PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

MAY 14, 2013

This Joint Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors (each a **Board**) of The Zweig Fund, Inc., a Maryland corporation (**ZF**), and The Zweig Total Return Fund, Inc., a Maryland corporation (**ZTR**), for use at the Joint Annual Meeting of Shareholders to be held at the offices of Willkie Farr & Gallagher LLP, 787 Seventh Avenue, 34th Floor, New York, NY 10019-6099, on Tuesday, May 14, 2013 at 9:00 A.M. Eastern Time, and at any and all adjournments or postponements thereof (the **Meeting**), for the purposes set forth in the accompanying Notice of Annual Meeting dated April 10, 2013.

The Meeting is scheduled as a joint meeting of the respective shareholders of ZF and ZTR (collectively, the **Funds** and each a **Fund**) because the shareholders of both Funds are expected to consider and vote on similar proposals with respect to the election of Directors. The Board of Directors of the Funds have determined that the use of a joint proxy statement for the Meeting is in the best interest of the shareholders of both Funds. In the event that any shareholder of a Fund present at the Meeting objects to the holding of a joint meeting and moves for adjournment of such Fund's Meeting to immediately after the Meeting, so that such Fund's meeting may be held separately, the persons named as proxies will vote in favor of such adjournment. Shareholders of each Fund will vote separately on the proposal(s) relating to their respective Fund, and an unfavorable vote on a proposal by the shareholders of one Fund will not affect the implementation by the other Fund of such proposal if the shareholders of such other Fund approve the proposal.

If the accompanying form of proxy is properly executed and returned in time to be voted at the Meeting, the shares will be voted in accordance with the instructions marked by the shareholder. Except for broker non-votes (as discussed below), executed proxies that are unmarked will be voted **FOR** any proposal for which no instruction is given. A shareholder can revoke the proxy prior to its use by appearing at the Meeting and voting in person, by giving written notice of such revocation to the Secretary of the respective Fund prior to the Meeting, or by returning a subsequently dated proxy prior to the Meeting.

Shareholders may be able to vote their shares by touchtone telephone or by Internet by following the instructions on the proxy card accompanying this Joint Proxy Statement. The Internet procedures are designed to authenticate a shareholder's identity to allow shareholders to vote their shares and confirm that their instructions have been properly recorded. To vote by Internet or by touchtone telephone, shareholders can access the website or call the toll-free number listed on the proxy card. To vote by touchtone telephone or by Internet, shareholders will need to input a control number, which appears on the proxy card.

The Board of Directors of each Fund has fixed the close of business on March 19, 2013 as the record date for the determination of shareholders of that Fund entitled to notice of and to vote at the Meeting. This Proxy Statement and the accompanying form of proxy will be first sent to shareholders on or about April 10, 2013. In accordance with the rules of the Securities and Exchange Commission (SEC), we are advising our shareholders of the availability on the Internet of our proxy materials related to the Meeting. These rules allow companies to provide access to proxy materials in one of two ways. Because we have elected to utilize the full set delivery option, we are delivering to all shareholders paper copies of all of the proxy materials, as well as providing access to those proxy materials on a publicly accessible website.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be held on Tuesday, May 14, 2013, at 9:00 A.M. Eastern Time, at the offices of Willkie Farr & Gallagher LLP, 787 Seventh Avenue, 34th Floor, New York, N.Y. 10019-6099. The Notice of Annual Meeting of Shareholders, Proxy Statement, form of proxy card and annual report to shareholders are available at www.edocumentview.com/zweig.

PROPOSAL 1

ELECTION OF DIRECTORS

The members of the Board of Directors of ZF and ZTR are divided into three classes, with the term of office of one class expiring each year. At the forthcoming Meeting, two ZF and two ZTR Directors will be elected to serve a three-year term (until the third succeeding Annual Meeting in 2016 and until their successors are elected and duly qualify). Unless authority to vote for the election of Directors is withheld, the enclosed proxy will be voted for the election of the nominees named below, who have indicated their intention to serve if elected. While management has no reason to believe that the nominees will not be available as candidates, should such a situation arise, proxies may be voted for the election of such other persons as a Director as the holders of the proxies may, in their discretion, determine.

