The Meetings are being held to vote on the matters described below:

Equity Fund: Elect Three Trustees to the Board to a three-year term

Growth Fund: Elect Two Directors to the Board to a three-year term

PROPOSALS 1 and 2. ELECTION OF TRUSTEES AND DIRECTORS

Introduction

Each Fund's Board provides broad supervision over the affairs of each Fund. AAI is responsible for the investment management of the Funds' assets and AAI's affiliate, ALPS Fund Services, Inc. ("AFS"), provides a variety of administrative services to each Fund. The officers of each Fund are responsible for its operations.

Each Fund's Board is divided into three classes, each of which serves for three years. The term of office of one of the classes expires at the final adjournment of the Annual Meetings of Shareholders (or special meeting in lieu thereof) each year or such later date as his successor shall have been elected and shall have qualified.

Shares of the Funds represented by duly executed proxies will be voted as instructed on the proxy. If no instructions are given when the enclosed proxy is executed and returned, the enclosed proxy will be voted for the election of the following persons to hold office until final adjournment of the Annual Meeting of Shareholders of the applicable Fund for the year set forth below (or special meeting in lieu thereof):

Equity Fund

Nominee	Title	Tenure
Richard W. Lowry	Trustee since 1986, Chairman since 2004	Tenure to end 2016
John J. Neuhauser	Trustee since 1998	Tenure to end 2016
Richard C. Rantzow	Trustee since 2006	Tenure to end 2016

Growth Fund

Nominee	Title	Tenure
George R. Gaspari	Director since 2006	Tenure to end 2016
Richard W. Lowry	Director since 1994, Chairman since 2004	Tenure to end 2016

If elected, each of the above-named Trustees and Directors has consented to serve as Trustee and/or Director following the Meetings and each is expected to be able to do so. If any of them are unable or unwilling to do so at the time of the Meetings, proxies will be voted for such substitute as the applicable Board may recommend (unless authority to vote for the election of Trustees or Directors, as the case may be, has been withheld).

The Boards of Funds

The Funds are governed by their respective Boards. The Boards are responsible for and oversee the overall management and operations of the Funds, which includes the general oversight and review of each of the Fund's investment activities, in accordance with federal law and the law of the Commonwealth of Massachusetts for the Equity Fund and the State of Maryland for the Growth Fund, as well as each Fund's stated investment objective and policies. The Boards oversee each of the Fund's officers and service providers, including AAI, which is responsible for the management of the Funds' day-to-day operations based on policies and agreements reviewed and approved by the Boards. In carrying out these responsibilities, the Boards regularly interact with and receive reports from senior

personnel of service providers, including AAI's investment personnel and the Funds' Chief Compliance Officer (CCO). The Boards also are assisted by the Funds' independent registered public accounting firm (Auditors) (who report directly to each Fund's Audit Committee), independent counsel and other experts as appropriate, all of whom are selected by the Boards.

The Board's Risk Oversight Responsibilities

Consistent with their responsibility for oversight of the Funds, the Boards oversee the management of risks relating to the administration and operation of the Funds. AAI, as part of its responsibilities for the day-to-day operations of the Funds, is responsible for day-to-day risk management for the Funds. The Boards, in the exercise of their reasonable business judgment, also separately consider potential risks that may impact the Funds. The Boards perform this risk management oversight directly and, as to certain matters, through the Audit Committee and through the board members who are not interested persons of the Funds (Independent Trustees/Directors) as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (1940 Act). The following provides an overview of the principal, but not all, aspects of the Boards' oversight of risk management for the Funds.

In general, the Funds' risks include, among others, investment performance and investment risk, credit risk, liquidity risk, valuation risk, compliance risk and operational risk. The Boards have adopted, and periodically review, policies and procedures designed to address these and other risks to the Funds. In addition, under the general oversight of the Boards, AAI and other service providers to the Funds have themselves adopted a variety of policies, procedures and controls designed to address particular risks to the Funds. Different processes, procedures and controls are employed with respect to different types of risks. Further, AAI, as the Funds' Manager, oversees and regularly monitors the investments, operations and compliance of the Funds' investment sub-advisors (referred to herein as Portfolio Managers).

