4. Status of American Depositary Shares (ADSs)

Effective October 14, 2010, the Company's American Depositary Shares (ADSs) were delisted from the New York Stock Exchange (NYSE) but continued to trade on the over-the-counter (OTC) market in the United States.

Since May 2001, the Company's equity shares underlying its American Depositary Shares (ADSs) and the ADSs themselves have been registered with the SEC. The registration obligates the Company to file annual and other reports with the SEC. The Company has determined that it will not be able to become current in its SEC filing obligations and hence it expects the SEC to revoke the Company's registration sometime in future. The revocation of registration, as and when it occurs, would prevent continued trading of the ADSs in US markets, and in order to protect the interests of ADS holders, the Company determined to wind down the ADS program in an orderly fashion.

Accordingly, in August 2011 the Company entered into a supplemental agreement with the depository bank, Citibank, N.A., to terminate the Deposit Agreement. As a result of the termination, the ADS program is expected to be wound down by March 2012 in accordance with the supplemental Deposit Agreement. During the transition period the holders of ADSs will be able to surrender their ADSs in exchange for corresponding equity shares in the Company, subject to applicable regulatory restrictions of India, the US and jurisdictions where holders reside. After trading of ADSs has been terminated, the depository will arrange for the sale (on a commercially reasonable efforts basis) of the equity shares then held on deposit and will hold the net proceeds of such sale (after deduction of applicable fees, taxes and expenses), without liability for interest, in an unsegregated account for the pro rata benefit of holders of ADSs then outstanding.

The Company presently expects the SEC to revoke its registration under the Securities Exchange Act of 1934 after the transition period and related wind-down of the ADS facility described above is completed. This time period assumes that no third party, such as the SEC, acts to reduce this transition period.

The Company's equity shares will continue to trade in India on the Bombay Stock Exchange and the National Stock Exchange.

5. Financial irregularities

- 5.1 On January 7, 2009, in a communication (the letter) addressed to the then-existing Board of Directors of the Company and copied to the Stock Exchanges and Chairman of Securities and Exchange Board of India (SEBI), the then Chairman of the Company, Mr. B. Ramalinga Raju (the erstwhile Chairman) admitted that the Company s Balance Sheet as at September 30, 2008 carried inflated cash and bank balances, non-existent accrued interest, understated liability and overstated debtors position. Consequently, various regulators have initiated their investigations and legal proceedings, which are ongoing.

As per the assessment of the Management, based on the forensic investigation carried out and the information available, all identified/required adjustments/disclosures arising from the financial irregularities were made in the financial statements as at March 31, 2009. The Company has not received any further information which requires adjustments to the financial results.

The Management is of the view that since matters relating to several of the financial irregularities are *sub judice* and various investigations/proceedings are ongoing, any further adjustments/disclosures to the financial results, if required, would be made in the financial results of the Company as and when the outcome of the above uncertainties is known and the consequential adjustments/disclosures are identified.

- 5.2 The Company, based on the forensic investigation, accounted 113932 Lakhs (net debit) under Unexplained Differences Suspense Account (Net) during FY 2008-09 due to non-availability of complete information and the same was fully provided for in that year on grounds of prudence. The Company has not received any further information which requires adjustments on this account to the financial results.
- 5.3 The Company has filed a suit in the City Civil Court Hyderabad, against the past Board of Directors, certain former employees and the former statutory auditors, its affiliates and partners, seeking damages for inter-alia perpetrating fraud, breach of fiduciary responsibility and obligations and negligence in performance of duties.
- 5.4 Based on the media reports, it has come to the knowledge of the Company that the former statutory auditors have filed a suit in the Ranga Reddy, District Court against the Company seeking damages. The said suit has not yet been served on the Company and therefore it is unable to comment on the same.

6. Commitments and contingencies (Updates since the previous announcement made under Clause 41)

6.1. Alleged advances

The erstwhile Chairman in his letter dated January 7, 2009, stated that the Balance Sheet as of September 30, 2008 carried an understated liability of 123040 Lakhs on account of funds arranged by him. On January 8, 2009, the Company received letters from thirty seven companies requesting confirmation by way of acknowledgement of the alleged amounts referred to as alleged advances. These letters were followed by legal notices from these companies dated August 4/5, 2009, claiming repayment of 123040 Lakhs allegedly given as temporary advances. The legal notices also claim damages/ compensation @18% per annum from date of advance till date of repayment. The Company has not acknowledged any liability to any of the thirty seven companies and has replied to the legal notices stating that the claims are legally untenable.

The Directorate of Enforcement (ED) is investigating the matter under the Prevention of Money Laundering Act, 2002 and directed the Company to furnish details with regard to the alleged advances and has further directed the Company not to return the alleged advances until further instructions from the ED.

The thirty seven companies have filed recovery claims before the City Civil Court, Secunderabad against the Company that are currently pending disposal and in five of these cases, the Company has obtained interim stay orders from the Hon'ble High Court of Andhra Pradesh.

