Item 13 Certain Relationships and Related Transactions, and Director Independence

The Company has not identified any related-party transactions to report involving any of our executive officers or directors in 2011 or 2012.

The Company's Board of Directors has determined that all of the directors, with the exception of Mr. Mazzullo, are independent as defined by the SEC.

Item 14 Principal Accounting Fees and Services

The Audit Committee has appointed EFP Rotenberg LLP as independent auditors for the fiscal year ending December 31, 2013. EFP Rotenberg LLP, as successor by merger to Rotenberg & Co., LLP, effective October 1, 2009, acted as the independent auditors for the fiscal years ending December 31, 2004 through December 31, 2012.

Audit Fees. During fiscal years 2012 and 2011, the aggregate fees billed to the Company by its independent auditors were \$80,100 and \$77,600, respectively, for the annual audit of the financial statements and review of the financial statements included in the Company's Quarterly Reports on Form 10-Q.

Audit-Related Fees. During fiscal years 2012 and 2011, the aggregate fees billed to the Company by its independent auditors were \$6,000 and \$5,400, respectively, for the annual audit of the Veramark Technologies, Inc. 401K Plan and the preparation of its annual report on Form 5500.

Tax Fees. The aggregate fees billed to the Company by its independent auditors for professional services rendered to the Company during fiscal years 2012 and 2011, other than the audit services referred to above, were \$8,300 and \$8,100, respectively, all of which was for tax preparation and tax consulting fees.

No other fees were billed to the Company by its independent auditors during fiscal years 2012 and 2011.

The Audit Committee of the Board of Directors has considered whether provision of the non-audit related services described above is compatible with maintaining the independent accountants' independence and has determined that those services have not adversely affected EFP Rotenberg LLP's independence.

It is the Audit Committee's policy, as reflected in its Charter, to pre-approve all audit and non-audit services performed by the Company's independent auditors. Following a presentation by management to the Audit Committee describing the types of services to be performed in connection with, and the projected budget for, a particular engagement, the Audit Committee informs management whether it approves the engagement and the budget.