The Boards also oversee risk management of the Funds through review of regular reports, presentations and other information from officers of the Funds and other persons. Senior officers of the Funds, senior officers of AAI, and the Funds' CCO regularly report to the Boards on a range of matters, including those relating to risk management. The Boards also regularly receive reports from AAI with respect to the investments and securities trading activities of the Funds, as well as the premium or discount to net asset value at which the Funds' shares are trading on the New York Stock Exchange (NYSE). In addition to regular reports from AAI, the Boards receive reports regarding other service providers to the Funds, either directly or through AAI or the Funds' CCO, on a periodic or regular basis. At least annually, the Boards receive a report from the Funds' CCO regarding the effectiveness of the Funds' compliance program. Also, on an annual basis, the Boards receive reports, presentations and other information from AAI in connection with the Boards' consideration of the renewal of the Funds' agreements with AAI and the Portfolio Managers.

Senior officers of the Funds and senior officers of AAI also report regularly to each Funds' Audit Committee on valuation matters and on the Funds' internal controls and accounting and financial reporting policies and practices. In addition, the Audit Committees receive regular reports from the Funds' Auditors on internal control and financial reporting matters. On at least a quarterly basis, the Independent Trustees/Directors meet with the Funds' CCO to discuss matters relating to the Funds' compliance program. The Boards' oversight role does not make the Boards a guarantor of the Funds' investments or activities.

Board Structure and Related Matters

The 1940 Act requires that at least 40% of the Equity Fund's Trustees and the Growth Fund's Directors be Independent Trustees/Directors. In addition, to rely on certain exemptive rules under the 1940 Act, a majority of each Fund's Board must be composed of Independent Trustees/Directors. Currently, six of each of the Fund's seven Trustees or Directors are Independent Trustees/Directors. Richard W. Lowry, an Independent Trustee/Director, serves as Chairman of each Board. The Chairman's responsibilities include presiding at all meetings of the Boards and serving as a liaison with other Trustees/Directors, the Funds' officers and other management personnel, and counsel to the Funds. The Chairman also performs such other duties as the Boards may from time to time determine.

The Trustees/Directors discharge their responsibilities collectively as a Board, as well as through the Audit Committee, which operates pursuant to a charter approved by each Board. As summarized below, the Audit

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

Committee oversees specific matters related to oversight of the Funds Auditors. The members and responsibilities of each Board committee are summarized below.

Each Board periodically evaluate its structure and composition as well as various aspects of its operations. Each Board believes that its leadership structure, including its Chairman position, is appropriate for the Funds in light of, among other factors, each Fund's asset size and nature of its operations, and the Board's responsibilities. The Boards also believe that the fact that the Chairman is not affiliated with AAI is appropriate in light of the services that AAI and its affiliates provide to the Funds and the potential conflicts of interest that could arise from these relationships. On an annual basis, the Boards and the Audit Committees conduct a self-evaluation that considers, among other matters, whether the Boards and the Audit Committees are functioning effectively and whether, given the size and composition of the Boards and the Audit Committees, the Trustees/Directors are able to effectively oversee the Funds.

The Boards hold four regularly scheduled in-person meetings each year. The Boards may hold special meetings, as needed, either in person or by telephone, to address matters arising between regular meetings. The Independent Trustees/Directors also hold at least one in-person meeting each year during a portion of which management is not present and may hold special meetings, as needed, either in person or by telephone.

The table below sets forth the names, addresses and ages of the Trustees/Directors of the Funds, the year each was first elected or appointed to office, their term of office (which will end on the final adjournment of the annual meeting (or special meeting in lieu thereof) held in the year set forth in the table), their principal business occupations during at least the last five years, the number of portfolios overseen by each Trustee/Director in the Fund Complex and their other directorships of public companies.

