debt securities or convertible senior debt securities. The prospectus supplement will describe the specific terms of the debt securities and guarantees offered through that prospectus supplement and any general terms outlined in this section that will not apply to those debt securities and guarantees.

The debt securities will be issued under:

an indenture, dated as of December 1, 1991, as supplemented by a supplemental indenture dated as of February 15, 1993, a second supplemental indenture dated as of February 15, 2000, a third supplemental indenture dated as of December 19, 2008, a fourth supplemental indenture dated as of December 19, 2008 and a fifth supplemental indenture dated as of March 31, 2009, a copy of which has been filed with the SEC. The Bank of New York Mellon, successor to The Bank of New York, successor to JPMorgan Chase Bank, N.A., successor to The Chase Manhattan Bank, formerly known as Chemical Bank, successor by merger to the Manufacturers Hanover Trust Company, is the trustee under the indenture, unless a different trustee for a series of debt securities is named in the prospectus supplement; or

in the case of convertible senior debt securities, an indenture, dated as of June 30, 2005, with The Bank of New York Mellon, successor to The Bank of New York, successor to JPMorgan Chase Bank, N.A., as trustee, for convertible senior debt securities.

For each series of debt securities, a supplemental indenture may be entered into among PNC Funding, PNC and the trustee or such other trustee as may be named in the prospectus supplement relating to that series of debt securities.

We have summarized the material terms and provisions of the indentures in this section. We encourage you to read the indentures for additional information before you buy any debt securities. The summary that follows includes references to section numbers of the indentures so that you can more easily locate these provisions. If the section reference to each indenture is the same, you will see one parenthetical reference. If the section references differ, the second parenthetical refers to the June 30, 2005 indenture under which the convertible senior debt securities can be issued. Differences between the indentures are also discussed, where applicable. Because the convertible debt securities will be senior debt securities, the indenture under which the senior convertible debt securities may be issued does not include sections discussing subordination and the related definitions.

Debt Securities in General

The debt securities will be unsecured obligations of PNC Funding. The indenture does not limit the amount of debt securities that we may issue from time to time in one or more series. (Section 3.01) The indenture provides that debt securities may be issued up to the principal amount authorized by us from time to time. (Section 3.01) Unless otherwise specified in the prospectus supplement for a particular series of debt securities, we may reopen a previous issue of a series of debt securities and issue additional debt securities of that series.

We will specify in the prospectus supplement relating to a particular series of debt securities being offered the terms relating to the offering. The terms may include:

the title and type of the debt securities,

the aggregate principal amount of the debt securities,

the purchase price of the debt securities,

Table of Contents

the date or dates on which debt securities may be issued,

the date or dates on which the principal of and premium on the debt securities will be payable,

if the debt securities will be interest bearing:

the interest rate on the debt securities or the method by which the interest rate may be determined,

the date from which interest will accrue,

the record and interest payment dates for the debt securities,

the first interest payment date,

any circumstances under which we may defer interest payments,

the place or places where the principal of, and premium and interest on, the debt securities will be payable,

any optional redemption provisions that would permit us or the holders of debt securities to redeem the debt securities before their final maturity,

any sinking fund provisions that would obligate us to redeem the debt securities before their final maturity,

the denominations in which the debt securities shall be issued, if issued in denominations other than \$1,000 and any integral multiple thereof,

the portion of the principal amount of the debt securities that will be payable upon an acceleration of the maturity of the debt securities,

whether payment of the principal of, premium, and interest on, the debt securities will be with or without deduction for taxes, assessments or governmental charges, and with or without reimbursement of taxes, assessments or governmental charges paid by holders,

any events of default which will apply to the debt securities that differ from those contained in the indenture,

whether the debt securities will be issued in registered form or in bearer form, or in both registered form and bearer form,

the currency or currencies in which the debt securities will be denominated, payable, redeemable or repurchaseable,

whether the debt securities are convertible and the terms and conditions applicable to conversion, including the conversion price or rate at which shares of PNC common stock will be delivered, the circumstances in which such price or rate will be adjusted, the conversion period, and other conversion terms and provisions,

whether the debt securities of such series will be issued as a global security and, if so, the identity of the depository for such series,

any trustees, paying agents, transfer agents or registrars for the debt securities,

any special federal income tax considerations applicable to the debt securities, and

any other terms of such debt securities.

We intend for any subordinated debt securities offered to be included as regulatory capital under Federal Reserve Board interpretations.

Table of Contents

If any of the debt securities are sold for, or if the principal of or any interest on any series of debt securities is payable in, foreign currencies or foreign currency units, the relevant restrictions, elections, tax consequences, specific terms and other information will be set forth in the prospectus supplement.

Although the indenture provides that we may issue debt securities in registered form, with or without coupons, or in bearer form, each series of debt securities will be issued in fully registered form unless the prospectus supplement provides otherwise. Debt securities that are not registered as to interest will have coupons attached, unless issued as original issue discount securities. The indenture under which convertible senior debt securities may be issued does not provide for the issuance of securities with coupons.

The principal of, and premium and interest on, fully registered securities will be payable at the place of payment designated for such securities and stated in the prospectus supplement. PNC Funding also has the right to make interest payments by check mailed to the holder at the holder's registered address. The principal of, and premium, if any, and interest on any debt securities in other forms will be payable in the manner and at the place or places as may be designated by PNC Funding and specified in the prospectus supplement. (Sections 3.01 and 5.01) (Sections 3.01 and 10.01)

You may exchange or transfer the debt securities at the corporate trust office of the trustee for the series of debt securities or at any other office or agency maintained by us for those purposes. You may transfer bearer debt securities by delivery. We will not require payment of a service charge for any transfer or exchange of the debt securities, but PNC Funding may require payment of a sum sufficient to cover any applicable tax or other governmental charge. (Section 3.05)

Unless the prospectus supplement provides otherwise, each series of the debt securities will be issued only in denominations of \$1,000 or any integral multiple thereof and payable in dollars. (Section 3.02) Under the indenture, however, debt securities may be issued in any denomination and payable in a foreign currency or currency unit. (Section 3.01)

We may issue debt securities with original issue discount. Original issue discount debt securities bear no interest or bear interest at below-market rates and will be sold below their stated principal amount. The prospectus supplement will describe any special federal income tax consequences and other special considerations applicable to any securities issued with original issue discount.

