To Our Stockholders:

2014 was a terrific year for Blackstone Mortgage Trust, Inc. (BXMT) and our stockholders. In the second year following our re-IPO, we continued to build on the leadership position we've established in the market, originating \$3.4 billion of new loans during the year. This is an exceptional volume which effectively doubled the size of the business, and reflects our compelling value proposition and broad market presence. We've also garnered great acceptance as a large-scale lender, cementing an enduring reputation for fair dealing and generating a substantial base of repeat borrowers.

Our business continues to thrive within the broader Blackstone real estate platform—the leading real estate investor in the world. Our affiliation with Blackstone brings us many unique advantages, including tremendous access to deal-flow, the best financing terms, and unparalleled insights into properties and markets.

The strength of our platform has translated into compelling risk-adjusted returns for our stockholders. In fact, since our re-launch less than two years ago, we've generated a total return of 37% for our stockholders, exclusively within the risk profile of senior loans. And we've sharply grown the dividend from an annualized rate of \$1.80 per share in our first year to an annualized rate of \$2.08 per share exiting 2014.

A few additional highlights from the year:

High-Quality Growth. We doubled our asset base to \$4.5 billion at the end of 2014, expanded our global footprint and increased our number of borrower relationships to over 40. We haven't strayed from our discipline in search for growth or yield, and our loan portfolio remains almost 100% senior loans with strong underlying credit profiles.

Larger Loan Sizes. As the company has grown, we've targeted larger loans where we can better assert the advantage of our Blackstone affiliation. In addition, there is generally less competition at the higher end of the market. Our average new loan size was \$121 million exiting 2014, versus \$93 million at the end of the prior year.

Repeat Borrowers. More than half of our loans are now with sponsors that have borrowed more than once from BXMT, which is a strong validation of the way we do business.

European Expansion. Although not a new market for Blackstone, Europe represents a significant opportunity for BXMT. We opportunistically expanded our presence in Europe, which we believe is earlier in its recovery than the United States and where we believe we can generate higher attractive returns on more stabilized collateral.

Greater Credit Capacity. As our asset base has increased, we've kept pace on the right hand side of the balance sheet too, increasing the depth and diversity of our financing sources, bringing our total debt capacity to \$4.4 billion, without compromising market-leading terms and structure.

Disciplined Capital Raises. To support our growth, we raised a total of \$763 million in three common equity raises in 2014, all of which were accretive to book value per share. As we've grown, the hallmark of that growth has been discipline, and we've preserved the positive ramp in our dividend despite a growing equity base.

Post year-end, we announced the transformative acquisition of a \$4.6 billion portfolio of loans from GE Capital Real Estate, which significantly accelerates our effort to build scale and further advances our leadership position in the market. This was part of the larger acquisition of much of GE Capital's real estate business by

Blackstone funds, and further highlights the unparalleled benefits of Blackstone sponsorship. We expect the acquisition to be materially accretive to our earnings and dividend.

I am very pleased with BXMT's accomplishments to date, and the position of strength with which we move into 2015. We're not slowing down, and I believe our company and our stockholders have much to look forward to. On behalf of myself, Stephen Plavin and the rest of the BXMT management team, as well as everyone at Blackstone, I thank you for your continued support.

Sincerely,

/s/ Michael B. Nash

PROXY STATEMENT FOR

2015 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON JUNE 16, 2015

This proxy statement is being furnished by and on behalf of the board of directors of Blackstone Mortgage Trust, Inc., a Maryland corporation, or the Company, BXMT, we, us or our, in connection with the solicitation of proxies to be voted at the 2015 annual meeting of stockholders, or the annual meeting. We are furnishing the proxy materials for the 2015 annual meeting electronically using the Internet through the mailing to our stockholders of a Notice of Internet Availability of Proxy Materials, or the Notice and Access Card. The Notice and Access Card furnishing this proxy statement and the enclosed proxy card and our 2014 annual report to stockholders will be first mailed to stockholders of record on or about April 28, 2015.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the proxy statement, we answer some common questions regarding our 2015 annual meeting and the voting of shares at the meeting.

Where and when will the annual meeting be held?

The meeting will be held at the offices of Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, New York 10017 at 10:00 a.m., Eastern Daylight Time, on Tuesday, June 16, 2015.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of proxy materials?

The United States Securities and Exchange Commission, or the SEC, has approved Notice and Access rules relating to the delivery of proxy materials over the Internet. These rules permit us to furnish proxy materials, including this proxy statement and our annual report, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Most stockholders will not receive paper copies of the proxy materials unless they request them. Instead, the Notice and Access Card, which will be mailed to our stockholders, provides instructions regarding how you may access and review all of the proxy materials on the Internet. The Notice and Access Card also instructs you as to how you may authorize your proxy via the Internet or by telephone. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials printed on the Notice and Access Card.

Can I vote my shares by filling out and returning the Notice and Access Card?

No. The Notice and Access Card identifies the items to be voted on at the annual meeting, but you cannot vote by marking the Notice and Access Card and returning it. The Notice and Access Card provides instructions on how to authorize your proxy via the Internet or by telephone or vote in person at the annual meeting or to request a paper proxy card, which will contain instructions for authorizing a proxy by the Internet, by telephone or by returning a

signed paper proxy card.

Table of Contents

How do I vote my shares in person at the annual meeting?

First, you must satisfy the requirements for admission to the annual meeting (see below). Then, if you are a stockholder of record as of the close of business on April 14, 2015, and prefer to vote your shares at the annual meeting, you must bring *proof of identification along with your Notice and Access Card or proof of stock ownership*. You may vote shares held in street name at the annual meeting only if you obtain a signed proxy from the record holder (broker, bank or other nominee) giving you the right to vote the shares.

Even if you plan to attend the annual meeting, we encourage you to vote in advance by Internet, telephone or mail so that your vote will be counted even if you later decide not to attend the annual meeting.

Do I need a ticket to be admitted to the annual meeting?

You will need your *proof of identification along with either your Notice and Access Card or proof of stock ownership* to enter the annual meeting. If your shares are held beneficially in the name of a bank, broker or other holder of record and you wish to be admitted to attend the annual meeting, you must present proof of your stock ownership, such as a bank or brokerage account statement.

Do I also need to present identification to be admitted to the annual meeting?

Yes, all stockholders must present a form of personal identification in order to be admitted to the annual meeting.

NO CAMERAS, RECORDING EQUIPMENT, ELECTRONIC DEVICES, LARGE BAGS, BRIEFCASES OR PACKAGES WILL BE PERMITTED AT THE ANNUAL MEETING.

What am I voting on?

There are three proposals scheduled to be considered and voted on at the annual meeting:

Proposal 1: Election of eight director nominees listed herein;

Proposal 2: Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2015; and

Proposal 3: Non-binding vote on executive compensation of our named executive officers.

Who can vote?

You can vote your shares of class A common stock if our records show that you were the owner of the shares as of the close of business on April 14, 2015, the record date determining the stockholders who are entitled to vote at the annual meeting. As of April 14, 2015, there were a total of 58,451,077 shares of our class A common stock outstanding and entitled to vote at the annual meeting. You have one vote for each share of class A common stock that you own.

What constitutes a quorum?