****Mr. Burke is an interested person of the Funds, as defined in the 1940 Act, because he is an officer of ALPS Holdings, Inc. and a Director of ALPS Advisors, Inc. and ALPS Fund Services, Inc.*

The Boards believe that the significance of each Trustee's/Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Trustee/Director may not have the same value for another) and that these factors are best evaluated at the board level, with no single Trustee/Director, or particular factor, being indicative of board effectiveness. In addition to the information set forth in the tables above and other relevant qualifications, experience, attributes or skills applicable to a particular Trustee/Director, the following provides further information about the qualifications and experience of each Trustee/Director.

John A. Benning: Mr. Benning has extensive experience in the investment management business, as senior vice president, general counsel and secretary of a financial services company that provides investment management services, including mutual fund, private capital management and institutional asset management services, and multiple years of service as a Director of the Growth Fund and a Trustee of the Equity Fund.

Thomas W. Brock: Mr. Brock has extensive investment management and organizational management experience as chief executive officer of an SEC-registered investment advisor, chairman and trustee of an open-end investment company, adjunct graduate business school professor and several years of service as a Director of the Growth Fund and a Trustee of the Equity Fund.

Edmund J. Burke: Mr. Burke has extensive management and operational experience in the investment management industry as chief executive officer and president of AAI's parent company, a financial services holding company, a director of AAI and certain of its affiliated companies, trustee, chairman and president of an open-end investment company, trustee and president of closed-end investment companies and several years of service as a Director of the Growth Fund and a Trustee of the Equity Fund.

George R. Gaspari: Mr. Gaspari has significant investment management and financial markets experience as a director and chairman of exchange-traded funds, a financial services consultant and multiple years of service as a Director of the Growth Fund and a Trustee of the Equity Fund.

Richard W. Lowry: Mr. Lowry has significant investment management and financial markets experience as a private investor and multiple years of service as a Director of the Growth Fund and a Trustee of the Equity Fund.

John J. Neuhauser: Dr. Neuhauser has extensive investment management experience as an investment company trustee and executive management experience in higher education as a university president, vice president, dean and professor and multiple years of service as a Director of the Growth Fund and a Trustee of the Equity Fund.

Richard C. Rantzow: Mr. Rantzow has extensive financial accounting experience, having spent nearly 30 years at a major independent public accounting firm, including as an audit partner and managing partner, and investment management experience as chairman of an open-end investment company, trustee and audit committee chairman of closed-end investment companies, and several years of service as a Director of the Growth Fund, a Trustee of the Equity Fund and Chairman of the Audit Committee for the Growth Fund and Equity Fund.

During 2012, the Boards held seven meetings, and the Audit Committee held four meetings. Each of these Board and Committee meetings was held jointly by the Funds. All sitting Trustees/Directors were present at all meetings, with the exception of one Trustee/Director who was unable to attend the Funds' Audit Committee Meeting in August 2012. The Funds do not have a formal policy on Trustee/Director attendance at annual meetings of shareholders. None of the Trustees/Directors attended the Funds' 2012 annual shareholder meetings.

Shareholders may communicate with the Trustees/Directors as a group or individually. Any such communications should be sent to the Funds' Boards or an individual Trustee/Director in writing, c/o the Secretary of the Liberty All-Star Funds, 1290 Broadway, Suite 1100, Denver, CO 80203. The Secretary may determine not to forward any letter to the Board or a Trustee/Director that does not relate to the business of the Funds.

Audit Committee

The Funds have separately designated Audit Committees. Messrs. Benning, Brock, Gaspari, Lowry, Neuhauser and Rantzow (Committee Chairman) are members of the Audit Committee of each Fund. Each Fund's Audit Committee is comprised only of Board members who are independent (as defined in the New York Stock Exchange (NYSE) Listing Standards for trustees/directors of closed-end investment companies) of the Funds and who are also not interested persons (as defined in the 1940 Act) of the Fund. Each Board has determined, in accordance with NYSE Listing Standards, that each member of the Audit Committees is financially literate and that one of its members has prior accounting experience or related financial management expertise.

