Our board of directors recommends a vote **For** Items 1, 2 and 4 and a vote for the every **3 Years** option of Item 3. The record date for the annual meeting is March 17, 2011. Only shareholders of record at the close of business on that date may vote at the meeting or any adjournment or postponement thereof.

Under the Securities and Exchange Commission (SEC) rules that allow companies to furnish proxy materials to shareholders over the Internet, Zumiez has elected to deliver our proxy materials to the majority of our shareholders over the Internet. The delivery process will allow us to provide shareholders with the information they need, while at the same time conserving natural resources and lowering the cost of delivery. On or about April 4, 2011, we mailed to our shareholders a Notice of Internet Availability of Proxy Materials (the Notice) containing instructions on how to access our fiscal year ending January 29, 2011 (fiscal 2010) Proxy Statement and 2010 Annual Report to Shareholders. The Notice also provides instructions on how to vote online or by telephone and includes instructions on how to receive a paper copy of the proxy materials by mail.

YOUR VOTE IS IMPORTANT!

Whether or not you attend the annual meeting, it is important that your shares be represented and voted at the meeting. Therefore, we urge you to promptly vote online, by telephone, or if you received a paper copy of the voting card, submit your proxy by signing, dating and returning the accompanying proxy card in the enclosed prepaid return envelope. If you decide to attend the annual meeting and you are a shareholder of record, you will be able to vote in person even if you have previously submitted your proxy.

PROXY STATEMENT

FOR THE ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD MAY 25, 2011

QUESTIONS AND ANSWERS

Why am I receiving these proxy materials?

We are making available to you this proxy statement and the accompanying proxy card because the board of directors of Zumiez Inc. (Zumiez, we, us and the Company) is soliciting your proxy to vote at its 2011 annual meeting of shareholders. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. Should you choose to attend, you must be ready to present proof of your ownership of Zumiez stock as of the record date, March 17, 2011, to attend the meeting. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the accompanying proxy card. For more information on voting, see information below under the section heading How do I vote?

We intend to mail or otherwise make available this proxy statement and the accompanying proxy card on or about April 4, 2011 to all shareholders of record entitled to vote at the annual meeting.

Who can vote at the annual meeting?

Only shareholders of record at the close of business on March 17, 2011, the record date for the annual meeting, will be entitled to vote at the annual meeting. At the close of business on the record date, there were 30,989,623 shares of common stock outstanding and entitled to vote.

Shareholder of Record: Shares Registered in Your Name

If, at the close of business on the record date, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, then you are a shareholder of record. As a shareholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you vote your proxy to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If, at the close of business on the record date, your shares were not held in your name, but rather in an account at a brokerage firm, bank or other agent, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker, bank or other agent. The broker, bank or other agent holding your account is considered to be the shareholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. Should you choose to attend, you must be ready to present proof of your ownership of Zumiez stock as of the record date, March 17, 2011, in order to attend the meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid legal proxy issued in your name from your broker, bank or other agent. For more information about a legal proxy, see the information, below, under the section heading *Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent*.

What am I voting on?

You are being asked to vote on the following matters:

Election of two directors (Proposal 1);

An advisory, non-binding, vote on executive compensation (Proposal 2);

An advisory, non-binding, vote to determine shareholder preferences on whether future advisory votes on executive compensation should occur every one, two or three years (Proposal 3); and

To consider and act upon a proposal to ratify the selection of Moss Adams LLP as our independent registered public accounting firm for the fiscal year ending January 28, 2012 (fiscal 2011) (Proposal 4).

When you vote your proxy, you appoint Trevor S. Lang and Richard M. Brooks as your representatives at the meeting. When we refer to the named proxies, we are referring to Mr. Lang and Mr. Brooks. This way, your shares will be voted even if you cannot attend the meeting.

How do I vote?

For Proposals 1, 2 and 4, you may vote For, Against or Abstain from voting (for the election of directors, you may do this for any director nominee that you specify). For Proposal 3, you may vote for every 1 Year, every 2 Years, every 3 Years or Abstain from voting. The procedure for voting are as follows:

Shareholder of Record: Shares Registered in Your Name

If you are a shareholder of record, you may vote in person at the annual meeting, via the internet, by telephone or by proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

To vote in person, come to the annual meeting and we will give you a ballot when you arrive. Please be prepared to present proof of your ownership of Zumiez stock as of March 17, 2011.

