PROXY STATEMENT

For Annual General Meeting of Shareholders

To Be Held on April 27, 2012

GENERAL

This proxy statement is furnished to shareholders of Noble Corporation, a Swiss company (Noble Switzerland), in connection with the solicitation by our board of directors (Board) of proxies for use at the annual general meeting of shareholders to be held on April 27, 2012 at 3:00 p.m., local time, at the Parkhotel Zug, Industriestrasse 14, Zug, Switzerland, and for the purposes set forth in the accompanying notice. The approximate date of first mailing of this proxy statement and the accompanying proxy or, in the case of participants in the Noble Drilling Corporation 401(k) Savings Plan, voting instruction card is April 3, 2012.

Background of the Company

In March 2009, Noble Corporation, a Cayman Islands company (Noble Cayman), completed a series of transactions pursuant to which Noble Cayman, by way of schemes of arrangement under Cayman Islands law, became a wholly owned subsidiary of Noble Switzerland (the Transaction). In the Transaction, Noble Switzerland issued one of its shares in exchange for each ordinary share of Noble Cayman. In addition, Noble Switzerland issued approximately 15 million of its shares to Noble Cayman for future use to satisfy its obligations to deliver shares in connection with awards granted under its employee benefit plans and other corporate purposes. The Transaction effectively changed the place of incorporation of the publicly traded parent of the Noble group of companies from the Cayman Islands to Switzerland.

References to the Company, we, us, or our for periods before March 27, 2009 include Noble Cayman together with its subsidiaries, unless the context indicates otherwise. References to the Company, we, us or our for periods from and after March 27, 2009 include Noble Switzerland together with its subsidiaries, unless the context indicates otherwise.

Proxies and Voting Instructions

A proxy card is being sent with this proxy statement to each holder of shares registered in the Company s register as of the close of business, U.S. Eastern time, on March 2, 2012. In addition, a proxy card will be sent with this proxy statement to each additional holder of shares who is registered with voting rights in the Company s register as of the close of business, U.S. Eastern time, on April 9, 2012 (which is effectively the record date for the meeting) or who notifies the Company s Corporate Secretary in writing of their acquisition of shares by such time. If you are registered as a shareholder in the Company s register as of the close of business, U.S. Eastern time, on April 9, 2012 or you have notified the Company s Corporate Secretary in writing of your acquisition of shares by such time (and your notice has been properly accepted by the Corporate Secretary), you may grant a proxy to vote on each of the proposals described in this proxy statement and any other matter properly presented at the meeting for consideration to either the Company or the independent representative, Mr. Christian Koller, Gloor & Sieger, by

marking your proxy card appropriately, executing it in the space provided, dating it and returning it prior to the close of business, U.S. Eastern time, on April 26, 2012 either to:

Noble Corporation

c/o MacKenzie Partners, Inc.

Corporate Election Services

P.O. Box 3230

Pittsburgh, PA 15230-9404

or, if granting a proxy to the independent representative:

Mr. Christian Koller

c/o Gloor & Sieger

Utoquai 37

P.O. Box 581

CH 8024 Zurich, Switzerland

Please sign, date and mail your proxy card in the envelope provided.

If you hold your shares in the name of a bank, broker or other nominee, you should follow the instructions provided by your bank, broker or nominee when voting your shares. In particular, if you hold your shares in street name through The Depository Trust Company (DTC), you should follow the procedures typically applicable to voting of securities beneficially held through DTC because Cede & Co., as nominee of DTC, has been registered with voting rights in the Company s share register with respect to such shares.

Although the Company is organized under Swiss law, the Company is subject to the U.S. Securities and Exchange Commission (SEC) proxy requirements and the applicable corporate governance rules of the New York Stock Exchange (NYSE), where its shares are listed, and has not imposed any restrictions on trading of its shares as a condition of voting at the annual general meeting. In particular, the Company has not imposed any share blocking or similar transfer restrictions of a type that might be associated with voting by holders of bearer shares or American Depositary Receipts and has not issued any bearer shares or American Depositary Receipts.