Each Fund's Board of Directors has appointed a Nominating Committee which makes annual recommendations as to the individuals to be nominated by the Fund's Board of Directors for election as Directors at the next annual meeting and recommends to the Board candidates for election by the Board of Directors to fill any vacancies in the Board of Directors, including those resulting from an increase in the number of Directors. Each Fund's Nominating Committee consists of five Directors (Independent Directors) who are not interested persons (as defined in the Investment Company Act of 1940, as amended (the 1940 Act)) of the Fund or the Adviser.

Based on the recommendations made by ZF's Nominating Committee at its meeting held on February 5, 2013, the Board of Directors of ZF has nominated George R. Aylward for re-election and William H. Wright II for election, to serve until the third succeeding Annual Meeting in 2016 and until their successors are elected and duly qualify. Mr. Aylward is presently a Director of ZF. Alden C. Olson, who is currently a Director of ZF, will not be standing for re-election due to having reached retirement age pursuant to the Board of Directors' retirement policy. Mr. Wright, who is not currently a director, has been nominated to replace Mr. Olson.

Based on the recommendations made by ZTR's Nominating Committee at its meeting held on February 5, 2013, the Board of Directors of ZTR has nominated George R. Aylward for re-election and William H. Wright II for election, to serve until the third succeeding Annual Meeting of Shareholders in 2016 and until their successors are elected and duly qualify. Mr. Aylward is presently a Director of ZTR. Mr. Olson, who is currently a Director of ZTR, will not be standing for re-election due to having reached retirement age pursuant to the Board of Directors' retirement policy. Mr. Wright, who is not currently a director, has been nominated to replace Mr. Olson.

Background and additional information with respect to the Nominees and other current Directors appears below.

Unless otherwise noted, the mailing address of each individual is 101 Munson Street, Greenfield, MA 01301-9683.

Committees; Board of Directors and Standing Committees Meetings

Audit Committee

Each Fund's Board of Directors has appointed a standing Audit Committee and adopted a written charter for the Audit Committee. Each Fund's Audit Committee Charter is available on the Adviser's website:

ZF Audit Committee Charter:

http://www.virtus.com/vSiteManager/Upload/Docs/ClosedEndFunds/ZF/Governance/ZF_Audit_Committee_Charter.pdf

ZTR Audit Committee Charter:

http://www.virtus.com/vSiteManager/Upload/Docs/ClosedEndFunds/ZTR/Governance/ZTR_Audit_Committee_Charter.pdf

The purposes of each Board's Audit Committee are set forth in the Audit Committee Charter. In brief, the role of each Board's Audit Committee is to assist the Board of Directors in its oversight of the respective Fund's financial reporting process, including internal controls and the performance of the independent registered public accounting firm. As set forth in the Charter of each Board's Audit Committee, it is not the responsibility of the Audit Committee to plan or conduct audits or to determine that each Fund's financial statements are complete and accurate and are in accordance with generally accepted accounting principles, which duties are the responsibility of the Adviser and each Fund's independent registered public accounting firm. The independent registered public accounting firm for each Fund is responsible for auditing that Fund's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, each Audit Committee has considered and discussed the audited financial statements with management and the independent registered public accounting firm of the Fund. Each Audit Committee also has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 114, *The Auditor's Communication With Those Charged With Governance*, as currently in effect. Each Audit Committee also has considered whether the provision by the Fund's independent registered public accounting firm of non-audit services to the Fund, and of professional services to the Adviser and affiliates of the Adviser that provide services to the Fund, is compatible with maintaining the independent registered public accounting firm's independence. Finally, each Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by the Public Company Accounting

Oversight Board regarding the independent registered public accounting firm's communications with the audit committee concerning independence, and has discussed with the independent registered public accounting firm the independence of that independent registered public accounting firm.

