The press release is attached as Exhibit 99.2 hereto and is incorporated herein by reference.

On February 1, 2016, Thomas F. Farrell II, President, Chairman and CEO of Dominion, sent an email and video to Questar employees. The email is attached as Exhibit 99.4 hereto and the transcript of the video is attached as Exhibit 99.5 hereto, both of which are incorporated herein by reference.

Item 8.01 Other Events

On January 31, 2016, Dominion entered into an Agreement and Plan of Merger (the Merger Agreement) by and among Dominion, Diamond Beehive Corp., a Utah corporation and wholly-owned subsidiary of Dominion (Merger Sub), and Questar. The following description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is attached as Exhibit 99.1 to this report and is incorporated by reference herein.

The Merger Agreement provides for Merger Sub to merge with and into Questar (the Merger), with Questar continuing as the surviving corporation and a wholly-owned subsidiary of Dominion. At the effective time of the Merger, each issued and outstanding share of common stock of Questar will be cancelled and converted into the right to receive \$25.00 per share in cash, without interest.

The Merger Agreement contains customary representations, warranties, covenants and termination provisions. Consummation of the Merger is subject to the satisfaction or waiver of certain specified closing conditions, including (i) approval of the Merger and Merger Agreement by Questar's shareholders, (ii) compliance with applicable state regulatory filing and approval requirements and (iii) other customary closing conditions. The Merger Agreement provides that as soon as practicable after the effective time of the Merger, Dominion intends that its board of directors will take all necessary action to appoint a mutually agreeable current member of the board of directors of Questar to serve on Dominion's board of directors.

In connection with the Merger Agreement, Dominion entered into a Commitment Letter with Mizuho Bank, Ltd. (Mizuho) and Royal Bank of Canada (RBC) pursuant to which Mizuho and RBC have committed to provide debt financing consisting of a \$3.9 billion senior unsecured bridge and term loan facility (which will be decreased at the time of certain offerings or transactions that occur prior to the consummation of the Merger). The obligations of Mizuho and RBC to provide this debt financing are subject to a number of customary conditions, including the execution and delivery of certain definitive documentation.

The representations and warranties contained in the Merger Agreement were made only for the purposes of the Merger Agreement as of the specific dates therein, and were solely for the benefit of the parties to the Merger Agreement. The representations and warranties contained in the Merger Agreement may be subject to limitations agreed upon by the parties to the Merger Agreement and are qualified by information in confidential disclosure schedules provided in connection with the signing of the Merger Agreement. These confidential disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement may be subject to a standard of materiality provided for in the Merger Agreement and have been used for the purpose of allocating risk

among the parties, rather than establishing matters of fact. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Dominion's public disclosures.

Forward Looking Statements

This report includes certain forward-looking information that is subject to various risks and uncertainties. Words such as expect, target, would, will, anticipate, believe, estimate, intend, may, plan, predict, and phrases are used to identify forward-looking statements. There are a number of factors that could cause actual results to differ from those in the forward-looking statements. For example, (i) Questar may not be able to obtain the required shareholder approval of the Merger, (ii) the parties may be unable to obtain necessary regulatory approvals for the Merger or required regulatory approvals may delay the Merger or cause the parties to abandon the Merger, (iii) conditions to the closing of the Merger or the committed debt financing may not be satisfied or (iv) an unsolicited offer for the assets or capital stock of Questar may interfere with the Merger. Accordingly, forward-looking statements are not guarantees or assurances of future outcomes and actual results could differ materially from those indicated by the forward-looking statements. Any forward-looking statement speaks only as of the date on which it is made, and the company undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date on which it is made.