Senior Debt Securities

The senior debt securities, including convertible senior debt securities, will rank equally with all senior indebtedness of PNC Funding.

Senior indebtedness of PNC Funding means the principal of, and premium and interest on, (i) all indebtedness for money borrowed of PNC Funding whether outstanding on the date of execution of the indenture or thereafter created, assumed or incurred, and (ii) any deferrals, renewals or extensions of any such indebtedness. The following indebtedness of PNC Funding, however, is not considered to be senior indebtedness of PNC Funding:

5 1/4% Subordinated Notes Due 2015 and 5.625% Subordinated Notes due 2017.

The term indebtedness for money borrowed means:

any obligation of, or any obligation guaranteed by, PNC Funding for the repayment of money borrowed, whether or not evidenced by bonds, debentures, notes or other written instruments,

any capitalized lease obligation, and

any deferred obligation for payment of the purchase price of any property or assets. (Section 1.01)

Table of Contents

There is no limitation on PNC Funding creating, incurring or issuing additional senior indebtedness.

Subordinated Debt Securities

The subordinated debt securities will rank equally with all other unsecured subordinated indebtedness of PNC Funding. The subordinated debt securities will be subordinated in right of payment to all senior indebtedness of PNC Funding. (Section 12.01) In certain events of insolvency of PNC Funding, the subordinated debt securities will also be effectively subordinated in right of payment to all other company obligations and will be subject to an obligation of PNC Funding to pay any excess proceeds (as defined in the indenture) to creditors in respect of any unpaid other company obligations. (Section 12.13).

Other company obligations means obligations of PNC Funding associated with derivative products such as interest rate and currency exchange contracts, foreign exchange contracts, commodity contracts, or any similar arrangements, unless the instrument by which PNC Funding incurred, assumed or guaranteed the obligation expressly provides that it is subordinate or junior in right of payment to any other indebtedness or obligations of PNC Funding. (Section 1.01)

Upon the liquidation, dissolution, winding up, or reorganization of PNC Funding, PNC Funding must pay to the holders of all senior indebtedness of PNC Funding the full amounts of principal of, and premium and interest on, that senior indebtedness before any payment is made on the subordinated debt securities. If, after PNC Funding has made those payments on the senior indebtedness:

- (i) there are amounts available for payment on the subordinated debt securities (as defined in the indenture, excess proceeds), and
- (ii) at such time, any creditors in respect of other company obligations have not received their full payments, then

PNC Funding shall first use such excess proceeds to pay in full all such other company obligations before PNC Funding makes any payment in respect of the subordinated debt securities. (Section 12.02)

In addition, PNC Funding may not make any payment on the subordinated debt securities in the event:

PNC Funding has failed to make full payment of the principal of, or premium, if any, or interest on any senior indebtedness of PNC Funding, or

any event of default with respect to any senior indebtedness of PNC Funding has occurred and is continuing, or would occur as a result of such payment on the subordinated debt securities. (Section 12.03)

Because of the subordination provisions and the obligation to pay excess proceeds, in the event of insolvency, holders of the subordinated debt securities may recover less, ratably, than holders of senior indebtedness of PNC Funding and other company obligations and other creditors of PNC Funding. (Sections 12.01, 12.02, 12.03, and 12.13)

PNC Funding's obligations under the subordinated debt securities will rank equally in right of payment with each other, subject to the obligations of the holders of subordinated debt securities to pay over any excess proceeds to creditors in respect of other company obligations as provided in the indenture. (Section 12.13)

Guarantees in General

PNC will unconditionally guarantee the due and punctual payment of the principal of, premium, if any, and interest on the debt securities when and as the same shall become due and payable, whether at maturity, upon redemption or otherwise. (Section 3.12) (Section 3.11)

PNC is a holding company that conducts substantially all its operations through subsidiaries. As a result, claims of the holders of the guarantees will generally have a junior position to claims of creditors of PNC's

Table of Contents

subsidiaries (including, in the case of any bank subsidiary, its depositors), except to the extent that PNC may itself be a creditor with recognized claims against the subsidiary. In addition, there are certain regulatory and other limitations on the payment of dividends and on loans and other transfers of funds to PNC by its bank subsidiaries.

Guarantees of Senior Debt Securities

The guarantees of senior debt securities, including convertible senior debt securities, will rank equally with all senior indebtedness of PNC.

Senior indebtedness of PNC means the principal of, and premium, if any, and interest on, (i) all indebtedness for money borrowed of PNC, whether outstanding on the date of execution of the indenture or thereafter created, assumed or incurred, and (ii) any deferrals, renewals or extensions of any such indebtedness of PNC. (Section 1.01) PNC's guarantee of the following indebtedness of PNC Funding outstanding as of the date of this prospectus, however, is not considered to be senior indebtedness of PNC:

5¹/₄% Subordinated Notes Due 2015 and 5.625% Subordinated Notes due 2017.

The 4.625% Subordinated Notes due 2013 originally issued by Mercantile Bankshares Corporation, which are obligations of PNC, are also not considered senior indebtedness of PNC. Additionally, the 6.875% Subordinated Notes due 2019 originally issued by National City Corporation, which are obligations of PNC, are also not considered senior indebtedness of PNC.

The term indebtedness for money borrowed means

any obligation of, or any obligation guaranteed by, PNC for the repayment of money borrowed, whether or not evidenced by bonds, debentures, notes or other written instruments,

any capitalized lease obligation, and

any deferred obligation for payment of the purchase price of any property or assets. (Section 1.01)

Senior indebtedness of PNC includes PNC's guarantee of any outstanding senior notes of PNC Funding, any senior notes that are direct obligations of PNC, including those obligations assumed by PNC upon the closing of the acquisition of National City and PNC's guarantee of any outstanding commercial paper issued by PNC Funding. There is no limitation under the indenture on the issuance of additional senior indebtedness of PNC.