We will convene the annual meeting if stockholders representing the required quorum of shares of class A common stock entitled to vote either sign and return their paper proxy cards, authorize a proxy to vote electronically or telephonically or attend the meeting. The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at such meeting on any matter will constitute a quorum. If you sign and return your paper proxy card or authorize a proxy to vote electronically or telephonically, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated in the proxy materials. Broker non-votes and abstentions will also be considered present for the purpose of determining whether we have a quorum.

Table of Contents

What is the required vote for approval of each proposal?

Proposal 1: Election of eight director nominees listed herein. A plurality of all the votes cast on such election at the annual meeting is required for the election of each nominee for director. Plurality voting simply means that the number of candidates getting the highest number of affirmative votes cast at the annual meeting will be elected. Neither a properly executed proxy marked withhold nor broker non-votes will affect the outcome of this proposal.

Proposal 2: Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2015. A majority of the votes cast on the proposal at the annual meeting is required for the auditor ratification proposal. Abstentions and broker non-votes, if any, will not affect the outcome of this proposal. As described below, brokerage firms can vote your shares on this proposal.

Proposal 3: Non-binding vote on executive compensation of our named executive officers. A majority of the votes cast on the proposal at the annual meeting is required to approve the non-binding vote on executive compensation. Neither abstentions nor broker non-votes will affect the outcome of this proposal.

What is a broker non-vote ?

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Your shares may be voted on Proposal 2 if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the New York Stock Exchange, or NYSE, rules to cast votes on certain routine matters if they do not receive instructions from their customers. The ratification of the appointment of Deloitte & Touche LLP as our independent auditors is considered a routine matter for which brokerage firms may vote shares for which they did not receive instructions from beneficial owners. All other items on this year's ballot are non-routine matters under the NYSE rules for which brokers may not vote absent voting instructions from the beneficial owner.

How do I authorize a proxy to vote my shares?

Follow the instructions on the Notice and Access Card to authorize a proxy to vote your shares electronically via the Internet or by telephone. If you requested a paper copy of our proxy materials, follow the instructions printed on the paper proxy card to authorize a proxy to vote via the Internet, by telephone or by completing and returning the paper proxy card. The individuals named and designated as proxies will vote your shares as you instruct. You have the following choices in voting electronically, by telephone or by paper proxy card:

You may authorize a proxy to vote your shares on each proposal, in which case your shares will be voted in accordance with your choices.

In voting on directors, you can either authorize a proxy to vote FOR each director nominee or withhold your vote on all or certain director nominees specified by you.

You may authorize a proxy to vote FOR, against or abstain on the proposal to ratify the appointment of Deloitte & Touche LLP as our independent auditors for 2015.

Edgar Filing: BLACKSTONE MORTGAGE TRUST, INC. - Form DEF 14A

You may authorize a proxy to vote FOR , against or abstain regarding the non-binding vote on executive compensation of our named executive officers.

If you submit a signed proxy without indicating your vote on any matter, the designated proxies will vote to elect all eight nominees as directors, approve the ratification of the appointment of Deloitte & Touche LLP as our independent auditors for 2015 and approve the non-binding vote on executive compensation of our named executive officers.

Table of Contents

How can I authorize a proxy to vote over the Internet or by telephone?

To authorize a proxy to vote electronically via the Internet, go to www.proxyvote.com and follow the instructions. Please have your Notice and Access Card in hand when accessing the website, as it contains a 16-digit control number required to vote.

If you have access to a touch-tone telephone, you may authorize your proxy by dialing (800) 690-6903 and following the recorded instructions. You will need the 16-digit control number included on your Notice and Access Card or your proxy card in order to vote by telephone.

If you requested a paper copy of our proxy materials, in order to authorize a proxy to vote by telephone or over the Internet, you must either call the toll-free number reflected on the paper proxy card or go to www.proxyvote.com and follow the instructions. Please have your paper proxy card in hand when calling the toll-free number or accessing the website, as it contains a 16-digit control number required to vote.

You can authorize a proxy to vote via the Internet or by telephone at any time prior to 11:59 p.m., Eastern Daylight Time, June 15, 2015, the day before the annual meeting.

What do I do if my shares are held in street name ?

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the beneficial owner of shares held in street name. The Notice and Access Card or proxy materials, if you elected to receive a hard copy, has been forwarded to you by your broker, bank or other holder of record who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by following their instructions for voting.

What if other matters come up at the annual meeting?

At the date this proxy statement went to press, we did not know of any matters to be properly presented at the annual meeting other than those referred to in this proxy statement. If other matters are properly presented at the meeting or any adjournment or postponement thereof for consideration, and you are a stockholder of record and have submitted a proxy card, the persons named in your proxy card will have the discretion to vote on those matters for you.

Can I change my vote or revoke my proxy after I authorize my proxy?

Yes. At any time before the vote on a proposal, you can change your vote either by:

executing or authorizing, dating and delivering to us a new proxy with a later date that is *received* no later than June 15, 2015;

voting again via the Internet or by telephone at a later time before the closing of those voting facilities at 11:59 p.m., Eastern Daylight Time, on June 15, 2015;

sending a written statement revoking your proxy card to our Corporate Secretary or any corporate officer of the Company, provided such statement is *received* no later than June 15, 2015; or

by attending the annual meeting, revoking your proxy and voting your shares in person. Your attendance at the annual meeting will not, by itself, revoke a proxy previously authorized by you. We will honor the proxy card or authorization with the latest date.

Table of Contents

Proxy revocation notices should be sent to Blackstone Mortgage Trust, Inc., 345 Park Avenue, 42nd Floor, New York, New York 10154, Attention: Secretary. New paper proxy cards should be sent to Vote Processing c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717.

Who will count the votes?

Representatives of Broadridge Financial Solutions, Inc. will count the votes and will serve as the independent inspector of election.

Who pays for this proxy solicitation?

We do. In addition to sending you these proxy materials, some of the employees of an affiliate of BXMT Advisors L.L.C., a Delaware limited liability company, or our Manager, may contact you by telephone, by mail or in person. None of these employees will receive any extra compensation for doing this. We have engaged Mackenzie Partners, Inc., an outside proxy solicitation firm, to solicit votes and the cost to us of engaging such a firm is estimated to be \$8,500, plus reasonable out-of-pocket expenses.

Table of Contents**PROPOSAL 1 ELECTION OF DIRECTORS**

On April 22, 2015, the board of directors, upon recommendation of its corporate governance committee, unanimously nominated eight directors listed below for re-election to the board of directors at the annual meeting. OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE DIRECTOR NOMINEES NAMED ABOVE.

Table of Contents

The Board of Directors; Committees

Our business is managed by our Manager, subject to the oversight and direction of our board of directors. Our board of directors has eight members and is currently comprised of Messrs. Nash, Plavin, Cotton, Dobrowski, Edelman, Nassau and Schreiber, and Dr. Sagalyn.

Director Independence

Under our corporate governance guidelines and NYSE rules, the board of directors must be comprised of at least a majority of directors who qualify as independent directors. A director is not independent unless the board of directors affirmatively determines that he or she does not have a material relationship with us and the director must meet the bright-line test for independence set forth by the NYSE rules. Our corporate governance guidelines also require all members of the audit committee, the compensation committee and the corporate governance committee to be independent directors. Based upon its review, the board of directors has affirmatively determined that each of Messrs. Cotton, Dobrowski, Edelman and Nassau and Dr. Sagalyn is independent under all applicable criteria for independence set forth in the listing standards of the NYSE, including with respect to committee service.

