ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION

On July 30, 2012, DSP Group, Inc. (the Company) announced its financial results for the quarter ended June 30, 2012. A copy of the press release, dated July 30, 2012, is attached and filed herewith as Exhibit 99.1. This information, including Exhibit 99.1 attached hereto, shall not be deemed filed for purposes of Section 18 of the Securities Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference to such filing.

In addition to the disclosure of financial results for the quarter ended June 30, 2012 in accordance with generally accepted accounting principles in the United States (GAAP), the press release also included non-GAAP net income and earnings per share for the quarter ended June 30, 2012 and 2011 that excluded (a) for the quarter ended June 30, 2012, equity-based compensation expenses of \$1,458,000, and the impact of amortization of acquired intangible assets in the amount of \$593,000, associated with the acquisitions of NXP B.V.'s CIPT business and BoneTone Communications and restructuring expenses of \$693,000; and (b) for the quarter ended June 30, 2011, the impact of amortization of acquired intangible assets in the amount of \$2,198,000, associated with the acquisition of NXP's CIPT business and equity-based compensation expenses of \$1,873,000.

The Company believes that the non-GAAP presentation in the press release is useful to investors in analyzing the results for the quarter ended June 30, 2012 because the exclusion of such expense may provide a more meaningful analysis of the Company's core operating results. Further, the Company believes it is useful for investors to understand how the expenses associated with the application of FASB ASC No. 718 are reflected on its statements of income. The non-GAAP financial measures are used in addition to and in conjunction with results presented in accordance with GAAP, and are intended to provide additional insight into the Company's operations that, when viewed with its GAAP results and the accompanying reconciliations to corresponding GAAP financial measures, offer a more complete understanding of factors and trends affecting the Company's business. The non-GAAP presentation should not be viewed as a substitute for the Company's reported GAAP results.

ITEM 9.01. FINANCIAL STATEMENTS AND EXHIBITS.