Guarantees of Subordinated Debt Securities

The guarantees of the subordinated debt securities (subordinated guarantees) will be subordinated in right of payment to all senior indebtedness of PNC. (Section 12.04) In certain events of insolvency of PNC, the subordinated guarantees will also be effectively subordinated in right of payment to all other guarantor obligations (as defined in the indenture). (Section 12.05) Other guarantor obligations means obligations of PNC associated with derivative products such as interest rate and currency exchange contracts, foreign exchange contracts, commodity contracts or any similar arrangements, unless the instrument by which PNC incurred, assumed or guaranteed the obligation expressly provides that it is subordinate or junior in right of payment to any other indebtedness or obligations of PNC. (Section 1.01)

Table of Contents

Upon the liquidation, dissolution, winding up, or reorganization of PNC, PNC must pay to the holders of all senior indebtedness of PNC the full amounts of principal of, and premium and interest on, that senior indebtedness before any payment is made on the subordinated debt securities. If, after PNC has made those payments on the senior indebtedness:

- (i) there are amounts available for payment on the subordinated debt securities (as defined in the indenture, excess proceeds), and
- (ii) at such time, any creditors in respect of other guarantor obligations have not received their full payments, then

PNC shall first use such excess proceeds to pay in full all such other guarantor obligations before PNC makes any payment in respect of the subordinated debt securities. (Section 12.05)

In addition, PNC may not make any payment on the subordinated debt securities in the event:

PNC has failed to make full payment of the principal of, or premium, if any, or interest on any senior indebtedness of PNC, or

any event of default with respect to any senior indebtedness of PNC has occurred and is continuing, or would occur as a result of such payment on the subordinated debt securities. (Section 12.06)

Because of the subordination provisions and the obligation to pay excess proceeds, in the event of insolvency, holders of subordinated guarantees of PNC may recover less, ratably, than holders of senior indebtedness of PNC, other guarantor obligations (as defined in the indenture) and other creditors of PNC. (Section 3.12, 12.04, 12.05, 12.06 and 12.14)

As provided in the indenture, in the event of insolvency of PNC, the holders of the subordinated guarantees are subject to an obligation to pay any excess proceeds to creditors in respect of any unpaid other guarantor obligations (as defined in the indenture).

The subordinated guarantees will also rank equally in right of payment with PNC's guarantee of the following subordinated notes of PNC Funding as of the date of this prospectus:

5 1/4% Subordinated Notes Due 2015 and 5.625% Subordinated Notes due 2017.

As with holders of the subordinated guarantees, the holders of the foregoing guarantees of the subordinated notes of PNC Funding are subject to an obligation to pay any excess proceeds to creditors in respect of any unpaid other guarantor obligations. Therefore, in the event of insolvency of PNC, holders of the subordinated guarantees will recover the same, ratably, as holders of PNC's guarantees of such subordinated notes of PNC Funding.

The subordinated guarantees will also rank equally with the 4.625% Subordinated Notes due 2013 originally issued by Mercantile Bankshares Corporation, which are obligations of PNC, and the 6.875% Subordinated Notes due 2019 originally issued by National City Corporation, which are obligations of PNC.

PNC's junior subordinated debentures, discussed below, rank junior to the subordinated guarantees.

Effect of Subordination Provisions

By reason of the subordination provisions described above and as described more fully in the applicable prospectus supplement, in the event of insolvency of PNC Funding, holders of subordinated notes may recover less, ratably, than holders of senior indebtedness of PNC Funding and other company obligations. Holders of subordinated notes may also recover less, ratably, than other creditors of PNC Funding. Similarly, holders of subordinated guarantees may recover less, ratably, than holders of senior indebtedness of PNC and other guarantor obligations, and may also recover less, ratably, than holders of other creditors of PNC.

Certain Covenants

The indenture contains certain covenants that impose various restrictions on us and, as a result, afford the holders of debt securities certain protections. The section below provides a description of the covenants. You should review the full text of the covenants to be able to evaluate the covenants.

Restriction on Sale or Issuance of Voting Stock of a Principal Subsidiary Bank

The covenant described below is designed to ensure that, for so long as any senior debt securities or convertible senior debt securities are issued and outstanding, PNC will continue directly or indirectly to own and thus serve as the holding company for its principal subsidiary banks. When we use the term principal subsidiary banks, we mean each of:

PNC Bank, National Association (PNC Bank),

any other subsidiary bank the consolidated assets of which constitute 20% or more of the consolidated assets of PNC and its subsidiaries,

any other subsidiary bank designated as a principal subsidiary bank by the board of directors of PNC, or

any subsidiary that owns any voting shares or certain rights to acquire voting shares of any principal subsidiary bank, and their respective successors, provided any such successor is a subsidiary bank or a subsidiary, as appropriate.

As of the date hereof, PNC's only principal subsidiary banks are PNC Bank and its parent, PNC Bancorp, Inc.

The indenture prohibits PNC, unless debtholder consent is obtained from the holders of senior debt securities and convertible senior debt securities, from:

selling or otherwise disposing of, and permitting a principal subsidiary bank to issue, voting shares or certain rights to acquire voting shares of a principal subsidiary bank,

permitting the merger or consolidation of a principal subsidiary bank with or into any other corporation, or

permitting the sale or other disposition of all or substantially all the assets of any principal subsidiary bank, if, after giving effect to any one of such transactions and the issuance of the maximum number of voting shares issuable upon the exercise of all such rights to acquire voting shares of a principal subsidiary bank, PNC would own directly or indirectly less than 80% of the voting shares of such principal subsidiary bank.

These restrictions do not apply to:

transactions required by any law, or any regulation or order of any governmental authority,

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form S-3ASR

transactions required as a condition imposed by any governmental authority to the acquisition by PNC, directly or indirectly, or any other corporation or entity if thereafter,

PNC would own at least 80% of the voting shares of the other corporation or entity,

the consolidated banking assets of PNC would be at least equal to those prior thereto, and

the board of directors of PNC shall have designated the other corporation or entity a principal subsidiary bank,

Table of Contents

transactions that do not reduce the percentage of voting shares of such principal subsidiary bank owned directly or indirectly by PNC, and

transactions where the proceeds are invested within 180 days after such transaction in any one or more subsidiary banks.
The indenture does permit the following:

the merger of a principal subsidiary bank with and into a principal subsidiary bank or PNC,

the consolidation of principal subsidiary banks into a principal subsidiary bank or PNC, or

the sale or other disposition of all or substantially all of the assets of any principal subsidiary bank to another principal subsidiary bank or PNC. (Section 5.06) (Section 10.06)

PNC must only comply with this covenant if there are outstanding senior debt securities and a breach of this covenant is not a default with respect to subordinated debt securities.