The amount of alleged advances aggregating to 123040 Lakhs (As at March 31, 2011 - 123040 Lakhs) has been presented separately in the Balance Sheet under Amounts Pending Investigation Suspense Account (Net). The Company is contesting the claims for recovery filed as indigent petitions/suits by these companies. Since the matter is *sub judice* and the investigation by various Government Agencies is in progress and having regard to all the related developments, the Management at this point of time, is not in a position to predict the ultimate outcome of the legal proceedings.

6.2. Claims from Upaid Systems Limited (Upaid)

In connection with the lawsuit filed by Upaid in the United States District Court for the Eastern District of Texas (the Texas Action), the Company deposited USD 70 Million (equivalent to 32739 Lakhs) during FY2009-10 into an escrow account pursuant to the Settlement Agreement.

Subsequently, the Company obtained a favourable binding judgement from the Supreme Court of the State of New York, USA declaring that Upaid was solely responsible for any tax liability under Indian law in respect of the settlement amount. Upaid had filed an application before the Authority for Advance Rulings (AAR) seeking a binding advance ruling under the Income Tax Act, 1961 (IT Act) regarding taxability of the above mentioned payment, which ruling was pronounced in October 2011.

In January 2012, Upaid and the Company executed a Supplemental Settlement Agreement to clarify certain provisions of the Settlement Agreement and in accordance therewith, the Company shall, in discharge of all payment obligations to Upaid, remit in two installments an amount aggregating USD 59 Million and applicable interest, subject to deduction of applicable withholding taxes in India.

Out of the amount deposited in escrow, a part remittance has been made and consequently, the Texas Action was dismissed by an order dated January 17, 2012. On final dismissal of the other actions related to this matter in US Courts, the Company shall remit the final payment from the escrow account.

6.3. Aberdeen action (USA)

On November 13, 2009, a trustee of two trusts that are assignees of the claims of twenty investors who had invested in the Company's ADS and common stock, filed a complaint against the Company, its former auditors and others (the Action) on grounds substantially similar to those contained in the Class Action Complaint (Refer Note 7). The Action, which has been brought as an individual action, alleges that the losses suffered by the twenty investors is over USD 68 Million. The Action has been transferred to the Court in the Southern District of New York for pre-trial consolidation with the Class Action Complaint.

On February 18, 2011, an amended complaint was filed in the Action (Aberdeen Amended Complaint). The Aberdeen Amended Complaint makes substantially the same allegations and asserted the same claims against the Company as the original complaint in the Action. In light of this amended complaint, the Court denied the then-pending motions to dismiss the original complaint in the Action as moot. On May 3, 2011, the Company and other defendants moved to dismiss the Aberdeen Amended Complaint on various grounds.

Based on the legal advice obtained by the Company, the Company is contesting the above lawsuit, the outcome of which is not determinable at this stage.

6.4. Aberdeen notice (UK)

Aberdeen Asset Management PLC (AAM) and certain non-US claimant-funds which had invested in the Company's common stock and/or ADSs have given notice of potential proceedings against the Company (the Aberdeen Notice) before a number of possible Courts, including the Commercial Court in London, UK and/or the Courts of Luxembourg, on grounds substantially similar to those contained in the Aberdeen Action currently pending in the United States, discussed in Note 6.3.

AAM had initially quantified the alleged losses at around US\$ 283 Million. However, since then, the list of claimant-funds has undergone significant change and the losses allegedly sustained by them have not been specified.

The Company has appropriately responded to the Aberdeen Notice reserving its position and would defend itself appropriately against any claims or proceedings that may ultimately be initiated.

6.5. Income tax matters:

6.5.1. Petition before Central Board of Direct Taxes (CBDT) / Hon'ble High Court of Andhra Pradesh

The Company had filed various petitions before CBDT requesting for stay of demands for Financial Years FY 2002-03 to FY 2007-08 till the correct quantification of income and taxes payable is done for the respective years. In March 2011 the CBDT rejected the Company's petition and the Company filed a Special Leave Petition before the Hon'ble Supreme Court which directed the Company to file a comprehensive petition/representation before CBDT giving all requisite details/particulars in support of its case for re-quantification/re-assessment of income for the aforesaid years and to submit a Bank Guarantee (BG) for 61700 Lakhs. Pursuant to the direction by the Hon'ble Supreme Court, the Company submitted the aforesaid BG and also filed a comprehensive petition before the CBDT in April 2011.

The CBDT vide its order July 11, 2011 disposed off the Company's petition directing it to make its submissions before the Assessing Officer in course of the ongoing proceedings for the aforesaid years and directed the Income Tax Department not to encash the BG furnished by the Company till December 31, 2011. Aggrieved by CBDT's Order, the Company filed a Writ Petition before the Hon'ble High Court of Andhra Pradesh on August 16, 2011. The Hon'ble High Court of Andhra Pradesh vide its Order dated December 14, 2011 adjourned the hearing to January 31, 2012 and directed the Income Tax Department not to encash the BG until then. As on the date of the Statement, the hearing has taken place and the Company is awaiting the Order.

6.5.2. Appointment of Special Auditor and re-assessment proceedings FY 2001-02 and FY 2006-07:

The Assessing Officer had commissioned a special audit which has been challenged by the Company on its validity and terms vide writ petitions filed before the Hon'ble High Court of Andhra Pradesh (the A.P. High Court). The said petitions are pending disposal.

