Item 5.02 *Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.*

Melinda J. MacConnel, an Executive Vice President and the Secretary and General Counsel of Odyssey Marine Exploration, Inc. (the Company) will retire from and no longer be an employee of the Company on June 30, 2015 (the Retirement Date). To facilitate Mrs. MacConnel's retirement, on June 9, 2015, the Company and Mrs. MacConnel entered into a transition agreement (the Transition Agreement) that provides for Mrs. MacConnel to continue her employment until the Retirement Date. Mrs. MacConnel has agreed to thereafter serve as an independent contractor consultant until September 30, 2015, or such later date as the Company and she may agree, for a consulting fee of \$13,750 per month.

The Transition Agreement provides that (a) all of Mrs. MacConnel's outstanding stock options and restricted stock that have not vested or have not been exercised as of the date of the Transition Agreement will be vested as of the Retirement Date, and the Company will grant Mrs. MacConnel an extension of time to exercise all her outstanding stock options at any time on or before their scheduled expiration dates; (b) Mrs. MacConnel has earned fifty percent of her non-equity incentive award for the year ending December 31, 2015, as determined by the compensation committee (the Compensation Committee) of the Company's board of directors, and such amount will be paid no later than February 28, 2016, and may be paid in cash or in a combination of cash and a stock award from the Company's 2015 Stock Incentive Plan, as determined in the sole discretion of the Compensation Committee; and (c) the Company will reimburse Mrs. MacConnel for payment of her COBRA family plan payments for as long as she remains eligible for COBRA or until she enrolls in a new health insurance plan, whichever is sooner, as well as for specified professional dues.

The Transition Agreement contains customary confidentiality provisions, provides that Mrs. MacConnel will not directly or indirectly compete with the Company in any underwater exploration business for a period of three years following the Retirement Date, and prohibits Mrs. MacConnel from recruiting the Company's employees and consultants for employment or for contract with any business in which Mrs. MacConnel has an interest. Pursuant to the Transition Agreement, Mrs. MacConnel also provided the Company a customary release from and covenant not to sue the Company for specified claims, and the Company agreed to continue to indemnify Mrs. MacConnel to the same extent that the Company was obligated to indemnify her in connection with her employment as an officer of the Company prior to the Retirement Date and to maintain, for a period of 24 months after the Retirement Date, directors and officers' liability insurance covering Mrs. MacConnel for acts during her employment with Odyssey.