The members of each Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing or evaluating auditor independence. The Board of Directors of each Fund has determined that Wendy Luscombe is an audit committee financial expert, as defined under SEC Regulation S-K, Item 407(d)(5). The SEC has stated that the designation or identification of a person as an audit committee financial expert does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Audit Committee and the Board of Directors in the absence of such designation or identification. Each Audit Committee is in compliance with the New York Stock Exchange requirements applicable to closed-end fund audit committees, including the requirement that all members of the audit committee be financially literate and that at least one member of the audit committee have accounting or related financial management expertise, as determined by the Board. Members of each Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, each Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, an Audit Committee's considerations and discussions referred to above do not assure that the audit of a Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's independent registered public accounting firm is in fact independent.

Audit Committee Report

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committees referred to above and in the Audit Committee Charters, each Audit Committee recommended to its Board of Directors that the audited financial statements of the applicable Fund be included in the Fund's annual report to shareholders for the year ended December 31, 2012. The members of each Audit Committee, Messrs. Brunie, Olson, Rogers and Walton, and Ms. Luscombe, are independent within the meaning of the 1940 Act and the New York Stock Exchange corporate governance standards for audit committees applicable to closed-end funds.

Nominating Committee

Messrs. Brunie, Olson, Rogers and Walton, and Ms. Luscombe, each of whom is an Independent Director, are members of the Nominating Committee of each Board of Directors. Each Fund's Board of Directors has adopted a written charter for its Nominating Committee. Each Fund's Nominating Committee Charter is available on the Adviser's website at https://www.virtus.com/vSiteManager/Upload/Docs/ClosedEndFunds/Nominating_Committee_Charter.pdf. Each Nominating Committee considers candidates for election to fill vacancies on the respective Fund's Board of Directors.

Director nominees are identified based on persons known to the Board of Directors or the Nominating Committees and any persons recommended to the Nominating Committees by shareholders or industry sources. Any recommendations made by shareholders or industry sources must be accompanied by a biography of the recommended candidate and should be submitted in writing to the principal executive office of the Funds, located at 101 Munson Street, Greenfield, MA 01301-9683, addressed to the Secretary of the Funds. For more information, see Additional Information: Proposals for 2014 Meeting.

Nominees are identified and evaluated based on the criteria and through the process described below. Members of the Nominating Committee as well as other Board members may identify potential candidates. Shareholders also may propose nominees pursuant to each Fund's Bylaws. The evaluation process does not depend on the source of the recommendation. It is expected that all candidates for the Board will possess the following minimum qualifications: (i) unquestioned personal integrity; (ii) sound business judgment; and (iii) the commitment required to be an effective director, including, without limitation, the ability to attend meetings regularly. The Nominating Committee takes into consideration such other factors as it deems appropriate. Except as provided above, in nominating candidates, each Nominating Committee does not believe that certain qualifications are controlling or paramount or that specific qualifications or skills are necessary for a candidate to possess. Pursuant to policies and procedures contained in the Nominating Committee Charter, when assessing the qualifications of a potential nominee or Independent Director, the Nominating Committee considers such factors as it may deem relevant, including whether the candidate's background,

skills and experience will complement the background, skills and experience of other nominees and contribute to the diversity of the Board. These policies and procedures for identifying and evaluating candidates are implemented through discussion among Nominating Committee members. Each Nominating Committee may determine that a candidate who does not have all the qualifications referred to above should nevertheless be considered as a nominee if the Nominating Committee finds that the candidate's qualifications, taken as a whole, demonstrate an equivalent level of qualification to serve as a director. Each Fund has adopted a policy requiring that any person whose seventy-fifth (75th) birthday would occur during such person's term of service as a Director may not stand for election for such term; provided, however, that the Directors in office as of September 1, 2011 shall not be required to retire pursuant to the foregoing policy and shall be eligible to be nominated for re-election as a Director for one or more additional terms so long as the Director's eighty-fifth (85th) birthday is not to occur during any such additional term. In assessing the effectiveness of its Nominating Committee Charter, each Nominating Committee shall recommend to its Fund's Board any revisions or modifications to its Nominating Committee Charter that the Committee deems necessary or appropriate to the effective exercise of its responsibilities.