In making its determination that Mr. Edelman is an independent director, the board of directors considered that he is of counsel to Paul Hastings LLP, a law firm that from time to time has served as counsel for the underwriters in our public offering of securities. We do not compensate Paul Hastings for any of the services that they provide to the underwriters. In addition, the board of directors considered that an affiliate of the Manager made a loan on an arm's length basis with customary market terms to an entity in which Mr. Edelman had a 1% indirect equity interest. In making the determination that Mr. Nassau is an independent director, the board of directors considered that he is a partner at Dechert LLP, a law firm that from time to time has provided an affiliate of our Manager with legal representation with respect to various matters. Mr. Nassau was not involved in those legal representations, the fees paid by our Manager's affiliate to Dechert LLP were less than \$100,000 and Mr. Nassau's indirect interest in such fees were *de minimis*.

Board of Directors Composition

The board of directors seeks to ensure that the board of directors is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow the board of directors to satisfy its oversight responsibilities effectively. In that regard, the corporate governance committee is responsible for recommending candidates for all directorships to be filled by the board of directors or by the stockholders at an annual or special meeting. In identifying candidates, the corporate governance committee will review all nominees for director in accordance with the requirements and qualifications contained in the corporate governance guidelines and, subject to the requirements in the Purchase Agreement (as defined below), recommend that the board of directors select those nominees whose attributes the corporate governance committee believes would be most beneficial to us. In identifying candidates for membership on the board of directors, the corporate governance committee takes into account (i) minimum individual qualifications, such as personal integrity and moral character, willingness to apply sound business judgment, industry knowledge or experience and an ability to work collegially with the other members of the board of directors and (ii) all other factors it considers appropriate. While our corporate governance guidelines do not include an express diversity policy, we note that Dr. Lynne B. Sagalyn, who has been one of our longest standing directors, was recruited in part with a gender diversity goal in mind. The corporate governance committee has previously utilized the services of professional search firms and has also sought referrals from other members of the board of directors, management, stockholders and other sources.

Our board of directors currently has four standing committees: an audit committee, a compensation committee, a corporate governance committee and an investment risk management committee. The current written charters for each of the audit committee, compensation committee and corporate governance committee are available on our website, www.bxmt.com, under the Investor Relations tab by selecting Corporate Governance.

Audit Committee

The audit committee is currently comprised of Messrs. Cotton and Dobrowski and Dr. Sagalyn, with Dr. Sagalyn serving as the committee's chairperson. The SEC has determined that the audit committee financial expert designation does not impose on a person with that designation any duties, obligations or liability that are greater than the duties, obligations or liability imposed on such person as a member of the audit committee of the board of directors in the absence of such designation.

The audit committee's primary duties are described in the audit committee charter and include:

Since December 19, 2012, our executive officers have not received any cash compensation from us or any of our subsidiaries for serving as

To the extent that we are responsible for paying the compensation and/or any other employee benefits of our executive officers and senior management, the compensation committee also oversees such compensation, including plans and programs relating to cash compensation, incentive compensation, equity-based awards and other benefits and perquisites, and administers any such plans or programs as required by the terms thereof.

In particular, the compensation committee's primary duties are described in the compensation committee charter and include:

to the extent that we are responsible for paying the compensation and/or any other employee benefits of our chief executive officer, reviewing and approving corporate goals and objectives relevant to the compensation of our chief executive officer, evaluating the performance of our chief executive officer in light of those goals and objectives, and either as a committee or together with the other independent directors (as directed by our board of directors) to determine and approve our chief executive officer's compensation level based on this evaluation;

determining the long-term incentive component, if any, of our chief executive officer's compensation that we are responsible for paying by considering, among other factors selected by the compensation committee, our performance and relative stockholder return, our chief executive officer's individual performance, including progress on strategic objectives, the value of similar incentive awards to chief executive officers at comparable companies, and the awards given to our chief executive officer in past years;

to the extent that we are responsible for paying incentive compensation and equity-based compensation to our employees or the employees of any external manager, considering the recommendations of our chief executive officer with respect to non-chief executive officer management and key employee compensation and determining and approving such compensation;

to the extent that we are responsible for sponsoring or managing executive compensation programs, periodically reviewing, as and when determined appropriate, executive compensation programs and total compensation levels;

reviewing and making recommendations to our board of directors concerning compensation arrangements for members of our board of directors who are not employees of the Company, the Manager or any of its affiliates;

in consultation with management, overseeing regulatory compliance with respect to compensation matters, including overseeing our policies on structuring compensation programs to preserve tax deductibility, and, as and when required or desired, establishing performance goals and confirming that performance goals have been attained for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code;

reviewing and approving any severance or similar termination payments proposed to be made by the Company to any of our current or former executive officers; and

The compensation committee is currently comprised of Messrs. Cotton, Edelman and Nassau and Dr. Sagalyn, none of whom were officers or employees of the Company during the fiscal year ended December 31, 2014, and none of whom had any relationship requiring disclosure by the Company under Item 404 of Regulation S-K under the Exchange Act. Corporate Governance Committee

The corporate governance committee is currently comprised of Messrs. Dobrowski and Nassau and Dr. Sagalyn, with Mr. Nassau serving as the committee's chairperson. All corporate governance committee members meet the independence criteria set forth in the listing standards of the NYSE.

Among other things, the corporate governance committee identifies qualified individuals to become members of the board of directors, recommends to the board of directors individuals to be designated as nominees for election as directors at the annual meetings of stockholders, develops and recommends to the board of directors our corporate governance guidelines and oversees the annual review of the Management Agreement. More specifically, the corporate governance committee is responsible for reviewing, on an annual basis, the requisite skills and characteristics of individual members of the board of directors, as well as the composition of the board as a whole, in the context of our needs. The corporate governance committee will review all nominees for director, including those recommended by stockholders, in accordance with requirements and qualifications set forth in our corporate governance guidelines and will, subject to the requirements of the Purchase Agreement, recommend that the board of directors select those nominees whose attributes it believes would be most beneficial to us. This review involves an assessment of the personal qualities and characteristics, accomplishments and business reputation of director candidates. The corporate governance committee will assess candidates' qualifications based on the following minimum criteria, which may be modified from time to time by the corporate governance committee:

demonstrated personal integrity and moral character;

willingness to apply sound and independent business judgment for the long-term interests of stockholders;

relevant business or professional experience, technical expertise or specialized skills;

personality traits and background that appear to fit with those of the other directors to produce a collegial and cooperative board responsive to the Company's needs; and

ability to commit sufficient time to effectively carry out the substantial duties of a director.

Investment Risk Management Committee

The investment risk management committee is comprised of independent directors and currently consists of Messrs. Cotton, Dobrowski and Edelman, with Mr. Edelman serving as the committee's chairperson. The investment risk management committee is currently responsible for the supervision of our Manager's compliance with our investment guidelines and conducting periodic reviews of our loan and investment portfolio. In addition, any proposed investment (i) of more than 25% of our Equity (as defined in the Management Agreement) in any individual investment or (ii) in excess of \$250.0 million requires the approval of a majority of the members of the investment risk management committee.

