The Term Loan Agreement provides for a \$1.75 billion term facility that may be borrowed substantially concurrently with the closing of the Acquisition (as defined below) and matures on the fifth anniversary of the Acquisition Closing Date (as defined below) (the *Term Loan Maturity Date*). The Term Loan Agreement also provides that the Company shall make quarterly amortization payments in an amount equal to 2.50% of the principal amount of the loans commencing on the last business day of the Company's third full fiscal quarter ending after the Acquisition Closing Date. The proceeds of the borrowing under the Term Loan Agreement will be used to (i) finance the consummation of the acquisition of Blue Acquisition Group, Inc.