Under NYSE rules, brokers who hold shares in street name for customers have the authority to vote on routine proposals when they have not received instructions from beneficial owners, but are precluded from exercising their voting discretion for proposals for non-routine matters. Proxies submitted by brokers without instructions from customers for these non-routine matters are referred to as broker non-votes. The following proposals are non-routine matters under NYSE rules: Proposal (1) (Reduction of the Maximum Number of Members of the Board of Directors), Proposal (2) (Election of Directors), Proposal (4) (Dividend Payment Funded From Capital Contribution Reserve), Proposal (7) (Advisory Vote on Executive Compensation), Proposal (8) (Amendment and Restatement of the 1991 Plan).

If you were a holder with voting rights on April 9, 2012 and have timely submitted a properly executed proxy card and specifically indicated your votes, your shares will be voted as indicated. If you were a holder with voting rights on April 9, 2012 and you have timely submitted a properly executed proxy card and have not specifically indicated your votes (irrespective of whether a proxy has been granted to the Company or the independent representative), the Company or the independent representative, as applicable, will vote your shares in the manner recommended by our Board.

There are no other matters that our Board intends to present, or has received proper notice that others will present, at the annual general meeting. If any other matters are properly presented at the meeting for consideration, the Company and the independent representative, as applicable, will vote any proxies submitted to them on these matters in the manner recommended by our Board.

Edgar Filing: Noble Corp / Switzerland - Form DEF 14A

You may revoke your proxy at any time prior to its exercise by:

giving written notice of the revocation to our Corporate Secretary, with respect to proxies granted to the Company, or to the independent representative at the address set forth above, with respect to proxies granted to the independent representative, in each case before April 27, 2012;

- 2 -

notifying our Corporate Secretary at least two hours before the time the meeting is scheduled to begin, with respect to proxies granted to the Company, or notifying the independent representative at least two hours before the time the meeting is scheduled to begin, with respect to proxies granted to the independent representative, and appearing at the annual general meeting and voting in person; or

properly completing and executing a later-dated proxy and delivering it to our Corporate Secretary or the independent representative, as applicable, at or before the meeting.

If you attend the annual general meeting in person without voting, this will not automatically revoke your proxy. If you revoke your proxy during the meeting, this will not affect any vote previously taken. If you hold shares through someone else, such as a bank, broker or other nominee, and you desire to revoke your proxy, you should follow the instructions provided by your bank, broker or other nominee.

If you were a participant in the Noble Drilling Corporation 401(k) Savings Plan as of the close of business, U.S. Eastern time, on March 2, 2012 or April 9, 2012, you should receive a voting instruction card for shares held in the Plan. You can provide instructions to the plan trustee as to how to vote shares held in the plan by completing, signing, dating and mailing the voting instruction card in the postage-paid envelope.

Presence Quorum

The presence of shareholders, in person or by proxy, holding at least a majority of the total shares entitled to vote at the annual general meeting will constitute a presence quorum for purposes of all proposals except the proposal to reduce the maximum number of members of the Board of Directors (**Agenda Item (1)**), which requires the presence of shareholders, in person or by proxy, holding at least two-thirds of the total shares entitled to vote at the annual general meeting. For all proposals, the presence of shareholders will be counted at the time when the annual general meeting proceeds to business, and abstentions and broker non-votes will be counted as present for purposes of determining whether there is a presence quorum.

Votes Required

Each share is entitled to one vote.

Approval of the proposal to reduce the maximum number of members of the Board of Directors (**Agenda Item (1)**) requires the affirmative vote of at least two-thirds of the shares entitled to vote at the annual general meeting.

Approval of the proposal to elect the three nominees named in the proxy statement as directors (**Agenda Item (2)**) requires the affirmative vote of a plurality of the votes cast in person or by proxy. The plurality requirement means that the director nominee with the most votes for a board seat is elected to that board seat.