In August, 2011, the Additional Commissioner of Income Tax has issued the Draft of Proposed Assessment Orders accompanied with the Draft Notice of demand amounting to 79603 lakhs and 107573 lakhs for FY 2001-02 and FY 2006-07, respectively, proposing variations to the total income, including variations on account of Transfer Pricing adjustments. The Company has filed its objections to the Draft of Proposed Assessment Orders for the aforesaid years on September 16, 2011 with the Hon'ble Dispute Resolution Panel, Hyderabad, which is pending disposal.

FY 2002-03 and FY 2007-08:

In December 2011, the Additional Commissioner of Income Tax has appointed Special Auditor under section 142(2A) of the Income Tax Act, 1961 to audit the accounts of the Company for FY 2002-03 and FY 2007-08.

6.5.3. Provision for tax

The Company is carrying a total amount of 51107 Lakhs (net of payments) [As at March 31, 2011: 38034 Lakhs (net of payments)] towards provision for taxation. Considering the effects of financial irregularities, status of disputed tax demands and the appeals / claims pending before the various authorities, the consequent significant uncertainties regarding the outcome of these matters and the significant uncertainties in determining the tax liability, the Company has been professionally advised that it is not appropriate to make adjustments to the provisions pertaining to prior years at this stage.

7. Class action complaint

Subsequent to the letter by the erstwhile Chairman (Refer Note 5), a number of persons claiming to have purchased the Company's securities filed class action lawsuits against the Company, its former auditors and others in various courts in the USA alleging violations of the United States federal securities laws. The lawsuits were consolidated into a single action (the Class Action) in the United States District Court for the Southern District of New York (the USDC). The Class Action Complaint sought monetary damages to compensate the Class Members for their alleged losses arising out of their investment in the Company's common stock and ADS during the Class Period.

During FY 2010-11 the Class action complaint was settled for USD125 Million (which was deposited into the Initial Escrow Account in April 2011) subject to the determination of the applicability of withholding tax by the Authority for Advance Rulings (AAR), and 25% of any net recovery that the Company may in the future obtain against any of the former auditors. The USDC granted final approval to the Settlement Agreement in September 2011. The settlement shall become effective pursuant to its terms and in exchange for the settlement consideration, the Lead Plaintiffs and the members of the Class who do not opt-out of the Class, would release, among other things, their claims against the Company.

8. Hedge accounting

Forward contracts in the nature of derivatives which were used to hedge the Company's risks associated with foreign currency fluctuations relating to certain firm commitments and forecast transactions were marked to market as at the Balance Sheet date and provision for losses, if any, was dealt with in the Profit and Loss Account and unrealised gains, if any, on such derivatives were not recognised in the Profit and Loss

Account upto March 31, 2011.

With effect from April 1, 2011, the Company has applied the hedge accounting principles set out in Accounting Standard 30 Financial Instruments: Recognition and Measurement (AS 30) in respect of such forward exchange contracts used to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments and highly probable forecast transactions. Accordingly, in respect of all such contracts outstanding as on December 31, 2011, that were designated and effective as hedges of future cash flows, loss aggregating 9420 Lakhs (Net) has been recognized directly in the Hedging Reserve Account.

Consequent to the above change, loss amounting to 6875 Lakhs for the quarter ended December 31, 2011 (9764 Lakhs for the nine months ended December 31, 2011), which would have been recognized in the Profit and Loss Account had the Company followed its earlier policy of providing for the losses on such outstanding forward contracts in the nature of derivatives which were marked to market, has not been recognised in the Profit and Loss Account for the quarter and nine months ended December 31, 2011.

AUDITORS REPORT TO

THE BOARD OF DIRECTORS OF

SATYAM COMPUTER SERVICES LIMITED

Report on the Financial Results

1. We have reviewed the accompanying Unaudited Standalone Financial Results of **SATYAM COMPUTER SERVICES LIMITED** (the Company) for the quarter and nine months ended December 31, 2011 (the Statement).

Management s Responsibility for the Financial Results

2. The Statement is the responsibility of the Company s Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

Auditors Responsibility

3. **Subject to the matters discussed in this report**, we conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Basis for Conclusion

4. In respect of the financial irregularities relating to prior years identified consequent to the letter of the erstwhile Chairman (Refer Note 5.1 of the Statement):
- a. Various regulators initiated their investigations and legal proceedings, which are ongoing.
 - b. The forensic accountants had expressed certain reservations and limitations in their investigation process.

- c. The Management is of the view that since matters relating to several of the financial irregularities are *sub judice* and various investigations/proceedings are ongoing, any further adjustments/disclosures to the financial statements, if required, would be made in the financial statements of the Company as and when the outcome of the above uncertainties is known and the consequential adjustments/disclosures are identified.

In view of the above, we are unable to comment on the adjustments/disclosures which may become necessary as a result of further findings of the ongoing investigations/proceedings and the consequential impact, if any, on the Statement.

5. The Company had, based on the forensic investigation, accounted for differences aggregating 113932 Lakhs (net debit) as at March 31, 2009 under Unexplained Differences Suspense Account (Net) in the Balance Sheet due to non-availability of complete information. This net debit amount had been fully provided for on grounds of prudence in the financial statements for the year ended March 31, 2009 (Refer Note 5.2 of the Statement).