Executive Committee

Each Fund's Board of Directors also has an Executive Committee consisting of Wendy Luscombe and R. Keith Walton, each of whom is an Independent Director of the Funds. The Executive Committee of the Board of Directors of each Fund, in the intervals between meetings of the Board of Directors, has all the authority of such Board of Directors, except as otherwise provided by that Fund's Articles of Incorporation, Bylaws or applicable law; provided, however, that the Executive Committee shall not exercise its authority in a manner inconsistent with any action, direction, or instruction of the Board of Directors.

Meetings of the Board of Directors and Standing Committees

Each Fund's Board of Directors held nine meetings during the year ended December 31, 2012. Each Fund's Nominating Committee held seven meetings during the year ended December 31, 2012, and met on February 5, 2013, at which time each Nominating Committee recommended the nominees for election to the Board. Each Fund's Audit Committee held three meetings during the year ended December 31, 2012. Each Fund's Executive Committee held no meetings during the year ended December 31, 2012. All of the Directors attended at least 75% of the total number of Board meetings, and his or her respective committee meetings, held during the year ended December 31, 2012.

Board Role in Risk Oversight

Each Fund is subject to a number of risks, including investment, compliance, operational and valuation risks, among others. Risk oversight forms part of each Board's general oversight of the respective Fund and is addressed as part of various Board and committee activities. Day-to-day risk management functions are subsumed within the responsibilities of the Adviser and other service providers (depending on the nature of the risk), who carry out the Funds' investment management and business affairs. Each of the Adviser and other service providers have their own, independent interest in risk management, and their policies and methods of risk management will depend on their functions, business model and compliance structure. As a result, the Board recognizes that it is not possible to identify all of the risks that may affect a Fund or to develop processes and controls to eliminate or mitigate the occurrence or effects of all of such risks. As part of its regular oversight of the Funds, the respective Board, directly or through a committee, interacts with and reviews reports from, among others, the Adviser (and its officers and employees), each Fund's Chief Compliance Officer, and the independent registered public accounting firm for the Fund, as appropriate, that include risks faced by the Fund and applicable risk functions. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

The Board Leadership Structure

George R. Aylward, an interested person of each Fund, serves as each Fund's Chairman of the Board, Chief Executive Officer and President. Mr. Aylward's combined role as Chairman, Chief Executive Officer and President promotes unified leadership and direction for each Fund's Board of Directors and executive management and allows for a single, clear focus for the chain of command to execute each Fund's initiatives and plans.

The Independent Directors have designated two co-lead Independent Directors of each Fund, Wendy Luscombe and R. Keith Walton. The co-lead Independent Directors' roles are defined as follows:

- Chair meetings or executive sessions of the Independent Directors;
- Review and comment on each Board's meeting agendas;
- Represent the views of the Independent Directors to management; and
- Facilitate communication among the Independent Directors and their counsel.

As noted, each Board has established an Executive Committee, a Nominating Committee and an Audit Committee to assist each Board in the oversight and

direction of the business and affairs of each Fund, and from time to time may establish informal working groups to review and address the policies and practices of each Fund with respect to certain specified matters.

