Item 2.01. Completion of Acquisition or Disposition of Assets.

On July 27, 2012, Belden Inc. (the Company) through its wholly-owned subsidiary Belden CDT (Canada) Inc. (Belden Canada) acquired 97.37% (the Initial Acquisition) of the outstanding common shares of Miranda Technologies Inc. (Miranda), a corporation formed under the laws of Quebec, Canada, publicly traded in Canada and listed on the Toronto Stock Exchange (the TSX). The Initial Acquisition related to the shares properly tendered and not withdrawn by Miranda shareholders in response to an offer to purchase initiated by Belden Canada on June 18, 2012 (the Offer). The Offer was acknowledged as a friendly offer pursuant to that certain Support Agreement (the Support Agreement) dated June 4, 2012 among the Company, Belden Canada and Miranda. Effective as of July 30, 2012, pursuant to provisions of the Business Corporations Act (Quebec) allowing for the compulsory acquisition of remaining shares by the owner of greater than 90% of the outstanding shares, Belden Canada mailed the statutory notices and deposited the remaining acquisition consideration to allow it to be deemed the 100% owner of Miranda (the Secondary Acquisition) and, together with the Initial Acquisition, the Acquisition). Miranda was delisted from the TSX as of the close of business on July 31, 2012.

Consistent with the Offer, each of Miranda's common shares was purchased for C\$17.00. Therefore, the total consideration paid in the Acquisition was C\$379,288,700, or approximately US\$374.7 million. The transaction was funded with available cash and with a C\$250 million term loan (the Term Loan) from a syndicate of U.S. and Canadian lenders. The Term Loan funded on July 26, 2012 according to the terms described in the Company's Current Report on Form 8-K filed with the SEC on July 27, 2012.

A copy of the Support Agreement is filed as Exhibit 10.1 hereto. The foregoing description of the Support Agreement does not purport to be complete, and is qualified in its entirety by reference to the full text to the Support Agreement, which is incorporated by reference herein. The representations and warranties contained in the Support Agreement were made only for purposes thereof and as of specific dates; were solely for the benefit of the parties to the Support Agreement; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations and warranties or any description thereof as characterizations of the actual state of facts or condition of Miranda. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Support Agreement, which subsequent information may or may not be fully reflected in public disclosures by Miranda or the Company.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As described in Item 2.01 to this Current Report on Form 8-K, on July 26, 2012, the Company, through its wholly-owned subsidiary Belden FinCo Inc., borrowed C\$250 million via the Term Loan. The Term Loan matures in 2017 and it requires quarterly amortization payments. Interest on the Term Loan is variable, based on the three-month Canadian money market rate plus an applicable spread.

The more particular terms and conditions of the Term Loan, including the circumstances under which the obligation may be accelerated, are described in Amendment No. 2 to the Company's Credit Agreement (the Amendment), which was filed as Exhibit 10.1 to the Company's Current Report on Form 8-K filed with the SEC on July 27, 2012, and is hereby incorporated by this reference. The foregoing description of the Amendment does not purport to be complete, and is qualified in its entirety by reference to the full text of the Amendment. The representations and warranties contained in the Amendment and the related Credit Agreement were made only for purposes thereof and as of specific dates; were solely for the benefit of the parties to the Amendment and the related Credit Agreement; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations and warranties or any description thereof as characterizations of the actual state of facts or condition of the Company. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Amendment and the related Credit Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company.