Ownership of PNC Funding

The indenture contains a covenant that, so long as any of the debt securities are outstanding, PNC will continue to own, directly or indirectly, all of the outstanding voting shares of PNC Funding. (Section 5.07) (Section 10.07)

Restriction on Liens

The purpose of the restriction on liens covenant is to preserve PNC's direct or indirect interest in voting shares of principal subsidiary banks free of security interests of other creditors. The covenant permits certain specified liens and liens where the senior debt securities are equally secured. The indenture prohibits PNC and its subsidiaries from creating or permitting any liens (other than certain tax and judgment liens) upon voting shares of any principal subsidiary bank to secure indebtedness for borrowed money unless the senior debt securities are equally and ratably secured. Notwithstanding this prohibition, PNC may create or permit the following:

purchase money liens and liens on voting shares of any principal subsidiary bank existing at the time such voting shares are acquired or created within 120 days thereafter,

the acquisition of any voting shares of any principal subsidiary bank subject to liens at the time of acquisition or the assumption of obligations secured by a lien on such voting shares,

under certain circumstances, renewals, extensions or refunding of the liens described in the two preceding bullets, and

liens to secure loans or other extensions of credit under Section 23A of the Federal Reserve Act or any successor or similar federal law or regulation. (Section 5.08) (Section 10.08)

Consolidation or Merger

The covenant described below protects the holders of debt securities upon certain transactions involving PNC Funding or PNC by requiring any successor to PNC Funding or PNC to assume the predecessor's obligations under the indenture. In addition, the covenant prohibits such transactions if they would result in an event of default, a default or an event which could become an event of default or a default under the

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form S-3ASR

indenture. PNC Funding or PNC may consolidate with, merge into, or transfer substantially all of its properties to, any other corporation organized under the laws of any domestic jurisdiction, if:

the successor corporation assumes all obligations of PNC Funding or PNC, as the case may be, under the debt securities and the guarantees and under the indenture and for convertible debt securities provides for conversion rights in accordance with the terms of the indenture,

Table of Contents

immediately after the transaction, no event of default or default, and no event which, after notice or lapse of time, would become an event of default or default, exists, and

certain other conditions are met. (Sections 10.01 and 10.03) (Sections 8.01 and 8.03)

The indenture does not limit our ability to enter into a highly leveraged transaction or provide you with any special protection in the event of such a transaction.

Modification and Waiver

We and the trustee may modify the indenture with the consent of the holders of the majority in aggregate principal amount of outstanding debt securities of each series affected by the modification. The following modifications and amendments, however, will not be effective against any holder without the consent of the holder of each security:

change the stated maturity of any payment of principal or interest,

reduce the principal amount of, or the premium, if any, or the interest on such debt security,

reduce the portion of the principal amount of an original issue discount debt security, payable upon acceleration of the maturity of that debt security,

change the place or places where, or the currency in which, any debt security or any premium or interest is payable,

impair the right of the holder to institute suit for the enforcement of any payment on or with respect to any debt security,

reduce the percentage in principal amount of debt securities necessary to modify the indenture or the percentage in principal amount of outstanding debt securities necessary to waive compliance with conditions and defaults under the indenture, or

modify or affect the terms and conditions of the guarantees in any manner adverse to the holder. (Section 9.02)

We and the trustee may modify and amend the indenture without the consent of any holder of debt securities for any of the following purposes:

to evidence the succession of another corporation to PNC Funding or PNC,

to provide for the acceptance of appointment of a successor trustee,

to add to the covenants of PNC Funding or PNC for the benefit of the holders of debt securities,

to cure any ambiguity, defect or inconsistency in the indenture, if such action does not adversely affect the holders of debt securities in any material respect,

to secure the debt securities under applicable provisions of the indenture,

to establish the form or terms of debt securities,

to permit the payment in the United States of principal, premium or interest on unregistered securities, or

to provide for the issuance of uncertificated debt securities in place of certificated debt securities. (Section 9.01)

In addition, the holders of a majority in principal amount of outstanding debt securities of any series may, on behalf of all holders of that series, waive compliance with certain covenants, including those described under the captions above entitled Restriction on Sale or Issuance of Voting Stock of a Principal Subsidiary Bank,

Table of Contents

Ownership of PNC Funding and Restriction on Liens. (Section 5.09) (Section 10.09) If there are no senior debt securities outstanding, PNC may omit to comply with the covenant described under the caption above entitled Restriction on Sale or Issuance of Voting Stock of a Principal Subsidiary Bank without obtaining a waiver from the holders of subordinated debt securities. (Section 5.10) Covenants concerning the payment of principal, premium, if any, and interest on the debt securities, compliance with the terms of the indenture, maintenance of an agency, and certain monies held in trust may only be waived pursuant to a supplemental indenture executed with the consent of each affected holder of debt securities. The covenant concerning certain reports required by federal law may not be waived.

Events of Default, Defaults, Waivers

The indenture defines an event of default with respect to any series of senior debt securities as being any one of the following events unless such event is specifically deleted or modified in connection with the establishment of the debt securities of a particular series:

failure to pay interest on such series for 30 days after the payment is due,

failure to pay the principal of or premium, if any, on such series when due,

failure to deposit any sinking fund payment with respect to such series when due,

failure to perform any other covenant or warranty in the indenture that applies to such series for 90 days after we have received written notice of the failure to perform in the manner specified in the indenture,

the occurrence of certain events relating to bankruptcy, insolvency or reorganization of either of us or any principal subsidiary bank, or

any other event of default specified in the supplemental indenture under which such senior debt securities are issued or in the form of security for such securities. (Section 7.01(a)) (Section 5.01)

The indenture defines an event of default with respect to any series of subordinated debt securities as certain events involving the bankruptcy or reorganization of PNC or any principal subsidiary bank, or any other event of default specified in the supplemental indenture under which such subordinated debt securities are issued or in the form of securities for such series. (Section 7.01(b)) There is no right of acceleration in the case of events involving the bankruptcy, insolvency or reorganization of PNC Funding or of a default in the payment of principal, interest, premium, if any, or any sinking fund payment with respect to a series of subordinated debt securities or in the case of a default in the performance of any other covenant of PNC Funding or PNC in the indenture. Accordingly, payment of principal of any series of subordinated debt may be accelerated only in the case of the bankruptcy or reorganization of PNC or any principal subsidiary bank.

