Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On May 7, 2015, Texas Capital Bancshares, Inc. (the Company) received a written notification (the Notification) from The Nasdaq Stock Market (Nasdaq) notifying the Company that it had failed to comply with Nasdaq Listing Rule 5460(a)(4) (the Rule) with respect to its 6.50% Non-Cumulative Perpetual Preferred Stock, Series A (the Preferred Stock). The Rule requires preferred stock listed on Nasdaq to maintain at least 100 public holders, including both beneficial holders and holders of record, among other requirements. The Company received the Notification because it failed to provide evidence that it met the requirement of 100 public holders for the Preferred Stock. The Notification had no immediate effect on the listing of the Company s Preferred Stock, and is not expected to have an impact on the listing of the Company s common stock.

The Company has 45 calendar days to submit a plan to regain compliance. The Company believes it is in compliance with the Rule and is working to obtain evidence of its compliance. If such evidence is obtained, the Company intends to submit that evidence to Nasdaq for its consideration within the timeframe provided. Nasdaq will then notify the Company of its determination with respect to the continued listing of the Preferred Stock.