Approval of each of the following proposals requires the affirmative vote of a majority of the votes cast on such proposal at the annual general meeting in person or by proxy:

the proposal to approve the 2011 Annual Report, the consolidated financial statements of the Company for fiscal year 2011 and the statutory financial statements of the Company for fiscal year 2011 (**Agenda Item (3)**);

the proposal to pay a dividend funded from capital contribution reserve (**Agenda Item (4)**);

the proposal to ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for 2012 and to elect PricewaterhouseCoopers AG as the Company's statutory auditor for a one-year term (**Agenda Item (5)**);

the proposal to discharge the members of our Board and our executive officers for fiscal year 2011 (**Agenda Item (6)**);

the advisory vote on executive compensation (**Agenda Item (7)**); and

Table of Contents

the proposal to amend and restate the 1991 Plan (**Agenda Item (8)**).

Abstentions and broker non-votes will have no effect on any of the proposals. The votes of any member of our Board or any of our executive officers will not be counted towards the proposal to discharge the members of our Board and our executive officers.

Record Date

Only shareholders of record as of the close of business, U.S. Eastern time, on April 9, 2012 are entitled to notice of, to attend, and to vote or to grant proxies to vote at, the annual general meeting. No shareholder will be entered in or removed from the Company's share register with voting rights between the close of business, U.S. Eastern time, on April 9, 2012 and the opening of business, U.S. Eastern time, on the day following the annual general meeting.

PROPOSAL 1

REDUCTION OF THE MAXIMUM NUMBER OF MEMBERS OF THE BOARD OF DIRECTORS

Our Articles of Association provide that our Board of Directors shall consist of no less than three and no more than nine members. Following the departure of Mr. Leland from our Board as described in Proposal (2) below, our Board has decided to reduce the maximum number of members of our Board from nine members to eight members. After careful consideration regarding the needs of our governance structure, the functioning of our Board, and the availability of candidates for director, our Board determined that it was in the Company's and our shareholders' best interest to reduce the maximum number of members of our Board to eight. Historically, Noble Cayman had a classified Board generally comprised of eight directors. With Mr. Leland's retirement, our Board determined it was appropriate to return to the traditional size. Our Board believes eight directors provide sufficient diversity of experience and background to best serve the Company and our shareholders while maintaining an efficient and productive governance structure. Our Board also recognized that, whether it has eight or nine directors, the same number of directors is required to approve matters by a majority vote. The Board will continue to periodically review the size of the Board.

Upon the reduction of the maximum number of members of our Board of Directors, Article 23 para 1 of our Articles of Association will be amended to read as follows:

Artikel 23: Anzahl Verwaltungsräte

Der Verwaltungsrat besteht aus mindestens drei und höchstens acht Mitgliedern.

Approval of the proposal requires the presence of shareholders, in person or by proxy, holding at least two-thirds of the total shares entitled to vote at the annual general meeting and the affirmative vote of at least two-thirds of the shares entitled to vote at the annual general meeting

Article 23: Number of Directors

The Board of Directors shall consist of no less than three and no more than eight members.

Recommendation

Our Board unanimously recommends that shareholders vote FOR the reduction of the maximum members of the Board of Directors and the amendment to Article 23 of our Articles of Association accordingly.

PROPOSAL 2

ELECTION OF DIRECTORS

Our Articles of Association provide for three classes of directors, with approximately one-third of the directors constituting our Board being elected each year to serve a three-year term. Three directors compose the class whose term expires at the 2012 annual general meeting: Julie H. Edwards, Marc E. Leland and David W. Williams. The nominating and corporate governance committee of our Board has approved, and our Board has unanimously nominated, Ms. Edwards and Mr. Williams for re-election as directors of the Company to serve three-year terms expiring in 2015. The Company's corporate governance guidelines provide that a person is eligible to be elected as a director of the Company until the annual general meeting next succeeding his 72nd birthday. As a result, Mr. Leland, age 73, is not eligible to stand for re-election at the annual general meeting.

