SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the Exchange Act) requires our directors and executive officers, and persons who own more than 10% of the common stock, par value \$0.01 per share, of the Company (the Common Stock), to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Directors, officers and greater than 10% stockholders are required by the SEC's regulations to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely upon a review of the copies of such forms furnished to us and written representations that no other reports were required, we believe that, during Fiscal 2011, all such filings required to be made by such persons were timely made in accordance with the requirements of the Exchange Act.

CORPORATE GOVERNANCE

Controlled Company

The Board has determined that HGI is a controlled company for the purposes of Section 303A of the New York Stock Exchange Listed Company Manual (the NYSE Rules), as the Principal Stockholders control more than 50% of the Company's voting power. A controlled company may elect not to comply with certain NYSE Rules, including (1) the requirement that a majority of the Board consist of independent directors, (2) the requirement that a nominating/corporate governance committee be in place that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, and (3) the requirement that a compensation committee be in place that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities. We currently avail ourselves of the controlled company exceptions. The Board has determined that it is appropriate not to have a nominating/corporate governance committee because of our relatively limited number of directors, our limited number of senior executives and our status as a controlled company under applicable NYSE Rules. In April 2011, the Board formed a compensation committee and formulated a compensation committee charter. While our compensation committee is composed entirely of independent directors, we still avail ourselves of the controlled company exceptions and are not obligated to comply with the NYSE Rules governing compensation committees.

Corporate Governance Guidelines and Code of Ethics and Business Conduct

The Board has adopted Corporate Governance Guidelines to assist it in the exercise of its responsibilities. These Guidelines reflect the Board's commitment to monitor the effectiveness of policy and decision making both at the Board and management level, with a view to enhancing stockholder value over the long term. The Corporate Governance Guidelines address, among other things, Board composition, director qualifications standards, selection of the Chairman of the Board and the Chief Executive Officer, director responsibilities and the Board committees.

The Board has adopted a Code of Business Conduct and Ethics for Directors, Officers and Employees to provide guidance to all the Company's directors, officers and employees, including the Company's principal executive officer, principal accounting officer or controller or persons performing similar functions. The Board has also adopted a Code of Ethics for Chief Executive and Senior Financial Officers.

Item 11. Executive Compensation

COMPENSATION DISCUSSION AND ANALYSIS

This section provides an overview and analysis of our compensation program and policies, the material compensation decisions made under those programs and policies, and the material factors considered in making those decisions. The discussion below is intended to help you understand the detailed information provided in our executive compensation tables and put that information into context within our overall compensation program. The series of tables following this Compensation Discussion and Analysis provides more detailed information concerning compensation earned or paid in Fiscal 2011 for the Company's directors and earned or paid in Fiscal 2011, Fiscal 2010 and Fiscal 2009 for the following individuals (the named executive officers as of September 30, 2011):

Philip A. Falcone, our Chairman of the Board and Chief Executive Officer, who was also President until June 2011, when Mr. Asali became Acting President;

Francis T. McCarron, our Executive Vice President and Chief Financial Officer, who was appointed in December 2009;

Omar M. Asali, our Director since May 2011, Acting President from June 2011 to October 2011 and President since that time; and

Richard H. Hagerup, our Interim Chief Accounting Officer since December 2010.

With respect to the compensation matters described herein, our Board as a whole has historically functioned as our compensation committee. Our Board does have a compensation philosophy, but for Fiscal 2011 it had determined that a comprehensive compensation program was not yet necessary or appropriate because the Company only had two named executive officers, Messrs. McCarron and Hagerup, who received compensation from us. Messrs. Falcone and Asali did not receive compensation for their services as our Chairman of the Board and Chief Executive Officer, and Acting President, respectively. Mr. Asali was made President of HGI effective October 1, 2011, and will receive compensation as President from that date.

Mr. McCarron was the first executive officer employed by our Board following the Principal Stockholders' acquisition of a controlling interest in the Company in July 2009 (the 2009 Change in Control) and, at that time, our Board did not find it necessary to establish a compensation program. However, in April 2011, our Board formed a Compensation Committee to (i) oversee our compensation and employee benefits plans and practices, including our executive compensation plans and our incentive compensation and equity-based plans, (ii) consider hiring and significant compensation decisions with respect to executive officers and make recommendations to our Board for approval, (iii) evaluate the performance of our executive officers in light of established goals and objectives and (iv) review and discuss with management our compensation discussion and analysis disclosure and compensation committee reports in order to comply with our public reporting requirements. Our Board appointed Messrs. Leffler (Chairman), Chan and Hudgins as members of the Compensation Committee.

During Fiscal 2011, our Board did not utilize compensation consultants to determine or recommend the amount or form of executive or compensation for Fiscal 2011. However, in 2011, the newly formed Compensation Committee did retain compensation consultants to review compensation elements, levels of pay and potential programs for short and long term compensation for the Company's Fiscal 2012. In addition, the Compensation Committee and the Board, upon recommendation of the compensation consultants, established a new director compensation program effective as of July 2011. See the headings Compensation Consultants and Director Compensation and the Director Compensation Table below for more detail.

Table of Contents

Compensation Philosophy and General Objectives

Our compensation philosophy is to grant compensation that will attract and retain employees who are able to meaningfully contribute to our success. We will both reward employees for past performance and provide incentive for future achievement. We strive to align the interests of our executive officers with our stockholders by providing our executive officers with equity interests in HGI and are mindful of fairness to all stakeholders.

