Item 1.01 Entry into a Material Definitive Agreement.

Purchase Agreement

On August 13, 2012, Continental Resources, Inc. (the Company) and Banner Pipeline Company, L.L.C. (the Initial Guarantor) entered into a Purchase Agreement (the Purchase Agreement) with Merrill Lynch, Pierce, Fenner & Smith Incorporated as the representative of the several initial purchasers (collectively, the Initial Purchasers), relating to the issuance and sale of \$1.2 billion in aggregate principal amount of the Company's 5.0% senior unsecured notes due 2022 (the New Notes), under an indenture dated March 8, 2012 (the Indenture), among the Company, the Initial Guarantor and Wilmington Trust, National Association, as trustee. The New Notes will have substantially identical terms to the notes first issued under the Indenture on March 8, 2012 (the Existing Notes), except that the New Notes will trade under different CUSIP numbers from the Existing Notes until and unless an exchange offer is completed where holders of the New Notes can exchange such notes for notes that have been registered under the Securities Act of 1933, as amended. The initial purchase price of the New Notes will include an amount equal to the interest that would have accrued on the New Notes had such New Notes been purchased and issued on March 8, 2012. The New Notes were offered and will be sold in a transaction exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act). The New Notes will be resold to qualified institutional buyers in reliance on Rule 144A of the Securities Act.

The Purchase Agreement contains customary representations and warranties of the parties and indemnification and contribution provisions under which the Company and the Initial Guarantor, on one hand, and the Initial Purchasers, on the other, have agreed to indemnify each other against certain liabilities, including liabilities under the Securities Act. The Company and the Initial Guarantor also agreed to enter into a registration rights agreement with holders of the New Notes. A copy of the Purchase Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K (Form 8-K) and is incorporated herein by reference. The description of the Purchase Agreement in this report is a summary and is qualified in its entirety by the terms of the Purchase Agreement.

Relationships

Certain of the Initial Purchasers and certain of their affiliates have provided, and may in the future provide, various investment banking, commercial banking and other financial services to the Company and the Initial Guarantor, for which services they have received and may in the future receive customary fees. Affiliates of certain of the Initial Purchasers are lenders under the Company's revolving credit facility. The Company intends to use the net proceeds from the offering of the New Notes to repay amounts outstanding under its revolving credit facility and for general corporate purposes and therefor affiliates of certain of the Initial Purchasers will be repaid with a portion of the net proceeds of the offering.

Item 8.01 Other Events.
