Item 8.01. Other Events.

On January 18, 2012, we issued a press release announcing that our Security division, Rapiscan Systems, has been awarded a six-year authorization by Servicio de Administración Tributaria (SAT), Mexico's tax and customs authority, to provide inspection services by implementing a wide-ranging program of cargo and vehicle security screening systems and services throughout Mexico. We were selected to carry out the program after a thorough and competitive tender process. We are the sole provider for this agreement, with an initial award size of approximately \$400 million over the six-year duration, and the total award value could increase depending on finalization of program scope.

A copy of the press release is attached hereto as Exhibit 99.1.
