#### IMPORTANT NOTICE TO HOLDERS OF

## VARIABLE RATE MUNIFUND TERM PREFERRED SHARES OF

NUVEEN DIVIDEND ADVANTAGE MUNICIPAL FUND (NAD)

NUVEEN PREMIUM INCOME MUNICIPAL FUND, INC. (NPI)

AND

## NUVEEN INVESTMENT QUALITY MUNICIPAL FUND, INC. (NQM)

(EACH, A FUND AND COLLECTIVELY, THE FUNDS)

#### MAY 3, 2016

Although we recommend that you read the complete Joint Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

#### Q. Why am I receiving the enclosed Joint Proxy Statement?

A. You are receiving this Joint Proxy Statement as a holder of Variable Rate MuniFund Term Preferred Shares ( VMTP Shares ) of Nuveen Dividend Advantage Municipal Fund (the Acquiring Fund ), Nuveen Premium Income Municipal Fund, Inc. ( Premium Income ), or Nuveen Investment Quality Municipal Fund, Inc. ( Investment Quality ) in connection with the annual shareholder meetings of the Funds.

At the annual meetings, holders of VMTP Shares will vote on the following proposals, as applicable:

(All Funds) the election of members of each Fund s Board of Directors or Board of Trustees, as applicable (each, a Board or the Board ) (the list of specific nominees is contained in the enclosed Joint Proxy Statement);

(All Funds) the reorganization of Premium Income and Investment Quality into the Acquiring Fund (the Premium Income Reorganization and the Investment Quality Reorganization, respectively); and

(Acquiring Fund only) the issuance of additional common shares by the Acquiring Fund in connection with the Premium Income Reorganization, the Investment Quality Reorganization and the reorganization of each of Nuveen Select Quality Municipal Fund, Inc. ( Select Quality ) and Nuveen Premier Municipal Income Fund, Inc. ( Premier Income ) into the Acquiring Fund (collectively with the Premium Income Reorganization and the Investment Quality Reorganization, the Reorganizations ).

Select Quality, Premier Income, Premium Income and Investment Quality are collectively referred to herein as the Target Funds, and each a Target Fund.

Each Fund s Board, including the independent Board members, unanimously recommends that you vote FOR each proposal applicable to your Fund.

#### Proposals Regarding the Reorganizations

- Q. Why have the Boards of the Acquiring Fund, Premium Income and Investment Quality recommended the Reorganization proposal(s)?
- A. Nuveen Fund Advisors, LLC ( Nuveen Fund Advisors ), the Funds investment adviser, recommended the proposed Reorganizations as part of a broad initiative to restructure the product offerings of Nuveen s leveraged national municipal closed-end funds by creating fewer funds with greater scale and more clearly differentiated and competitive investment mandates. For the reasons set forth below, each Fund s Board has determined that the Reorganizations would be in the best interests of its Fund and has approved its Fund s Reorganization.

Upon the closing of the Reorganizations, the Acquiring Fund s name will be changed to Nuveen Enhanced Quality Municipal Income Fund.

- O. What are the anticipated benefits of the proposed Reorganizations?
- **A.** Based on information provided by Nuveen Fund Advisors, each Fund s Board believes that the proposed Reorganizations may benefit common shareholders in a number of ways, including, among other things:

The potential for higher common share net earnings over time from increased operating economies of scale, which may support higher distribution rates in the future and increase investor interest in the combined fund, and, in turn may lower the trading discount to net asset value of common shares;

Increased portfolio and leverage management flexibility due to a significantly larger asset base of the combined fund;

Improved secondary market trading for common shares as a result of the combined fund s greater share volume, which may lead to narrower bid-ask spreads and smaller trade-to-trade price movements; and

Lower fund operating expenses excluding the costs of leverage for all Funds, as certain fixed costs are spread over a larger asset base (however, total expenses including leverage are expected to be slightly higher for the Acquiring Fund and Premium Income due to increased leverage).

- Q. What proposals will shareholders of the Funds be asked to vote on in connection with the proposed Reorganizations?
- A. Shareholders of Premium Income and Investment Quality will be asked to vote on an Agreement and Plan of Reorganization, with common shareholders and preferred shareholders voting together as a single class and preferred shareholders also voting separately. Shareholders of the Acquiring Fund will be asked to vote on the issuance of additional common shares in connection with the Reorganizations, with common shareholders and preferred shareholders voting together as a single class and common shareholders also voting separately. In addition, preferred shareholders of the Acquiring Fund will be asked to vote on the Agreement and Plan of Reorganization. The Funds are separately soliciting the votes of the common shareholders and holders of Variable Rate Demand Preferred Shares (VRDP Shares) through separate proxy statements.

