PROPOSAL 1

APPROVAL OF PROPOSED INVESTMENT ADVISORY AND MANAGEMENT

AGREEMENT AND PROPOSED DIRECT INVESTMENT MANAGEMENT

AGREEMENT

On January 5, 2012, the Board of Directors, all of whom are Independent Directors, voted to approve and recommend to shareholders the approval of the proposed Investment Advisory and Management Agreement and the proposed Direct Investment Management Agreement between the Fund and RCM Asia Pacific Limited (RCM) (the Proposed Agreements). The Proposed Agreements, if approved, will replace the interim Investment Advisory and Management Agreement and interim Direct Investment Management Agreement each dated February 10, 2012, between the Fund and RCM (the Current Agreements). The Current Agreements were not approved by the stockholders of the Fund. The Current Agreements replaced the interim Investment Advisory and Management Agreement dated November 9, 2011 between the Fund and Martin Currie, Inc. (Martin Currie), the interim Sub-Advisory Agreement between Martin Currie and APS Asset Management Pte Ltd (APS) dated November 10, 2011 and the Direct Investment Management Agreement between the Fund and Martin Currie dated April 14, 2007, (the Martin Currie Direct Investment Management Agreement). The interim Investment Advisory and Management Agreement with Martin Currie and the interim Sub-Advisory Agreement between Martin Currie and APS replaced the Investment Advisory and Management Agreement with Martin Currie dated March 19, 2004 (together with the Martin Currie Direct Investment Management Agreement, the Prior Agreements), which was terminated on November 9, 2011 upon Martin Currie s delegation of management of the Fund s portfolio to APS (an assignment of the contract under Section 15(a)(4) of the 1940 Act resulting in automatic termination). The interim Investment Advisory and Management Agreement with Martin Currie and the interim Sub-Advisory Agreement between Martin Currie and APS were not approved by shareholders. The Investment Advisory and Management Agreement with Martin Currie dated March 19, 2004 was approved by shareholders on March 18, 2004 and the Direct Investment Management Agreement with Martin Currie was approved by shareholders on April 13, 2007.

The terms of the Proposed Agreements are substantially similar to the terms of Prior Agreements.

The Board has concluded that the Proposed Agreements provide for RCM to provide substantially the same investment advisory and management services as provided under the Prior Agreements, except that the proposed Direct Investment Management Agreement, which relates to the investment in unlisted securities or direct investments , does not require RCM to make any new direct investments but rather to supervise the disposition of the Fund s existing direct investments. Also, the fees to be paid to RCM under the proposed Direct Investment Management Agreement are the same as the fees paid under the interim Direct Investment Management Agreement with RCM and lower than those paid to Martin Currie under the prior Direct Investment Management

Agreement, as described below. RCM's duties under the Proposed Agreements include making investment decisions, supervising the acquisition and disposition of investments and selecting brokers or dealers to execute these transactions in accordance with the Fund's investment objective and policies and within the guidelines and directions established by the Fund's Board of Directors.

Under both the Proposed Agreements and the Current Agreements, the Fund bears expenses for legal fees and expenses of counsel to the Fund; auditing and accounting expenses; taxes and governmental fees; New York Stock Exchange listing fees; dues and expenses incurred in connection with membership in investment company organizations; fees and expenses of the Fund's custodian, sub-custodian, transfer agents and registrars; fees and expenses with respect to administration (except as may be expressly provided otherwise); expenses for portfolio pricing services by a pricing agent, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering and underwriting of shares issued by the Fund; expenses relating to investor and public relations; expenses of registering or qualifying securities of the Fund for public sale; freight, insurance and other charges in connection with the shipment of the Fund's portfolio securities; brokerage commissions or other costs of acquiring or disposing of any portfolio holding of the Fund; expenses of preparation and distribution of reports, notices and dividends to shareholders; expenses of the Fund's dividend reinvestment and cash purchase plan; costs of stationery; any litigation expenses; and costs of stockholders' and other meetings. Under the Proposed Agreements, as is the case under the Current Agreements, RCM bears all other expenses associated with the performance of its duties (including employee salaries and overhead) other than expenses to be paid by the Fund, as specifically provided above. RCM also would pay the salaries and expenses of such of the Fund's officers and employees and any fees and expenses of such of the Fund's directors who are managers, members, officers or employees of RCM or any of its affiliates, *provided, however*, that the Fund, and not RCM, shall bear travel expenses or an appropriate fraction thereof of directors and officers of the Fund who are managers, members, officers or employees of RCM to the extent that such expenses relate to attendance at meetings of the Board or any committee thereof, and *provided, further*, that such expenses are incurred in accordance with the Fund's travel policy.