Meetings

Directors are expected to attend board meetings and meetings of the committees on which they serve, to spend the time needed and to meet as frequently as necessary, in order to properly discharge their responsibilities. Our board of directors conducts its business through meetings of the board of directors, actions taken by written consent in lieu of meetings and by actions of its committees. During the fiscal year ended December 31, 2014, the board of directors held eight meetings. During the fiscal year 2014, (i) the audit committee held four meetings, (ii) the compensation committee held three meetings, (iii) the corporate governance committee held two meetings and (iv) the investment risk management committee held three meetings. Each director attended at least 75% of the combined number of meetings of the board of directors and meetings of committees on which he or she served during the period in 2014 in which he or she served as a director or member of such committee, as applicable.

We do not have a formal policy regarding attendance by directors at our annual meeting of stockholders but invite and encourage all directors to attend. We make every effort to schedule our annual meeting of stockholders at a time and date to permit attendance by directors, taking into account the directors' schedules and the timing requirements of applicable law. At our last annual stockholders meeting, which was held on June 18, 2014, all of our current directors, with the exception of Mr. Nash, attended.

Executive Sessions

In accordance with applicable NYSE listing requirements, our non-management directors periodically hold executive sessions at which management is not present. Our corporate governance guidelines provide that the chairperson of the corporate governance committee, or if he or she is not present, any non-management independent director shall serve as such presiding director.

Board Leadership Structure and Role in Risk Oversight

Michael B. Nash currently serves as executive chairman of the Company and chairman of the board of directors and Stephen D. Plavin serves as our chief executive officer and president and is also a member of the board of directors. In his capacity as executive chairman of the Company, Mr. Nash leads the investment strategy of the Company with Mr. Plavin, our chief executive officer and president, who is responsible for managing the day-to-day operations of the Company. We believe separating the executive chairman of the board of directors and the chief executive officer positions is appropriate as it helps the board of directors meet its responsibilities of overseeing management and setting our strategic direction as well as fostering long-term value of the Company.

As with every business, we confront and must manage various risks including financial and economic risks related to the performance of our portfolio and how our investments have been financed. Pursuant to our charter and bylaws and the Maryland General Corporation Law, our business and affairs are managed under the direction of our board of directors. Our Manager is responsible for the day-to-day management of risks we face, while our board of directors, as a whole and through its committees, has responsibility for establishing broad corporate policies for our overall performance and for the direction and oversight of our risk management. Members of our board of directors keep informed of our business by participating in meetings of our board of directors and its committees, by reviewing analyses, reports and other materials provided to them by and through discussions with our Manager and our executive officers.

In connection with their oversight of risks to our business, our board of directors and the audit committee consider feedback from our Manager concerning the risks related to our business, operations and strategies. The audit committee also assists the board in fulfilling its oversight responsibilities with respect to risk management in the areas

of financial reporting, internal controls and compliance with legal and regulatory requirements, and, in accordance with NYSE requirements, discusses policies with respect to risk assessment and risk management.

Table of Contents

The compensation committee and the corporate governance committee assist the board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs and risks associated with board organization, membership and structure, succession planning and corporate governance. Our board of directors reviewed with the compensation committee its compensation policies and practices applicable to our Manager that could affect our assessment of risk and risk management. Following such review, our board of directors determined that our compensation policies and practices, pursuant to which we pay no cash compensation to our Manager's officers and employees since they are compensated by our Manager or its affiliates, do not create risks that are reasonably likely to have a material adverse effect on us. Our board of directors also considered that while we may grant our officers, our Manager and affiliates of our Manager's employees equity awards, such grants align their interests with our interests and do not create risks that are reasonably likely to have a material adverse effect on us. The investment risk management committee exercises the authority of the board of directors to supervise our Manager's compliance with the investment guidelines approved by the board of directors and to approve any proposed investments in excess of the limits set forth in the investment guidelines described above.

Overview of Compensation Program and Philosophy

Since the consummation of the sale of our investment management and special servicing business on December 19, 2012, or the Investment Management Business Sale, we have been externally managed and advised by our Manager pursuant to the Management Agreement and, as a result, our executive officers no longer receive cash compensation from us.

Our executive officers currently serve as officers of our Manager and we no longer have any employees. Because our Management Agreement provides that our Manager is responsible for managing our affairs, our executive officers for fiscal year 2014, who are currently employees of our Manager or one or more of its affiliates, do not currently receive any cash compensation from us or any of our subsidiaries for serving as our executive officers. Additionally, the Management Agreement does not require our Named Executive Officers to dedicate a specific amount of time to fulfilling our Manager's obligations to us under the Management Agreement. Accordingly, our Manager has informed us that it cannot identify the portion of the compensation awarded to our Named Executive Officers by our Manager that relates solely to their services to us, as our Manager does not compensate its employees specifically for such services. We do not have employment agreements with our Named Executive Officers, we do not provide pension or retirement benefits, perquisites or other personal benefits to our Named Executive Officers and we do not have arrangements to make payments to our Named Executive Officers upon their termination or in the event of a change in control of the Company.

While we may not pay our Named Executive Officers any cash compensation, we pay the Manager the management fees described under the heading Management Agreement and, in the discretion of the compensation committee of our

board of directors, we may also grant the Manager and our Named Executive Officers equity awards pursuant to our equity compensation plans.

Equity-Based Compensation

The compensation committee may, from time to time pursuant to our Blackstone Mortgage Trust, Inc. 2013 Stock Incentive Plan, or the 2013 Stock Plan, grant our Named Executive Officers equity-based awards, including stock options, restricted shares of our class A common stock, restricted stock units, stock appreciation rights and other equity-based awards. These awards are designed to align the interests of our Named Executive Officers with those of our stockholders, by allowing our Named Executive Officers to share in the creation of value for our stockholders through capital appreciation and dividends. These equity awards are generally subject to vesting requirements over a number of years, and are designed to promote the retention of management and

achievement of strong performance for the Company. These awards provide a further benefit to us by enabling our Manager to attract, motivate and retain talented individuals to serve as our executive officers. In 2014, the Company granted 38,243 restricted shares of class A common stock to Mr. Plavin, 15,297 restricted shares of class A common stock to Mr. Armer, 9,000 restricted shares of class A common stock to Mr. Quinlan, 5,736 restricted shares of class A common stock to Mr. Rothschild, and 3,825 restricted shares of class A common stock to Mr. Ruffing, which vest ratably in quarterly installments over three years from the date of the grant with the first two installments vesting together on the six month anniversary of the date of the grant. In determining the equity-based awards in 2014, the compensation committee considered input from FPL Associates L.P., or FPL, its independent outside compensation consultant.

Role of Compensation Committee

The compensation committee reviews and approves base salaries and target bonus levels, if any, and equity based awards, to be paid or made to our Named Executive Officers based on recommendations from the Company's chief executive officer and outside compensation consultants. The compensation committee also oversees risk when it considers granting equity awards to the Manager under the Management Agreement.

Role of Compensation Consultant

The compensation committee engaged the services of a compensation consultant, FPL, with respect to the 2013 Stock Plan and the Blackstone Mortgage Trust, Inc. 2013 Manager Incentive Plan, or the 2013 Manager Plan. FPL has no other relationships with the Company and is considered an independent third party advisor. The compensation committee reviewed FPL's independence and determined that FPL's work for the compensation committee in 2014 did not raise any conflict of interest pursuant to the SEC and NYSE rules.