The Board of each Fund has determined that the Board's leadership structure is appropriate for that Fund, taking into account that Fund's specific characteristics and circumstances, in light of the fact that: (i) all of the directors, except the Chairman, are independent; (ii) it provides for oversight of the business operations of the Fund by experienced Independent Directors, with two co-lead Independent Directors and separate committee chairmen; (iii) by having Mr. Aylward in the combined role as Chairman, Chief Executive Officer and President, it allows for unified leadership and direction for each Fund's Board of Directors and executive management; (iv) by having two co-lead Independent Directors, it helps to ensure timely communication between management and the Independent Directors and among the Independent Directors; (v) it allows the Board to exercise informed and independent judgment over the matters under its purview and specific to that Fund; (vi) it strikes an effective balance between management and Independent Director participation in the Board process; and (vii) it allocates areas of responsibility among committees of each Board's members and the full Board in a manner that enhances effective oversight.

Shareholder Communications

Any shareholder that wishes to communicate with the Board of Directors or a specific Director may do so by submitting correspondence in writing to the principal executive office of the Funds, located at 101 Munson Street, Greenfield, MA 01301-9683, specifying the intended addressee. Shareholder communications addressed to the Board of Directors will be forwarded promptly after receipt to George R. Aylward, President of the Funds, for review. Mr. Aylward will review each such communication in order to determine whether the communication should be relayed directly to each Board member. Shareholder communications that Mr. Aylward determines to involve routine matters will be forwarded to the Funds' Administrator and/or officers of the Funds for review and response, and Mr. Aylward will report to the full Board, as appropriate, on the nature and substance of such communications. Shareholder communications that Mr. Aylward determines involve non-routine matters will be forwarded to each member of the Board for review. Shareholder communications addressed to a specific Director will be forwarded to the addressee promptly upon receipt.

It is the Funds' policy that all Directors attend the annual shareholders meeting, if reasonably possible. All of the Directors attended the joint annual meeting of ZF and ZTR in 2012.

THE BOARD OF DIRECTORS OF ZF AND ZTR UNANIMOUSLY RECOMMEND THAT SHAREHOLDERS VOTE FOR THE RE-ELECTION AND ELECTION, RESPECTIVELY, OF THE NOMINEES.

ADMINISTRATOR

Virtus Fund Services, LLC (the Administrator or Virtus Fund Services), serves as the administrator for ZF and ZTR. The Administrator's principal business office is located at 100 Pearl Street, Hartford, CT 06103. All of the Administrator's outstanding equity interests are owned by Virtus. Virtus Fund Services, LLC became the administrator of ZF and ZTR on January 1, 2013, as assignee of VP Distributors, LLC (VP Distributors), which is a wholly-owned subsidiary of Virtus. Virtus Fund Services was established to carry on the fund administration business previously conducted by VP Distributors, which now conducts exclusively a broker-dealer and fund distribution business. In addition, Virtus Fund Services utilizes the same personnel and systems previously used by VP Distributors to perform administrative services for ZF and ZTR, and the administration fee remains the same.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act) and Section 30(h) of the 1940 Act require, among other persons, the officers and Directors of the Funds and the Adviser to file reports of ownership and changes in ownership of the shares of common stock of the Funds with the SEC and the New York Stock Exchange. The SEC's regulations also require such reporting persons to furnish each Fund with copies of all Section 16(a) forms they file. Based on its review of these reports and on written representations from the reporting persons that no other reports were required, each Fund believes that, during the year ended December 31, 2012, such reporting persons were in compliance with all Section 16(a) and Section 30(h) reporting requirements applicable to them.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At the recommendation of the Audit Committees of the Funds, the Board of Directors of each Fund, including a majority of the Independent Directors, has selected the firm of PricewaterhouseCoopers LLP (PwC) to serve as the independent registered public accounting firm of each Fund for the year ending December 31, 2013. A representative of PwC is expected to be present at the Meeting and will have the opportunity to make a statement if he or she so desires and to respond to questions from shareholders.

The aggregate fees billed for services rendered by PwC during the years ended December 31, 2011 and December 31, 2012, respectively, are described below.