The Proposed Agreements may be terminated at any time, without payment of penalty by RCM or by the Fund acting pursuant to a vote of the Board of Directors or by a vote of a majority of the Fund's outstanding securities (as defined in the 1940 Act) upon sixty (60) days' written notice, and will terminate automatically in the event of its assignment (as defined in the 1940 Act) by RCM. The Proposed Agreements will also terminate automatically if RCM ceases to be licensed by the Securities and Futures Commission of Hong Kong.

If approved by stockholders, each of the Proposed Agreements would remain in effect for an initial period of two years from the date it becomes effective. Thereafter, the Proposed Agreements would continue in effect from year to year if their continuance is specifically approved at least annually by (i) a vote of a majority of the Independent Directors, cast in person at a meeting called for the purpose of voting on such approval, and (ii) either a vote of a majority of the Board of Directors as a whole or a majority of the Fund's outstanding shares of common stock as defined in the 1940 Act.

Fee Provisions of the Proposed Agreements

Under the terms of the interim Investment Advisory and Management Agreement, RCM is entitled to receive fees for its services, computed weekly and payable monthly in US dollars, at the annual rate of 0.70% on the first \$315 million in total net assets under management and 0.50% on total net assets under management over \$315 million. Under the terms of the interim Direct Investment Management Agreement, RCM is entitled to receive fees for its services, computed weekly and payable monthly in US dollars, at the annual rate of weekly and payable monthly, at the annual rate of 1.50% of the average weekly value of the Fund's assets invested in the direct investments. Under the terms of the Proposed Agreements, RCM is entitled to receive the same fee rate payable under the Current Agreements.

For the fiscal year ended October 31, 2011, the aggregate amount of advisory fees paid by the Fund was \$4,984,986. Had the Proposed Agreements been in place for the fiscal year ended October 31, 2011, the fees paid by the Fund would have been \$4,777,146.

No payments were made under the Interim Investment Advisory and Management Agreement with Martin Currie or the interim Sub-Advisory Agreement with APS by the Fund for the fiscal year ended October 31, 2011. No payments were made to RCM by the Fund for the fiscal year ended October 31, 2011.

The Factors Considered by the Board of Directors Regarding the Proposed Agreements

The Board was asked to approve the Proposed Agreements with substantially the same terms and conditions as the Current Agreements, with the exception of the termination provision. The Current Agreements will expire within 150 days from the date on which the Fund entered into the Interim Investment Advisory and Management Agreement with Martin Currie while the Proposed Agreements are legally required to be reviewed and re-approved by the Board once a year, after their initial two year terms. In being asked to approve the Proposed Agreements, the Board was assured by RCM that the Fund would continue to be managed in substantially the same manner under the Proposed Agreements as under the Current Agreements.

Approval Process

At its meeting on July 8, 2011, in anticipation of a change in the personnel at Martin Currie who were managing the Fund's portfolio (the Former Portfolio Managers) the Board of Directors of the Fund (the Board), all of whom are Independent Directors, determined that it would be appropriate for the Board to review the arrangements for the management of the Fund's assets and consider engaging a different investment adviser for the Fund. At that time, the Board retained a consultant to assist the Board in identifying appropriate candidates to serve as investment adviser for the Fund and in preparing a request for proposal to be sent to the candidates. Initially, eight candidates were identified, based on the Board's knowledge of candidates that had experience managing portfolios similar to the Fund's and advice from the consultant. The consultant then evaluated the eight candidates based on a number of factors and reported on its evaluation to the Board at the Board meeting on September 16, 2011. After reviewing the consultant's report, the Board decided that three of those candidates (as well as Martin Currie and the investment management firm established by the Former Portfolio Managers (collectively, the Candidates)) should make a presentation at the December 8, 2011 meeting of the Board of Directors. In advance of that meeting, the Directors discussed the consultant's evaluation of the Candidates that it had reported on. In addition, the Fund's Chief Compliance Officer reviewed information regarding the compliance programs of each of the Candidates. Throughout the process, the Board and the Committee were advised by counsel.