Management retained the services of FTI Consulting, Inc. as its executive compensation consultant to provide advice to management with respect to the 2013 Stock Plan and the 2013 Manager Plan.

Role of Executive Officers

The compensation committee is responsible for approving compensation for our Named Executive Officers. Our chief executive officer annually reviews the performance of each executive officer of the Company and based on these reviews, provides a recommendation regarding the appropriate equity based grants, if any, to be presented to the compensation committee for approval.

Say-On-Pay Vote

At our 2014 annual meeting of stockholders, we provided our stockholders with the opportunity to vote to approve, on a non-binding advisory basis, our executive compensation. More than 99% of the votes cast at our 2014 annual meeting of stockholders voted to approve our executive compensation as described in our proxy statement for the 2014 annual meeting of stockholders. The compensation committee reviewed the results of this advisory say-on-pay vote and considered it in determining specific award amounts granted to our Named Executive Officers for 2014. The compensation committee will also carefully consider future stockholder votes on this matter, along with other expressions of stockholder views it receives on specific policies and desirable actions.

As part of our incentive compensation program, in the past we have also granted incentive awards to certain Named Executive Officers in two other forms that are described below. For a further discussion on these awards, see Notes 5, 10 and 13 to the consolidated financial statements in our 2014 Annual Report on Form 10-K that we filed with the SEC on February 17, 2015.

CT Legacy REIT Management Incentive Awards Plan

In conjunction with the restructuring of our debt obligations in March 2011, we created an employee pool for up to 6.75% (subject to certain caps and priority distributions) of the distributions paid to the common equity holders of CT Legacy REIT Mezzanine Borrower, Inc., or CT Legacy REIT, which was merged into CT Legacy Partners, LLC, or CT Legacy Partners, in July 2013. CT Legacy REIT was a majority-owned subsidiary formed in 2011 to which we contributed the legacy loan and securities portfolios of the Company, subject to attendant indebtedness.

On March 31, 2011, Messrs. Plavin and Ruffing were awarded 35% and 15%, respectively, of the employee pool subject to the following vesting schedule described below.

As of December 31, 2014, incentive awards for 94% of the pool have been granted, and the remainder was unallocated. If any awards remain unallocated at the time distributions are paid, any amounts otherwise payable to the unallocated awards will be distributed pro rata to the plan participants then employed by an affiliate of our Manager.

Approximately 53% of these grants have the following vesting schedule: (i) 25% vested on the date of grant; (ii) 25% vested in March 2013; (iii) 25% vested in March 2014; and (iv) the vesting of the remainder is contingent on the

continued employment with an affiliate of our Manager and upon our receipt of distributions from CT Legacy Partners. Of the remaining 47% of these grants, 29% are fully vested as a result of an acceleration event, and 18% vest only upon our receipt of distributions from CT Legacy Partners.

Table of Contents***CTOPI Incentive Management Fee Grants***

CT Opportunity Partners I, LP, or CTOPI, is a private investment fund that was previously under our management and is now managed by an affiliate of our Manager. While this affiliate of our Manager earns the base management fees from CTOPI, we continue to earn any incentive management fees. Incentive management fees are defined as 17.7% of CTOPI's profits after a 9.0% preferred return and a 100% return of capital to the CTOPI partners. We retained only our carried interest in CTOPI subsequent to the Investment Management Business Sale.

In January 2011, we created a pool for employees equal to 45% of the CTOPI incentive management fee and Messrs. Plavin and Ruffing were awarded 30% and 10% of the employee pool subject to the vesting schedule described below. As of December 31, 2014, we had granted 96% of the pool, and the remainder was unallocated. If any awards remain unallocated at the time incentive management fees are received by us, any amounts otherwise payable to the unallocated awards will be distributed pro rata to the plan participants then employed by an affiliate of our Manager. Approximately 65% of these grants have the following vesting schedule: (i) one-third on the date of grant; (ii) one-third on September 13, 2012; and (iii) the remainder is contingent on continued employment with an affiliate of our Manager and upon our receipt of incentive management fees from CTOPI. Of the remaining 35% of these grants, 31% are fully vested as a result of an acceleration event, and 4% vest solely upon our receipt of incentive management fees from CTOPI or the disposition of certain investments owned by CTOPI.

Both the CT Legacy Partners and the CTOPI awards contain provisions that accelerate vesting of the awards upon an involuntary termination (as defined in our 2007 Long-Term Incentive Plan and our 2011 Long-Term Incentive Plan) from continuous service by our Manager. As of December 31, 2014, our Named Executive Officers were and continue to be employed by affiliates of our Manager.

Non-Employee Director Compensation

During 2014, our non-employee directors earned (i) an annual cash retainer of \$50,000 and (ii) a \$75,000 annual award of the Company's deferred stock units, in each case payable in quarterly installments in arrears. The award is vested in full as of the date of grant and settled upon the non-employee directors' separation from service (as defined in Treas. Reg. 1.409A-1(h)) with the Company by delivering to the non-employee director one share of class A common stock for each deferred stock unit settled. For those directors who elected to receive stock units, the number of units was determined based upon the quarterly fee and the average stock price for the applicable quarter.

In addition, the chairperson of our audit committee receives \$12,000 per annum payable in four quarterly cash installments. All directors are also reimbursed for travel expenses incurred in attending board and committee meetings.

Messrs. Schreiber, Nash and Plavin do not receive compensation for their services as directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires executive officers and directors, a company's chief accounting officer and persons who beneficially own more than 10% of a company's common stock, to file reports of ownership and changes in ownership with the SEC and the NYSE. Executive officers, directors, the chief accounting officer and greater than 10% stockholders are required by regulation of the SEC to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of Forms 3, 4 and 5 and amendments thereto available to us and other information obtained from our directors, executive officers, chief accounting officer and certain 10% stockholders or otherwise available to us, we believe that no director, executive officer, chief accounting officer or beneficial owner of more than 10% of our class A common stock failed to file on a timely basis a report required pursuant to Section 16(a) of the Exchange Act with respect to 2014, except that Leonard W. Cotton did not file a Form 3 on a timely basis and of each of Thomas E. Dobrowski, Martin L. Edelman, Henry N. Nassau, Joshua A. Polan and Lynne B. Sagalyn did not file on a timely basis two Forms 4 to report, in each case, the Class A Common Stock Units they received in lieu of dividends payable on the Class A Common Stock Units they owned, all of which were subsequently reported in a Form 4 filed in 2014.

Investment Management Business Sale and Related Matters

On December 19, 2012, pursuant to the Purchase Agreement by and between us and Huskies Acquisition, or the Purchase Agreement, and an Assignment Agreement, dated as of December 19, 2012, by and among us, Huskies Acquisition and Blackstone Holdings III L.P., or Holdings III, an affiliate of Blackstone, we completed the sale of our investment management and special servicing business, including CTIMCO, related private

Table of Contents

investment fund co-investments and 100% of the outstanding class A preferred stock of our CT Legacy Partners subsidiary. In accordance with the Purchase Agreement, two members of our board of directors were designated by Blackstone at such time.

We, CT Legacy Partners and CTOPI currently hold mortgage and mezzanine loans and other investments that were made or acquired prior to the sale of our investment management and special servicing business to Blackstone, in which Blackstone affiliates have interests in the collateral securing or backing such investments and CT Legacy Partners and CTOPI receive interest and other payments on such investments in accordance with their terms.