In the absence of complete / required information, we are unable to comment on the accounting treatment/disclosure of the aforesaid unexplained amounts accounted under Unexplained Differences Suspense Account (Net) and the consequential impact, if any, on the Statement.

6. The alleged advances amounting to 123040 Lakhs (net) relating to prior years as claimed by various companies have been presented separately under Amounts Pending Investigation Suspense Account (Net) in the Balance Sheet (Refer Note 6.1 of the Statement). The Management has represented that since the matter is *sub judice* and the investigations by various Government agencies are in progress, the Management, at this point of time, is not in a position to predict the ultimate outcome of the legal proceedings.

In view of the above, we are unable to determine whether any adjustments/disclosures will be required in respect of the aforesaid alleged advances and in respect of the non-accounting of any damages / compensation / interest in the Statement.

7. A trustee of two trusts that are assignees of the claims of twenty investors who had invested in the Company's ADS and common stock filed a lawsuit (the Aberdeen Action) in the Court in United States of America (USA) in the year ended March 31, 2010 which was amended during the previous year (Refer Note 6.3 of the Statement). Based on the legal advice obtained by the Company, the Company is contesting the above lawsuit.

Since the matter is *sub judice*, the outcome is not determinable at this stage, and hence, we are unable to comment on the consequential impact, if any, on the Statement.

8. The Company is carrying a total amount of 51107 Lakhs (net of payments) as at December 31, 2011 (As at March 31, 2011: 38034 Lakhs) towards provision for taxation. Considering the effects of financial irregularities, status of disputed tax demands, appeals / claims pending before the various authorities, the consequent significant uncertainties regarding the outcome of these matters and the significant uncertainties in determining the tax liability, the Company has been professionally advised that it is not appropriate to make adjustments to the tax provisions pertaining to prior years at this stage (Refer Note 6.5.3 of the Statement).

In view of the above, we are unable to comment on the adequacy or otherwise of the provision for taxation pertaining to prior years and the consequential impact, if any, on the Statement.

9. We invite attention to the following matters relating to claims and contingencies which continue to exist as at December 31, 2011:

- a. Further to the Settlement Agreement in FY2009-10 between Upaid Systems Limited (Upaid) and the Company, a Supplemental Settlement Agreement has been entered in January 2012 for remittance to Upaid of an aggregate amount of USD 59 Million and applicable interest, subject to deduction of applicable withholding taxes in India (Refer Note 6.2 of the Statement).
- b. There are various demands/disputes raised in respect of the past years by the indirect tax authorities in India (12194 Lakhs (including penalty and interest)) and the tax authorities in overseas jurisdictions (2393 Lakhs (including penalty and interest)).
The provision for contingencies as at December 31, 2011, in the opinion of the Management, is adequate to cover any probable losses in respect of the above litigations and claims.

10. We invite attention to the following regulatory non-compliances/breaches observed in the prior years:

- a. Various non-compliances with the provisions of the Companies Act, 1956 and certain non-compliances with the guidelines issued by the Securities Exchange Board of India with respect to allotment of stock options to the employees.
- b. Certain non-compliances with the provisions of the Foreign Exchange Management Act, 1999.
- c. Certain non-compliances with the provisions of the Income Tax Act, 1961.
- d. Delay in filing of tax returns in overseas jurisdictions.

The possible impact of the aforesaid non-compliances and breaches in the event the Company's condonation requests, where filed/applicable, are not granted has not been determined or recognised in the Statement.

11. We invite attention to Note 6.4 of the Statement relating to notice of potential proceedings against the Company (the Aberdeen Notice) before a number of possible Courts, including the Commercial Court in London, UK and/or the Courts of Luxembourg, on grounds substantially similar to those contained in the Aberdeen Action currently pending in the United States.

Conclusion

12. Further to our comments in paragraphs 9 to 11, based on our review of the Statement conducted as stated in paragraph 3 above, **with the exception of the matters described in paragraphs 4 to 8 above, the consequential impact of which is not quantifiable**, nothing has come to our attention that causes us to believe that the Statement, prepared in accordance with the Accounting Standards referred to in Section 211(3C) of the Companies Act, 1956 and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the stock exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other Reporting Requirements

13. Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged/encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreements and the particulars relating to undisputed investor complaints from the details furnished by the Company.

For the purposes of consolidation, the financial results of S&V have been considered up to June 30, 2011 as the Management is of the view that there are no material transactions in S&V subsequent to June 30, 2011 till July 11, 2011.

5. Status of American Depositary Shares (ADSs)

Effective October 14, 2010, the Company's American Depositary Shares (ADSs) were delisted from the New York Stock Exchange (NYSE) but continued to trade on the over-the-counter (OTC) market in the United States.

Since May 2001, the Company's equity shares underlying its American Depositary Shares (ADSs) and the ADSs themselves have been registered with the SEC. The registration obligates the Company to file annual and other reports with the SEC. The Company has determined that it will not be able to become current in its SEC filing obligations and hence it expects the SEC to revoke the Company's registration sometime in future. The revocation of registration, as and when it occurs, would prevent continued trading of the ADSs in US markets, and in order to protect the interests of ADS holders, the Company determined to wind down the ADS program in an orderly fashion.

