Section 1 - Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

On October 16, 2010, Northeast Utilities ("Northeast Utilities"), NSTAR ("NSTAR"), NU Holding Energy 1 LLC, a direct wholly owned subsidiary of Northeast Utilities, and NU Holding Energy 2 LLC, a direct wholly owned subsidiary of Northeast Utilities, entered into an Agreement and Plan of Merger (the "Merger Agreement"). The following description of the Merger Agreement does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

Upon the terms and subject to the conditions set forth in the Merger Agreement, which has been unanimously approved by the respective boards of trustees of Northeast Utilities and NSTAR, at closing NSTAR will become a wholly owned subsidiary of Northeast Utilities (the "Merger"). The Merger is intended to qualify as a tax-free reorganization under the Internal Revenue Code of 1986, as amended (the "Code"). Northeast Utilities shareholders will not recognize any gain or loss due to the Merger.

Upon the completion of the Merger, each issued and outstanding NSTAR common share of beneficial interest shall automatically be converted into 1.312 Northeast Utilities common shares of beneficial interest (the "Exchange Ratio").

The Merger Agreement also provides that upon the closing of the Merger, the board of trustees of Northeast Utilities will be made up of fourteen members consisting of (a) seven designees of Northeast Utilities (which will include Charles W. Shivery, Chairman, President and Chief Executive Officer of Northeast Utilities) and (b) seven designees of NSTAR (which will include Thomas J. May, Chairman, President and Chief Executive Officer of NSTAR). The Merger Agreement also provides that Northeast Utilities will have dual headquarters in Hartford, Connecticut and Boston, Massachusetts.

Pursuant to the Merger Agreement, upon completion of the Merger, Mr. May will become the Chief Executive Officer of the combined company and Mr. Shivery will continue as non-executive Chairman of the combined company for eighteen months following the completion of the Merger, at which time Mr. May will become Chairman of Northeast Utilities.

Upon the terms and subject to the conditions set forth in the Merger Agreement, following the closing of the Merger, Northeast Utilities dividend per common share of beneficial interest would be increased to a rate that is equivalent to NSTAR's last dividend per common share of beneficial interest dividend paid by NSTAR prior to the closing, multiplied at that time by the Exchange Ratio.

Completion of the Merger is subject to various customary conditions, including, among others, (a) requisite approvals of NSTAR and Northeast Utilities shareholders, which includes the affirmative vote of the holders of two-thirds of the outstanding common shares of beneficial interest of each company, (b) effectiveness of the registration statement for the Northeast Utilities common shares of beneficial interest to be issued to NSTAR shareholders in the Merger, (c) approval of the listing on the New York Stock Exchange of the Northeast Utilities common shares of beneficial interest to be issued in the Merger, (d) expiration or termination of the applicable Hart-Scott-Rodino Act waiting period and (e) receipt of all required regulatory approvals from, among others, the Federal Energy Regulatory Commission and the Massachusetts Department of Public Utilities. Each party's obligation to consummate the Merger is also subject to additional customary conditions, including (i) subject to certain exceptions, the accuracy of the representations and warranties of the other party, (ii) performance in all material respects by the other party of its obligations and (iii) receipt by such party of an opinion from its counsel to the effect that the Merger will qualify as a reorganization within the meaning of the Code.

The Merger Agreement contains customary representations, warranties and covenants of Northeast Utilities and NSTAR, including, among others, covenants (a) to conduct their respective businesses in the ordinary course during the interim period between the execution of the Merger Agreement and completion of the Merger, (b) not to engage in certain kinds of transactions during this interim period, (c) that Northeast Utilities will convene and hold a special meeting of Northeast Utilities shareholders to consider and vote upon the adoption and approval of the Merger Agreement, the increase in the number of Northeast Utilities common shares of beneficial interest authorized for issuance, and the approval of the issuance of Northeast Utilities common shares of beneficial interest to be issued to

NSTAR shareholders in the Merger, (d) that NSTAR will convene and hold a special meeting of the NSTAR shareholders to consider and vote upon the adoption of the Merger Agreement and (e) that the parties use their respective reasonable best efforts to take all actions necessary to obtain all governmental and regulatory approvals, subject to certain limitations. Each of Northeast Utilities and NSTAR is also subject to restrictions on its ability to solicit alternative acquisition proposals, provide information and engage in discussion with third parties, except under limited circumstances to permit each of the respective boards of trustees of NSTAR and Northeast Utilities to comply with its fiduciary duties.

The Merger Agreement contains certain termination rights for both Northeast Utilities and NSTAR and further provides that, upon termination of the Merger Agreement under specified circumstances, Northeast Utilities or NSTAR may be required to pay the other party a termination fee of \$135 million and reimburse the other party for expenses of up to \$35 million.

The Merger Agreement has been included to provide shareholders with information regarding its terms. It is not intended to provide any other factual information about Northeast Utilities, NSTAR or their respective subsidiaries and affiliates. The Merger Agreement contains representations and warranties by each of the parties. These representations and warranties were made solely for the benefit of the other parties to the Merger Agreement and (a) are not intended to be treated as categorical statements of fact, but rather as a way of allocating risk to one of the parties if those statements prove to be inaccurate, (b) may have been qualified in the Merger Agreement by confidential disclosure schedules that were delivered to the other party in connection with the signing of the Merger Agreement, which disclosure schedules may contain information that modifies, qualifies and creates exceptions to the representations, warranties and covenants set forth in the Merger Agreement, (c) may be subject to standards of materiality applicable to the parties that differ from what might be viewed as material to shareholders and (d) were made only as of the date of the Merger Agreement or such other date or dates as may be specified in the Merger Agreement. Accordingly, shareholders should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Northeast Utilities or NSTAR.