Pursuant to the terms of the Purchase Agreement, we also entered into a Registration Rights Agreement, dated December 19, 2012, with Holdings III. On May 6, 2013, we entered into an Amended and Restated Registration Rights Agreement, or Amended and Restated Registration Rights Agreement, with Holdings III and our Manager that amended and restated the existing Registration Rights Agreement. Pursuant to the terms of the Amended and Restated Registration Rights Agreement, on or after the earlier of (x) such date that we become eligible to use Form S-3 in connection with a public offering of our securities and (y) December 19, 2013, Holdings III or our Manager may require us to prepare and file a shelf registration statement relating to the resale of all shares of class A common stock currently held or later acquired by them or their permitted transferees and under certain circumstances they may require us to file up to four resale registration statements on demand and provide unlimited piggyback rights with respect to the resale of such shares (subject to certain cutback and other provisions).

Pursuant to the terms of the Purchase Agreement, we entered into the management agreement with our Manager (which was subsequently amended and superseded by the Management Agreement), pursuant to which we are now externally managed by our Manager pursuant to the terms and conditions of the Management Agreement. The Management Agreement requires our Manager to manage our investments and our day-to-day business and affairs in conformity with our investment guidelines and other policies that are approved and monitored by our board of directors. The initial term of the original management agreement expires on December 19, 2015 and will be automatically renewed for a one-year term each anniversary thereafter unless earlier terminated. On March 26, 2013, we amended the management agreement to, among other things, amend our investment guidelines to permit the investment risk management committee of our board of directors, which consists only of independent directors, to approve any proposed investment by our Manager in excess of \$150.0 million. On July 30, 2013, we and our Manager entered into Amendment No. 1 to our Amended and Restated Management Agreement to: (i) clarify that internal audit expenses (including through one or more third parties and/or affiliates of our Manager) are to be paid by us and not our Manager and (ii) update to reflect our May 2013 name change and the merger of our CT Legacy REIT Mezz Borrower, Inc. subsidiary with and into CT Legacy Partners. On October 23, 2014, we and our Manager entered into the Management Agreement, which amended and restated the Amended and Restated Management Agreement to, among other things: (i) incorporate the terms of Amendment No. 1 to our Amended and Restated Management Agreement; (ii) amend our investment guidelines to increase the threshold required for approval by the investment risk management committee of our board of directors from any proposed investment in excess of \$150.0 million to any proposed investment in excess of \$250.0 million; and (iii) revise the definitions for Incentive Compensation and Management Fee (in each case as defined in the Management Agreement) to remove wording regarding the calculation of payments during 2013 that is no longer relevant.

Pursuant to the terms of the Management Agreement, our Manager is entitled to receive from us a base management fee payable in cash quarterly in arrears with respect to each calendar quarter in an amount equal to the greater of (i) \$250,000 per annum and (ii) 1.50% per annum of our Equity (as defined in the Management Agreement), and, if earned, certain quarterly incentive compensation. We are also required to reimburse our Manager for certain expenses incurred on our behalf during any given year. So long as the Management Agreement remains in effect, we are required to continue to make quarterly payments of the base management fee and, if applicable, incentive

compensation to the Manager and to reimburse the Manager for certain expenses. See Notes 10 and 15 to our consolidated financial statements in our 2014 Annual Report on Form 10-K filed with the SEC on February 17, 2015 for additional details.

Table of Contents

During the year ended December 31, 2014, we paid \$15.7 million of management and incentive fees to our Manager and reimbursed our Manager for \$115,000 of expenses incurred on our behalf.

Other Transactions

On October 23, 2014, we issued 337,941 shares of restricted class A common stock with a fair value of \$9.4 million as of the grant date to our Manager under the 2013 Manager Plan. The shares of restricted class A common stock vest ratably in quarterly installments over three years from the date of issuance.

During the year ended December 31, 2014, CT CDO I, which was consolidated by us, incurred \$522,000 of special servicing fees, of which it paid \$139,000, to CTIMCO, which is an affiliate of our Manager.

On March 27, 2015, a joint venture of CT Legacy Partners, certain affiliates of our Manager, and other non-affiliated parties, or the Three-Pack JV, executed a binding agreement, subject to customary closing conditions, to sell a hotel portfolio it owns to an investment vehicle managed by an affiliate of our Manager for \$1.245 billion. We consented to the sale of the hotel portfolio by the Three-Pack JV, which sale will result in the liquidation of the Three-Pack JV and distribution of net sale proceeds to CT Legacy Partners in respect of its investment therein. As of December 31, 2014, CT Legacy Partners carried its investment in the Three-Pack JV at \$18.5 million. During the three months ended March 31, 2015, we recognized \$17.6 million of unrealized gain on investments at fair value on our consolidated statement of operations to reflect the expected net sales proceeds to be received by CT Legacy Partners. Upon completion of the sale transaction certain former employees, including certain of our executive officers, will receive incentive compensation payments of an aggregate \$2.4 million under the CT Legacy REIT Management Incentive Awards Plan, assuming net sale proceeds to CT Legacy Partners are equivalent to its \$36.1 million carrying value as of March 31, 2015.

On April 10, 2015, the Company announced that it had entered into a Memorandum of Designation and Understanding, or the Designation Agreement, whereby it has agreed to acquire a \$4.6 billion portfolio of commercial mortgage loans secured by properties located in North America and Europe, or the Loan Portfolio, from General Electric Capital Corporation and certain of its affiliates, or GE Capital or Sellers.

Pursuant to the terms of the Designation Agreement, dated as of April 10, 2015, among the Company, a special purpose wholly-owned subsidiary, or Purchaser, of Blackstone Real Estate Partners VIII L.P., or BREP VIII, and BREP VIII, each, an affiliate of Blackstone and our Manager, the Company has been designated as the purchaser for the Loan Portfolio in accordance with the terms of a Purchase and Sale Agreement, dated as of April 10, 2015, or the Purchase and Sale Agreement, and, together with the Designation Agreement, the Transaction Agreements, by and among GE Capital, the Purchaser and certain other purchaser parties. The Purchase and Sale Agreement provides for the sale of a majority of GE Capital's global real estate debt and equity business, consisting of a portfolio of real-estate related assets, including properties, loans, mortgages and other interests, for an aggregate purchase price of approximately \$23 billion, or the Global Acquisition.

The aggregate purchase price to be paid by the Company for the Loan Portfolio is approximately \$4.4 billion in cash, or the Purchase Price, subject to certain specified adjustments for prepaid loans and other customary adjustments set forth in the Purchase and Sale Agreement. In addition, the Company will assume \$0.2 billion of unfunded commitments.

Under the terms of the Designation Agreement, the Company has agreed to, among other things, acquire the Loan Portfolio, and assume and timely perform the obligations and liabilities of the Purchaser under the Purchase and Sale Agreement with respect to the Loan Portfolio. At each closing contemplated by the Purchase and Sale Agreement that

includes loans that are part of the Loan Portfolio, the Company has agreed to pay the Sellers that portion of the purchase price allocable to such assets under the Purchase and Sale Agreement. The Purchaser may not, without the Company's consent, amend the Purchase and Sale Agreement as it affects (i) the Loan Portfolio and (ii) the Company's rights and obligations as the designated purchaser for the Loan Portfolio under the

Table of Contents

Purchase and Sale Agreement. The Designation Agreement also provides for allocation of certain other rights and responsibilities of the parties, including as to indemnification.