Each Audit Committee has adopted a written Audit Committee charter that sets forth the Audit Committee's structure, duties and powers, and methods of operation. A copy of the Audit Committee Charter is available on the Funds' website at www.all-starfunds.com. The principal functions of each Audit Committee is to assist Board oversight of: (1) the integrity of the Funds' financial statements, (2) the Funds' compliance with legal and regulatory requirements, (3) the qualifications and independence of the independent registered public accounting firm (also referred to herein as the Auditors), (4) the performance of AAI's internal audit function, and (5) the performance of the Auditors. Each Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the Auditors (including the resolution of disagreements between management and the Auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other review or attest services for the Fund.

Audit Committee Report

The Audit Committee of each Fund has submitted the following report:

At a meeting of the Audit Committee on February 21, 2013, the Audit Committee: (i) reviewed and discussed with management the Funds' audited financial statements for the most recently completed fiscal year; (ii) discussed with Deloitte & Touche LLP (D&T) the matters required to be discussed by Statement on Auditing Standards No. 114 and (iii) has received from D&T the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding D&T's communications with the Audit Committee concerning independence, and has discussed with D&T its independence and satisfied itself as to D&T's independence.

Members of the Audit Committee are not employed by the Funds as experts in the fields of auditing or accounting and are not employed by the Funds for accounting, financial management or internal control purposes. Members of the Audit Committee may rely without independent verification on the information provided and the representations made to them by management and D&T.

Based upon its review and discussion, and subject to the limitations on the role and responsibilities of the Audit Committee set forth above and in the Audit Committee's charter, the Audit Committees recommended to the Board of Trustees/Directors that the audited financial statements for the Funds be included in the Funds' Annual Report to shareholders.

Nomination Information

Neither Fund has a nominating or compensation committee. The Boards do not believe that a nominating committee is necessary because there has been minimal turnover in the Trustees/Directors serving on the Board of each Fund.

When necessary or appropriate, the Independent Trustees/Directors of each Fund serve as an *ad hoc* committee for the consideration of Trustee/Director nominations. No *ad hoc* nominating committee of either Fund has adopted a charter. Independent Trustees/Directors are nominated only by the *ad hoc* nominating committee.

The Independent Trustees/Directors consider prospective Trustee/Director candidates from any reasonable source, including current Independent Trustees/Directors, Fund management, Fund shareholders and other persons or entities. Although the Funds do not have a formal policy, shareholders of a Fund who wish to nominate a candidate to be considered by a Fund's Board or an *ad hoc* nominating committee of the Board may send information regarding prospective candidates to the Funds' Secretary at 1290 Broadway, Suite 1100, Denver, CO 80203. Pursuant to each Fund's Restated By-Laws, shareholders who wish to nominate a candidate to be considered at an annual or special meeting must provide timely notice to the Funds and be entitled to vote on the nominee at the time notice is given. A shareholder notice must set forth all the information required in the applicable provisions of the By-Laws, including evidence of the shareholders' Fund ownership, a full listing of the proposed candidate's education, experience, current employment, date of birth, names and addresses of at least three professional references, information as to whether the candidate is an interested person under the 1940 Act in relation to the Fund, and such other information as may be helpful to the Independent Trustees/Directors in evaluating the candidate. All information packages regarding a candidate that are satisfactorily completed in accordance with the Fund's By-Laws will be forwarded to a Independent Trustee/Director for consideration. Recommendations for candidates will be evaluated in light of whether the number of Trustees/Directors of a Fund is expected to be increased and in light of anticipated vacancies. During periods when the Independent Trustees/Directors are not recruiting new Board members, nominations will be maintained on file pending the active recruitment of Trustees/Directors.