#### Q. How will holders of VMTP Shares be affected by the Reorganizations?

A. The Acquiring Fund has one series of VMTP Shares outstanding as of the date of this Joint Proxy Statement. Each of Premium Income and Investment Quality have one series of VMTP Shares outstanding as of the date of the enclosed Joint Proxy Statement, and each of Investment Quality, Select Quality and Premier Income have one series of VRDP Shares outstanding as of the date of the enclosed Joint Proxy Statement. Upon the closing of the Reorganizations, holders of VMTP Shares of Premium Income and Investment Quality will receive, on a one-for-one basis, newly issued VMTP Shares of the Acquiring Fund having substantially identical terms, as of the closing of the Reorganizations, as the VMTP Shares of Premium Income and Investment Quality exchanged therefor. The documents governing each series of VMTP Shares will be substantially similar.

In addition to issuing two new series of VMTP Shares to holders of VMTP Shares of Premium Income and Investment Quality, the Acquiring Fund will issue a new series of VRDP Shares to holders of VRDP Shares of Select Quality, Premier Income and Investment Quality. As a result, preferred shareholders of the Funds will become preferred shareholders of a combined fund with multiple series and types of preferred shares (i.e., VRDP Shares and VMTP Shares) outstanding. The outstanding preferred shares of the Acquiring Fund and the preferred shares to be issued by the Acquiring Fund in the Reorganizations will have equal priority with each other (and with any other preferred shares that the Acquiring Fund may issue in the future) as to the payment of dividends and the distribution of assets upon the dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The different series of preferred shares may be subject to differing provisions regarding redemptions, dividend payments, rating requirements and other matters as discussed in more detail in the enclosed Joint Proxy Statement.

Following the Reorganizations, holders of preferred shares of the combined fund will hold a smaller percentage of the outstanding preferred shares of the combined fund as compared to their percentage holdings of their respective Fund prior to the Reorganizations. Additionally, the combined fund will have multiple series of preferred shares outstanding and multiple types of preferred shares outstanding. The different types of preferred shares have different characteristics and features, which are described in more detail in the Confidential Information Memorandum attached to the Joint Proxy Statement as Appendix D.

- Q. Will the terms of the VMTP Shares to be issued by the Acquiring Fund as part of the Reorganizations be substantially identical to the terms of the Target Fund VMTP Shares currently outstanding?
- A. Yes. The terms of the VMTP Shares to be issued by the Acquiring Fund as part of the Reorganizations will be substantially identical, as of the closing of the Reorganizations, to the terms of the VMTP Shares of Premium Income and Investment Quality, as applicable, exchanged therefor, including:

the same liquidation preference and mandatory term redemption date;

the same terms with respect to the payment of an adjustable rate dividend; and

the same terms with respect to priority on distributions of assets upon dissolution and liquidation.

#### Q. Do the Funds have similar investment objectives, policies and risks?

A. Yes. The Funds have similar investment objectives, policies and risks. While there are certain wording differences among the Funds investment objectives, each Fund seeks to provide current income exempt from regular federal income tax and to enhance portfolio value relative to the municipal bond market by investing in tax-exempt municipal securities that the Fund s investment adviser believes are underrated or undervalued or that represent municipal market sectors that are undervalued.

The Acquiring Fund has a fundamental investment policy requiring it to invest at least 80% of its managed assets in securities the income from which is exempt from regular federal income tax. Each Target Fund has a fundamental investment policy requiring it to invest at least 80% of its managed assets in securities the income from which is exempt from regular federal income tax.

Each Fund may invest up to 35% of its managed assets in securities rated, at the time of investment, below the three highest grades (Baa or BBB or lower) by at least one nationally recognized statistical rating organization, which includes below-investment-grade securities, or unrated securities judged to be of comparable quality by the Fund s sub-adviser.

Each Fund is a diversified, closed-end management investment company and currently employs leverage through the issuance of preferred shares and the use of inverse floating rate securities.

## Q. Do the Reorganizations constitute a taxable event for holders of VMTP Shares of Premium Income and Investment Quality?