The Company's acquisition of the Loan Portfolio is expected to close in stages beginning in the second quarter of 2015, subject to regulatory approval and the satisfaction or waiver of certain customary closing conditions set forth in the Transaction Agreements. However, there can be no assurance that the closing of the Global Acquisition and therefore the acquisition of all or any part of the Loan Portfolio will occur. In the event the Company is unable to close the acquisition of the Loan Portfolio it may be liable to other purchasers under the Purchase and Sale Agreement, including certain affiliates of Blackstone, for damages that are not in excess of the \$1.5 billion termination fee for the Purchase and Sale Agreement. The termination fee is reduced after the initial debt and equity closings to be equal to 15% of the purchase price for all Deferred Assets (as defined in the Purchase and Sale Agreement) remaining to be sold. The parties may terminate the Purchase and Sale Agreement if the initial closing has not occurred on or prior to December 31, 2015.

Indemnification Agreements with Directors and Officers

We have entered into indemnification agreements with each of our directors and officers, including during the year ended December 31, 2014, with Leonard W. Cotton, following his election to our board of directors. We refer to such indemnification agreements as *Indemnification Agreements* and our directors and officers party thereto as *Indemnitees*. The *Indemnification Agreements* provide that we will, subject to certain limitations and exceptions, indemnify, to the fullest extent permitted under Maryland law, and advance expenses to, each *Indemnitee*, in connection with (among other things) the *Indemnitee's* capacity as a director, officer, employee or agent of the Company. This obligation includes, subject to certain terms and conditions, indemnification for any expenses (including reasonable attorneys' fees), judgments, fines, penalties and settlement amounts actually and reasonably incurred by the *Indemnitee* in connection with any threatened or pending action, suit or proceeding. In certain instances, we may be required to advance such expenses, in which case the *Indemnitee* will be obligated to reimburse us for the amounts advanced if it is later determined that the *Indemnitee* is not entitled to indemnification for such expenses.

Related Party Transaction Policies

Our board of directors recognizes the fact that transactions with related persons may present risks of conflicts or the appearance of conflicts of interest. Our board of directors has adopted a written policy on transactions with related persons that is in conformity with the requirements upon issuers having publicly-held common stock that is listed on the NYSE. Under the policy, a committee of our board of directors composed solely of independent directors who are disinterested or the disinterested members of our board of directors must review and approve or ratify any related person transaction (defined as any transaction that would be required to be disclosed by us under Item 404(a) of Regulation S-K in which we were or are to be a participant, other than an employment relationship or transaction involving an executive officer and any related compensation, and the amount involved exceeds \$120,000 and in which any related person (as defined as in paragraph (a) of Item 404 of Regulation S-K) had or will have a direct or indirect material interest) and all material facts with respect thereto. No related person transaction will be executed without the approval or ratification of a committee of our board of directors composed solely of independent directors who are disinterested or by the disinterested members of our board of directors.

In addition, the related person transaction policy provides that the committee or disinterested directors, as applicable, in connection with any approval or ratification of a related person transaction involving a non-employee director or director nominee, should consider whether such transaction would compromise the director or director nominee's status as an independent, outside, or non-employee director, as applicable, under the rules and regulations of the SEC,

the NYSE, the Code and our code of business conduct and ethics.

Pursuant to our code of business conduct and ethics, our audit committee is required to review on a quarterly basis all material related party transactions involving the Manager and/or its affiliates.

PROPOSAL 2 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On March 11, 2013, the audit committee approved the dismissal of Ernst & Young LLP, or Ernst & Young, as the Company's independent registered public accounting firm, effective as of the date of the completion of the audit services for the fiscal year ended December 31, 2012. The dismissal of Ernst & Young became effective on March 26, 2013.

The audit committee of the board of directors appointed Deloitte & Touche LLP, or Deloitte, on March 11, 2013, to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2013, commencing with the completion by Ernst & Young of its audit services on March 26, 2013, and Deloitte served as our independent registered public accounting firm for such period in 2013. Deloitte also serves as the independent registered public accounting firm of the parent of our Manager, Blackstone. Our determination to retain Deloitte and dismiss Ernst & Young as our independent registered public accounting firm for the fiscal year ending December 31, 2013 was previously reported on a Current Report on Form 8-K/A filed by us on March 26, 2013. The audit committee of the board of directors appointed Deloitte to be our independent public accounting firm for the fiscal year ending December 31, 2014 and it was ratified by our stockholders at the 2014 annual meeting. The audit committee of the board of directors has appointed Deloitte to be our independent public accounting firm for the fiscal year ending December 31, 2015 and has directed that the appointment of such independent registered public accounting firm be submitted for ratification by our stockholders at the annual meeting.

Ernst & Young was our independent registered public accounting firm from our formation through the year 2012. During this time, Ernst & Young and its affiliated entities performed accounting and auditing services for us. Ernst & Young's report on our consolidated financial statements for the fiscal years ended December 31, 2012 and 2011 did not contain any adverse opinion or disclaimer of opinion, nor was such report qualified or modified as to uncertainty, audit scope or accounting principles. During the two fiscal years ended December 31, 2012 and 2011 and through March 26, 2013, there were (i) no disagreements (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) between us and Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Ernst & Young would have caused Ernst & Young to make reference thereto in its reports on our consolidated financial statements for such years, and (ii) no reportable events (as that term is defined in Item 304(a)(1)(v) of Regulation S-K). On March 26, 2013, we provided Ernst & Young with a copy of the Form 8-K/A relating to the change in independent registered public accounting firm and requested that they provide us with a letter addressed to the SEC stating whether or not they agree with the above disclosures. A copy of Ernst & Young's letter stating that they agreed with such disclosures is attached as Exhibit 16.1 to our Form 8-K/A filed on March 26, 2013 relating to the change in registered public accounting firms.

During the two fiscal years ended December 31, 2012 and 2011 and through March 11, 2013, neither we, nor anyone on our behalf, consulted Deloitte regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered with respect to our consolidated financial statements, and no written report or oral advice was provided to us by Deloitte that was an important factor considered by us in reaching a decision as to any accounting, auditing or financial reporting issue or (ii) any matter that was the subject of a disagreement (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a reportable event (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

We have been advised by Deloitte that neither that firm nor any of its associates has any relationship with us or our subsidiaries other than the usual relationship that exists between an independent registered public accounting firm and its clients.

We expect that representatives of Deloitte will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions. If the appointment of Deloitte is not ratified, our board of directors will reconsider the appointment.

Table of Contents

Stockholder ratification of the appointment of Deloitte as our independent registered public accounting firm is not required by our charter or otherwise. However, our board of directors is submitting the appointment of Deloitte to the stockholders for ratification as a matter of what it considers to be good corporate practice. Even if the appointment is ratified, our audit committee, in its discretion, may direct the appointment of different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests.

Audit and Non-Audit Fees

Fees paid to Deloitte:

Aggregate fees that we were billed for the fiscal years ended December 31, 2014 and 2013 by our independent registered public accounting firm, Deloitte, were as follows:

All other fees		
Total	\$ 735,100	\$ 677,930

(a) Audit fees include amounts billed to us related to annual financial statement audit work, quarterly financial statement reviews and comfort letters on and review of SEC registration statements.