The Board determined that it would be appropriate to enter into interim arrangements with Martin Currie and APS while the Board continued to consider permanent arrangements for the management of the Fund. At the Board meeting on October 31, 2011, the Board approved the interim Investment Advisory and Management Agreement with Martin Currie and the interim Sub-Advisory Agreement between Martin Currie and APS.

At the Board meeting on December 8, 2011, with all Directors present, each of the Candidates made a presentation to the Board and responded to questions from the Board. Following the presentations, the Board discussed the relative merits of each Candidate and determined that further information should be requested from the candidates. At the Board meeting held on January 5, 2012, the Board approved the selection of RCM as the investment adviser for the Fund, approved the Proposed Agreements and agreed to submit the selection of RCM for approval by the Fund's stockholders at the next annual stockholders meeting in March 2012.

In making this selection, the Board noted RCM's experience in providing services to similar funds. The Board also noted that the advisory fee agreed to by RCM compared favorably with fees charged by advisers of other U.S. registered closed-end funds that invest in the China region. The Board also considered the terms and

conditions of the Proposed Agreements and the nature, scope and quality of services that RCM is expected to provide to the Fund, including compliance services. The Board also based its decision on the following considerations, among others, although the Board did not identify any consideration that was all important or controlling, and each Director attributed different weights to the various factors.

Nature, Extent and Quality of the Services provided by the Adviser. The Board reviewed and considered the nature and extent of the investment management services to be provided by RCM under the Proposed Agreements. The Board also reviewed and considered the nature and extent of the non-investment management, administrative services to be provided by RCM under the Proposed Agreements. The Board determined that RCM appeared to be capable of providing the Fund with investment management and administrative services of above average quality.

Performance, Fees and Expenses of the Fund. The Board noted that RCM was not yet providing services to the Fund, therefore, that there were limitations on the Board's ability to evaluate the performance of RCM in managing the Fund. Based, however, on the performance of RCM in managing other products, the Board concluded that there was reason to believe that RCM could achieve above average performance over the long term in managing the Fund. The Board also noted that other expenses of the Fund were not expected to increase as a result of the retention of RCM.

Economies of Scale. The Board considered the economy of scale benefits that the Fund's stockholders would be afforded as the management fee rate under the Proposed Agreements declines as the Fund's assets grow.

Other Benefits of the Relationship. The Board considered whether there were other benefits that RCM and its affiliates may derive from their relationship with the Fund and concluded that any such benefits were likely to be minimal.

Resources of the Proposed Investment Adviser. The Board considered whether RCM is financially sound and has the resources necessary to perform its obligations under the Proposed Agreements, noting that RCM appears to have the financial resources necessary to fulfill its obligations under the Proposed Agreements.

General Conclusions. After considering and weighing all of the above factors, the Board concluded that it would be in the best interest of the Fund and its stockholders to approve the Proposed Agreements. In reaching this conclusion, the Board did not give particular weight to any single factor referenced above.

Required Vote

The 1940 Act requires that an investment advisory contract between an investment company and an investment adviser be in writing, that such contact specify, among other things, the compensation payable to the adviser pursuant thereto and that such contracts be approved by the holders of a majority of the Fund's outstanding shares of common stock as defined in the 1940 Act and discussed below.