If an event of default occurs and is continuing with respect to any series of debt securities, either the trustee or the holders of at least 25% in principal amount of outstanding debt securities of that series may declare the principal of such series (or if debt securities of that series are original issue discount securities, a specified amount of the principal) to be due and payable immediately. Subject to certain conditions, the holders of a majority in principal amount of the outstanding debt securities of such series may rescind such declaration and waive certain defaults. Prior to any declaration of acceleration, the holders of a majority in principal amount of the outstanding debt securities of the applicable series may waive any past default or event of default, except a payment default, or a past default or event of default in respect of a covenant or provision of the indenture which cannot be modified without the consent of the holder of each outstanding debt security affected. (Sections 7.02, 7.08 and 7.13) (Sections 5.02, 5.08 and 5.13)

Table of Contents

The indenture defines a default with respect to any series of subordinated debt securities as being any one of the following events unless such event is specifically deleted or modified in connection with the establishment of the debt securities of a particular series:

failure to pay interest on such series for 30 days after the payment is due,

failure to pay the principal of or premium, if any, on such series when due,

failure to perform any other covenant or warranty in the indenture that applies to such series for 90 days after we have received written notice of the failure to perform in the manner specified in the indenture,

any other event of default specified in the supplemental indenture under which such subordinated debt securities are issued or in the form of security for such securities, or

events involving the bankruptcy, insolvency or reorganization of PNC Funding. (Section 7.01(c))

A breach of the covenant described under the caption above entitled "Restriction on Sale or Issuance of Voting Stock of a Principal Subsidiary Bank" will not result in a default with respect to any series of subordinated debt securities. (Sections 7.01(b) and (c))

Other than its duties in the case of an event of default or a default, the trustee is not obligated to exercise any of the rights or powers in the indenture at the request or direction of holders of debt securities unless such holders offer the trustee reasonable security or indemnity. If reasonable indemnification is provided, then, subject to the other rights of the trustee, the holders of a majority in principal amount of the outstanding debt securities of any series may direct the time, method and place of conducting any proceeding for any remedy available to the trustee with respect to debt securities of such series. (Sections 8.03 and 7.12) (Sections 6.03 and 5.12)

The indenture provides that if default is made on payment of interest and continues for a 30 day period or if default is made on payment of principal of any debt security of any series, PNC Funding will, upon demand of the trustee, pay to it, for the benefit of the holder of any such debt security, the whole amount then due and payable on such debt security for principal and interest. The indenture further provides that if PNC Funding fails to pay such amount immediately upon such demand, the trustee may, among other things, institute a judicial proceeding for its collection. (Section 7.03) (Section 5.03)

The indenture requires us to furnish annually to the trustee certificates as to the absence of any default under the indenture. The trustee may withhold notice to the holders of debt securities of any default (except in payment of principal, premium, if any, interest or sinking fund installment) if the trustee determines that the withholding of the notice is in the interest of those holders. (Sections 5.04 and 8.02) (Sections 10.04 and 6.02)

The holder of any debt security of any series may institute any proceeding with respect to the indenture or for any remedy thereunder if:

a holder previously has given the trustee written notice of a continuing event of default or default with respect to debt securities of that series,

the holders of at least 25% in principal amount of the outstanding debt securities of that series have made a written request, and offered reasonable indemnity, to the trustee to institute such proceeding,

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form S-3ASR

the trustee has not received directions inconsistent with such request from the holders of a majority in principal amount of the outstanding debt securities of that series, and

the trustee has not started such proceeding within 60 days after receiving the request. (Section 7.07) (Section 5.07)

Table of Contents

The holder of any debt security will have, however, an absolute right to receive payment of the principal of, and premium, if any, and interest on such debt security when due and to institute suit to enforce any such payment. (Section 7.08) (Section 5.08)

Convertibility

The convertible senior debt securities may, at the option of the holder, be converted into common stock of PNC in accordance with the term of such series. (Section 14.01) You should refer to the applicable prospectus supplement for a description of the specific conversion provisions and terms of any series of convertible senior debt securities that we may offer by that prospectus supplement. These terms and provisions may include:

the title and specific designation of the convertible debt securities;

the terms and conditions upon which conversion of the convertible debt securities may be effected, including the conversion price or rate, the conversion period and other conversion provisions;

any circumstances in which the conversion price or rate will be adjusted;

the terms and conditions on which we may, or may be required to, redeem the convertible debt securities;

the place or places where we must pay the convertible debt securities and where any convertible debt securities issued in registered form may be sent for transfer, conversion or exchange; and

any other terms of the convertible debt securities and any other deletions from or modifications or additions to the indenture in respect of the convertible debt securities.

Defeasance

Senior and Subordinated Debt Securities Other than Convertible Senior Debt Securities

In the case of debt securities other than convertible senior debt securities and except as may otherwise be provided in any applicable prospectus supplement, the indenture provides that we will be discharged from our obligations under the debt securities of a series at any time prior to the stated maturity or redemption thereof when we have irrevocably deposited in trust with the trustee money and/or government securities which through the payment of principal and interest in accordance with their terms will provide sufficient funds, without reinvestment, to repay in full the debt securities of such series. Deposited funds will be in the currency or currency unit in which the debt securities are denominated. Deposited government securities will be direct obligations of, or obligations the principal of and interest on which are fully guaranteed by, the government which issued the currency in which the debt securities are denominated, and which are not subject to prepayment, redemption or call. Upon such discharge, the holders of the debt securities of such series will no longer be entitled to the benefits of the indenture, except for the purposes of registration of transfer and exchange of the debt securities of such series, and replacement of lost, stolen or mutilated debt securities, and may look only to such deposited funds or obligations for payment. (Sections 11.01 and 11.02)

For federal income tax purposes, the deposit and discharge may, depending on a variety of factors, result in a taxable gain or loss being recognized by the holders of the affected debt securities. You are urged to consult your own tax advisers as to the specific consequences of such a deposit and discharge, including the applicability and effect of tax laws other than federal income tax laws.

Convertible Senior Debt Securities

We may choose to defease the convertible senior debt securities in one of two ways as follows. If we do so choose, we will state that in the prospectus supplement.