The individuals nominated for election at the annual general meeting will be elected by a plurality of the votes cast by the shareholders present in person or by proxy at the meeting. All duly submitted and unrevoked proxies will be voted for the nominees nominated by our Board, except where authorization so to vote is withheld.

Recommendation

Our Board unanimously recommends that shareholders vote FOR the election of its nominees for director.

Information about the individuals nominated for election at the annual general meeting, and the directors whose terms do not expire at the annual general meeting, is presented below. When assessing the qualifications of a particular person to serve as a director, our nominating and corporate governance committee and our Board consider an individual candidate's experience as well as the collective experiences of our Board members taken as a whole. The members of our Board, including the individuals nominated for election, have a variety of experiences and attributes that qualify them to serve on our Board, including accounting, finance and legal experience, extensive senior management experience in the energy industry, including oil and gas and offshore drilling, and experience as directors of other public companies. Certain members also possess valuable historical knowledge of the Company and our industry by virtue of their previous service on our Board.

ADDITIONAL INFORMATION REGARDING THE BOARD OF DIRECTORS

Board Independence

Our Board has determined that (a) each of Mr. Cawley, Mr. Chazen, Ms. Edwards, Mr. Hall, Mr. Leland, Mr. Little, Mr. Marshall and Ms. Ricciardello qualifies as an independent director under the NYSE corporate governance rules and (b) each of Mr. Chazen, Ms. Edwards, Mr. Hall and Ms. Ricciardello, constituting all the members of the audit committee, qualifies as independent under Rule 10A-3 of the United States Securities Exchange Act of 1934, as amended (the Exchange Act). Independent non-management directors comprise in full the membership of each committee described below under Board Committees and Meetings.

Table of Contents

In order for a director to be considered independent under the NYSE rules, our Board must affirmatively determine that the director has no material relationship with the Company other than in his or her capacity as a director of the Company. The Company's corporate governance guidelines provide that a director will not be independent if, within the preceding three years,

the director was employed by the Company;

an immediate family member of the director was an executive officer of the Company;

the director or an immediate family member of the director received more than \$120,000 per year in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such service is not contingent in any way on continued service);

the director was affiliated with or employed by, or an immediate family member of the director was affiliated with or employed in a professional capacity by, a present or former internal or external auditor of the Company;

the director or an immediate family member of the director was employed as an executive officer of another company where any of the Company's present executives serve on that company's compensation committee; or

the director is an executive officer or an employee, or an immediate family member of the director is an executive officer, of a company that made payments to, or received payments from, the Company for property or services in an amount which, in any single fiscal year, exceeded the greater of \$1 million or two percent of such other company's consolidated gross revenues.

The following will not be considered by our Board to be a material relationship that would impair a director's independence: If a director is an executive officer of, or beneficially owns in excess of 10 percent equity interest in, another company

that does business with the Company, and the amount of the annual payments to the Company is less than five percent of the annual consolidated gross revenues of the Company;

that does business with the Company, and the amount of the annual payments by the Company to such other company is less than five percent of the annual consolidated gross revenues of the Company; or

to which the Company was indebted at the end of its last fiscal year in an aggregate amount that is less than five percent of the consolidated assets of the Company.

For relationships not covered by the guidelines in the immediately preceding paragraph, the determination of whether the relationship is material or not, and therefore whether the director would be independent or not, is made by our directors who satisfy the independence guidelines described above. These independence guidelines used by our Board are set forth in our corporate governance guidelines, which are published under the governance section of our website at www.noblecorp.com.

In accordance with the Company's corporate governance guidelines, the non-management directors have chosen a lead director to preside at regularly scheduled executive sessions of our Board held without management present. Mr. Cawley currently serves as lead director.