Approval of the Proposed Agreements will require the affirmative vote of a majority of the Fund's outstanding shares of common stock. As defined in the 1940 Act, a majority of the outstanding shares means the lesser of 67% of the voting securities present at the Annual Meeting of Stockholders, if a quorum is present, or 50% of the outstanding securities. For this purpose, abstentions will have the effect of a vote to disapprove the Proposed Agreements. If this proposal is not approved by stockholders, the Fund will continue under the Current Agreements while the Board of Directors considers other steps.

Forms of the Proposed Agreements are attached as Appendix A.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE PROPOSAL TO APPROVE THE PROPOSED AGREEMENTS BETWEEN THE FUND AND RCM.

The Investment Manager shall take, on behalf of the Fund, all actions which it deems necessary to implement the investment policies of the Fund applicable to the Fund's Listed Assets and, with respect to the Fund's Listed Assets, to place all orders for the purchase or sale of portfolio securities for the Fund with brokers or dealers selected by it, and in connection therewith, the Investment Manager is authorized as agent of the Fund to give

instructions to the custodians from time to time of the Fund's Listed Assets as to deliveries of securities and payments of cash for the account of the Fund. In connection with the selection of such brokers or dealers and the placing of such orders, the Investment Manager is directed at all times to seek to use its best efforts to obtain for the Fund the most favorable net results available (best execution). In using its best efforts to obtain for the Fund best execution, the Investment Manager shall consider all factors it deems relevant, including, by way of illustration, price, the size of the transaction, the nature of the market security, the amount of the commission, the timing of the transaction taking into account market prices and trends, the reputation, experience and financial stability of the broker or dealer involved and the quality of service rendered by the broker or dealer in other transaction. Subject to such policies as the Fund may communicate to the Investment Manager in writing, the Investment Manager shall not be deemed to have acted unlawfully or to have breached any duty created by this Agreement solely by reason of its having caused the Fund to pay a broker or dealer that provides brokerage and research services to the Investment Manager or its affiliates an amount of commission for effecting a portfolio investment transaction in excess of the amount of commission another broker or dealer would have charged for effecting that transaction, if the Investment Manager determines in good faith that such amount of commission was reasonable. Subject to these requirements and the provision of the 1940 Act, the U.S. Securities Exchange Act of 1934 and any other applicable provisions of law, nothing shall prohibit the Investment Manager from selecting brokers or dealers with which it or the Fund is affiliated;

ii. Prepare and make available to the Fund as reasonably requested by the Board of Directors pertinent research and statistical data; and

iii. Maintain or cause to be maintained for the Fund all books and records required under the 1940 Act, to the extent that such books and records are not maintained or furnished by administrators, custodians or other agents of the Fund.

(b) The Investment Manager accepts such appointment and agrees during the term of this Agreement to render such services, to permit one of its or its affiliate's directors, officers or employees to serve without compensation as a director and/or officer of the Fund if elected to such positions and to assume the obligations herein for the compensation herein provided. The Investment Manager shall for all purposes herein provided be deemed to be an independent contractor, and unless otherwise expressly provided or authorized, shall have no authority to act for or represent the Fund in any way or otherwise be deemed an agent of the Fund.

(c) The Fund hereby acknowledges (and the Investment Manager hereby acknowledges the Fund has informed it) that the Fund has allocated 25% of the net proceeds of the Offering (as defined in the Prospectus) less 25% of the aggregate repurchase price of any shares of the Fund's Common Stock repurchased by the Fund to direct investments; provided, however, that such allocation shall be subject to review and modification by the Board of Directors of the Fund (the Direct Investment Amount). The portion of the Direct Investment Amount as is actually invested in direct investments shall be managed by such entity as may be appointed by the Fund to manage the assets of the Fund other than the Listed Assets (the Direct Investment Manager) in accordance with the terms of a separate investment management and advisory services agreement entered into by and between the Fund and the Direct Investment Manager (the Direct Investment Management Agreement). The portion of the Direct Investment Amount as is not actually invested in direct investments shall be treated as Listed Assets to be managed by the Investment Manager pursuant to the terms of this Agreement. Whenever the Direct Investment Manager shall recommend the investment of Fund assets in a direct investment, the Fund shall instruct the Investment Manager in writing as to the amount of Fund assets sought to be invested in such direct investment, and the Investment Manager shall, within ten business days thereafter (or such other period of time as the Fund may direct in writing, but such period may not be less than 10 business days), liquidate sufficient portfolio securities to realize such amount and make the net proceeds thereof available for investment in such direct investment Upon the sale of a direct investment, the Direct Investment Manager shall make the net proceeds thereof available as soon as reasonably practicable for investment pursuant to this Agreement by the

Investment Manager. For the avoidance of doubt, the Investment Manager shall not be under any obligation to comply with or to ensure that the amount of direct investments are within the Direct Investment Amount.

