CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This Current Report on Form 8-K includes and references forward-looking statements, including but not limited to those regarding the proposed transaction between the Company and RKI Exploration & Production, LLC (RKI) (the Transaction) and the transactions related thereto, the future performance of their businesses, the synergies of the Company and RKI, and similar things. These statements also relate to our business strategy, goals and expectations concerning our market position, future operations, margins and profitability. Forward-looking statements may use the words anticipate, believe, could, estimate, expect, intend, may, plan, predict, project, will, and other similar terms and phrases to identify forward-looking statements, and include the assumptions that underlie such statements. Although the Company believes the assumptions upon which these forward-looking statements are based are reasonable, there can be no assurance that the results implied or expressed in such forward-looking statements or information or the underlying assumptions will be realized and that actual results of operations or future events will not be materially different from the results implied or expressed in such forward-looking statements or information. These statements are subject to known and unknown risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such statements, including but not limited to: the ability of the parties to consummate the Transaction in a timely manner or at all; satisfaction of the conditions precedent to consummation of the Transaction, including approval by RKI's members; the possibility of litigation (including related to the Transaction itself); the Company's ability to successfully integrate RKI's operations, technology and employees and realize the expected benefits of the Transaction, on the expected timeline or at all; unknown, underestimated or undisclosed commitments or liabilities; the level of demand for the combined companies' products, which is subject to many factors, including uncertain global economic and industry conditions, and natural gas and oil prices generally; state and federal environmental, economic, health and safety, energy and other policies and regulations, including those related to climate change and any changes therein, and any legal or regulatory investigations, delays or other factors beyond the control of the Company or RKI; and other risks described in the Company's SEC filings. The forward-looking statements in this Current Report on Form 8-K speak only as of June 16, 2015. Under no circumstances should the inclusion of the forward-looking statements or information be regarded as a representation, undertaking, warranty or prediction by the Company or any other person with respect to the accuracy thereof or the accuracy of the underlying assumptions, or that the Company will achieve or is likely to achieve any particular results.

The forward-looking statements or information are made as of June 16, 2015 and the Company disclaims any intent or obligation to update publicly or to revise any of the forward-looking statements or information, whether as a result of new information, future events or otherwise. Recipients are cautioned that forward-looking statements or information are not guarantees of future performance and, accordingly, recipients are expressly cautioned not to put undue reliance on forward-looking statements or information due to the inherent uncertainty therein.
