Item 1.01 Entry into a Material Definitive Agreement.

Offering of Senior Notes

On April 2, 2012, SandRidge Energy, Inc. (the Company), entered into a Purchase Agreement (the Purchase Agreement), by and among the Company, certain subsidiary guarantors named therein (the Guarantors), and Merrill Lynch, Pierce, Fenner & Smith Incorporated, SunTrust Robinson Humphrey, Inc. and RBS Securities Inc. (the Representatives), as representatives of the several initial purchasers, relating to the issuance and sale of \$750,000,000 in aggregate principal amount of the Company's 8.125% Senior Notes due 2022 (the Notes). The Notes were priced at par. The net proceeds to the Company from the sale of the Notes are expected to be \$730.7 million after deducting the initial purchasers discounts and estimated offering expenses.

The sale of the Notes is expected to close on April 17, 2012. The Company intends to use the net proceeds of the offering to finance the cash consideration of approximately \$680.0 million payable in connection with the Company's pending acquisition of Dynamic Offshore Resources, LLC (Dynamic) and to pay related costs and expenses. Any remaining net proceeds are expected to be used for general corporate purposes. The closing of the offering is conditioned upon the concurrent closing of the Dynamic acquisition and is subject to customary closing conditions. A copy of the Purchase Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference into this Item 1.01.

In connection with the closing of the sale of the Notes, the Company intends to enter into (i) an Indenture, among the Company, the Guarantors and Wells Fargo Bank, National Association, as trustee, and (ii) a Registration Rights Agreement, among the Company, the Guarantors and the Representatives, each relating to the Notes.

The Notes are being offered and sold to the several initial purchasers pursuant to an exemption from the registration requirements under the Securities Act of 1933, as amended (the Securities Act). The initial purchasers intend to sell the Notes only to qualified institutional buyers pursuant to Rule 144A under the Securities Act and to persons outside the United States pursuant to Regulation S.

The initial purchasers and certain of their affiliates have provided, and may in the future provide, financial advisory, investment banking, and commercial banking, financial advisory and other commercial services in the ordinary course of business to the Company, the Guarantors and certain of the Company's affiliates, for which they receive customary fees and expense reimbursement. Affiliates of the initial purchasers are lenders under the Company's senior credit facility. In addition, certain of the initial purchasers or their affiliates have also agreed to provide interim financing to us under certain circumstances in the event the offering is not completed, for which these initial purchasers would be paid customary fees.

Item 8.01 Other Events

On April 2, 2012, the Company issued a press release announcing the pricing of the Notes. A copy of the Company's press release is filed as Exhibit 99.1 to this Current Report on Form 8-K pursuant to Rule 135c under the Securities Act.

The press release shall not constitute an offer to sell or the solicitation of an offer to buy the Notes, nor shall there be any sale of the Notes in any state in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state.