(d) The Fund hereby agrees that the Investment Manager shall be entitled to delegate all or any of its functions, powers, discretions, duties and obligations, to any person or persons, and any such delegation may be on such terms and conditions as the Investment Manager thinks fit provided that any such delegation shall not relieve the Investment Manager of its obligations under this Agreement; provided, however, that no delegation of investment management powers and functions may occur unless approved in advance by the Board of Directors of the Fund and, if required by the 1940 Act, by the Fund's stockholders; and provided further that no delegation of any other powers or functions may occur unless the Investment Manager has given the Board of Directors of the Fund at least 30 days prior notice of such delegation.

3. Investment in Fund Stock. The Investment Manager agrees that it will not make a short sale of any capital stock of the Fund, or purchase any share of the capital stock of the Fund.

4. Non-Exclusivity of Services. Nothing herein shall be construed as prohibiting the Investment Manager or any of its affiliates from providing investment advisory services to, or entering into investment advisory agreements with, any other clients (including other registered investment companies), including clients which may invest in Chinese equity securities, so long as the Investment Manager's services to the Fund pursuant to this Agreement are not materially impaired thereby. The Investment Manager is not obligated to purchase or sell for the Fund any security which the Investment Manager or its affiliates may purchase or sell for their own accounts or other clients.

5. Standard of Care; indemnification. The Investment Manager may rely on information reasonably believed by it to be accurate and reliable. Any person, even though also employed by the Investment Manager, who may be or become an employee of the Fund shall be deemed, when acting within the scope of his employment by the Fund, to be acting in such employment solely for the Fund and not as an employee or agent of the Investment Manager. In no event will the Investment Manager have any responsibility for any portion of the Fund other than the Listed Assets or for the acts or omissions of the Direct Investment Manager or any other adviser of the Fund. In particular, the Investment Manager shall have no responsibility for the Fund's being in violation of any applicable law or regulation or investment policy or restriction or instruction applicable to the Fund as a whole or for the Fund's failing to qualify as a regulated investment company under the Internal Revenue Code of 1986, as amended (the Code), if the Fund's holding of the Listed Assets is such that the Listed Assets would not be in such violation or if the Fund would not fail to qualify if the Listed Assets were deemed a separate series of the Fund or a separate regulated investment company under the Code.

The Fund agrees to indemnify and hold harmless the Investment Manager, its officers, directors, employees, agents, shareholders, controlling persons or other affiliates (each an Indemnified Party), for any losses, costs and expenses incurred or suffered by any Indemnified Party arising from any action, proceeding or claims which may be brought against such Indemnified Party in connection with the performance or non-performance in good

faith of its functions under this Agreement, except losses, costs and expenses resulting from willful misfeasance, bad faith or gross negligence in the performance of such Indemnified Party's duties or from reckless disregard on the part of such Indemnified Party of such Indemnified Party's obligations and duties under this Agreement.

This Agreement shall automatically be terminated in the event of its assignment, provided, however, that a transaction which does not, in accordance with the 1940 Act, result in a change of actual control or management of the Investment Manager's business shall not be deemed to be an assignment for the purposes of this Agreement. This Agreement shall also be automatically terminated if the Investment Manager ceases to be licensed by the Securities and Futures Commission of Hong Kong.