Table of Contents

(1) *Full Defeasance*. We may terminate or defease our obligations under the indenture of any series of convertible senior debt securities, provided that certain conditions are met, including:

we must irrevocably deposit in trust for the benefit of all holders, a combination of U.S. dollars or U.S. government obligations, specified in the applicable prospectus supplement, that will generate enough cash to make interest, principal and any other payments on the debt securities on their applicable due dates;

there must be a change in current federal tax law or an IRS ruling that lets us make the above deposit without causing you to be taxed on your security any differently than if we did not make the deposit and just repaid the security. Under current tax law you could recognize gain or loss; and

an opinion of independent counsel shall have been delivered to the trustee to the effect that the holders of the debt securities of such series will have no federal income tax consequences as a result of such deposit and termination and that if the securities are listed on the NYSE they will not be delisted.

If we ever fully defease your debt security, you will have to rely solely on the trust deposit for payments on your debt security. You could not look to us for repayment in the unlikely event of any shortfall. Conversely, the trust deposit would most likely be protected from claims of our lenders and other creditors if we ever became bankrupt or insolvent. Your right to convert your debt security remains after defeasance.

(2) *Covenant Defeasance*. Under current federal tax law, we can make the same type of deposit described above and be released from some of the restrictive covenants relating to your debt security. This is called covenant defeasance. In that event, you would lose the protection of those restrictive covenants but would gain the protection of having money and securities set aside in trust to repay your debt security. In order to achieve covenant defeasance, we must do the following:

deposit in trust for the benefit of the holders of the debt securities a combination of U.S. dollars and U.S. government obligations specified in the applicable prospectus supplement, that will generate enough cash to make interest, principal and any other payments on the debt securities on their applicable due dates; and

deliver to the trustee a legal opinion of our counsel confirming that under current federal income tax law we may make the above deposit without causing you to be taxed on your debt security any differently than if we did not make the deposit and just repaid the debt security ourselves. (Sections 13.01-13.06)

Governing Law

The indenture provides that the debt securities and the guarantees will be governed by, and construed, in accordance with, the laws of the Commonwealth of Pennsylvania. (Section 1.13) (Section 1.12).

Global Securities

Registered Securities

Unless we specify otherwise in the applicable supplement, we will issue the debt securities in registered, and not bearer, form. This means that our obligation runs to the holder of the debt security named on the face of the debt security. Each debt security in registered form will be represented either by a certificate issued in definitive form to a particular investor or by one or more global securities representing the entire issuance of debt securities.

We refer to those persons who have debt securities registered in their own names, on the books that we or the trustee maintain for this purpose, as the holders of those securities. These persons are the legal holders of the debt securities. We refer to those who, indirectly through others, own beneficial interests in debt securities

Table of Contents

that are not registered in their own names as indirect owners of those debt securities. As we discuss below, indirect owners are not legal holders, and investors in securities issued in global, or book-entry, form or in street name will be indirect owners.

Book-Entry Only Issuance

Unless we specify otherwise in the applicable supplement, we will issue each debt security in global, or book-entry, form. This means that we will not issue actual notes to investors. Instead, we will issue global debt securities in registered form representing the entire issuance of debt securities. Each global security will be registered in the name of a financial institution or clearing system that holds the global security as depositary on behalf of other financial institutions that participate in that depositary's book-entry system. These participating institutions, in turn, hold beneficial interests in the global securities on behalf of themselves or their customers.

Because debt securities issued in global form are registered in the name of the depositary, we will recognize only the depositary as the holder of the debt securities. This means that we will make all payments on the debt securities to the depositary. The depositary passes along the payments it receives from us to its participants, which in turn pass the payments along to their customers who are the beneficial owners. The depositary and its participants are not obligated to pass these payments along under the terms of the debt securities. Instead, they do so under agreements they have made with one another or with their customers.

As a result, investors will not own debt securities issued in book-entry form directly. Instead, they will own beneficial interests in a global security, through a bank, broker, or other financial institution that participates in the depositary's book-entry system or holds an interest through a participant in the depositary's book-entry system. As long as the securities are issued in global form, investors will be indirect owners, and not holders, of the debt securities. The depositary will not have knowledge of the actual beneficial owners of the debt securities.

Book-Entry System

The depositary will be The Depository Trust Company, known as DTC, unless otherwise identified in the prospectus supplement relating to the series. Unless and until it is exchanged in whole or in part for individual certificates evidencing debt securities in definitive form represented thereby, a global security may not be transferred except as a whole by the depositary for such global security or any nominee thereof to a successor of such depositary or a nominee of such successor. (Section 2.05).

If DTC is the depositary for a series of debt securities, the series will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered global security will be issued for each series of debt securities, in the aggregate principal amount of the series, and will be deposited with DTC. If, however, the aggregate principal amount of the series of debt securities exceeds \$500 million, one global security will be issued with respect to each \$500 million of principal amount and an additional global security will be issued with respect to any remaining principal amount of the series.

DTC, the world's largest securities depositary, is a limited-purpose trust company organized under the New York Banking Law, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code, and a clearing agency registered under Section 17A of the Securities Exchange Act of 1934. DTC holds and provides custody and asset servicing for approximately 3.5 million securities issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that its direct participants deposit with DTC. DTC also facilitates the post-trade settlement among direct participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between direct participants' accounts. This eliminates the need for physical movement of certificates representing securities. Direct participants include both U.S. and

Table of Contents

non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation known as DTCC. DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a direct participant, either directly or indirectly (indirect participants). DTC has Standard & Poor's highest rating: AAA/A-1+. The DTC rules applicable to its participants are on file with the SEC. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of the securities under the DTC system must be made by or through direct participants, which will receive a credit for the securities on DTC's records. The ownership interest of each actual purchaser of each security, the beneficial owner, is in turn to be recorded on the direct and indirect participants' records. Beneficial owners will not receive written confirmation from DTC of their purchase. A beneficial owner, however, is expected to receive written confirmations providing details of the transaction, as well as periodic statements of its holdings, from the direct or indirect participant through which the beneficial owner entered into the transaction. Transfers of ownership interests in the securities are to be accomplished by entries made on the books of direct and indirect participants acting on behalf of beneficial owners. Beneficial owners will not receive certificates representing their ownership interests in the securities, except if the use of the book-entry system for the securities is discontinued.