Audit Fees

The aggregate fees billed by PwC to ZF in connection with the annual audit of ZF's financial statements for the fiscal years ended December 31, 2011 and December 31, 2012 were \$28,800 and \$32,000, respectively. The aggregate fees billed by PwC to ZTR in connection with the annual audit of ZTR's financial statements for the fiscal years ended December 31, 2011 and December 31, 2012 were \$31,300 and \$32,000, respectively.

Audit-Related Fees

The fees billed by PwC to ZF for the fiscal years ended December 31, 2011 and December 31, 2012 for any audit-related services were \$2,740 and \$2,962, respectively. The fees billed by PwC to ZTR for the fiscal years ended December 31, 2011 and December 31, 2012 for any audit-related services were \$2,740 and \$2,962, respectively. These fees are related to the review of the Funds' semi-annual financial statements, interim audit testing and out of pocket expenses.

Tax Fees

The aggregate fees billed by PwC to ZF for the fiscal years ended December 31, 2011 and December 31, 2012 in connection with tax review, compliance and advice were approximately \$4,600 and \$5,900, respectively. The aggregate fees billed by PwC to ZTR for the fiscal years ended December 31, 2011 and December 31, 2012 in connection with tax review, compliance and advice were approximately \$4,600 and \$7,800, respectively. These fees were related to the determination of federal income and excise taxes for the Funds.

All Other Fees

Neither Fund paid any fees for other services for the fiscal year ended December 31, 2011 or 2012.

Aggregate Non-Audit Fees Billed to Funds and Affiliate

The aggregate non-audit fees billed by PwC for services rendered to the Funds, the Adviser, and any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to the Funds for the fiscal years ended December 31, 2011 and December 31, 2012 were \$327,554 and \$418,361, respectively.

Each Audit Committee considered whether the non-audit services rendered to the Adviser or an affiliate of the Adviser that provides ongoing services to either Fund were compatible with maintaining the independence of PwC. The Audit Committees pre-approve: (i) all audit and non-audit services to be rendered to the respective Fund by PwC; and (ii) all non-audit services relating to the operations and financial reporting of the respective Fund provided by PwC to the Adviser or any affiliate thereof that provides ongoing services to the respective Fund (collectively, Covered Services). Each Audit Committee has adopted pre-approval procedures authorizing a member of the Audit Committee to pre-approve from time to time, on behalf of the Audit Committee, all Covered Services to be provided by PwC which are not otherwise pre-approved at a meeting of the Audit Committee, provided that such delegate reports to the full Audit Committee at its next meeting. The pre-approval procedures do not include delegation of the Audit Committee's responsibilities to management. All Covered Services were pre-approved in accordance with the above procedures. Pre-approval has not been waived with respect to any of the services described above since the date on which the Audit Committee adopted its current pre-approval procedures.

ADDITIONAL INFORMATION

Other Matters

The Board of Directors of the Funds know of no matters to be presented at the meeting other than those specified in the accompanying Notice of Annual Meeting. However, if any other matter is properly presented before the Meeting, it is the intention of the persons named as proxies to vote in accordance with their best judgment.

Expenses

The Funds will bear the expense of the Meeting, including preparation, printing and mailing of the enclosed form of proxy and accompanying Notice of Annual Meeting and this Proxy Statement. Each Fund will bear one half of such expenses, except for mailing expenses, which are paid by each Fund based on its actual mailing expenses to its shareholders, and its own respective legal expenses. Each Fund, upon request, will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of that Fund's common stock. In order to obtain the necessary quorum at the Meeting, supplementary solicitation may be made by mail, telephone or personal interviews by officers or employees of the Funds and/or Adviser, or their affiliates.

We do not currently plan to hire a proxy solicitor to help us solicit proxies, although we reserve the right to do so. Proxies are expected to be solicited principally by mail, but the Funds may also solicit proxies by telephone, facsimile or personal interview. The Funds' officers will not receive any additional compensation for any such solicitation. The Funds will bear 100% of these solicitation costs.

