Item 1.01. Entry into a Material Definitive Agreement.

On November 21, 2013, Forestar Group Inc., a Delaware corporation (the *Company*), entered into an underwriting agreement (the *Underwriting Agreement*) with Goldman, Sachs & Co., as representative of the several underwriters named therein (the *Underwriters*), related to a public offering of 5,400,000 6.00% Tangible Equity Units (the *Firm Units*), each with a stated amount of \$25.00. Pursuant to the terms of the *Underwriting Agreement*, the *Company* granted the *Underwriters* an option to purchase up to 600,000 additional Units (the *Optional Units* and, together with the *Firm Units*, the *Units*) which the underwriters exercised in full on November 22, 2013. On November 27, 2013, the *Company* closed the underwritten public offering of an aggregate of 6,000,000 Units, which amount included the full number of *Optional Units*.

Each Unit is comprised of (i) a prepaid stock purchase contract (each a *Purchase Contract*) that shall be settled by delivery of a number of shares of the *Company*'s common stock, par value \$1.00 per share (*Common Stock*) to be determined pursuant to the *Purchase Contract Agreement* (as defined below) and (ii) a senior amortizing note due December 15, 2016 (each an *Amortizing Note*) that has an initial principal amount of \$4.2522, bears interest at a rate of 4.50% per annum and has a final installment payment date of December 15, 2016.

Purchase Contracts

In connection with the issuance of the Units, the *Company* entered into a *Purchase Contract Agreement* (the *Purchase Contract Agreement*), dated as of November 27, 2013, with U.S. Bank National Association, as purchase contract agent and as attorney-in-fact for the holders of the *Purchase Contracts* from time to time, and as trustee under the *Indenture* (as defined below).

Unless settled earlier at the holder's option, on December 15, 2016 (subject to postponement in certain limited circumstances), each *Purchase Contract* will automatically settle, and the *Company* will deliver a number of shares of *Common Stock* based on the sum of the daily settlement amounts (as defined below) for each of the 20 consecutive trading days (as defined in the *Purchase Contract Agreement*) during the period beginning on, and including, the 22nd scheduled trading day immediately preceding December 15, 2016 (such period, the *observation period*). The daily settlement amount for each purchase contract and for each of the 20 consecutive trading days during the *observation period* consists of:

if the daily VWAP is equal to or greater than \$22.9080 per share (subject to adjustment in accordance with the terms of the *Purchase Contract Agreement*) (the *threshold appreciation price*), a number of shares of *Common Stock* equal to (i) 1.0913 shares of *Common Stock* (subject to adjustment in accordance with the terms of the *Purchase Contract Agreement*) (the *minimum settlement rate*) divided by (ii) 20;

if the daily VWAP is less than the *threshold appreciation price* but greater than \$19.09 per share (subject to adjustment in accordance with the terms of the *Purchase Contract Agreement*) (the *reference price*), a number of shares of *Common Stock* equal to \$1.25, which is 1/20 of the \$25.00 stated amount of each Unit, divided by the daily VWAP; and

if the daily VWAP of *Common Stock* is less than or equal to the *reference price*, a number of shares of *Common Stock* equal to (i) 1.3095 shares of *Common Stock* (subject to adjustment in accordance with the terms of the *Purchase Contract Agreement*) (the *maximum settlement rate*) divided by (ii) 20.

Edgar Filing: Forestar Group Inc. - Form 8-K

The initial minimum settlement rate is approximately equal to the Unit stated amount of \$25.00 divided by the initial threshold appreciation price of \$22.9080 per share. The initial maximum settlement rate is approximately equal to the Unit stated amount of \$25.00 divided by the initial reference price of \$19.09 per share.

On any business day during the period beginning on, and including, the business day immediately following the date of initial issuance of the Units to, but excluding, the third business day immediately preceding December 15, 2016, any holder of a Purchase Contract may settle its Purchase Contract early, and the Company will deliver to such holder a number of shares of Common Stock equal to the minimum settlement rate as determined under the Purchase Contract Agreement. In addition, if a fundamental change (as defined in the Purchase Contract Agreement) occurs and the Purchase Contract holder elects to settle its Purchase Contract early in connection with such fundamental change, such holder will receive a number of shares of Common Stock based on the fundamental change early settlement rate, as determined under the Purchase Contract Agreement.

The Company will not have the right to require early settlement of the Purchase Contracts. Except for cash payments in lieu of fractional shares, the Purchase Contract holders will not receive any cash payments under the Purchase Contracts.

Amortizing Notes

In connection with the issuance of the Amortizing Notes, the Company entered into a Second Supplemental Indenture, dated as of November 27, 2013, with the Trustee (the Second Supplemental Indenture) to the Indenture dated as of February 26, 2013 with U.S. Bank National Association, as trustee (the Base Indenture and, together with the Second Supplemental Indenture, the Indenture).

On each March 15, June 15, September 15 and December 15, commencing on March 15, 2014, the Company will pay holders of Amortizing Notes equal quarterly cash installments of \$0.3750 per Amortizing Note (or, in the case of the installment payment due on March 15, 2014, \$0.4500 per amortizing note) (such installments, the installment payments), which cash installment payments in the aggregate will be equivalent to a 6.00% cash distribution per year with respect to each \$25.00 stated amount of Units. Each installment payment will constitute a payment of interest (at a rate of 4.50% per annum) and a partial repayment of principal on each Amortizing Note, allocated as set forth in the amortization schedule provided in the Indenture.

The Indenture contains certain covenants by the Company, including, a covenant that limits the Company's ability to amalgamate, consolidate, merge, sell or otherwise dispose of all or substantially all of its assets. The Indenture also contains customary events of default which would permit the holders of the Amortizing Notes to declare those Amortizing Notes to be immediately due and payable if not cured within applicable grace periods, including the failure to make timely installment payments on the Amortizing Notes or other material indebtedness, the failure to satisfy covenants and specified events of bankruptcy and insolvency.

Each Unit may be separated into its constituent Purchase Contract and Amortizing Note after the initial issuance date of the Units, and the separate components may be combined to create a Unit, in each case in accordance with the terms of the Purchase Contract Agreement.

The Company does not intend to apply for a listing of the Units, the separate Purchase Contracts or the separate Amortizing Notes on any securities exchange or automated inter-dealer quotation system.

The sale of the Units was made pursuant to the Company's Registration Statement on Form S-3 (File No. 333-192442) (the Registration Statement), as supplemented by a preliminary prospectus supplement filed with the Securities and Exchange Commission on November 20, 2013 and a final prospectus supplement filed with the SEC on November 22, 2013 pursuant to Rule 424(b) under the Securities Act of 1933, as amended.

The Company intends to use the net proceeds from the issuance of the Units of approximately \$144.8 million for general corporate purposes, including investments in strategic growth opportunities.

The foregoing description of the Underwriting Agreement, the Purchase Contract Agreement, the Indenture and the related instruments and transactions associated therewith does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the agreements and instruments, each of which is attached hereto and are incorporated herein by reference.
