**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On November 29, 2011, John W. Rowe, a director of Sunoco, Inc. (the *Company*) since 2003, notified the Chairman of the Company's Board of Directors (the *Board*) of his decision to retire, effective December 31, 2011, as a director of the Company and a member of the Executive, Corporate Responsibility and Compensation Committees of the Board. There are no known disagreements between Mr. Rowe and the Company on matters relating to the Company's operations, policies or practices.

On November 30, 2011, the Board elected Irene Chang Britt and William H. Easter III as directors of the Company. Ms. Britt and Mr. Easter fill vacancies created by an increase in the size of the Board from eight to ten directors. The Board appointed Ms. Britt to serve on the Audit and Corporate Responsibility Committees of the Board, and appointed Mr. Easter to serve on the Audit and Governance Committees of the Board.

Ms. Britt, 48, is Senior Vice President and Chief Strategy Officer for Campbell Soup Company. Mr. Easter, 62, is retired Chairman, President and Chief Executive Officer of DCP Midstream, LLC. Ms. Britt and Mr. Easter each will participate in the compensation program for the Company's outside directors, described on pages 68 through 72 in the Company's Definitive Proxy Statement for its 2011 Annual Meeting of Shareholders (filed with the Securities and Exchange Commission on March 18, 2011). Ms. Britt's and Mr. Easter's compensation will be prorated to reflect the commencement date of their service on the Board.

There is no arrangement or understanding between either Ms. Britt, or Mr. Easter, and any other person pursuant to which either Ms. Britt, or Mr. Easter, was elected as a director of the Company. There are no transactions in which either Ms. Britt, or Mr. Easter, has any interest requiring disclosure under Item 404(a) of Regulation S-K.

Attached as Exhibit 99.1 to this Current Report on Form 8-K, and incorporated herein by this reference, is a copy of the Company's press release dated December 1, 2011, announcing the resignation of Mr. Rowe from the Board, and the elections of Ms. Britt and Mr. Easter to the Board.

**Item 8.01. Other Events.**

On December 1, 2011, the Company also announced that the Board had declared a special stock dividend to the Company's shareholders of the 56,660,000 shares of common stock of SunCoke Energy, Inc. (*SunCoke*) owned by the Company, representing approximately 80.94 percent of the outstanding shares of SunCoke common stock. The distribution by the Company of the special stock dividend will be made on January 17, 2012 to all Company shareholders of record on January 5, 2012 (the *Record Date*).

The distribution will occur in the form of a *pro rata* common stock dividend to each Company shareholder of record on the Record Date. As of November 30, 2011, the Company had approximately 106,757,344 shares of common stock outstanding. Accordingly, Company shareholders will receive approximately 0.53 of a share of SunCoke common stock for every share of Company common stock held as of the

Record Date. The final distribution ratio will be set on the Record Date and will be calculated by dividing the number of shares of SunCoke common stock to be distributed by the number of shares of Company common stock outstanding on the Record Date. No fractional shares of SunCoke common stock will be distributed. Instead, Company shareholders will receive cash in lieu of any fraction of a share of SunCoke common stock that they otherwise would have received.

Attached as Exhibit 99.2 to this Current Report on Form 8-K, and incorporated herein by this reference, is a copy of the Company's press release dated December 1, 2011, announcing the declaration of the special stock dividend to effectuate the distribution of SunCoke common stock to the Company's shareholders.

On December 1, 2011 the Company also announced that it is indefinitely idling the main processing units at its Marcus Hook, PA refinery due to deteriorating refining market conditions. The Company expects to begin idling this facility immediately, while continuing to seek a buyer and pursue options with third parties for alternate uses of the facility. The Company intends to increase the capacity utilization rate of its Philadelphia, PA refinery while continuing to seek a buyer for that facility as well. However, if a suitable sales transaction cannot be implemented, the Company intends to permanently idle the main processing units at the Philadelphia refinery no later than July 2012.

Attached as Exhibit 99.3 to this Current Report on Form 8-K, and incorporated herein by this reference, is a copy of the Company's press release dated December 1, 2011, announcing the immediate and indefinite idling of the main processing units at the Company's Marcus Hook, PA refinery.