Edgar Filing: SATYAM COMPUTER SERVICES LTD - Form 6-K

Accordingly, in August 2011 the Company entered into a supplemental agreement with the depository bank, Citibank, N.A., to terminate the Deposit Agreement. As a result of the termination, the ADS program is expected to be wound down by March 2012 in accordance with the supplemental Deposit Agreement. During the transition period the holders of ADSs will be able to surrender their ADSs in exchange for corresponding equity shares in the Company, subject to applicable regulatory restrictions of India, the US and jurisdictions where holders reside. After trading of ADSs has been terminated, the depository will arrange for the sale (on a commercially reasonable efforts basis) of the equity shares then held on deposit and will hold the net proceeds of such sale (after deduction of applicable fees, taxes and expenses), without liability for interest, in an unsegregated account for the pro rata benefit of holders of ADSs then outstanding.

The Company presently expects the SEC to revoke its registration under the Securities Exchange Act of 1934 after the transition period and related wind-down of the ADS facility described above is completed. This time period assumes that no third party, such as the SEC, acts to reduce this transition period.

The Company's equity shares will continue to trade in India on the Bombay Stock Exchange and the National Stock Exchange.

6. Financial irregularities

- 6.1 On January 7, 2009, in a communication (the letter) addressed to the then-existing Board of Directors of the Company and copied to the Stock Exchanges and Chairman of Securities and Exchange Board of India (SEBI), the then Chairman of the Company, Mr. B. Ramalinga Raju (the erstwhile Chairman) admitted that the Company's Balance Sheet as at September 30, 2008 carried inflated cash and bank balances, non-existent accrued interest, understated liability and overstated debtors position. Consequently, various regulators have initiated their investigations and legal proceedings, which are ongoing.

As per the assessment of the Management, based on the forensic investigation carried out and the information available, all identified/required adjustments/disclosures arising from the financial irregularities were made in the financial statements as at March 31, 2009. The Company has not received any further information which requires adjustments to the financial results.

The Management is of the view that since matters relating to several of the financial irregularities are *sub judice* and various investigations/proceedings are ongoing, any further adjustments/disclosures to the financial results, if required, would be made in the financial results of the Company as and when the outcome of the above uncertainties is known and the consequential adjustments/disclosures are identified.

- 6.2 The Company, based on the forensic investigation, accounted 113932 Lakhs (net debit) under Unexplained Differences Suspense Account (Net) during FY 2008-09 due to non-availability of complete information and the same was fully provided for in that year on grounds of prudence. The Company has not received any further information which requires adjustments on this account to the financial results.
- 6.3 The Company has filed a suit in the City Civil Court Hyderabad, against the past Board of Directors, certain former employees and the former statutory auditors, its affiliates and partners, seeking damages for inter-alia perpetrating fraud, breach of fiduciary responsibility and obligations and negligence in performance of duties.
- 6.4 Based on the media reports, it has come to the knowledge of the Company that the former statutory auditors have filed a suit in the Ranga Reddy, District Court against the Company seeking damages. The said suit has not yet been served on the Company and therefore it is unable to comment on the same.

7. Commitments and contingencies (Updates since the previous announcement made under Clause 41)

7.1 Alleged advances

The erstwhile Chairman in his letter dated January 7, 2009, stated that the Balance Sheet as of September 30, 2008 carried an understated liability of 123040 Lakhs on account of funds arranged by him. On January 8, 2009, the Company received letters from thirty seven companies requesting confirmation by way of acknowledgement of the alleged amounts referred to as alleged advances. These letters were followed by legal notices from these companies dated August 4/5, 2009, claiming repayment of 123040 Lakhs allegedly given as temporary advances. The legal notices also claim damages/ compensation @ 18% per annum from date of advance till date of repayment. The Company has not acknowledged any liability to any of the thirty seven companies and has replied to the legal notices stating that the claims are legally untenable.

The Directorate of Enforcement (ED) is investigating the matter under the Prevention of Money Laundering Act, 2002 and directed the Company to furnish details with regard to the alleged advances and has further directed the Company not to return the alleged advances until

Edgar Filing: SATYAM COMPUTER SERVICES LTD - Form 6-K

further instructions from the ED.

The thirty seven companies have filed recovery claims before the City Civil Court, Secunderabad against the Company that are currently pending disposal and in five of these cases, the Company has obtained interim stay orders from the Hon ble High Court of Andhra Pradesh.

The amount of alleged advances aggregating to 123040 Lakhs (As at March 31, 2011 - 123040 Lakhs) has been presented separately in the Balance Sheet under Amounts Pending Investigation Suspense Account (Net). The Company is contesting the claims for recovery filed as indigent petitions/suits by these companies. Since the matter is *sub judice* and the investigation by various Government Agencies is in progress and having regard to all the related developments, the Management at this point of time, is not in a position to predict the ultimate outcome of the legal proceedings.