A. No. Each Reorganization is intended to qualify as a tax-free reorganization for federal income tax purposes. As a holder of VMTP Shares it is expected that you will recognize no gain or loss for federal income tax purposes as a direct result of the Reorganizations, except that gain or loss may be recognized if you hold VMTP Shares of Premium Income or Investment Quality and exercise dissenters rights of appraisal under Minnesota law. Prior to the closing of the Reorganizations, each Target Fund expects to declare a distribution to its common shareholders of all of its net investment income and net capital gains, if any. Each Fund reports distributions to common and preferred shareholders as consisting of particular types of income (such as exempt interest, ordinary income and capital gain) based on each class proportionate share of the total distributions paid by the Fund with respect to the year. As a result, such distribution could cause a portion of the distributions received by preferred shareholders with respect to the year to be taxable for federal income tax purposes.

## Q. What will happen if the required shareholder approvals are not obtained?

A. The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holders of the outstanding VMTP Shares of the Acquiring Fund, Premium Income and Investment Quality and liquidity providers with respect to the outstanding VRDP Shares of the Funds. Because the closing of the Reorganizations is

contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund s Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the Reorganizations are not consummated, each Fund s Board may take such actions as it deems in the best interests of its Fund.

- Q. Will holders of VMTP Shares have to pay any fees or expenses in connection with the Reorganizations?
- A. No. Common shareholders will indirectly bear the costs of the Reorganizations, whether or not the Reorganizations are consummated. Preferred shareholders will not bear any costs of the Reorganizations. The total costs of the Reorganizations are estimated to be \$2,455,000, and each Fund s allocable share of such costs will be reflected in its net asset value at or before the close of trading on the business day immediately prior to the closing of the Reorganizations. The estimated allocation of the costs among the Funds is as follows: \$470,000 (0.08%) for the Acquiring Fund, \$760,000 (0.08%) for Premium Income, \$535,000 (0.08%) for Investment Quality, \$430,000 (0.08%) for Select Quality and \$260,000 (0.09%) for Premier Income (all percentages are based on average net assets applicable to common shares for the twelve (12) months ended October 31, 2015). The allocation of the costs of the Reorganizations will be based on the relative expected benefits of the Reorganizations comprised of forecasted operating cost savings (i.e., total expenses excluding the costs of leverage) and improved secondary market trading, if any, to each Fund during the first year following the Reorganizations.
- Q. What is the timetable for the Reorganizations?
- **A.** If the shareholder approval and other conditions to closing are satisfied (or waived), the Reorganizations are expected to take effect on or about July 11, 2016, or as soon as practicable thereafter.
- Q. How does the Board of each of Acquiring Fund, Premium Income and Investment Quality recommend that holders of each Fund's VMTP Shares vote on the Reorganizations?
- A. After careful consideration, the Board of the Acquiring Fund, Premium Income and Investment Quality has determined that the Reorganizations are in the best interests of its Fund and recommends that you vote FOR your Fund s proposal.

General

- Q. Who do I call if I have questions?
- A. If you need any assistance, or have any questions regarding the proposal or how to vote your VMTP Shares, please call Computershare Fund Services, the proxy solicitor hired by your Fund, at (866) 612-5814 weekdays during its business hours of 9:00 a.m. to 11:00 p.m. and Saturdays 12:00 p.m. to 6:00 p.m. Eastern time. Please have your proxy materials available when you call.

## Q. How do I vote my VMTP Shares?

**A.** You may vote by mail, by telephone or over the Internet:

To vote by mail, please mark, sign, date and mail the enclosed proxy card. No postage is required if mailed in the United States.

To vote by telephone, please call the toll-free number located on your proxy card and follow the recorded instructions, using your proxy card as a guide.

To vote over the Internet, go to the Internet address provided on your proxy card and follow the instructions, using your proxy card as a guide.

#### Q. Will anyone contact me?

**A.** You may receive a call from Computershare Fund Services, the proxy solicitor hired by your Fund, to verify that you received your proxy materials, to answer any questions you may have about the proposals and to encourage you to vote your proxy.

We recognize the inconvenience of the proxy solicitation process and would not impose on you if we did not believe that the matters being proposed were important. Once your vote has been registered with the proxy solicitor, your name will be removed from the solicitor s follow-up contact list.

Your vote is very important. We encourage you as a shareholder to participate in your Fund s governance by returning your vote as soon as possible. If enough shareholders fail to cast their votes, your Fund may not be able to hold its meeting or the vote on each issue, and will be required to incur additional solicitation costs in order to obtain sufficient shareholder participation.