Fees paid to Ernst & Young:

Aggregate fees that we were billed for the fiscal year ended December 31, 2013 by our former independent registered public accounting firm, Ernst & Young, were as follows:

	Fiscal Year ended December 31, 2013
Audit fees(a)	\$ 455,236
Audit-related fees(b)	
Total audit and audit-related fees	455,236
Tax fees(c)	220,500
All other fees	
Total	\$ 675,736

- (a) Audit fees include amounts billed to us related to annual financial statement audit work, quarterly financial statement reviews and comfort letters on and review of SEC registration statements.

- (c) Tax fees include amounts billed to us primarily for tax planning and consulting, tax compliance and preparation and review of federal, state and local tax returns and tax fees related to REIT tax matters.

The audit committee of our board of directors was advised that there were no services provided by Deloitte that were unrelated to the audit of the annual fiscal year-end financial statements and the review of interim financial statements that could impair Deloitte from maintaining its independence as our independent auditor and concluded that it was.

Table of Contents

Audit Committee Pre-Approval Policy

In accordance with our audit committee pre-approval policy, all audit and non-audit services performed for us by our independent registered public accounting firm were pre-approved by the audit committee of our board of directors, which concluded that the provision of such services by Deloitte was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

The pre-approval policy provides for categorical pre-approval of specified audit and permissible non-audit services. Services to be provided by the independent registered public accounting firm that are not within the category of pre-approved services must be approved by the audit committee prior to engagement, regardless of the service being requested or the dollar amount involved.

Requests or applications for services that require specific separate approval by the audit committee are required to be submitted to the audit committee, and must include a description of the services to be provided and a statement by the independent registered public accounting firm and principal accounting officer of the Company confirming that the provision of the proposed services does not impair the independence of the independent registered public accounting firm.

The audit committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the audit committee at its next scheduled meeting. The audit committee does not delegate to management its responsibilities to pre-approve services to be performed by the independent registered public accounting firm.

VOTING RECOMMENDATION

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2015.

AUDIT COMMITTEE REPORT

Our board of directors' audit committee carries out oversight functions with respect to the preparation, review and audit of our financial statements, our system of internal controls and the qualifications, independence and performance of our internal auditor consultants and independent auditors, and operates under a written charter adopted by the board of directors. The charter can be viewed, together with any future changes that may occur, on our website at www.bxmt.com. The audit committee has the sole authority and responsibility to select, evaluate and, as appropriate, replace our independent auditors. The audit committee members are independent within the meaning of the applicable New York Stock Exchange listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Our management is responsible for the development, maintenance and evaluation of internal controls and procedures and our financial reporting system, the maintenance of appropriate accounting and financial reporting principles or policies and the preparation, presentation and integrity of our financial statements. Our independent registered public accounting firm is responsible for auditing our consolidated financial statements in accordance with U.S. generally accepted auditing standards and expressing an opinion as to their conformity with U.S. generally accepted accounting principles. In addition, the independent registered public accounting firm is responsible for auditing and expressing an opinion on our internal controls over financial reporting. The audit committee's responsibility is to monitor and oversee the foregoing functions.

The audit committee reviews our financial reporting process on behalf of the board of directors. In performance of its oversight function, the audit committee has met and held discussions with management and our independent registered public accounting firm with respect to our audited consolidated financial statements for fiscal year 2014 and related matters. Management advised the audit committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles and the committee has reviewed and discussed the consolidated financial statements with management and our independent auditors, Deloitte & Touche LLP. Our independent auditors presented to and reviewed with the audit committee the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No.16 Communication with Audit Committees. Our independent auditors also provided to the committee the written disclosures and the letter from the auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence and in connection therewith the committee discussed with the independent auditors their views as to their independence. The audit committee also reviewed, among other things, the audit and non-audit services performed by, and the amount of fees paid for such services to, Deloitte & Touche LLP. The audit committee meetings regularly include executive sessions with our independent registered public accounting firm without the presence of our management.

In undertaking its oversight function, the audit committee relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the independent auditors included in their report on our financial statements. The audit committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance or professional opinion as to the sufficiency of the external or internal audits, whether the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles, or on the effectiveness of the system of internal control.

Based on the audit committee's considerations, discussions with management and discussion with the independent auditors as described above, the audit committee recommended to the board of directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2014 filed with the SEC.

PROPOSAL 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act, we are providing stockholders with an opportunity to vote, on a non-binding advisory basis, on the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with SEC rules. The advisory vote on executive compensation described in this proposal is commonly referred to as a say-on-pay vote. More than 99% of the votes cast at the 2014 annual meeting voted to approve our executive compensation. At the 2013 annual meeting, we asked our stockholders to indicate if we should hold an advisory vote on the compensation of our Named Executive Officers every one, two or three years. Because at our 2013 annual meeting our stockholders voted in favor of an annual advisory vote, we again are asking our stockholders to approve the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with the SEC's rules.

As described under Executive Compensation Compensation Discussion and Analysis elsewhere in this proxy statement, we are externally managed and advised by our Manager pursuant to the Management Agreement. Our Named Executive Officers for fiscal 2014 currently serve as officers of our Manager and we have no employees. Because our Management Agreement provides that our Manager is responsible for managing our affairs, our Named Executive Officers for fiscal 2014, who are currently employees of our Manager or one or more of its affiliates, do not currently receive any cash compensation from us or any of our subsidiaries for serving as our executive officers. Additionally, we do not have any agreements with any of our Named Executive Officers with respect to their cash compensation and do not intend to directly pay any cash compensation to them. However, from time to time we may grant to our Named Executive Officers equity-based awards pursuant to our equity incentive plans, which we believe serve to align the interests of our Named Executive Officers with the interests of our stockholders in receiving attractive risk-adjusted dividends and growth.

We do not determine the cash compensation payable by the Manager to our Named Executive Officers. The Manager and its affiliates determine the salaries, bonuses and other wages earned by our Named Executive Officers from our Manager and its affiliates. The Manager and its affiliates also determine whether and to what extent our Named Executive Officers will be provided with employee benefit plans.

This proposal gives our stockholders the opportunity to express their views on the overall compensation of our Named Executive Officers provided by us and the philosophy, policies and practices described in this proxy statement. For the reasons discussed above, we are asking our stockholders to indicate their support for our Named Executive Officer compensation by voting **FOR** the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the SEC (which disclosure includes the Compensation Discussion and Analysis, compensation tables and any related material disclosed in this proxy statement).

The say-on-pay vote is advisory only, and therefore it will not bind the Company or our board of directors. However, the board of directors and the compensation committee will consider the voting results as appropriate when making future decisions regarding executive compensation.

VOTING RECOMMENDATION

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE ADVISORY RESOLUTION RELATING TO THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

HOUSEHOLDING OF PROXY MATERIALS

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and notices with respect to two or more stockholders sharing the same address by delivering a single proxy statement or a single notice addressed to those stockholders. This process, which is commonly referred to as householding, provides cost savings for companies. Some brokers household proxy materials, delivering a single proxy statement or notice to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, or if you are receiving duplicate copies of these materials and wish to have householding apply, please notify your broker. You may also call (800) 542-1061 or write to: Household Department, 51 Mercedes Way, Edgewood, New York 11717, and include your name, the name of your broker or other nominee and your account number(s).