7.2 Claims from Upaid Systems Limited (Upaid)

In connection with the lawsuit filed by Upaid in the United States District Court for the Eastern District of Texas (the Texas Action), the Company deposited USD 70 Million (equivalent to 32739 Lakhs) during FY 2009-10 into escrow account pursuant to the Settlement Agreement.

Subsequently, the Company has obtained a favourable binding judgement from the Supreme Court of New York, USA declaring that Upaid was solely responsible for any tax liability under Indian law in respect of the settlement amount. Upaid had filed an application before the Authority for Advance Rulings (AAR) seeking a binding advance ruling under the Income Tax Act, 1961 (IT Act) regarding taxability of the above mentioned payment, which ruling was pronounced in October 2011.

In January 2012, Upaid and the Company executed a Supplemental Settlement Agreement to clarify certain provisions of the Settlement Agreement and in accordance therewith, the Company shall, in discharge of all payment obligations to Upaid, remit in two installments an amount aggregating USD 59 Million and applicable interest, subject to deduction of applicable withholding taxes in India.

Out of the amount deposited in escrow, a part remittance has been made and consequently, the Texas Action was dismissed by an order dated January 17, 2012. On final dismissal of the other actions related to this matter in US Courts, the Company shall remit the final payment from the escrow account.

7.3 Aberdeen action (USA)

On November 13, 2009, a trustee of two trusts that are assignees of the claims of twenty investors who had invested in the Company's ADS and common stock, filed a complaint against the Company, its former auditors and others (the Action) on grounds substantially similar to those contained in the Class Action Complaint (Refer Note 8). The Action, which has been brought as an individual action, alleges that the losses suffered by the twenty investors is over USD 68 Million. The Action has been transferred to the Court in the Southern District of New York for pre-trial consolidation with the Class Action Complaint.

On February 18, 2011, an amended complaint was filed in the Action (Aberdeen Amended Complaint). The Aberdeen Amended Complaint makes substantially the same allegations and asserted the same claims against the Company as the original complaint in the Action. In light of this amended complaint, the Court denied the then-pending motions to dismiss the original complaint in the Action as moot. On May 3, 2011, the Company and other defendants moved to dismiss the Aberdeen Amended Complaint on various grounds.

Based on the legal advice obtained by the Company, the Company is contesting the above lawsuit, the outcome of which is not determinable at this stage.

7.4 Aberdeen notice (UK)

Aberdeen Asset Management PLC (AAM) and certain non-US claimant-funds which had invested in the Company's common stock and/or ADSs have given notice of potential proceedings against the Company (the Aberdeen Notice) before a number of possible Courts, including the Commercial Court in London, UK and/or the Courts of Luxembourg, on grounds substantially similar to those contained in the Aberdeen Action currently pending in the United States, discussed in Note 7.3.

AAM had initially quantified the alleged losses at around US\$ 283 Million. However, since then, the list of claimant-funds has undergone significant change and the losses allegedly sustained by them have not been specified.

The Company has appropriately responded to the Aberdeen Notice reserving its position and would defend itself appropriately against any claims or proceedings that may ultimately be initiated.

7.5 Income tax matters

7.5.1. Petition before Central Board of Direct Taxes (CBDT) / Hon'ble High Court of Andhra Pradesh

The Company had filed various petitions before CBDT requesting for stay of demands for Financial Years FY 2002-03 to FY 2007-08 till the correct quantification of income and taxes payable is done for the respective years. In March 2011 the CBDT rejected the Company's petition and the Company filed a Special Leave Petition before the Hon'ble Supreme Court which directed the Company to file a comprehensive petition/representation before CBDT giving all requisite details/particulars in support of its case for re-quantification/re-assessment of income for the aforesaid years and to submit a Bank Guarantee (BG) for 61700 Lakhs. Pursuant to the direction by the Hon'ble Supreme Court, the Company submitted the aforesaid BG and also filed a comprehensive petition before the CBDT in April 2011.

The CBDT vide its order July 11, 2011 disposed off the Company's petition directing it to make its submissions before the Assessing Officer in course of the ongoing proceedings for the aforesaid years and directed the Income Tax Department not to encash the BG furnished by the Company till December 31, 2011. Aggrieved by CBDT's Order, the Company filed a Writ Petition before the Hon'ble High Court of Andhra Pradesh on August 16, 2011. The Hon'ble High Court of Andhra Pradesh vide its Order dated December 14, 2011 adjourned the hearing to January 31, 2012 and directed the Income Tax Department not to encash the BG until then. As on the date of the Statement, the hearing has taken place and the Company is awaiting the Order.

7.5.2. Appointment of Special Auditor and re-assessment proceedings FY 2001-02 and FY 2006-07:

The Assessing Officer had commissioned a special audit which has been challenged by the Company on its validity and terms vide writ petitions filed before the Hon'ble High Court of Andhra Pradesh (the A.P. High Court). The said petitions are pending disposal.

In August, 2011, the Additional Commissioner of Income Tax has issued the Draft of Proposed Assessment Orders accompanied with the Draft Notice of demand amounting to 79603 lakhs and 107573 lakhs for FY 2001-02 and FY 2006-07, respectively, proposing variations to the total income, including variations on account of Transfer Pricing adjustments. The Company has filed its objections to the Draft of Proposed Assessment Orders of the aforesaid years on September 16, 2011 with the Hon'ble Dispute Resolution Panel, Hyderabad, which is pending disposal.