## NUVEEN PREMIUM INCOME MUNICIPAL FUND, INC. (NPI)

#### AND

## NUVEEN INVESTMENT QUALITY MUNICIPAL FUND, INC. (NQM)

(EACH, A FUND AND COLLECTIVELY, THE FUNDS)

#### NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

#### TO BE HELD ON JUNE 16, 2016

#### To the Holders of Variable Rate MuniFund Term Preferred Shares:

Notice is hereby given that the Annual Meeting of Shareholders (the Annual Meeting ) of Nuveen Dividend Advantage Municipal Fund (Dividend Advantage or the Acquiring Fund ), Nuveen Premium Income Municipal Fund, Inc. (Premium Income ) and Nuveen Investment Quality Municipal Fund, Inc. (Investment Quality) will be held at the offices of Nuveen Investments, Inc., 333 West Wacker Drive, Chicago, Illinois 60606, on Thursday, June 16, 2016, at 2:00 p.m. Central time. Nuveen Select Quality Municipal Fund, Inc. (Select Quality) and Nuveen Premier Income Municipal Fund, Inc. (Premier Income), together with Premium Income and Investment Quality are collectively referred to herein as the Target Funds or each individually, a Target Fund).

The Annual Meetings will be held for the following purposes:

## 1. <u>Election of Board Members</u>.

- (a) For Dividend Advantage:
  - (i) Three (3) Class I board members are to be elected by holders of common shares and preferred shares, voting together as a single class. Board members Stockdale, Stone and Wolff are nominees for election by all shareholders.
  - (ii) Two (2) board members are to be elected by holders of preferred shares only, voting separately. Board members Hunter and Schneider are nominees for election by preferred shareholders.
- (b) For each Target Fund:
  - (i) Eight (8) board members are to be elected by holders of common shares and preferred shares, voting together as a single class. Board members Adams, Evans, Kundert, Nelson, Stockdale, Stone. Toth and Wolff are nominees for election by all shareholders.
  - (ii) Two (2) board members are to be elected by holders of preferred shares only, voting separately. Board members Hunter and Schneider are nominees for election by preferred shareholders.

2. <u>Agreement and Plan of Reorganization</u>. The shareholders of each Fund voting as set forth below for an Agreement and Plan of Reorganization pursuant to which each

Target Fund would: (i) transfer substantially all of its assets to the Acquiring Fund in exchange solely for newly issued common shares and preferred shares of the Acquiring Fund, and the Acquiring Fund s assumption of substantially all of the liabilities of the Target Fund; (ii) distribute such newly issued shares of the Acquiring Fund to the common shareholders and preferred shareholders of the Target Fund (with cash being distributed in lieu of fractional common shares); and (iii) liquidate, dissolve and terminate in accordance with applicable law.

(a) For Dividend Advantage:

The preferred shareholders voting separately to approve the Agreement and Plan of Reorganization.

- (b) For each Target Fund:
  - (i) The common and preferred shareholders voting together as a single class to approve the Agreement and Plan of Reorganization.
  - (ii) The preferred shareholders voting separately to approve the Agreement and Plan of Reorganization.
- 3. <u>Approval of Issuance of Additional Common Shares by the Acquiring Fund</u>. *For Dividend Advantage:* 
  - (a) The common and preferred shareholders voting together as a single class to approve the issuance of additional common shares in connection with each reorganization pursuant to the Agreement and Plan of Reorganization.
  - (b) The common shareholders voting separately to approve the issuance of additional common shares in connection with each reorganization pursuant to the Agreement and Plan of Reorganization.
- 4. To transact such other business as may properly come before the Annual Meeting.

  Only shareholders of record of the Acquiring Fund as of the close of business on March 18, 2016 and shareholders of record of the Target Funds as of the close of business on April 18, 2016 are entitled to notice of and to vote at the Annual Meeting and any and all adjournments or postponements thereof.

All shareholders are cordially invited to attend the Annual Meeting. In order to avoid delay and additional expense for the Funds and to assure that your shares are represented, please vote as promptly as possible, regardless of whether or not you plan to attend the Annual Meeting. You may vote by mail, by telephone or over the Internet. To vote by mail, please mark, sign, date and mail the enclosed proxy card. No postage is required if mailed in the United States. To vote by telephone, please call the toll-free number located on your proxy card and follow the recorded instructions, using your proxy card as a guide. To vote over the Internet, go to the Internet address provided on your proxy card and follow the instructions, using your proxy card as a guide.