Components of Executive Compensation

We use base salary and incentive compensation, including bonuses, to provide a substantial cash payment opportunity based upon our achievement of budgetary and other objectives. We have used stock options as a long-term incentive designed to provide reward tied to the price of our Common Stock. Our Board believes that option awards, which provide value to the participants only when our stockholders benefit from stock price appreciation, are an appropriate complement to our overall compensation philosophy and will help align the interests of our executives with those of stockholders. In addition, our Board believes that long term incentives including restricted stock and restricted stock units will provide an important retentive component to our overall compensation program.

We believe that the various components of our executive compensation philosophy, in the aggregate, will provide a strong link between compensation and performance. We also believe that such elements will align the interests of our employees with our stockholders by creating a strong compensatory incentive to successfully drive our growth and achieve the goals we set for our individual executives and our business.

Due to the interim nature of his position, Mr. Hagerup received base salary as compensation as well as a discretionary special bonus in Fiscal 2011. The principal elements of compensation for Mr. McCarron for Fiscal 2011, were:

base salary;

annual bonus potential;

a long-term component consisting of a stock option award; and

perquisites and other benefits.

During Fiscal 2011, Messrs. Falcone, Asali and Hagerup did not participate in our benefit plans. We provided Mr. McCarron with standard medical, dental, vision, disability and life insurance benefits available to employees generally. Our Board generally believes that perquisites should not be a significant component of our compensation philosophy.

How We Chose Amounts for Each Element of Compensation

Generally

Prior to the 2009 Change in Control, the Company had a Compensation Committee that was responsible for the approval and administration of compensation programs for the Company's executives. Following the 2009 Change in Control and for a portion of Fiscal 2011, our Compensation Committee was disbanded because we had a very limited number of senior executives and, as a controlled company under applicable NYSE Rules, we are not required to have a compensation committee. Instead, during such time our entire Board was responsible for determining compensation for our directors and executive officers. Because we anticipated that our executive compensation decisions would become more numerous and complex with the completion of Spectrum Brands Acquisition (as defined in the section titled "Related Person Transactions - Spectrum Brands Acquisition in January 2011"), and the Insurance Transaction Acquisition (as defined in the section titled "Related Person Transactions - FGL Holdings Acquisition in April 2011 and the Front Street Reinsurance Transaction"), in April 2011 our Board formed a Compensation Committee and delegated to it the authority to recommend the

Table of Contents

amount or form of executive and director compensation. While our Compensation Committee is composed entirely of independent directors, we still avail ourselves of the controlled company exceptions and are not obligated to comply with the NYSE Rules governing compensation committees.

Mr. McCarron's compensation package was negotiated in late 2009 by our Chief Executive Officer (CEO) and our former Chief Operating Officer (COO) who each have substantial experience in establishing management compensation, and was approved by our Board. Mr. Hagerup's compensation was negotiated in December 2010 and June 2011 by our Chief Financial Officer (CFO) and his temporary employment agreement was extended by the Board on the same terms and conditions in June 2011. Although the ultimate approval of named executive officers' compensation is made by our Board, our Board takes into consideration the recommendations of our CEO and our CFO in awarding compensation and setting compensation levels. For the past three years we have not relied on any formal benchmarking or set compensation levels by reference to any peer group.

Compensation Consultants

During Fiscal 2011, our Board did not utilize compensation consultants to determine or recommend the amount or form of executive compensation for Fiscal 2011. However, during July 2011 the Compensation Committee retained Hodak Value Advisors (Hodak), a consulting and research firm, in conjunction with Mercer Consulting (Mercer), a global leader for human resources and related finance advice, products and services, to jointly review compensation elements, levels of pay and potential programs for short and long term compensation to be implemented for fiscal year 2012, including the grant of equity and equity-based awards. In addition, Hodak and Mercer recommended, and the Compensation Committee and the Board approved a new director compensation program effective July 2011. For more details see Director Compensation.

Base Salary

The base salary for Mr. McCarron was negotiated by our CEO and former COO and approved by our Board, while the base salary for Mr. Hagerup was negotiated by our CFO and approved by our CEO and the Board. In approving the compensation, our Board considered a number of factors including, but not limited to, the responsibilities of the position, the executives' experience and the competitive marketplace for executive talent with a similar skill set.

Bonus

For the last two fiscal years, Mr. McCarron was granted a discretionary cash bonus, based on a number of subjective considerations. Mr. McCarron was entitled, pursuant to his employment agreement, to a minimum annual cash bonus for 2010 of \$500,000 and in Fiscal 2011 our Board set Mr. McCarron's 2010 cash bonus amount at \$1,250,000. For Fiscal 2011, our Board set Mr. McCarron's cash bonus amount at \$1,125,000, which represents the maximum bonus of 300% of base salary target, pro-rated for nine months to reflect a change in the Company's fiscal year.

In December 2011, Mr. Hagerup received a special discretionary bonus of \$50,000 for his extensive services performed during Fiscal 2011 on transaction-related projects.