FY 2002-03 and FY 2007-08:

In December 2011, the Additional Commissioner of Income Tax has appointed Special Auditor under section 142(2A) of the Income Tax Act, 1961 to audit the accounts of the Company for FY 2002-03 and FY 2007-08.

7.5.3. Provision for tax

The Company is carrying a total amount of 51107 Lakhs (net of payments) [As at March 31, 2011: 38034 Lakhs (net of payments)] towards provision for taxation. Considering the effects of financial irregularities, status of disputed tax demands and the appeals / claims pending before the various authorities, the consequent significant uncertainties regarding the outcome of these matters and the significant uncertainties in determining the tax liability, the Company has been professionally advised that it is not appropriate to make adjustments to the provisions pertaining to prior years at this stage.

8. Class action complaint

Subsequent to the letter by the erstwhile Chairman (Refer Note 6), a number of persons claiming to have purchased the Company's securities filed class action lawsuits against the Company, its former auditors and others in various courts in the USA alleging violations of the United States federal securities laws. The lawsuits were consolidated into a single action (the Class Action) in the United States District Court for the Southern District of New York (the USDC). The Class Action Complaint seeks monetary damages to compensate the Class Members for their alleged losses arising out of their investment in the Company's common stock and ADS during the Class Period.

During FY 2010-11, the Class action complaint was settled for USD 125 Million (which was deposited into the Initial Escrow Account in April 2011) subject to the determination of the applicability of withholding tax by the Authority for Advance Rulings (AAR), and 25% of any net

recovery that the Company may in the future obtain

against any of the former auditors. The USDC granted final approval to the Settlement Agreement in September 2011. The Settlement Agreement was granted final approval by the USDC in September 2011. The settlement shall become effective pursuant to its terms and in exchange for the settlement consideration, the Lead Plaintiffs and the members of the Class who do not opt-out of the Class, would release, among other things, their claims against the Company.

9. Hedge accounting

Forward contracts in the nature of derivatives which were used to hedge the Company's risks associated with foreign currency fluctuations relating to certain firm commitments and forecast transactions were marked to market as at the Balance Sheet date and provision for losses, if any, was dealt with in the Profit and Loss Account and unrealised gains, if any, on such derivatives were not recognised in the Profit and Loss Account upto March 31, 2011.

With effect from April 1, 2011, the Company has applied the hedge accounting principles set out in Accounting Standard 30 Financial Instruments: Recognition and Measurement (AS 30) in respect of such forward exchange contracts used to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments and highly probable forecast transactions. Accordingly, in respect of all such contracts outstanding as on December 31, 2011, that were designated and effective as hedges of future cash flows, loss aggregating 9420 Lakhs (Net) has been recognised directly in the Hedging Reserve Account.

Consequent to the above change, loss amounting to 6875 Lakhs for the quarter ended December 31, 2011 (9764 Lakhs for the nine months ended December 31, 2011), which would have been recognised in the Profit and Loss Account had the Company followed its earlier policy of providing for the losses on such outstanding forward contracts in the nature of derivatives which were marked to market, has not been recognised in the Profit and Loss Account for the quarter and half year ended December 31, 2011.

Management's Responsibility for the Financial Results

2. The Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

Auditors Responsibility

3. **Subject to the matters discussed in this report**, we conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 – Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Basis for Conclusion

4. The Statement reflects (a) the Group's share of Revenues of ₹1676 Lakhs and ₹32452 Lakhs for the quarter and nine months ended December 31, 2011, respectively and (b) Group's share of Profit after Tax of ₹386 Lakhs and Loss after Tax of ₹2458 Lakhs for the quarter and nine months ended December 31, 2011, respectively relating to 13 subsidiaries whose results have been reviewed by the other auditors. Accordingly, our assurance on the Statement in so far as it relates to the amounts included in respect of these subsidiaries is based solely on the reports of such other auditors which have been furnished to us.
5. In case of 2 subsidiaries with (a) Revenues of Nil for the quarter and nine months ended December 31, 2011 and (b) Profit after Tax of ₹15 Lakhs and ₹27 Lakhs for the quarter and nine months ended December 31, 2011, respectively, the figures used for consolidation are based on results prepared by the Management and are not reviewed by the subsidiary's auditors.
6. In respect of the financial irregularities of prior years, relating to the Company, identified consequent to the letter of the erstwhile Chairman (Refer Note 6.1 of the Statement):
- a. Various regulators initiated their investigations and legal proceedings, which are ongoing.
 - b. The forensic accountants had expressed certain reservations and limitations in their investigation process.
 - c. The Management is of the view that since matters relating to several of the financial irregularities are *sub judice* and various investigations/proceedings are ongoing, any further adjustments/disclosures to the financial statements, if required, would be made in the financial statements of the Company as and when the outcome of the above uncertainties is known and the consequential adjustments/disclosures are identified.

In view of the above, we are unable to comment on the adjustments/disclosures which may become necessary as a result of further findings of the ongoing investigations/proceedings and the consequential impact, if any, on the Statement.