To vote via the internet You may vote online at www.proxyvote.com. Voting on the internet has the same effect as voting by mail or by telephone. If you vote via the internet, do not return your proxy card and do not vote by telephone. Internet voting will be available until 11:59 p.m. PST May 24, 2011.

To vote by telephone Shareholders may vote by telephone by calling 1-800-690-6903 and following the automated voicemail instructions. Voting by telephone has the same effect as voting by mail or via the internet. If you vote by telephone, do not return your proxy card and do not vote via the internet. Telephone voting will be available until 11:59 p.m. PST, May 24, 2011.

To vote using the proxy card, simply complete, sign and date the proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy or voting instruction form with these proxy materials from that organization rather than from us. You can vote by using the proxy or voting information

Edgar Filing: Zumiez Inc - Form DEF 14A

form provided by your broker, bank or other agent or, if made available, vote by telephone or via the internet. To vote in person at the annual meeting, you must obtain a legal proxy from your broker, bank or other agent. Under a legal proxy, the bank, broker, or other agent confers all of its rights as a record holder (which may in turn have been passed on to it by the ultimate record holder) to grant proxies or to vote at the meeting. Follow the instructions from your broker, bank or other

agent included with these proxy materials, or contact your broker, bank or other agent to request a legal proxy. Please allow sufficient time to receive a legal proxy through the mail after your broker, bank or other agent receives your request.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of the close of business on March 17, 2011, the record date for the annual meeting.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted in the following manner:

For the election of all nominees for director (Proposal 1);

For the approval of the compensation of the Company's named executive officers as disclosed in these materials (Proposal 2);

For a frequency of every 3 Years for future advisory votes on executive compensation (Proposal 3); and

For the ratification of the selection of Moss Adams LLP as our independent registered public accounting firm for fiscal 2011 (Proposal 4).

If any other matter is properly presented at the meeting, one of the named proxies on your proxy card as your proxy will vote your shares using his discretion.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners. We have retained Advantage Proxy to act as a proxy solicitor in conjunction with the annual meeting. We have agreed to pay Advantage Proxy approximately \$5,500 for proxy solicitation services.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return **each** proxy card to ensure that all of your shares are voted. Alternatively, if you vote by telephone or via the internet, you will need to vote once for each proxy card and voting instruction card you receive.

Can I change my vote after voting my proxy?

Yes. You can revoke your proxy at any time before the applicable vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

You may submit another properly completed proxy with a later date.

You may send a written notice that you are revoking your proxy to our Secretary, Trevor Lang, at 6300 Merrill Creek Parkway, Suite B, Everett, Washington 98203.

Edgar Filing: Zumiez Inc - Form DEF 14A

You may attend the annual meeting and vote in person (if you hold your shares beneficially through a broker, bank or other agent you must bring a legal proxy from the record holder in order to vote at the meeting).

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by them.

What is the quorum requirement?

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares as of the close of business on the record date are represented by shareholders present at the meeting or by proxy.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent) or if you vote in person at the meeting. Generally, abstentions and broker non-votes (discussed below in *How are votes counted?*) will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date. **Your vote is extremely important, so please vote.**

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For, Against and Abstain and broker non-votes (described below, if applicable) for Proposals 1, 2 and 4 and 1 Year, 2 Years, 3 Years and Abstain and broker non-votes for Proposal 3. Abstentions and broker non-votes will not be counted as votes cast for any proposal.

If your shares are held by your broker, bank or other agent as your nominee (that is, in street name), you will need to obtain a voting instruction form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker, bank or other agent to vote your shares. If you do not give instructions to your broker, bank or other agent, they can vote your shares with respect to discretionary items, but not with respect to non-discretionary items. Under the rules of the New York Stock Exchange, the election of directors (Proposal 1), the advisory vote on executive compensation (Proposal 2) and the advisory vote on the frequency of future advisory votes on executive compensation (Proposal 3) are considered non-discretionary items while the ratification of the selection of Moss Adams LLP as our auditor (Proposal 4) is considered a discretionary item. Accordingly, if your broker holds your shares in its name, the broker is not permitted to vote your shares on Proposals 1, 2 or 3 but is permitted to vote your shares on Proposal 4 even if it does not receive voting instructions from you because Proposal 4 is considered discretionary. When a broker votes a client's shares on some but not all of the proposals at the annual meeting, the missing votes are referred to as broker non-votes. Broker non-votes will be included in determining the presence of a quorum at the annual meeting but are not considered present or a vote cast for purposes of voting on the non-discretionary items. Please vote your proxy so your vote can be counted.