Long Term Incentives

There is no set formula for the granting of awards to individual executives or employees. Consistent with our equity incentive plans and past awards, the exercise price of all equity awards granted during the last three fiscal years was equal to the fair market value (closing sale price of our Common Stock) on the date of grant. During the past three fiscal years, Mr. McCarron was the only named executive officer awarded options. When Mr. McCarron was hired in December 2009, he was granted an initial non-qualified option to purchase 125,000 shares of our Common Stock, at an exercise price of \$7.01 per share (the Initial Option) pursuant to

Table of Contents

our long-term incentive plan (the 1996 Plan). The 1996 Plan provides for the granting of restricted stock, stock appreciation rights, stock options and other types of awards to key employees of the Company. All options granted under the 1996 Plan vest ratably over three years beginning on the first anniversary of the date of grant. Unexercised options will expire on varying dates up to a maximum of ten years from the date of grant. Upon the adoption of the 2011 Plan (see below), no new awards were granted under the 1996 Plan and any shares of our Common Stock available for issuance under the 1996 Plan that were not subject to outstanding awards became no longer available for issuance.

Our Board's decision to award options to Mr. McCarron was discretionary and made in connection with the determination of his initial compensation package. Pursuant to Mr. McCarron's employment agreement, for years beginning on or after January 1, 2011, he is eligible to receive an additional annual option or similar equity grant having a fair value targeted at between 25% and 50% of his total annual compensation for the immediately preceding year, subject to the sole discretion of our Board (including the discretion to grant awards higher than the targeted amount), but as of the date of this report no such awards have been granted.

Our Board may decide to grant additional awards to Mr. McCarron or future named executive officers and, when doing so, may consider factors such as:

the executive's overall compensation package and job performance, and

the executive's ability to contribute to the achievement of our goals and objectives.

The 2011 Omnibus Equity Award Plan. On September 15, 2011, our stockholders approved the adoption of the Harbinger Group Inc. 2011 Omnibus Equity Award Plan (the 2011 Plan) pursuant to which incentive compensation and performance compensation awards may be provided to employees, directors, officers and consultants of the Company or of its subsidiaries or their respective affiliates. The 2011 Plan authorizes the issuance of up to 17,000,000 shares of Common Stock. A description of the material terms of the 2011 Plan and the text of the 2011 Plan was included in the Company's Definitive Proxy Statement on Schedule 14A, filed with the Securities and Exchange Commission on August 15, 2011 (File No. 001-04219). No awards were granted pursuant to the 2011 Plan for Fiscal 2011.

Retirement Benefits

401(k) Plan. We sponsor a 401(k) Retirement Savings Plan (the 401(k) Plan) in which eligible participants may defer a fixed amount or a percentage of their eligible compensation, subject to limitations. We make discretionary matching contributions of up to 4% of eligible compensation. Mr. McCarron was not eligible to participate in our 401(k) Plan in Fiscal 2009. Our matches under the 401(k) Plan for Mr. McCarron were \$9,800 in Fiscal 2011 and \$9,800 in Fiscal 2010. Messrs. Falcone, Asali and Hagerup did not participate in our 401(k) Plan in Fiscal 2011.

Risk Review

Our Board has generally reviewed, analyzed and discussed our executive compensation. Our Board does not believe that any aspects of our executive compensation encourages the named executive officers to take unnecessary or excessive risks. For Fiscal 2011, there was no single performance measure for executive compensation and Mr. McCarron's elements of compensation are balanced among current cash payments, cash bonus potential and an equity award.

Compensation in Connection with Termination of Employment and Change-In-Control

We recognize that an appropriate incentive in attracting talent is to provide reasonable protection against loss of income in the event the employment relationship terminates without fault of the employee. Thus, compensation practices in connection with termination of employment generally will be designed as our Board deems

Table of Contents

appropriate to achieve our goal of attracting highly-qualified executive talent. We have provided for termination compensation through individual employment agreements in the form of salary and benefit continuation for a moderate period of time following involuntary termination of an executive officer's employment. We have also agreed to individual severance arrangements at the time of termination of employment, taking into account the specific facts and circumstances surrounding termination, including other compensation available at such time.

You can find additional information regarding our practices in providing compensation in connection with termination of employment and change in control to our named executive officers under the headings "Employment Agreements with Named Executive Officers" and "Payments upon Termination and Change in Control" below.

Impact of Tax Considerations

With respect to taxes, Section 162(m) of the Internal Revenue Code imposes a \$1 million limit on the deduction that a company may claim in any tax year with respect to compensation paid to each of its Chief Executive Officer and three other named executive officers (other than a Chief Financial Officer), unless certain conditions are satisfied. Accordingly, we monitor which executive officers may be subject to Section 162(m) in order to maximize the amount of compensation paid to these officers that will be deductible under Section 162(m). Certain types of performance-based compensation are generally exempted from the \$1 million limit. Performance-based compensation can include income from stock options, performance-based restricted stock, and certain formula driven compensation that meets the requirements of Section 162(m) (such as the provisions of the 2011 Plan). The Compensation Committee and the Board generally seeks to structure compensation for the named executive officers in a manner that complies with Section 162(m) in order to provide for the deductibility of such compensation. At the same time, there may be circumstances in which the Compensation Committee or the Board determines, in the exercise of its independent judgment, that it is in our best interests to provide for compensation that may not be deductible and reserves its rights to pay non-deductible compensation.

Advisory Vote on Executive Compensation

The Compensation Committee and Board considered the shareholder vote regarding the non-binding resolution on executive compensation voted on at our September 15, 2011 Annual Meeting. Because a substantial majority (97%) of votes cast approved the compensation program described in the Company's proxy statement for the Annual Meeting, the Compensation Committee and the Board plan to take this into account and apply the same principles in determining the amounts and types of executive compensation, subject to further input from its compensation consultants (Mercer and Hodak) with respect to Fiscal 2012.