The Independent Trustees/Directors have no formal list of qualifications for Trustee/Director nominees. When considering prospective nominees, the Independent Trustees/Directors may consider, among other things, a prospective nominee's general experience, qualifications, attributes and such other qualifications as the Independent Trustees/Directors may deem appropriate from time to time. These qualifications may include whether prospective nominees have distinguished records in their primary careers, unimpeachable integrity, and substantive knowledge in areas important to the Board's operations, such as background or education in finance, auditing, securities law, the workings of the securities markets, or investment advice. For candidates to serve as Independent Trustees/Directors, independence from the Funds' investment advisor, its affiliates and other principal service providers is critical, as is an independent and questioning mind-set. In each case, the Independent Trustees/Directors will evaluate whether a candidate is an interested person under the 1940 Act. The Independent Trustees/Directors also consider whether a prospective candidate's workload should allow him or her to attend the vast majority of Board meetings, be available for service on Board committees, and devote the additional time and effort necessary to stay apprised of Board matters and the rapidly changing regulatory environment in which the Funds operate. Different substantive areas may assume greater or lesser significance at particular times, in light of a Board's present composition and its perceptions about future issues and needs. In considering nominees, the Independent Trustees/Directors also consider the diversity of the Board with respect to professional experience, education, skill and viewpoint.

The Independent Trustees/Directors initially evaluate prospective candidates on the basis of their resumes, considered in light of the criteria discussed above. Those prospective candidates that appear likely to be able to fill a significant need of the Boards would be contacted by a Independent Trustee/Director by telephone to discuss the position; if there appeared to be sufficient interest, an in-person meeting with one or more Independent Trustees/Directors would be arranged. If the Independent Trustees/Directors, based on the results of these contacts, believed it had identified a viable candidate, it would air the matter with the full group of Independent Trustees/Directors for input. Any request by Fund management to meet with the prospective candidate would be given appropriate consideration. The Funds have not paid a fee to third parties to assist in finding nominees.

Portfolio Transactions and Brokerage

Each of the Funds' Portfolio Managers has discretion to select brokers and dealers to execute portfolio transactions initiated by that Portfolio Manager for the portion of a Fund's portfolio assets allocated to it, and to select the markets in which such transactions are to be executed. The portfolio management agreements with the Funds provide, in substance, that in executing portfolio transactions and selecting brokers or dealers, the primary responsibility of the

Portfolio Managers is to seek to obtain best net price and execution for the Funds.

The Portfolio Managers are authorized to cause the Funds to pay a commission to a broker or dealer who provides research products and services to the Portfolio Manager for executing a portfolio transaction which is in excess of the amount of commission another broker or dealer would have charged for effecting the same transaction. The Portfolio Managers must determine in good faith, however, that such commission was reasonable in relation to the value of the research products and services provided to them, viewed in terms of that particular transaction or in terms of all the client accounts (including the Funds) over which the Portfolio Manager exercises investment discretion. It is possible that certain of the services received by a Portfolio Manager attributable to a particular transaction will primarily benefit one or more other accounts for which investment discretion is exercised by the Portfolio Manager.

In addition, under their portfolio management agreements with the Funds and AAI, the Portfolio Managers, in selecting brokers or dealers to execute portfolio transactions for the Funds, are authorized to consider (and AAI may request them to consider) brokers or dealers that provide to AAI, directly or through third parties, research products or services such as research reports; portfolio analyses; compilations of securities prices, earnings, dividends and other data; computer software, and services of one or more consultants. The commissions paid on such transactions may exceed the amount of commission another broker would have charged for effecting that transaction. Research products and services made available to AAI include performance and other qualitative and quantitative data relating to investment managers in general and the Portfolio Managers in particular; data relating to the historic performance of categories of securities associated with particular investment styles; mutual fund portfolio and performance data; data relating to portfolio manager changes by pension plan fiduciaries; and related computer software, all of which are used by AAI in connection with its selection and monitoring of Portfolio Managers, the assembly of an appropriate mix of investment styles, and the determination of overall portfolio strategies.

AAI from time to time reaches understandings with each of the Funds' Portfolio Managers as to the amounts of the Funds' portfolio transactions initiated by such Portfolio Manager that are to be directed to brokers and dealers which provide or make available research products and services to AAI and the commissions to be charged to the Funds in connection therewith. These amounts may differ among the Portfolio Managers based on the nature of the market for the types of securities managed by them and other factors.