Vote Required

The following principles of Maryland law and the 1940 Act apply to the voting of shares of common stock at the Meeting. The presence in person or by proxy of shareholders entitled to vote a majority of the outstanding shares will constitute a quorum. Shares represented by proxy or in person at the Meeting, including shares represented by proxies that reflect abstentions and broker non-votes (hereinafter defined), will be counted as present in the determination of a quorum.

The vote required for the election of Directors (Proposal 1) for each Fund requires a plurality of the votes cast at the Meeting by the shareholders of such Fund.

An abstention does not constitute a vote and will be disregarded in calculating the votes cast as to such matter, and broker non-votes (*i.e.*, where a broker or nominee submits a proxy specifically indicating the lack of discretionary authority to vote on a matter) will be treated in the same manner as abstentions. It is anticipated that votes will be tabulated by Computershare Trust Company, N.A., the Funds' transfer agent.

Adjournments and Postponements

The Amended and Restated Bylaws of the Funds authorize the Chairman of the Meeting to adjourn or postpone the Meeting to a later date (whether or not a quorum is present) without notice other than announcement at the Meeting for such purposes as the Chairman shall deem appropriate, including further solicitation of proxies. In the absence of a quorum, the Chairman may (but shall not be required to) allow the shareholders present (in person or by proxy) to adjourn the Meeting to a later date by majority vote of those present. Adjournments or postponements may occur in order to defer action on any Proposal. The Meeting may be adjourned up to 120 days after the record date without further notice other than announcement at the Meeting. If the Meeting is adjourned to a date more than 120 days after the original record date upon at least 10 days' notice, a new record date must be established for voting at such adjourned Meeting, and any unrevoked proxies submitted by any shareholder of record as of the original record date, with respect

to shares that such shareholder continues to hold of record on the new record date, may be voted at the adjourned Meeting and any subsequent adjourned Meeting, provided that any adjourned Meeting is not more than 120 days after the new record date. At any adjourned Meeting at which a quorum is present, any action may be taken that could have been taken at the Meeting originally called.

No Dissenters' Rights

Shareholders have no rights under Maryland law or each Fund's Articles of Incorporation or the Amended and Restated Bylaws to exercise dissenters' rights of appraisal with respect to any of the matters to be voted upon at the Meeting.

Proposals for 2014 Meeting

Each Fund's Amended and Restated Bylaws contains an advance notice provision, which requires that the respective Fund be given advance notice of shareholder nominations for election to the Board of Directors and of other matters which shareholders wish to present for action at an annual meeting of shareholders, other than matters included in that Fund's proxy statement in accordance with Rule 14a-8 under the Exchange Act. Any notice of shareholder nominations for election to a Fund's Board of Directors or notice of other matters which shareholders wish to present at the Funds' 2014 Annual Meeting of Shareholders must be received at such Fund's principal executive office not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the shareholder to be timely must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made.

The notice by the shareholder must also set forth specific information, and provide certain representations, the details of which are set forth in the respective Fund's Amended and Restated Bylaws. Any shareholder proposal must also comply with all other legal requirements in order to be included in the Fund's proxy statement and form of proxy for that meeting. A copy of ZF's Bylaws is available on the website of the SEC at <http://www.sec.gov>. A copy of ZTR's Bylaws is available on the website of the SEC at <http://www.sec.gov>.

The persons named as proxies for the Funds' 2014 Annual Meeting of Shareholders will, with respect to the proxies in effect at such meeting, have discretionary authority to vote on any matter presented by a shareholder for action at that meeting unless the respective Fund receives notice of the matter by not less than one hundred and twenty (120) days before the date in the then current year corresponding to the date of such Fund's proxy statement for the annual meeting held in the prior year. If the respective Fund receives such timely notice, these persons will not have this authority except as provided in the applicable rules of the SEC.
