American Homes 4 Rent Announces Share Purchase Agreement

With The Alaska Permanent Fund Corporation

AGOURA HILLS, California American Homes 4 Rent (the "Company") today announced that the Alaska Permanent Fund Corporation, acting on behalf of the funds which the Alaska Permanent Fund Corporation is designated by Alaska Statutes 37.13 to manage and invest ("APFC"), has agreed to purchase \$25 million of the Company's Class A common shares in a private placement at the offering price in the Company's previously announced initial public offering, without payment of any underwriting discounts or placement fees. The private placement is expected to close on the same day as the closing of the Company's initial public offering and is contingent upon completion of the initial public offering.

The share purchase agreement contains customary terms, including representations, warranties, covenants and indemnities. In addition, the Class A common shares purchased by APFC will be covered by an existing registration rights agreement with APFC and will be subject to a 180 day lock-up period following completion of the Company's initial public offering.

Forward-Looking Statements

This press release contains forward-looking statements. These forward-looking statements relate to beliefs, expectations or intentions and similar statements concerning matters that are not of historical fact and are generally accompanied by words such as estimate, project, predict, believe, expect, anticipate, intend, anticipate, potential, plan, goal or other words that convey the uncertainty of future events or outcomes. Forward-looking statements may include, but are not limited to, expectations concerning the Company's ability to complete the private placement and initial public offering. The Company has based these forward-looking statements on its current expectations and assumptions about future events. While the Company's management considers these expectations to be reasonable, they are inherently subject to risks, contingencies and uncertainties, most of which are difficult to predict and many of which are beyond the Company's control. Investors should not place undue reliance on these forward-looking statements.