7. The Company had, based on the forensic investigation, accounted for differences aggregating 113932 Lakhs (net debit) as at March 31, 2009 under Unexplained Differences Suspense Account (Net) in the Balance Sheet due to non-availability of complete information. This net debit amount had been fully provided for on grounds of prudence in the financial statements for the year ended March 31, 2009 (Refer Note 6.2 of the Statement).

In the absence of complete / required information, we are unable to comment on the accounting treatment/disclosure of the aforesaid unexplained amounts accounted under Unexplained Differences Suspense Account (Net) and the consequential impact, if any, on the Statement.

8. The alleged advances amounting to 123040 Lakhs (net) relating to prior years as claimed by various companies have been presented separately under Amounts Pending Investigation Suspense Account (Net) in the Balance Sheet (Refer Note 7.1 of the Statement). The Management has represented that since the matter is *sub judice* and the investigations by various Government agencies are in progress, the Management, at this point of time, is not in a position to predict the ultimate outcome of the legal proceedings.

In view of the above, we are unable to determine whether any adjustments/disclosures will be required in respect of the aforesaid alleged advances and in respect of the non-accounting of any damages/compensation/interest in the Statement.

9. A trustee of two trusts that are assignees of the claims of twenty investors who had invested in the Company's ADS and common stock filed a lawsuit (the Aberdeen Action) in the Court in United States of America (USA) in the year ended March 31, 2010 which was amended during the previous year (Refer Note 7.3 of the Statement). Based on the legal advice obtained by the Company, the Company is contesting the above lawsuit.

Since the matter is *sub judice*, the outcome is not determinable at this stage, and hence, we are unable to comment on the consequential impact, if any, on the Statement.

10. The Company is carrying a total amount of 51107 Lakhs (net of payments) as at December 31, 2011 (As at March 31, 2011: 38034 Lakhs) towards provision for taxation. Considering the effects of financial irregularities, status of disputed tax demands, appeals / claims pending before the various authorities, the consequent significant uncertainties regarding the outcome of these matters and the significant uncertainties in determining the tax liability, the Company has been professionally advised that it is not appropriate to make adjustments to the tax provisions pertaining to prior years at this stage (Refer Note 7.5.3 of the Statement).

In view of the above, we are unable to comment on the adequacy or otherwise of the provision for taxation pertaining to prior years and the consequential impact, if any, on the Statement.

11. We invite attention to the following matters relating to claims and contingencies which continue to exist as at December 31, 2011:

- a. Further to the Settlement Agreement in FY 2009-10 between Upaid Systems Limited (Upaid) and the Company, a Supplemental Settlement Agreement has been entered in January 2012 for remittance to Upaid of an aggregate amount of USD 59 Million and applicable interest, subject to deduction of applicable withholding taxes in India (Refer Note 7.2 of the Statement).
 - b. There are various demands/disputes raised in respect of the past years by the indirect tax authorities in India (12194 Lakhs (including penalty and interest)) and the tax authorities in overseas jurisdictions (2393 Lakhs (including penalty and interest))
- The provision for contingencies as at December 31, 2011, in the opinion of the Management, is adequate to cover any probable losses in respect of the above litigations and claims.

12. We invite attention to the following regulatory non-compliances/breaches observed in the prior years:

- a. Various non-compliances with the provisions of the Companies Act, 1956 and certain non-compliances with the guidelines issued by the Securities Exchange Board of India with respect to allotment of stock options to the employees.
 - b. Certain non-compliances with the provisions of the Foreign Exchange Management Act, 1999.
 - c. Certain non-compliances with the provisions of the Income Tax Act, 1961.
 - d. Delay in filing of tax returns in overseas jurisdictions.
- The possible impact of the aforesaid non-compliances and breaches in the event the Company's condonation requests, where filed/applicable, are not granted has not been determined or recognised in the Statement.

13. We invite attention to Note 7.4 of the Statement relating to notice of potential proceedings against the Company (the Aberdeen Notice) before a number of possible Courts, including the Commercial Court in London, UK and/or the Courts of Luxembourg, on grounds substantially similar to those contained in the Aberdeen Action currently pending in the United States.

14. In the case of one of the subsidiaries of the Company, the other auditors have drawn attention to accrual of liability towards sales commission pending final outcome of the ongoing dispute between the promoters of the subsidiary.
15. In the case of another subsidiary of the Company, the other auditors have drawn attention to the inspection by regulatory authorities and their inability to express an opinion on the adjustments, if any, required in the Statement.

Conclusion

16. Further to our comments in paragraphs 11 to 15, based on our review of the Statement conducted as stated in paragraph 3 above and on consideration of the reports of the other auditors of the entities referred to in paragraph 4 above, **with the exception of the matters described in paragraphs 5 to 10 above, the consequential impact of which is not quantifiable**, nothing has come to our attention that causes us to believe that the Statement, prepared in accordance with the Accounting Standards referred to in Section 211 (3C) of the Companies Act, 1956 and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the stock exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other Reporting Requirements

17. Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged/encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreements and the particulars relating to undisputed investor complaints from the details furnished by the Company.
