## PRESS RELEASE

### **ING U.S. Announces Sale by ING Group of 33.8 Million Shares of ING U.S. Common Stock**

#### *ING U.S. Repurchases Approximately 7.3 Million Shares*

NEW YORK, March 19, 2014 ING U.S., Inc. (NYSE: VOYA), which will rebrand as Voya Financial, Inc. in 2014, announced today the pricing of 26,500,000 shares of its common stock being offered by ING Group at a price to the public of \$35.23 per share. In addition, ING U.S. will repurchase from ING Group 7,255,853 shares of its common stock at a price of \$34.45494 per share (equal to the public offering price, less \$0.77506 per share in underwriting discounts and commissions) pursuant to the terms of a share repurchase agreement with ING Group. In total, ING Group will be selling approximately 33.8 million shares of ING U.S. common stock, thereby reducing its ownership stake in ING U.S. to approximately 45% immediately following the closing of the transaction.

Today's sale of ING U.S. common stock by ING Group marks another important milestone for ING U.S., as ING Group will cease to be our majority shareholder, said Rodney O. Martin, Jr., Chairman and CEO of ING U.S., Inc. We are grateful to ING Group for their partnership throughout this process. We are also pleased that we are able to make effective use of excess capital by repurchasing roughly 7.3 million shares of our common stock. We remain committed to delivering on our long-term return on equity improvement objectives and to continuing to deliver value for our shareholders.

As part of the offering, ING Group has granted the underwriters for the transaction an option to purchase up to 3,975,000 additional shares at the offering price. If fully exercised, this option would further reduce ING Group's ownership in ING U.S. to approximately 43%.

ING U.S. will not receive any proceeds from the offering. Closing of the public offering and of the share repurchase are expected to occur on March 25, 2014, subject to a number of closing conditions.

Morgan Stanley & Co. LLC, Goldman, Sachs & Co., Citigroup Global Markets Inc., and BofA Merrill Lynch are acting as joint global coordinators for the public offering.

The preliminary prospectus for the public offering is available from the Securities and Exchange Commission's website at:
