In anticipation of customary conversations with investors over the next several weeks, ConAgra Foods, Inc. (the *Company*) is reaffirming its fiscal 2013 earnings per share (*EPS*) expectations. The Company continues to expect fiscal 2013 diluted EPS, adjusted for items impacting comparability, to grow 6-8% over the comparable fiscal 2012 diluted EPS of \$1.84. The Company also expects fiscal 2013 operating cash flow to exceed \$1.2 billion.

This Current Report on Form 8-K includes the non-GAAP financial measure of diluted EPS, adjusted for items impacting comparability. Management considers GAAP financial measures as well as such non-GAAP financial information in its evaluation of the Company's financial statements and believes this non-GAAP measure provides useful supplemental information to assess the Company's operating performance and financial position. The historical non-GAAP measures are reconciled in this Current Report on Form 8-K to the most directly comparable measures as reported in accordance with GAAP, and should be viewed in addition to, and not in lieu of, the Company's diluted EPS as calculated in accordance with GAAP.