Although the Funds do not permit a Portfolio Manager to act or to have a broker-dealer affiliate act as broker for Fund portfolio transactions initiated by it, the Portfolio Managers are permitted to place Fund portfolio transactions initiated by them with another Portfolio Manager or its broker-dealer affiliate for execution on an agency basis, provided that the commission does not exceed the usual and customary broker's commission being paid to other brokers for comparable transactions and is otherwise in accordance with the Funds' procedures adopted pursuant to Rule 17e-1 under the 1940 Act. For the fiscal year ended December 31, 2012, the Funds did not pay commissions to any affiliated broker.

On February 15, 2000, the Securities and Exchange Commission (the "SEC") issued the Funds exemptive relief from Sections 10(f), 17(a) and 17(e) and Rule 17e-1 under the 1940 Act to permit (1) broker-dealers which are, or are affiliated with, Portfolio Managers of the Funds to engage in principal transactions with, and provide brokerage services to, portion(s) of the Funds advised by another Portfolio Manager, and (2) the Funds to purchase securities either directly from a principal underwriter which is an affiliate of a Portfolio Manager or from an underwriting syndicate of which a principal underwriter is affiliated with a Portfolio Manager of the Funds. The Funds currently rely on Rule 17a-10 under the 1940 Act rather than this exemptive relief.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Boards have selected Deloitte & Touche LLP ("D&T") as independent registered public accountants. D&T serves as the Auditors for each Fund and provides audit services, audit-related services, tax services and/or other services to the Funds. Representatives of D&T are not expected to be present at the Meetings but have been given the opportunity to make a statement if they so desire and will be available should any matter arise requiring their presence.

Pre-Approval of Audit and Non-Audit Services

Each Fund's Audit Committee is required to pre-approve the engagement of the Fund's Auditor to provide audit and non-audit services to the Fund and non-audit services to AAI or any entity controlling, controlled by or under common

control with AAI that provides ongoing services to the Fund (AAI Affiliates), if the engagement relates directly to the operations or financial reporting of the Fund, including the fees and other compensation to be paid to the Auditor.

The Funds' Audit Committees have adopted a Policy for Engagement of Auditors for Audit and Non-Audit Services (Policy). The Policy sets forth the understanding of the Audit Committees regarding the engagement of the Funds' Auditors to provide: (i) audit and permissible audit-related, tax and other services to the Funds; (ii) non-audit services to AAI and AAI Affiliates, if the engagement relates directly to the operations or financial reporting of a Fund; and (iii) other audit and non-audit services to AAI and AAI Affiliates. Unless a type of service receives general pre-approval under the Policy, it requires specific pre-approval by the Audit Committees if it is to be provided by the Auditors. Pre-approval of non-audit services to the Funds, AAI or AAI Affiliates may be waived provided that the de minimis requirements set forth in the SEC's rules relating to pre-approval of non-audit services are met.

Under the Policy, the Audit Committees may delegate pre-approval authority to any pre-designated member or members who are Independent Trustees/Directors. The member(s) to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the applicable Audit Committee at its next regular meeting. The Audit Committees' responsibilities with respect to the pre-approval of services performed by the Auditors may not be delegated to management.

The Policy requires the Fund Treasurer and/or Director of Fund Administration to submit to the Audit Committees, on an annual basis, a schedule of the types of services that are subject to general pre-approval. The schedule(s) provide a description of each type of service that is subject to general pre-approval and, where possible, will provide estimated fee caps for each instance of providing each service. The Audit Committees will review and approve the types of services and review the projected fees for the next fiscal year and may add to, or subtract from, the list of general pre-approved services from time to time based on subsequent determinations. That approval acknowledges that each Fund's Audit Committee is in agreement with the specific types of services that the Auditors will be permitted to perform.