Additionally at the September 15, 2011 Annual Meeting, a majority of our stockholders approved, as recommended by our Board, a proposal for our stockholders to be provided with a non-binding advisory vote on compensation of our named executive officers every three years. The Board believed that this frequency is appropriate as a triennial vote would provide the Company with sufficient time to engage with stockholders to understand and respond to the "say-on-pay" vote results. Stockholders who have concerns about executive compensation during the interval between "say on pay" votes are encouraged to bring their specific concerns to the attention of our Board. Accordingly, the next stockholder advisory (non-binding) vote on executive compensation will be held at our 2014 Annual Meeting.

Significant Event after Fiscal 2011

On January 9, 2012, the Company entered into an employment agreement with Mr. Asali as its President, effective as of October 1, 2011 (the "Effective Date"). The employment agreement will have an initial term of one year from the Effective Date. The employment agreement will automatically renew unless either party gives the other written notice of termination at least 90 days prior to the end of the then current term of the employment agreement. Mr. Asali will continue to provide certain services to the Harbinger Capital affiliated funds (up to 10% of his time or upon the reasonable request from time to time of the Company) during a one year transition period.

Table of Contents

Mr. Asali's annual base salary will initially be \$500,000. Within 150 days following the Effective Date, Mr. Asali will be granted 350,000 shares of restricted stock or restricted stock units and nonqualified stock options to purchase 1,000,000 shares of the Company's Common Stock (collectively, the Initial Equity Grant). The restricted stock or restricted stock units will vest and the restrictions will lapse on the third anniversary of the Effective Date and the option awards will vest one-third per year on the first, second and third anniversaries of the Effective Date. Mr. Asali will also be eligible for an annual bonus comprised of a mix of cash and equity with a target of \$2,500,000 (and such actual bonus may be lower or higher based on performance).

If during the term of the employment agreement, the Company terminates Mr. Asali's employment without Cause or if Mr. Asali terminates his employment for Good Reason (each as defined in Mr. Asali's employment agreement), including upon a Company initiated nonrenewal of the term so long as he provides services through the end of the then current term and separates thereafter, subject to receiving a signed separation agreement and general release of claims from Mr. Asali, the Company shall pay or provide Mr. Asali with (i) his base salary for twelve months in continuing installments, (ii) the Initial Equity Grant shall vest on a pro-rata basis based on the length of time elapsed (calculated as if Mr. Asali worked through the end of the term), (iii) payment of any non-deferred portion of the annual bonus for the prior year which was earned but unpaid, (iv) payment of 50% of the unpaid deferred cash portion, if any and vesting of 50% of the unvested equity portion, if any, of annual bonuses awarded for years prior to the year of termination, (v) eligibility for an annual bonus for the year of termination determined in accordance with the employment agreement, provided that (A) the cash portion of such bonus shall be paid and the equity portion of such bonus shall be granted on the same terms and at the same time as such grants are made to other senior executives of the Company, (B) Mr. Asali shall only be entitled to 50% of any deferred cash component of such annual bonus with such payment to be made within 74 days following the end of the Company's fiscal year and (C) only 50% of the equity portion of such annual bonus will be granted and such equity grant will be fully vested on the date of grant, and (vi) continued medical and dental benefits for a twelve (12) month period, subject to Mr. Asali's payment for the cost of such benefits as if he remained an active employee. In addition, the Company shall pay Mr. Asali any accrued but unpaid base salary and vacation time and any properly incurred but unreimbursed business expenses.

Mr. Asali is also subject to certain non-competition restrictions for six (6) months post termination of employment and certain non-solicitation restrictions for eighteen (18) months post termination of employment, as well as perpetual confidentiality provisions. Mr. Asali is subject to a perpetual non-disparagement covenant and subject to Mr. Asali signing a release, the non-disparagement covenant will be mutual.

In addition, on January 9, 2012, six persons employed by Harbinger Capital signed employment agreements with the Company and became employees of the Company effective as of October 1, 2011. Such persons are no longer employed by Harbinger Capital. These persons are David Maura (Chairman of the Board of Directors of Spectrum Brands and a member of the Board of Directors of the Company), Carl Giesler, Phillip Gass and Tyler Kolarik who joined the Company's investment team, Corrine Glass, who became Acting General Counsel of the Company, and Tara Glenn, who will be focused on the Company's Investor Relations. These six persons will continue to provide certain services to the Harbinger Capital affiliated funds (up to 10% of such person's time or upon the reasonable request from time to time of the Company) during a one year transition period.

The employment agreements with Mr. Asali and the foregoing six persons were approved by the Board following approval and recommendation by the Compensation Committee, who were advised by the Company's compensation consultants.

Payments Upon Termination and Change of Control

Messrs. McCarron and Hagerup are entitled to certain payments if their employment is terminated under specified conditions, as detailed below.

Termination Payments to Francis T. McCarron and Richard H. Hagerup

Pursuant to his employment agreement, if Mr. McCarron's employment is terminated for any reason, he is entitled to his salary through his final date of active employment plus any accrued but unused vacation pay. He is also entitled to any benefits mandated under COBRA or required under the terms of HGI's plans described above.

