**Item 1.01. Entry into a Material Definitive Agreement**

*Amendment to Amended and Restated Business Combination Agreement*

As previously announced, on February 23, 2015, Globe Specialty Metals, Inc. (Globe or the Company) entered into a Business Combination Agreement with, among others, Grupo Villar Mir, S.A.U. (Grupo VM) and Grupo FerroAtlántica, S.A.U. (FerroAtlántica) pursuant to which the parties agreed to combine the businesses of Globe and FerroAtlántica (the Business Combination) under a new holding company to be renamed Ferroglobe PLC (Ferroglobe). The Business Combination Agreement was amended and restated on May 5, 2015 (as so amended and restated, the Business Combination Agreement).

On September 10, 2015, in connection with the memorandum of understanding described below, the parties to the Business Combination Agreement entered into a First Amendment to Amended and Restated Business Combination Agreement (the Amendment) pursuant to which, among other things:

An additional designee from GrupoVM's designees to the Ferroglobe board will be required to qualify as an independent director under applicable NASDAQ rules, bringing the total number of independent directors to five, with the effect that the Ferroglobe board will be comprised of a majority of independent directors.

After the fifth anniversary of the Business Combination, Grupo VM will abstain from voting its Ferroglobe shares with respect to contested elections involving the independent Globe designees to the Ferroglobe board, providing the opportunity for the Ferroglobe public shareholders to nominate and elect independent directors to the Ferroglobe board.

Ferroglobe's articles of association will require that, until the first date on which Grupo VM and its affiliates collectively own less than 15% of the Ferroglobe shares, all Ferroglobe shareholders will be offered the same type and amount of consideration per share in any tender offer and receive the same type and amount of consideration per share in any scheme of arrangement, merger or other business combination that results in a change in control of Ferroglobe, ensuring equal treatment of shareholders.

Ferroglobe's articles of association will require the approval of a majority of the independent directors of Ferroglobe to approve any change in board size during the five year period following the Business Combination.

The Business Combination Agreement, as amended, remains in full force and effect. The foregoing description of the Business Combination Agreement is qualified in its entirety by reference to the full text of the Business Combination Agreement, which is included as Exhibit 2.1 to the Company's Current Report on Form 8-K filed by the Company as of May 5, 2015 and incorporated herein by reference. The foregoing description of the Amendment is qualified in its entirety by the full text of the Amendment, which is attached hereto as Exhibit 2.1 and incorporated herein by reference.

**Item 8.01. Other Events.**

*Adjournment of Special Meeting*

On September 10, 2015, the Company issued a press release announcing it would again adjourn the special meeting of Globe shareholders originally scheduled for September 10, 2015 and subsequently adjourned to September 11, 2015. The special meeting will be adjourned to September 22, 2015 at 9:00 a.m. local time, at 600 Brickell Avenue, Miami, Florida 33131. The record date for the special meeting will remain July 31, 2015. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Globe intends to prepare, file with the SEC and mail to shareholders a supplement to Globe's definitive proxy statement to provide additional disclosure regarding the Amendment and the terms and conditions of the memorandum of understanding described below.

*Preliminary Settlement of Certain Litigation*

As previously reported in the definitive proxy statement filed by the Company with the Securities and Exchange Commission on August 12, 2015, in connection with the Business Combination, (i) a putative class action entitled *Fraser v. Globe Specialty Metals, Inc., et al.* was filed in the Court of Chancery of the State of Delaware (the Court) on March 23, 2015, (ii) a putative class action entitled *City of Providence v. Globe Specialty Metals, Inc., et al.* was filed in the Court on April 1, 2015, (iii) a putative class action entitled *Int'l Union of Operating Engineers Local 478 Pension Fund v. Globe Specialty Metals, Inc., et al.* was filed in the Court on April 10, 2015 and (iv) a putative class action entitled *Cirillo v. Globe Specialty Metals, Inc., et al.* was filed in the Court on April 21, 2015. On May 4, 2015, the Court consolidated these four actions for all purposes into one action captioned *In re Globe Specialty Metals, Inc. Stockholders Litigation* (the Action).

While Globe believes that the Action is without merit, on September 10, 2015, Globe entered into a Memorandum of Understanding ( MOU ), which outlines the terms of the agreement in principle to settle the Action, in an effort to minimize the cost and disruption of any litigation relating to the Action. The proposed terms of the settlement are subject to approval by the Court. Pursuant to the terms of the MOU, and subject to final approval of the settlement by the Court, a \$32.5 million aggregate cash payment would be made by the combined companies on a pro rata basis to the holders of shares of Globe common stock (other than the defendants in the Action and certain related persons) as of the close of business on the business day immediately prior to completion of the Business Combination. In addition, pursuant to the terms of the MOU, the Company agreed to make certain amendments to the Business Combination Agreement as described in Item 1.01 above. The MOU also provides that the stipulation of settlement to be entered into (the Stipulation ) will include a general release of all claims against the defendants, and will include the defendants' denial that they have committed or aided and abetted in the commission of any violation of law or breaches of duty or engaged in any of the alleged wrongful acts and an express assertion that they have diligently and scrupulously complied with any fiduciary, disclosure and other legal duties. The MOU and the Stipulation will also be conditioned upon class certification.

There can be no assurance that the court will approve the settlement, or that any eventual settlement will be under the same terms as those contemplated by the MOU.

The foregoing description of the MOU is qualified in its entirety by the full text of the MOU, which is attached hereto as Exhibit 99.2 and incorporated herein by reference.
