Putable at 101% of principal plus accrued and unpaid interest

**Trade date:**

March 8, 2012

**Settlement:**

T+ 7; March 19, 2012

It is expected that delivery of the Notes will be made against payment therefor on or about March 19, 2012, which is the seventh business day following the date hereof (such settlement cycle being referred to as "T+ 7"). Under Rule 15c6-1 under the Exchange Act, trades in the secondary market generally are required to settle in three business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes on the date of pricing or the next succeeding three business days will be required, by virtue of the fact that the Notes initially will settle in T+7, to specify an alternative settlement cycle at the time of any such trade to prevent failed settlement. Purchasers of the Notes who wish to trade the Notes on the date of pricing or the next three business days should consult their own advisors.