If the Company terminates Mr. McCarron's employment without Cause (as defined in his employment agreement) or Mr. McCarron terminates his employment for Good Reason (as defined below), Mr. McCarron will be entitled to the continuation of his base salary for three months following such termination and full vesting of the Initial Option. However, the Company can decide not to pay such severance amount by waiving Mr. McCarron's post-employment restrictive covenant obligations.

Mr. McCarron's entitlement to these payments is also conditioned upon his execution of an agreement acceptable to us that (a) waives any rights Mr. McCarron may otherwise have against us, (b) releases us from actions, suits, claims, proceedings and demands related to the period of employment and/or the termination of employment, and (c) contains certain other obligations which shall be set forth at the time of the termination; provided, however, that any such waiver and release shall not include a waiver or release of Mr. McCarron's rights (a) arising under, or preserved by, his employment agreement, (b) to continued coverage under our directors and officers insurance policies, (c) to indemnification pursuant to Mr. McCarron's indemnification agreement, or (d) as a stockholder of the Company. Mr. McCarron must sign and tender the release as described above not later than 60 days following his last day of employment and, if he fails or refuses to do so, he will forfeit the right to such termination compensation as would otherwise be due and payable.

Good Reason is defined in Mr. McCarron's employment agreement as the occurrence of any of the following events without either Mr. McCarron's express prior written consent or full cure by us within 30 days: (i) any material diminution in Mr. McCarron's title, responsibilities or authorities; (ii) the assignment to him of duties that are materially inconsistent with his duties as the principal financial officer of HGI; (iii) any change in the reporting structure so that he reports to any person or entity other than Chief Executive Officer and/or the Board;

Table of Contents

(iv) the relocation of Mr. McCarron's principal office, or principal place of employment, to a location that is outside the borough of Manhattan, New York; (v) a breach by HGI of any material terms of Mr. McCarron's employment agreement; or (vi) any failure of HGI to obtain the assumption (in writing or by operation of law) of our obligations under his employment agreement by any successor to all or substantially all of our business or assets upon consummation of any merger, consolidation, sale, liquidation, dissolution or similar transaction.

Mr. Hagerup is not entitled to severance upon termination of employment; however, if his employment is terminated by the Company upon less than 30 days advance notice, then he will be provided with salary continuation during such thirty (30) day period.

Summary Table

The following table sets forth amounts of compensation to be paid to Mr. McCarron if his employment is terminated without Cause or for Good Reason. The amounts shown assume that such termination was effective as of September 30, 2011.

Francis T. McCarron	125,000(1)					125,000

Mr. McCarron will also be entitled to full vesting of the Initial Option, of which 41,666 shares of Common Stock would otherwise vest on December 24, 2012.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As disclosed elsewhere herein, prior to April 2011, we did not have a compensation committee because of the limited number of our senior executives and our status as a controlled company under applicable NYSE Rules. During such time, the entire Board was responsible for determining compensation for our directors and executive officers. In April 2011, our Board formed a compensation committee and formulated a compensation committee charter. During Fiscal 2011, two of our directors, Messrs. Falcone and Jenson (who resigned as a director on June 30, 2011), participated in deliberations concerning executive officer compensation. However, neither Mr. Falcone nor Mr. Jenson received any direct compensation for their services as officers or directors of HGI.

During Fiscal 2011, Mr. Falcone served as a director and executive officer of our subsidiary, Zap.Com, Messrs. Jenson, Asali and Hladek served as directors of Zap.Com, and Messrs. McCarron and Hagerup served as executive officers of Zap.Com. Mr. Maura, one of our directors and executive officers, is also a director and member of the compensation committee of Spectrum Brands. Certain of our directors and executive officers who are currently or were formerly employed by Harbinger Capital may serve as directors or executive officers of other entities affiliated with Harbinger Capital from time to time.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The information contained in this report shall not be deemed to be soliciting material or filed or incorporated by reference in future filings with the SEC or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Exchange Act.

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis contained in this Form 10-K/A with the management. Based on that review and discussion, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Form 10-K/A.

each person known to us to beneficially own more than 5% of our outstanding Common Stock (the 5% stockholders), and

all directors and executive officers as a group.

Beneficial ownership is determined in accordance with the rules of the SEC. Determinations as to the identity of 5% stockholders and the number of shares of our Common Stock beneficially owned, including shares which may be acquired by them within 60 days, is based upon filings with the SEC as indicated in the footnotes to the table below. Except as otherwise indicated, we believe, based on the information furnished or otherwise available to us, that each person or entity named in the table has sole voting and investment power with respect to all shares of our Common Stock shown as beneficially owned by them, subject to applicable community property laws.

In computing the number of shares of our Common Stock beneficially owned by a person and the percentage ownership of that person, shares of our Common Stock that are subject to options held by that person that are currently exercisable or exercisable within 60 days of December 31, 2011 are deemed outstanding. These shares of our Common Stock are not, however, deemed outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise noted below, the address of each beneficial owner listed in the table is c/o Harbinger Group Inc., 450 Park Avenue, 27th floor, New York, New York 10022.