To facilitate subsequent transfers, all global securities deposited by direct participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of global securities with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC will have no knowledge of the actual beneficial owners of the global securities, and that DTC's records reflect only the identity of the direct participants to whose accounts global securities are credited, which may or may not be the beneficial owners. The direct participants and indirect participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to direct participants, by direct participants to indirect participants and by direct participants and indirect participants to beneficial owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

To the extent any series of debt securities is redeemable, we will send redemption notices to DTC. If less than all of the debt securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each direct participant in such issue to be redeemed. The applicable prospectus supplement for a series of debt securities will indicate whether such series is redeemable.

None of DTC, Cede & Co., or any other DTC nominee will consent or vote with respect to the debt securities unless authorized by a direct participant in accordance with DTC's Money Market Instrument procedures. Under its usual procedures, DTC mails an omnibus proxy to us as soon as possible after the regular record date. The omnibus proxy assigns Cede & Co.'s consenting or voting rights to those direct participants to whose accounts the debt securities are credited on the regular record date. These participants are identified in a listing attached to the omnibus proxy.

A beneficial owner must give any required notice of its election to have its debt securities repurchased through the participant through which it holds its beneficial interest in the security to the applicable trustee or tender agent. The beneficial owner shall effect delivery of its debt securities by causing the direct participant to transfer its interest in the debt securities on DTC's records. The requirement for physical delivery of debt securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the

Table of Contents

ownership rights in the debt securities are transferred by the direct participant on DTC's records and followed by a book-entry credit of tendered debt securities to the applicable trustee or agent's DTC account.

Principal and interest payments on the global securities deposited with DTC will be made to Cede & Co., as nominee of DTC, or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit direct participants' accounts, upon DTC's receipt of funds and corresponding detail information from the issuer, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by participants to beneficial owners will be governed by standing instructions and customary practices, as in the case of securities held for the accounts of customers in bearer form or registered in street name. These payments will be the responsibility of such participant and not DTC or PNC Funding, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) will be the responsibility of the trustee, who unless otherwise indicated in the applicable prospectus supplement, will be PNC Funding's paying agent. Disbursement of such payments to direct participants will be the responsibility of DTC, and disbursement of such payments to beneficial owners will be the responsibility of direct participants and indirect participants. None of PNC Funding, PNC, the trustee, any paying agent, or the registrar for the debt securities will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of the global security or global securities for any series of debt securities or for maintaining, supervising or reviewing any records relating to such beneficial interests.

If DTC is at any time unwilling, unable or ineligible to continue as the depository and a successor depository is not appointed by PNC Funding, PNC Funding will issue certificated debt securities for each series in definitive form in exchange for each global security. If PNC Funding determines not to have a series of debt securities represented by a global security, which it may do, it will issue certificated debt securities for such series in definitive form in exchange for the global security. In either instance, a beneficial owner will be entitled to physical delivery of certificated debt securities for such series in definitive form equal in principal amount to such beneficial owner's beneficial interest in the global security and to have such certificated debt securities for such series registered in such beneficial owner's name. Certificated debt securities so issued in definitive form will be issued in denominations of \$1,000 and integral multiples thereof and will be issued in registered form only, without coupons.

Beneficial interests in the global debt securities will be represented through book-entry accounts of financial institutions acting on behalf of beneficial owners as direct and indirect participants in DTC. If so stated in the relevant prospectus supplement, beneficial owners may elect to hold interests in the debt securities through either DTC (in the United States), Clearstream Banking S.A., known as Clearstream, Luxembourg, or through Euroclear Bank S.A./N.V., as operator of the Euroclear System, or Euroclear (in Europe), either directly if they are participants of such systems or indirectly through organizations that are participants in such systems. Clearstream, Luxembourg and Euroclear will hold interests on behalf of their participants through customers' securities accounts in Clearstream, Luxembourg's and Euroclear's names on the books of their U.S. depositories, which in turn will hold such interests in customers' securities accounts in the U.S. depositories' names on the books of DTC.

Euroclear and Clearstream, Luxembourg each hold securities for their customers and facilitate the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders (each such account holder, a participant and collectively, the participants). Euroclear and Clearstream, Luxembourg provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream, Luxembourg have established an electronic bridge between their two systems across which their respective participants may settle trades with each other. Euroclear is incorporated under the laws of Belgium and Clearstream, Luxembourg is incorporated under the laws of Luxembourg.

Table of Contents

Euroclear and Clearstream, Luxembourg customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies, and clearing corporations. Indirect access to Euroclear and Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with a participant of either system.

The address of Euroclear is Euroclear Bank S.A./N.V., 1 Boulevard du Roi Albert II, B-1210 Brussels and the address of Clearstream, Luxembourg is Clearstream Banking, 42 Avenue JF Kennedy, L-1855, Luxembourg.

DTC is the depository for a global security, Euroclear and Clearstream, Luxembourg may hold interests in the global security as participants in DTC.

We have provided the descriptions of the operations and procedures of DTC, Clearstream, Luxembourg and Euroclear solely as a matter of convenience. The information in this section has been obtained from sources that we believe to be reliable, but we take no responsibility for its accuracy. These operations and procedures are solely within the control of those organizations and are subject to change by them from time to time. We and the paying agent do not take any responsibility for these operations or procedures, and you are urged to contact DTC, Clearstream, Luxembourg and Euroclear or their participants directly to discuss these matters.

The laws of some jurisdictions may require that purchasers of securities take physical delivery of those securities in definitive form. Accordingly, the ability to transfer interests in the debt securities represented by a global note to those persons may be limited. In addition, because DTC can act only on behalf of its participants, who in turn act on behalf of persons who hold interests through participants, the ability of a person having an interest in debt securities represented by a global note to pledge or transfer such interest to persons or entities that do not participate in DTC's system, or otherwise to take actions in respect of such interest, may be affected by the lack of a physical definitive security in respect of such interest.

Neither we nor the principal paying agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of debt securities by DTC, Clearstream, Luxembourg, or Euroclear, or for maintaining, supervising or reviewing any records of those organizations relating to the debt securities.