How many votes are needed to approve each proposal?

Under Washington corporation law, our Articles of Incorporation and our bylaws, if a quorum exists, the approval of any corporate action taken at a shareholder meeting is based on votes cast. Votes cast means votes actually cast For or Against Proposals 1, 2 and 4 and votes actually cast for every 1 Year, 2 Years or 3 Years for Proposal 3, whether by proxy or in person. Abstentions and broker non-votes (discussed previously) are not considered votes cast. Each outstanding share entitled to vote with respect to the subject matter of an issue submitted to a meeting of the shareholders shall be entitled to one vote per share.

Proposal 1. As described in more detail below under Election of Directors, we have adopted majority voting procedures for the election of directors in uncontested elections. As this is an uncontested election, the director nominees will be elected if the votes cast For a nominee's election exceed the votes cast Against the director nominee. There is no cumulative voting for the election of directors.

If a director nominee does not receive the requisite votes to be elected, that director's term will end on the date on which an individual is selected by the board of directors to fill the position held by such director or ninety (90) days after the date the election results are determined, or the date the director nominee resigns, whichever occurs first.

Proposal 2. For the approval, on an advisory basis, of the compensation of the Company's named executive officers as disclosed in these materials, if the number of For votes exceeds the number of Against votes, then Proposal 2 will be approved.

Proposal 3. For the frequency of the advisory votes on executive compensation, the alternative receiving the greatest number of votes every 1 Year, every 2 Years or every 3 Years will be the frequency that shareholders prefer.

Proposal 4. For the ratification of the selection of our independent registered public accounting firm for fiscal 2011, if the number of For votes exceeds the number of Against votes, then Proposal 4 will be ratified.

For the Proposals 2 and 3 regarding an advisory vote on executive compensation and the proposal regarding an advisory vote on the frequency of advisory votes on executive compensation, please refer to the text of these proposals for more information on the advisory nature of these proposals. If you abstain from voting on any of the proposals, or if a broker or bank indicates it does not have discretionary authority to vote on any particular proposal, the shares will be counted for the purpose of determining if a quorum is present, but will not be included in the vote totals as a vote cast with respect to the proposal in question. Furthermore, any abstention or broker non-vote (a broker non-vote is explained previously in *How are votes counted*) will have no effect on the proposals to be considered at the meeting since these actions do not represent votes cast by shareholders.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published on Form 8-K with the SEC within four business days after the annual meeting.

Director Qualifications

The board of directors believes that it is necessary for each of the Company's directors to possess many qualities and skills and the composition of our board of directors has been designed to allow for expertise in differing skill sets. The governance and nominating committee is responsible for assisting the board in matters of board organization and composition and in establishing criteria for board membership. A detailed discussion of these criteria and how they are utilized is set forth below under Membership Criteria for Board Members. Also, the procedures for nominating directors is set forth below under Director Nomination Procedures.

Information as of the date of this proxy statement about each nominee for election this year and each other current director is included below under Election of Directors. The information presented includes information each director has given us about his or her age, all positions he or she holds, his or her principal occupation and business experience for the past five years and the names of other publicly-held companies of which he or she currently serves as a director or has served as a director during the past five years. In addition to the information presented below regarding each nominee's and current director's specific experience, qualifications, attributes and skills that led our board to the conclusion that he or she should serve as a director, we also believe that all of our director nominees and current directors have a reputation for integrity, honesty and adherence to high ethical standards.

Information about the number of shares of common stock beneficially owned by each director appears under the heading Security Ownership of Certain Beneficial Owners and Management. There are no family relationships among any of the directors and executive officers of the Company.

Board Leadership

We separate the roles of Chief Executive Officer (CEO) and Chairman of the Board (Chairman) in recognition of the differences between the two roles. Our CEO, Richard M. Brooks, is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company, while our Chairman, Thomas D. Campion, provides guidance to the CEO and sets the agenda for board meetings and presides over meetings of the full board of directors. Because Mr. Campion is an employee of the Company and is therefore not independent, our board has appointed the chairman of our governance and nominating committee, Matthew L. Hyde, as the Company's lead independent director. The lead independent director has responsibility to:

call, lead and preside over meetings of the independent directors, which meet in private executive sessions at each board meeting;

call special meetings of the board of directors on an as-needed basis;

set the agenda for executive sessions of meetings of the independent directors;

facilitate discussions among the independent directors on key risks and issues and concerns outside of board meetings;

brief the Chairman and CEO on issues that arise in executive session meetings;

serve as a non-exclusive conduit to the Chairman and CEO of views, concerns and issues of the independent directors; and

collaborate with the Chairman and CEO on setting the agenda for board meetings.