NOW, THEREFORE, in consideration of the mutual covenants hereafter contained, it is hereby agreed by and between the parties hereto as follows:

1. Appointment of Investment Manager of Direct Investments.

(a) The Fund hereby employs the Investment Manager for the period and on the terms and conditions set forth herein, subject at all times to the supervision of the Board of Directors of the Fund, to:

(i) manage the assets of the Fund that are, on the date of this Agreement, invested in securities that at the time of such investment are not listed (or approved for listing) on a securities exchange (direct investments), and

(ii) arrange for the disposition of each of the direct investments at such times and on such terms as the Investment Manager determines is in the best interests of the Fund,

and with respect to clauses (i) and (ii), in each case in accordance with the investment objective and policies of the Fund set forth in the Fund's Prospectus, and as such investment objective and policies are amended from time to time by the Fund's Board of Directors, and subject always to the restrictions of the Fund's Articles of Incorporation and By-Laws, as amended or restated from time to time, and the provisions of the 1940 Act. Should the Board of Directors of the Fund at any time make any definite determination as to investment policy and notify the Investment Manager thereof, the Investment Manager shall be bound by such determination for the period, if any, specified in such notice or until similarly notified that such determination has been revoked. For purposes of this Agreement, direct investments shall not include (a) any investment by the Fund in an instrument, such as, but not limited to, a warrant, swap, structured note or other equity derivative, that provides the Fund with exposure to a security that is listed on a securities exchange or (b) any security owned by the Fund that is listed on a securities exchange even if that security was a direct investment at the time of its purchase by the Fund. By and in connection therewith, the Investment Manager is authorized as agent of the Fund to give instructions to the custodians from time to time of the direct investments as to deliveries of securities and payments of cash for the account of the Fund;

Upon the sale of a direct investment, the Investment Manager shall make the net proceeds thereof available as soon as reasonably practicable for investment pursuant to the Listed Agreement. For the avoidance of doubt, the Investment Manager shall not be under any obligation to comply with or to ensure that the amount of direct investments are within the Direct Investment Amount.

4. Non-Exclusivity of Services. Nothing herein shall be construed as prohibiting the Investment Manager or any of its affiliates from providing investment advisory services to, or entering into investment advisory agreements with, any other clients (including other registered investment companies), including clients which may invest in Chinese equity securities, so long as the Investment Manager's services to the Fund pursuant to this Agreement are not materially impaired thereby. Any person, even though also employed by the Investment Manager, who may be or become an employee of the Fund shall be deemed, when acting within the scope of his employment by the Fund, to be acting in such employment solely for the Fund and not as an employee or agent of the Investment Manager. In no event will the Investment Manager have any responsibility under this Agreement for any portion of the Fund other than the Investment Manager's Direct Investments or for the acts or omissions of any other manager of direct investments for the Fund or any other adviser of the Fund. (b) If the Investment Manager considers the sale of direct investments for the Fund and/or other advisory clients of the Investment Manager, transactions in such direct investments will be made for the Fund and/or such other clients in accordance with the Investment Manager's allocation procedures for direct investments, as may be amended from time to time provided that the Board of Directors of the Fund receives at least ten days advance notice of such amendment.

8. Duration and Termination.

(a) This Agreement shall be effective for a period of two years from the date hereof and will continue in effect from year to year thereafter, provided that such continuance is specifically approved at least annually by (i) a majority of the members of the Fund's Board of Directors who are neither parties to this Agreement nor interested persons of the Fund or of the Investment Manager or of any entity regularly furnishing investment advisory services with respect to the Fund pursuant to an agreement with the Investment Manager, cast in person at a meeting called for the purpose of voting on such approval, and (ii) separately by the Fund's Board of Directors (all Directors voting) or by vote of a majority of the Fund's outstanding voting securities.

(b) This Agreement may nevertheless be terminated at any time, without payment of penalty by the Investment Manager or by the Fund acting pursuant to a vote of its Board of Directors or by vote of a majority of the Fund's outstanding securities upon sixty (60) days' written notice. This Agreement shall automatically be terminated in the event of its assignment, provided, however, that a transaction which does not, in accordance with the 1940 Act, result in a change of actual control or management of the Investment Manager's business shall not be deemed to be an assignment for the purposes of this Agreement.