Fees Paid to Independent Registered Public Accounting Firm

The following table sets forth for each Fund the aggregate fees charged by D&T for the fiscal year ended December 31, 2011, and 2012 for professional services rendered for (a) all audit and non-audit services provided directly to the Fund and (b) those non-audit services provided to AAI and AAI Affiliates that relate directly to the Fund's operations and financial reporting under the following captions:

- (i) **Audit Fees** - fees related to the audit and review of the financial statements included in annual reports and registration statements, and other services that are normally provided in connection with statutory and regulatory filings or engagements.
- (ii) **Audit-Related Fees** - fees related to assurance and related services that are reasonably related to the performance of the audit or review of financial statements, but not reported under **Audit Fees**.
- (iii) **Tax Fees** - fees associated with tax compliance, tax advice and tax planning, including services relating to the filing or amendment of federal, state or local income tax returns, regulated investment company qualification reviews, and reviews of calculations of required distributions to avoid excise tax.
- (iv) **All Other Fees** - fees for products and services provided to the Fund by D&T other than those reported under **Audit Fees**, **Audit-Related Fees** and **Tax Fees**.

During the Funds' fiscal years ended December 31, 2011 and 2012, no services described under **Audit-Related Fees**, **Tax Fees** or **All Other Fees** were approved pursuant to the de minimis exception set forth in paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X. All of the **Audit Fees**, **Audit-Related Fees** and **Tax Fees** by D&T were pre-approved by each Fund's Audit Committee.

	Aggregate Non-					
	Audit Fees					
	Fiscal	Audit-Related			All	(Audit Related + Tax
Year	Audit Fees	Fees	Tax Fees	Other	Fees	Fees)
Equity Fund	2011	\$41,000	\$0	\$3,685	\$0	\$3,685
	2012	\$41,000	\$0	\$3,790	\$0	\$3,790
Growth Fund	2011	\$24,700	\$0	\$3,685	\$0	\$3,685
	2012	\$24,700	\$0	\$3,790	\$0	\$3,790

	2012	\$0	\$0	\$0	\$0	\$0
AAI & AAI Affiliates (relating directly to the operating financial reporting of the Growth Fund)	2011	\$0	\$0	\$0	\$0	\$0
	2012	\$0	\$0	\$0	\$0	\$0

Each Fund's Audit Committee has determined that the provision by D&T of non-audit services to AAI and/or AAI Affiliates that were not pre-approved by the Audit Committee (because such services did not relate directly to the operations and financial reporting of the Fund) was compatible with maintaining the independence of D&T as the Fund's Auditors. All services provided by D&T to a Fund for 2011 and 2012 that were required to be pre-approved by the Audit Committees were pre-approved.

INFORMATION ABOUT THE MEETING

Each proxy solicited by the Boards which is properly executed and returned in time to be voted at the Meetings will be voted at the Meetings in accordance with the instructions on the proxy. If no specification is made on a proxy, it will be voted FOR the election as Trustees/Directors of the Funds of the nominees named under Proposals 1 and 2. Any proxy may be revoked at any time prior to its use by written notification received by the Funds' Secretary, by the execution and delivery of a later-dated proxy, or by attending the Meetings and voting in person.

For each Fund, a majority of the shares outstanding on the record date and entitled to vote, present and in person or represented by proxy, constitutes a quorum for the transaction of business by the shareholders of that Fund at the Meeting.

Required Vote. Only shareholders of record of a Fund on June 14, 2013 may vote. Each nominee will be voted on separately. The election of the Trustees of the Equity Fund is by a plurality of the shares voting at the Meeting. Since three Trustees of the Equity Fund are to be elected, the three persons who receive the highest number of votes cast at the Meeting will be elected. The election of the Directors of the Growth Fund is by a majority vote of the shares represented in person or by proxy at the Meeting and entitled to vote. Since two Directors of the Growth Fund are to be elected, the two persons who receive a majority of the votes entitled to be cast at the Meeting will be elected.

Abstentions and broker non-votes will be counted as present for purposes of determining whether a quorum is present but will not be voted for or against any proposal. The approval of the Proposal with respect to the Growth Fund is based on the number of shares represented in person or by proxy at the Meeting and entitled to vote. Therefore, abstentions and broker non-votes will effectively be a vote against each Growth Fund Proposal. Broker non-votes occur where: (i) shares represented at the Meeting are held by brokers or nominees, typically in street name; (ii) instructions have not been received from the beneficial owners or persons entitled to vote the shares; and (iii) the broker or nominee does not have discretionary voting power on a particular matter.