Membership Criteria for Board Members

The governance and nominating committee of the board is responsible for establishing criteria for board membership. This criteria includes, but is not limited to, personal and professional ethics, training, commitment to fulfill the duties of the board of directors, commitment to understanding the Company's business, commitment

to engage in activities in the best interest of the Company, independence, industry knowledge and contacts, financial and accounting expertise, leadership qualities, public company board of director and committee experience and other relevant experience and qualifications. These criteria are referenced in the Company's Corporate Governance Guidelines and in Exhibit A to the governance and nominating committee's charter, both available at <http://ir.zumiez.com> under the Governance section. The board also has the ability to review and add other criteria, from time to time, that it deems relevant. Specific weights are not assigned to particular criteria and no particular criterion is necessarily applicable to all prospective nominees.

The criteria referenced above are used as guidelines to help evaluate the experience, qualifications, skills and diversity of current and potential board members. With respect to diversity, we broadly construe it to mean diversity of race, gender, age, geographic orientation and ethnicity, as well as diversity of opinions, perspectives, and professional and personal experiences. Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law. The board believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the board to fulfill its responsibilities.

Risk Oversight

The board takes an active role, as a whole and also at the committee level, in helping the Company evaluate and plan for the material risks it faces, including operational, financial, legal and regulatory and strategic and reputational risks. As part of its charter, the audit committee discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The compensation committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The governance and nominating committee manages risks associated with corporate governance, including risks associated with the independence of the board and reviews risks associated with potential conflicts of interest affecting directors and executive officers of the Company. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire board is regularly informed through committee reports about such risks. Furthermore, at least annually, the board conducts an independent session where they outline the risks that they believe exist for the Company and the broader retail industry and compares these with the risks outlined by management. Subsequent to this evaluation, management prioritizes the identified risks along with strategies to manage them or address how the Company intends to mitigate these risks. Additionally, the board exercises its risk oversight function in approving the annual budget and quarterly re-forecasts and in reviewing the Company's long-range strategic and financial plans with management. The board's role in risk oversight has not had any effect on the board's leadership structure.

Director Compensation

The goal of our director compensation is to help attract, retain and reward our non-employee directors and align their interests with those of the shareholders. The board follows the compensation philosophies discussed, below, in the Compensation Discussion & Analysis. Our goal for total director compensation (cash and equity) is to be at the 50th percentile of comparable companies based on our compensation consultant's competitive survey results.

The Company pays its non-employee directors an annual fee for their services as members of the board of directors. Each non-employee director receives an annual cash retainer of \$30,000. The audit committee members receive cash compensation of \$10,000 with the chairperson receiving \$20,000 per year. The compensation committee members receive cash compensation of \$7,500 with the chairperson receiving \$15,000 per year. The governance and nominating committee member receives cash compensation of \$5,000 with the chairperson receiving \$10,000 per year. Directors appointed in an interim period receive pro-rata retainer fees based on the number of meetings they attend between annual shareholder meetings. The committee chairperson and the respective committee members are paid rates commensurate with the duties and responsibilities inherent within the position held.

Edgar Filing: Zumiez Inc - Form DEF 14A

Additionally, the Company issues restricted stock awards to its non-employee directors. The board believes such awards provide alignment with the interests of our shareholders. Directors appointed in an interim period receive pro-rata restricted stock awards based on the number of meetings they attend between annual shareholder meetings.

The Company reimburses all directors for reasonable expenses incurred to attend meetings of the board of directors. Non-employee directors may elect to have a portion, or all, of their annual retainer be used for the reimbursement of travel expenses in excess of those that the Company considers to be reasonable.

The following table discloses the cash and stock awards earned by each of the Company's non-employee directors during the fiscal year ending January 29, 2011 (fiscal 2010).

