Item 1.01. Entry into a Material Definitive Agreement.

On November 24, 2014, Restoration Hardware, Inc. and Restoration Hardware Canada, Inc., wholly-owned subsidiaries of Restoration Hardware Holdings, Inc., entered into a Tenth Amended and Restated Credit Agreement (the Credit Agreement), dated as of November 24, 2014, among Restoration Hardware, Inc. and Restoration Hardware Canada, Inc., as borrowers, the guarantors party thereto, the lenders party thereto and Bank of America, N.A. as administrative agent and collateral agent. The Credit Agreement amends and restates the existing Ninth Amended and Restated Credit Agreement dated as of August 3, 2011, as amended (the Existing Credit Agreement). The Credit Agreement increases the revolving line of credit under the Existing Credit Agreement by \$182.5 million, while eliminating the \$15.0 million term loan facility under the Existing Credit Agreement. Under the Credit Agreement, Restoration Hardware, Inc. has a revolving line of credit available of up to \$600.0 million, of which \$10.0 million is available to Restoration Hardware Canada, Inc. Restoration Hardware, Inc. has the option to increase the amount of the revolving line of credit by up to an additional \$200.0 million, subject to satisfaction of certain customary conditions at the time of such increase. The interest rate spread over the LIBOR base rate for the Credit Agreement is within a range of 1.25% to 1.75%, based on availability under the Credit Agreement.

The availability of credit at any given time under the Credit Agreement is limited by reference to a borrowing base formula based upon numerous factors, including the value of eligible inventory and eligible accounts receivable. All obligations under the credit facility are secured by substantially all of the assets of the borrowers and guarantors thereunder.

The Credit Agreement contains various restrictive covenants, including limitations on the ability to grant liens, make loans or other investments, incur additional debt, issue additional equity, merge or consolidate with or into another person, sell assets, pay dividends or make other distributions or enter into transactions with affiliates, along with other restrictions and limitations typical to credit agreements of this type and size. The Credit Agreement does not contain any significant financial or coverage ratio covenants unless the domestic availability under the revolving line of credit is less than the greater of (i) \$20.0 million and (ii) 10% of the lesser of (A) the aggregate domestic commitments under the Credit Agreement and (B) the domestic borrowing base. If the availability under the Credit Agreement is less than the foregoing amount, then Restoration Hardware, Inc. is required to maintain a consolidated fixed charge coverage ratio of at least 1.0 to 1.0. Such ratio is calculated on a trailing twelve-month basis as approximately the ratio of (a) (i) consolidated EBITDA (as defined in the agreement) minus (ii) capital expenditures, minus (iii) the income taxes paid in cash to (b) the sum of (i) debt service charges plus (ii) certain dividends and distributions paid.

The above description is a summary only and is qualified in its entirety by reference to the Credit Agreement, which is attached as Exhibit 10.1 hereto and is incorporated herein by reference.

A copy of the press release announcing the Company's Credit Agreement is attached to this Current Report on Form 8-K as Exhibit 99.1.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure under Item 1.01 above is incorporated herein by reference.