Audit Committee (ten meetings). The current members of the audit committee are Mary P. Ricciardello, Chair, Lawrence J. Chazen, Julie H. Edwards and Gordon T. Hall. The primary responsibilities of the audit committee are the appointment, compensation, retention and oversight of the Company's auditors (including review and approval of the terms of engagement and fees), to review with the auditors the Company's financial reports (and other financial information) provided to the SEC and the investing public, to prepare and approve an annual report for inclusion in this proxy statement, and to assist our Board with oversight of the following: integrity of the Company's financial statements; compliance by the Company with standards of business ethics and legal and regulatory requirements; qualifications and independence of the Company's independent auditors (including both our independent registered public accounting firm and our statutory auditors); and performance of the Company's independent auditors and internal auditors. Our Board has determined that Ms. Ricciardello is an audit committee financial expert as that term is defined under the applicable SEC rules and regulations. The audit committee's report relating to 2011 begins on page 47 of this proxy statement.

Compensation Committee (five meetings). The current members of the compensation committee are Marc E. Leland, Chair, Michael A. Cawley, Jack E. Little and Jon A. Marshall. The primary responsibilities of the compensation committee are to discharge our Board's responsibilities relating to compensation of directors and executive officers, to assist our Board in reviewing and administering compensation, benefits, incentive and equity-based compensation plans, and to prepare an annual disclosure under the caption "Compensation Committee Report" for inclusion in the Company's proxy statement for its annual general meeting of shareholders. The compensation committee's report relating to 2011 appears on page 30 of this proxy statement.

Nominating and Corporate Governance Committee (four meetings). The current members of the nominating and corporate governance committee are Michael A. Cawley, Chair, Julie H. Edwards and Marc E. Leland. The primary responsibilities of the nominating and corporate governance committee are to assist our Board in reviewing, evaluating, selecting and recommending director nominees when one or more directors are to be appointed, elected or re-elected to our Board; to monitor, develop and recommend to our Board a set of principles, policies and practices relating to corporate governance; and to oversee the process by which our Board, our Chief Executive Officer and executive management are evaluated.

The nominating and corporate governance committee believes that directors should possess the highest personal and professional ethics, character, integrity and values; an inquisitive and objective perspective; practical wisdom; and mature judgment. Directors must be willing to devote sufficient time to discharging their duties and responsibilities effectively, and they should be committed to serving on our Board for an extended period of time. The nominating and corporate governance committee considers diversity in identifying nominees for director and endeavors to have a Board representing diverse experience in areas that will contribute to our Board's ability to perform its roles relating to oversight of the Company's business, strategy and risk exposure worldwide. Without limiting the generality of the preceding sentence, the nominating and corporate governance committee takes into account, among other things, the diversity of business, leadership and personal experience of Board candidates and determines how that experience will serve the best interests of the Company.

The nominating and corporate governance committee's process for identifying candidates includes seeking recommendations from one or more of the following: current and retired directors and executive officers of the Company; a firm (or firms) that specializes in identifying director candidates (which firm may earn a fee for its services paid by the Company); persons known to directors of the Company in accounting, legal and other professional service organizations or educational institutions; and, subject to compliance with applicable procedures, shareholders of the Company. The nominating and corporate governance committee's process for evaluating candidates includes investigation of the person's specific experiences and skills, time availability in light of commitments, potential conflicts of interest, and independence from management and the Company. Candidates recommended by a shareholder are evaluated in the same manner as are other candidates. We did not receive any recommendations from shareholders of the Company for director nominees for the annual general meeting.

Our By-laws provide that our Board will select from among its members one Chairman, and since January 2008, David W. Williams has held both the positions of Chairman and Chief Executive Officer of the Company. For much of our corporate history, our Chief Executive Officer has also served as Chairman. This Board leadership structure has served the Company and our shareholders well and is commonly used by other companies whose securities are publicly traded in the United States.