Item 13. Certain Relationships and Related Transactions, and Director Independence.
RELATED PERSON TRANSACTIONS

Our Board has adopted a Statement of Policy with Respect to Related Party Transactions (the "Related Party Transactions Policy"). A "Related Party Transaction" is defined in the Related Party Transactions Policy as any financial transaction or any series of similar transactions in which we are a participant and in which a related person (*i.e.*, a director, officer, beneficial owner of more than 5% of any class of our capital stock or a family member or controlling or controlled entity of the foregoing persons) has a direct or indirect interest, other than: (i) our payment of compensation to a related person for the related person's service in the capacity that give rise to the person's status as a related person; (ii) transactions available to all of our employees or all of our stockholders on the same terms; and (iii) transactions which, when aggregated with the amount of all other transactions between us and the related person, involve in a fiscal year the lesser of (a) \$100,000 or (b) 1% of the average of our total assets at year-end for the last two completed fiscal years. Pursuant to the Related Party Transaction Policy, the Related Party Transaction proposed to be entered into must be reported to our Board for review. In reviewing and determining whether to approve a proposed Related Party Transaction presented to our Board, the disinterested members of our Board will analyze such factors as they deem appropriate. We may only enter into a Related Party Transaction upon approval by our Board. Our Board may delegate its authority to review and approve Related Party Transactions to the Audit Committee, a special committee or other committee of our Board.

Management Agreement

Effective March 1, 2010, we entered into a Management and Advisory Services Agreement (the "Management Agreement") with Harbinger Capital, pursuant to which Harbinger Capital has agreed to provide us with advisory and consulting services, particularly with regard to identifying and evaluating investment opportunities. Harbinger Capital is an affiliate of the Principal Stockholders, which collectively hold a majority of our outstanding shares of Common Stock. We have agreed to reimburse Harbinger Capital for (i) its out-of-pocket expenses and its fully-loaded cost (based on budgeted compensation and overhead) of services provided by its legal and accounting personnel (but excluding such services as are incidental and ordinary course activities) and (ii) upon our completion of any transaction, Harbinger Capital's out-of-pocket expenses and its fully-loaded cost (based on budgeted compensation and overhead) of services provided by its legal and accounting personnel (but not its investment banking personnel) relating to such transaction, to the extent not previously reimbursed by us. Requests by Harbinger Capital for reimbursement are subject to review by our Audit Committee, after review by our management. The Management Agreement has a three-year term, with automatic one-year extensions unless terminated by either party with 90 days' notice. For Fiscal 2011, no amounts were paid pursuant to the Management Agreement.

Harbinger Capital Reimbursement

Independent of the Management Agreement, the Company reimbursed Harbinger Capital \$1,500,000 for its out-of-pocket expenses and the cost of certain services performed by legal and accounting personnel of Harbinger Capital during Fiscal 2011. The Company believes the amount of the reimbursement is reasonable; however, it does not necessarily represent the costs that would have been incurred by the Company on a stand-alone basis. This reimbursement was approved by a special committee of the Board, represented by independent counsel, consisting solely of directors who were determined by the Board to be independent under the NYSE Rules.

Spectrum Brands Acquisition in January 2011

On September 10, 2010, we entered into a Contribution and Exchange Agreement (as amended, the "Exchange Agreement") with the Principal Stockholders, pursuant to which the Principal Stockholders agreed to contribute a

Table of Contents

majority interest in Spectrum Brands to us in exchange for 4.32 shares of our Common Stock for each share of Spectrum Brands common stock (SB Holdings common stock) contributed to us (the Spectrum Brands Acquisition). The exchange ratio of 4.32 to 1.00 was based on the respective volume weighted average trading prices of our Common Stock (\$6.33) and SB Holdings common stock (\$27.36) on the NYSE for the 30 trading days from and including July 2, 2010 to and including August 13, 2010, the day we received the Principal Stockholders proposal for the Spectrum Brands Acquisition.

On September 10, 2010, a special committee of our Board (the Spectrum Special Committee), consisting solely of directors who were determined by our Board to be independent under the NYSE Rules, unanimously determined that the Exchange Agreement and the Spectrum Brands Acquisition were advisable to, and in the best interests of, us and our stockholders (other than the Principal Stockholders), approved the Exchange Agreement and the transactions contemplated thereby, and recommended that our Board approve the Exchange Agreement and our stockholders approve the issuance of our Common Stock pursuant to the Exchange Agreement. On September 10, 2010, our Board (based in part on the unanimous approval and recommendation of the Spectrum Special Committee) unanimously determined that the Exchange Agreement and the Spectrum Brands Acquisition were advisable to, and in the best interests of, us and our stockholders (other than the Principal Stockholders), approved the Exchange Agreement and the transactions contemplated thereby, and recommended that our stockholders approve the issuance of our Common Stock pursuant to the Exchange Agreement.

On September 10, 2010, the Principal Stockholders, who held a majority of our outstanding Common Stock on that date, approved the issuance of our Common Stock pursuant to the Exchange Agreement by written consent in lieu of a meeting pursuant to Section 228 of the General Corporation Law of the State of Delaware.

On January 7, 2011, the Spectrum Brands Acquisition was consummated and we issued an aggregate of 119,909,829 shares of our Common Stock to the Principal Stockholders in exchange for an aggregate of 27,756,905 shares of SB Holdings common stock (the SB Holdings Contributed Shares), or approximately 54.5% of the then outstanding SB Holdings common stock, as contemplated by the Exchange Agreement. The market value of the SB Holdings Contributed Shares at that date was approximately \$859 million. In connection with the consummation of the Spectrum Brands Acquisition, we also became party to the existing Stockholder Agreement, dated as of February 9, 2010, by and among the Principal Stockholders and Spectrum Brands and the existing Registration Rights Agreement, dated as of February 9, 2010, by and among the Principal Stockholders, Spectrum Brands, and certain other stockholders.