Name	Fees Earned or Paid in Cash (\$)	Stock Awards (1) (\$)	Total (\$)
James M. Weber	55,000	64,004	119,004
Matthew L. Hyde	50,000	64,004	114,004
William M. Barnum Jr.	47,500	64,004	111,504
Gerald F. Ryles	55,000	64,004	119,004
Sarah (Sally) G. McCoy (2)	35,625	52,229	87,854

(1) This column represents the aggregate grant-date fair value of restricted stock awards calculated in accordance with FASB ASC Topic 718, excluding the impact of estimated forfeitures related to service based vesting conditions. For assumptions used in determining these values, please see Note Two (listed under Stock Compensation) in the Notes to Consolidated Financial Statements in our fiscal 2010 Form 10-K.

On May 26, 2010, the day of the annual shareholder meeting, the Company awarded 3,732 shares of restricted stock to the directors with a grant-date fair value of \$64,004, except for Ms. McCoy. Upon her appointment to the board of directors, Ms. McCoy was awarded 1,872 shares of restricted stock with a grant date of November 15, 2010 and a grant-date fair value of \$52,229. The stock awards for all directors will vest on May 26, 2011.

(2) Ms. McCoy was appointed to the board of directors on October 22, 2010.

PROPOSAL 1

ELECTION OF DIRECTORS

The Company currently has seven director positions. The directors are divided into three classes so that approximately one-third of the directors are elected each year for three-year terms. Directors are elected to hold office until their successors are elected and qualified, or until resignation or removal in the manner provided in our bylaws. Two directors are nominees for election this year and each has consented to serve a three-year term ending in 2014. The remaining directors will continue to serve the terms set out below.

The nominees for director in an uncontested election, such as this one, will be elected if the votes cast in favor of a nominee's election exceed the votes cast opposing such nominee's election. Abstentions and broker non-votes are not considered votes cast. Likewise, a share otherwise present at the meeting as to which a shareholder gives no authority or direction to vote is also not considered a vote cast.

In a contested election, the directors shall be elected by a plurality of the votes cast. A contested election means an election of directors of the Corporation in which the number of nominees for any election of directors nominated by (i) the board of directors, or (ii) any shareholder pursuant to Article 1, Section 10 of the Company's bylaws, or (iii) a combination of nominees by the board of directors and any shareholder pursuant to Article I, Section 10 of the Company's bylaws, exceed the number of directors to be elected.

A nominee for director in an uncontested election who does not receive the requisite votes for election, but who was a director at the time of the election, shall continue to serve as a director for a term that shall terminate on the date that is the earlier of: (i) ninety (90) days from the date on which the voting results of the election are certified, (ii) the date on which an individual is selected by the board of directors to fill the office held by such director, which selection shall be deemed to constitute the filling of a vacancy by the board of directors, or (iii) the date the director resigns. Except in the foregoing sentence, a director who failed to receive a majority vote for election will not participate in the filling of his or her office. If none of the directors receive a majority vote in an uncontested election, then the incumbent directors (a) will nominate a slate of directors and hold a special meeting for the purpose of electing those nominees as soon as practicable, and (b) may in the interim fill one or more offices with the same director(s) who will continue in office until their successors are elected. If, for any reason, the directors shall not have been elected at any annual meeting, they may be elected at a special meeting of shareholders called for that purpose in the manner provided by the Company's bylaws.

We invite and recommend all of our directors and the nominees for director to attend our annual meeting of shareholders.

Nominees for Election to Terms Expiring in 2014

Thomas D. Champion, 62, is one of our co-founders and has served on our board of directors since our inception in 1978. Mr. Champion has held various senior management positions during this time, including serving as our Chairman since June 2000. From November 1970 until August 1978, he held various management positions with JC Penney Company. Mr. Champion holds a B.A. in Political Science from Seattle University. Mr. Champion serves as the Board Chair of the Alaska Wilderness League, a Washington, D.C. based environmental group, and is on the board of Conservation Northwest, a Bellingham, Washington based environmental group. He is also the trustee of the Champion Foundation, a nonprofit organization focused on ensuring that biologically important ecosystems in Northwestern North America are preserved. The Foundation also works on homelessness issues in the Pacific Northwest.

Director Qualifications: Mr. Champion's knowledge as a retailer and as the co-founder of the Company provide the board with invaluable insight into the Company's business and its unique culture. Mr. Champion provides generational leadership, sales, marketing, merchandising and brand building experience and expertise. Mr. Champion's particular knowledge and experience with Zumiez and its competition helps the Company

formulate short and long-term strategies that have contributed to Zumiez differentiating itself in the specialty niche of action sports retailing. As the Company's largest shareholder, Mr. Campion's interests are aligned with other Zumiez shareholders' interests to increase the long-term value of the Company.