Clearance and Settlement Procedures

Unless otherwise mentioned in the relevant prospectus supplement, initial settlement for the debt securities will be made in immediately available funds. Secondary market trading between DTC participants will occur in the ordinary way in accordance with DTC rules and will be settled in immediately available funds. Secondary market trading between Clearstream, Luxembourg customers and/or Euroclear participants will occur in the ordinary way in accordance with the applicable rules and operating procedures of Clearstream, Luxembourg and Euroclear and will be settled using the procedures applicable to conventional Eurobonds in immediately available funds.

Cross-market transfers between persons holding directly or indirectly through DTC on the one hand, and directly or indirectly through Clearstream, Luxembourg customers or Euroclear participants, on the other, will be effected in DTC in accordance with DTC rules on behalf of the relevant European international clearing system by the U.S. depository; however, such cross-market transactions will require delivery of instructions to the relevant European international clearing system by the counterparty in such system in accordance with its rules and procedures and within its established deadlines (European time). The relevant European international clearing system will, if the transaction meets its settlement requirements, deliver instructions to the U.S. depository to take action to effect final settlement on its behalf by delivering or receiving the debt securities in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Clearstream, Luxembourg customers and Euroclear participants may not deliver instructions directly to their U.S. depositories.

Because of time-zone differences, credits of the debt securities received in Clearstream, Luxembourg or Euroclear as a result of a transaction with a DTC participant will be made during subsequent securities settlement

Table of Contents

processing and dated the business day following DTC settlement date. Such credits or any transactions in the debt securities settled during such processing will be reported to the relevant Clearstream, Luxembourg customers or Euroclear participants on such business day. Cash received in Clearstream, Luxembourg or Euroclear as a result of sales of the debt securities by or through a Clearstream, Luxembourg customer or a Euroclear participant to a DTC participant will be received with value on the DTC settlement date but will be available in the relevant Clearstream, Luxembourg or Euroclear cash account only as of the business day following settlement in DTC.

Although DTC, Clearstream, Luxembourg and Euroclear have agreed to the foregoing procedures to facilitate transfers of the debt securities among participants of DTC, Clearstream, Luxembourg and Euroclear, they are under no obligation to perform or continue to perform such procedures and such procedures may be discontinued at any time.

Bearer Debt Securities

If we ever issue bearer debt securities, the applicable prospectus supplement will describe all of the special terms and provisions of debt securities in bearer form, and the extent to which those special terms and provisions are different from the terms and provisions that are described in this prospectus, which generally apply to debt securities in registered form, and will summarize provisions of the indenture that relate specifically to bearer debt securities.

Regarding the Trustee

In the ordinary course of business, we may maintain lines of credit with one or more trustees for a series of debt securities and the principal subsidiary banks and other subsidiary banks may maintain deposit accounts and conduct other banking transactions with one or more trustees for a series of debt securities.

Trustee's Duty to Resign Under Certain Circumstances

PNC Funding may issue both senior and subordinated debt securities under the indenture. Because the subordinated debt securities will rank junior in right of payment to the senior debt securities, the occurrence of a default under the indenture with respect to the subordinated debt securities or any senior debt securities could create a conflicting interest under the Trust Indenture Act of 1939, as amended, with respect to any trustee who serves as trustee for both senior and subordinated debt securities. In addition, upon the occurrence of a default under the indenture with respect to any series of debt securities the trustee of which maintains banking relationships with PNC Funding or PNC, such trustee would have a conflicting interest under the Trust Indenture Act as a result of such business relationships. If a default has not been cured or waived within 90 days after the trustee has or acquires a conflicting interest, the trustee generally is required by the Trust Indenture Act to eliminate such conflicting interest or resign as trustee with respect to the subordinated debt securities or the senior debt securities. In the event of the trustee's resignation, we will promptly appoint a successor trustee with respect to the affected securities.

DESCRIPTION OF COMMON STOCK

General

As of the date of the prospectus, PNC is authorized to issue 800,000,000 shares of common stock.

The following summary is not complete. You should refer to the applicable provisions of PNC's Amended and Restated Articles of Incorporation, which you can find as Exhibit 3.1 of PNC's Annual Report on Form 10-K for the year ended December 31, 2008 (as updated by our Current Report on Form 8-K filed on January 15, 2010), including the statements with respect to shares pursuant to which the outstanding series of preferred stock were issued and any additional series may be issued and to the Pennsylvania Business Corporation Law, or PBCL, for a complete statement of the terms and rights of the common stock.

Holders of common stock are entitled to one vote per share on all matters submitted to shareholders. Holders of common stock have neither cumulative voting rights nor any preemptive rights for the purchase of additional shares of any class of stock of PNC, and are not subject to liability for further calls or assessments. The common stock does not have any sinking fund, conversion or redemption provisions.

In the event of dissolution or winding up of the affairs of PNC, holders of common stock will be entitled to share ratably in all assets remaining after payments to all creditors and payments required to be made in respect of outstanding preferred stock (including accrued and unpaid dividends thereon) have been made.

The board of directors of PNC may, except as otherwise required by applicable law or the rules of the New York Stock Exchange, cause the issuance of authorized shares of common stock without shareholder approval to such persons and for such consideration as the board of directors may determine in connection with acquisitions by PNC or for other corporate purposes.

Computershare Services, LLC Chicago, Illinois, is the transfer agent and registrar for PNC's common stock. The shares of common stock are listed on the New York Stock Exchange under the symbol PNC. The outstanding shares of common stock are, and the shares offered by this prospectus and the applicable prospectus supplement will be, validly issued, fully paid and nonassessable, and the holders of the common stock are not and will not be subject to any liability as shareholders.

Dividends

Holders of PNC's common stock are only entitled to receive such dividends as our board of directors may declare out of funds legally available for such payments. The payment of future dividends is subject to the discretion of our board of directors which will consider, among other factors, our operating results, overall financial condition, credit-risk considerations and capital requirements, as well as general business and market conditions. We are incorporated in Pennsylvania and governed by the PBCL. PNC's board of directors may not pay or set apart dividends on common stock until dividends for all past dividend periods on any series of outstanding preferred stock have been paid or declared and set apart for payment. Under the PBCL, PNC cannot pay dividends if, after giving effect to the dividend payments, it would be unable to pay its debts as they become due in the usual course of its business or its total assets would be less than the sum of its total liabilities plus the amount that would be needed if it were to be dissolved at the time as of which the dividend is measured, to satisfy the preference