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

The Chairman or the persons named as proxies may propose one or more adjournments of the Meetings to permit further solicitation of proxies. A shareholder vote may be taken on one or more of the proposals referred to above prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. In the event of an adjournment, no notice is required other than an announcement at the meeting at which adjournment is taken.

All shareholders of record of a Fund on June 14, 2013 are entitled to one vote for each share held. As of the record date, there were 186,370,843 outstanding shares of beneficial interest of Equity Fund and 23,175,491 outstanding shares of common stock of Growth Fund. To the knowledge of the Funds, on the record date for the Meetings, as of June 14, 2013, the following persons were known to own more than 5% of the outstanding securities of the Funds:

***Based on SC13D filing made with the SEC as of December 29, 2011.

****Based on SC13G filing made with the SEC as of February 9, 2012.

The Growth Fund opted into the Maryland Control Share Acquisition Act (the "MCSAA"). Subsequent to the Growth Fund's opt in, the SEC issued a no-action letter that raises questions regarding whether opting in to the MCSAA is consistent with Section 18(i) of the 1940 Act. The Growth Fund is evaluating this letter and is determining what impact, if any, the letter has on the Fund and its ability to rely on the MCSAA.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Funds' Trustees/Directors and officers and persons who own more than ten percent of the Funds' outstanding shares and certain officers and directors of the Funds' investment advisors (collectively, "Section 16 reporting persons") to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of Fund shares. Section 16

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

reporting persons are required by SEC regulations to furnish the Funds with copies of all Section 16(a) forms they file. To the Funds' knowledge, based solely on a review of the copies of such reports furnished to the Funds and on representations made, all Section 16 reporting persons complied with all Section 16(a) filing requirements applicable to them for the year ended December 31, 2012, with one exception. One late Form 4 filing occurred in 2012 for Trustee Richard Lowry regarding multiple sales of shares of Equity Fund.

OTHER INFORMATION

The December 31, 2012 Annual Report for each Fund was mailed to shareholders prior to this proxy statement. You may obtain an additional copy of the Annual Report and/or the semi-annual report for each Fund dated June 30, 2012, free of charge, by writing to the Fund c/o ALPS Fund Services, Inc., 1290 Broadway, Suite 1100, Denver, CO 80203, or by calling 1-800-241-1850.

SUBMISSION OF CERTAIN SHAREHOLDER PROPOSALS

Under the SEC's proxy rules, shareholder proposals meeting tests contained in those rules may, under certain conditions, be included in the Funds' proxy material for a particular annual shareholders meeting. Under the foregoing proxy rules, proposals submitted for inclusion in the proxy material for the 2014 Annual Meetings must be received by the Funds on or before February 28, 2014. The fact that the Funds receive a shareholder proposal in a timely manner does not ensure its inclusion in its proxy material, since there are other requirements in the proxy rules relating to such inclusion.

Shareholders who wish to make a proposal that would not be included in a Fund's proxy materials or to nominate a person or persons as Trustee/Director at a Fund's 2014 Annual Meeting must ensure that the proposal or nomination is delivered to the Secretary of the Fund no earlier than January 30, 2014 and no later than February 28, 2014. If the date of the 2014 Annual Meetings are held before July 30, 2014 or after September 28, 2014, then the proposal or nomination must be received by the later of 120 days prior to the annual meeting or the tenth day following the date that a public announcement of the meeting is first made. The proposal or nomination must be in good order and in compliance with all applicable legal requirements and the requirements set forth in the applicable Fund's Restated By-laws. The chairperson of the Annual Meetings may refuse to acknowledge any proposal or nomination that does not meet the legal and By-law requirements.

You must submit any shareholder proposals and nominations to the Secretary of the Funds, 1290 Broadway, Suite 1100, Denver, Colorado 80203.

The persons named as proxies for the 2013 Annual Meetings will have discretionary authority to vote on all matters presented at the meeting consistent with SEC's proxy rules.