HGI Registration Rights Agreement

In connection with the Spectrum Brands Acquisition, HGI and the Principal Stockholders entered into a registration rights agreement, dated as of September 10, 2010, (the Registration Rights Agreement) pursuant to which, after the consummation of the Spectrum Brands Acquisition, the Principal Stockholders have, among other things and subject to the terms and conditions set forth therein, certain demand and so-called piggy back registration rights with respect to (i) any and all shares of HGI s Common Stock owned after the date of the Registration Rights Agreement by the Principal Stockholders and their permitted transferees (irrespective of when acquired) and any shares of HGI s Common Stock issuable or issued upon exercise, conversion or exchange of HGI s other securities owned by the Principal Stockholders, and (ii) any of HGI securities issued in respect of the shares of HGI s Common Stock issued or issuable to any of the Principal Stockholders with respect to the securities described in clause (i).

Under the Registration Rights Agreement any of the Principal Stockholders may demand that HGI register all or a portion of such Harbinger Party s shares of HGI s Common Stock for sale under the Securities Act of 1933, as amended, so long as the anticipated aggregate offering price of the securities to be offered is (i) at least \$30 million if registration is to be effected pursuant to a registration statement on Form S-1 or any similar long-form registration or (ii) at least \$5 million if registration is to be effected pursuant to a registration statement on Form S-3 or a similar short-form registration. Under the agreement, HGI is not obligated to effect more than three such long-form registrations in the aggregate for all of the Principal Stockholders.

Table of Contents

The Registration Rights Agreement also provides that if HGI decides to register any shares of its Common Stock for its own account or the account of a stockholder other than the Principal Stockholders (subject to certain exceptions set forth in the agreement), the Principal Stockholders may require HGI to include all or a portion of their shares of HGI's Common Stock in the registration and, to the extent the registration is in connection with an underwritten public offering, to have such shares included in the offering.

FGL Acquisition in April 2011 and the Front Street Reinsurance Transaction

On March 7, 2011, we entered into a Transfer Agreement (the "Transfer Agreement") with the Master Fund. Pursuant to the Transfer Agreement, on March 9, 2011, (i) we acquired from the Master Fund a 100% membership interest in Harbinger F&G, LLC (formerly, Harbinger OM, LLC, Harbinger F&G), and (ii) the Master Fund transferred to Harbinger F&G the sole issued and outstanding Ordinary Share of FS Holdco Ltd. ("FS Holdco"). In consideration for the interests in Harbinger F&G and FS Holdco, we reimbursed the Master Fund for \$13.3 million of expenses incurred by the Master Fund in connection with the Fidelity & Guaranty Acquisition and submitted \$5.0 million of expenses of the Master Fund for reimbursement by OM Group (UK) Limited ("OM Group") under the F&G Stock Purchase Agreement (as defined below), which the OM Group subsequently reimbursed to the Master Fund. Following the consummation of the foregoing acquisitions, Harbinger F&G became our direct wholly-owned subsidiary, FS Holdco became the direct wholly-owned subsidiary of Harbinger F&G and Front Street Re, Ltd. ("Front Street") became the indirectly wholly-owned subsidiary of Harbinger F&G.

On April 6, 2011, pursuant to the First Amended and Restated Stock Purchase Agreement, dated as of February 17, 2011 (the "F&G Stock Purchase Agreement"), between Harbinger F&G and OM Group, Harbinger F&G acquired from OM Group all of the outstanding shares of capital stock of FGL and certain intercompany loan agreements between OM Group, as lender, and FGL, as borrower, in consideration for \$350 million, which amount could be reduced by up to \$50 million post-closing if certain regulatory approvals are not received (the "Fidelity & Guaranty Acquisition"). Fidelity & Guaranty Life Insurance Company (formerly, OM Financial Life Insurance Company, "FGL Insurance") and Fidelity & Guaranty Life Insurance Company of New York (formerly, OM Financial Life Insurance Company of New York, "FGL NY Insurance") are FGL's principal insurance companies, and are wholly-owned subsidiaries of FGL. Harbinger F&G's pre-closing and closing obligations under the F&G Stock Purchase Agreement, including payment of the purchase price, were guaranteed by the Master Fund. Pursuant to the Transfer Agreement, we entered into a Guaranty Indemnity Agreement with the Master Fund, pursuant to which we agreed to indemnify the Master Fund for any losses incurred by it or its representatives in connection with the Master Fund's guaranty of Harbinger F&G's pre-closing and closing obligations under the F&G Stock Purchase Agreement.

On May 19, 2011, a special committee (the "Special Committee") comprised of independent directors of the Board unanimously determined that it is (i) in the best interests of the Company for Front Street and FGL to enter into a reinsurance agreement (the "Reinsurance Agreement"), pursuant to which Front Street would reinsure up to \$3.0 billion of insurance obligations under annuity contracts of FGL and (ii) in the best interests of the Company for Front Street and Harbinger Capital Partners II LP, an affiliate of our principal stockholders ("HCP II"), to enter into an investment management agreement (the "Investment Management Agreement"), pursuant to which HCP II would be appointed as the investment manager of up to \$1.0 billion of assets securing Front Street's reinsurance obligations under the Reinsurance Agreement, which assets would be deposited in a reinsurance trust account for the benefit of FGL Insurance pursuant to a trust agreement (the "Trust Agreement"). On May 19, 2011, the Board approved the Reinsurance Agreement, the Investment Management Agreement, the Trust Agreement and the transactions contemplated thereby. The Special Committee's consideration of the Reinsurance Agreement, the Trust Agreement, and the Investment Management Agreement was contemplated by the terms of the Transfer Agreement. In considering the foregoing matters, the Special Committee was advised by independent counsel and received an independent third-party fairness opinion.

Table of Contents

The Reinsurance Agreement and the transactions contemplated thereby (the Front Street Reinsurance Transactions) are subject to, and may not be entered into or consummated without, the approval of the Maryland Insurance Administration (the MIA). The F&G Stock Purchase Agreement provides for up to a \$50 million post-closing reduction in purchase price (a Purchase Price Adjustment) for the Fidelity & Guaranty Acquisition if, among other things, the Front Street Reinsurance Transaction is not approved by the MIA or is approved subject to certain restrictions or conditions, including if HCP II is not permitted to be appointed as the investment manager for \$1 billion of assets securing Front Street s reinsurance obligations under the Reinsurance Agreement.

On January 11, 2012, FGL Insurance, an indirect subsidiary of the Company, received a letter from the MIA notifying it that the MIA had denied its request for the Reinsurance Agreement. In its letter, the MIA stated as reasons for its decision that the amount of assets in the reinsurance trust account that would be invested in below-investment-grade assets would be too large and the realized gain on the sale of investment-grade assets transferred from FGL Insurance to Front Street and subsequently sold by Front Street to generate funds to invest in the below-investment-grade assets would represent too large a transfer of value from FGL Insurance to Front Street. However, the MIA noted that it is willing to consider an alternative proposal with respect to the transaction structure.

Under the terms of the F&G Stock Purchase Agreement, in certain circumstances the Company would be required to negotiate with OM Group an alternative transaction for up to 150 days before OM Group could seek a Purchase Price Adjustment on the grounds that the Front Street Reinsurance Transaction was not approved. The Company is reviewing its rights and obligations under the stock purchase agreement and evaluating alternative structures for the Front Street Reinsurance Transaction. There can be no assurance that an alternative proposal satisfactory to the parties can be developed and, if so, that it would be approved by the MIA.

SB Holdings Share Offering in July 2011

On July 14, 2011, the Master Fund and Spectrum Brands (together, the Selling Stockholders) entered into an equity underwriting agreement (the Underwriting Agreement) with Credit Suisse Securities (USA) LLC, as representative of the underwriters listed therein (the Underwriters), with respect to the offering of 1,000,000 shares of SB Holdings common stock by Spectrum Brands and 5,495,489 shares of SB Holdings common stock by the Master Fund, at a price per share to the public of \$28.00. We did not sell any shares of SB Holdings common stock in the offering. In connection with the offering, we agreed to a 180-day lock up agreement. In addition, the Master Fund entered into a standstill agreement with us, pursuant to which the Master Fund agreed that it would not, among other things (a) either individually or as part of a group, acquire, offer to acquire, or agree to acquire any securities (or beneficial ownership thereof) of Spectrum Brands; (b) other than with respect to certain existing holdings, form, join or in any way participate in a group with respect to any securities of Spectrum Brands; (c) effect, seek, offer, propose or cause or participate in (i) any merger, consolidation, share exchange or business combination involving Spectrum Brands or any material portion of Spectrum Brands business, (ii) any purchase or sale of all or any substantial part of the assets Spectrum Brands or any material portion of Spectrum Brands business; (iii) any recapitalization, reorganization or other extraordinary transaction with respect to Spectrum Brands or any material portion of Spectrum Brands business, or (iv) any representation on the board of directors of Spectrum Brands.

DIRECTOR INDEPENDENCE

Our Board has determined that Messrs. Chan, Hudgins and Leffler are independent members of our Board under the NYSE Rules. Under the NYSE Rules, no director qualifies as independent unless our Board affirmatively determines that the director has no material relationship with the Company. Based upon information requested from and provided by each director concerning their background, employment and affiliations, including commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, our Board

has determined that each of the independent directors named above has no material relationship with the Company, nor has any such person entered into any material transactions or arrangements with the Company or its subsidiaries, either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company, and is therefore independent under the NYSE Rules.

Table of Contents**Item 14. Principal Accounting Fees and Services.**

In accordance with the Sarbanes-Oxley Act of 2002 (Sarbanes-Oxley), the Audit Committee Charter provides that the Audit Committee of our Board has the sole authority and responsibility to pre-approve all audit services, audit-related tax services and other permitted services to be performed for the Company by our independent registered public accounting firm and the related fees. Pursuant to its charter and in compliance with rules of the SEC and Public Company Accounting Oversight Board (PCAOB) the Audit Committee has established a pre-approval policy and procedures that require the pre-approval of all services to be performed by the independent registered public accounting firm. The independent registered public accounting firm may be considered for other services not specifically approved as audit services or audit-related services and tax services so long as the services are not prohibited by SEC or PCAOB rules and would not otherwise impair the independence of the independent registered public accounting firm. The Audit Committee has also delegated pre-approval to the Audit Committee Chair for services with fees below \$50,000; however, any services pre-approved by the Audit Committee Chair must be reported to the full Audit Committee at its next meeting.

The table below sets forth the professional fees we paid to our independent registered public accounting firm for professional services rendered (i) during Fiscal 2011 to the Company and HGI Funding LLC and to Harbinger F&G after its acquisition by the Company and (ii) during Fiscal 2010 to the Company.