If you intend to attend the Annual Meeting in person and you are a record holder of a Fund s shares, in order to gain admission you must show photographic identification, such as your driver s license. If you intend to attend the Annual Meeting in person and you hold your shares through a bank, broker or other custodian, in order to gain admission you must show photographic identification, such as your driver s license, and satisfactory proof of ownership of shares of a Fund, such as your voting instruction form (or a copy thereof) or broker s statement indicating ownership as of a recent date. If you hold your shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the Annual Meeting.

#### JOINT PROXY STATEMENT

#### FOR HOLDERS OF VARIABLE RATE MUNIFUND TERM PREFERRED SHARES OF

NUVEEN DIVIDEND ADVANTAGE MUNICIPAL FUND (NAD)

NUVEEN PREMIUM INCOME MUNICIPAL FUND, INC. (NPI)

AND

#### NUVEEN INVESTMENT QUALITY MUNICIPAL FUND, INC. (NQM)

(EACH, A FUND AND COLLECTIVELY, THE FUNDS)

#### MAY 3, 2016

This Joint Proxy Statement is being furnished to holders of Variable Rate MuniFund Term Preferred Shares ( VMTP Shares ) of Nuveen Dividend Advantage Municipal Fund ( Dividend Advantage or the Acquiring Fund ), Nuveen Premium Income Municipal Fund, Inc. ( Premium Income ) and Nuveen Investment Quality Municipal Fund, Inc. ( Investment Quality ), each a closed-end management investment company, in connection with the solicitation of proxies by each Fund s Board of Directors or Board of Trustees, as applicable (each, a Board or the Board and each director, a Board Member ), for use at the Annual Meeting of Shareholders of each Fund to be held at the offices of Nuveen Investments, Inc. ( Nuveen or Nuveen Investments ), 333 West Wacker Drive, Chicago, Illinois 60606, on Thursday, June 16, 2016, at 2:00 p.m. Central time, and at any and all adjournments or postponements thereof (each, an Annual Meeting and collectively, the Annual Meetings ), to consider the proposals listed below, as applicable, and discussed in greater detail elsewhere in this Joint Proxy Statement. Dividend Advantage is organized as a Massachusetts business trust and each of Premium Income and Investment Quality is organized as a Minnesota corporation. The enclosed proxy card and this Joint Proxy Statement are first being sent to shareholders of the Funds on or about May 4, 2016. Shareholders of record of Dividend Advantage as of the close of business on March 18, 2016 and shareholders of record of Premium Income and Investment Quality as of the close of business on April 18, 2016 are entitled to notice of and to vote at the Annual Meeting and any and all adjournments or postponements thereof.

This Joint Proxy Statement explains concisely what you should know before voting on the proposals described in this Joint Proxy Statement or investing in the Acquiring Fund. Please read it carefully and keep it for future reference.

On the matters coming before each Annual Meeting as to which a choice has been specified by shareholders on the accompanying proxy card, the shares will be voted accordingly where such proxy card is properly executed, timely received and not properly revoked (pursuant to the instructions below). If a proxy is returned and no choice is specified, the shares will be voted **FOR** the proposal(s). Shareholders of a Fund who execute proxies or provide voting instructions by telephone or by Internet may revoke them at any time before a vote is taken on a proposal by filing with that Fund, as applicable, a written notice of revocation, by delivering a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. A prior proxy can also be revoked by voting again through the toll-free number or the Internet address listed in the proxy card. However, merely attending the Annual Meeting will not revoke any previously submitted proxy.

The Board of each Fund has determined that the use of this Joint Proxy Statement for the Annual Meetings is in the best interest of each Fund in light of the similar matters being considered and voted on by shareholders.

Each of Premium Income and the Acquiring Fund have common shares and one series of VMTP Shares outstanding. Each of Nuveen Select Quality Municipal Fund, Inc. ( Select Quality ) and Nuveen Premier Municipal Income Fund, Inc. ( Premier Income ) have common shares and one series of Variable Rate Demand Preferred Shares ( VRDP Shares ) outstanding. Investment Quality has common shares, one series of VRDP Shares and one series of VMTP Shares outstanding (Premium Income, together with Select Quality, Premier Income and Investment Quality are collectively referred to herein as the Target Funds and each, a Target Fund ).

At the Annual Meetings, the common and preferred shareholders of the Dividend Advantage, Premium Income and Investment Quality will be asked to approve Proposals Nos. 1, 2, and 3 each as described below, which must be approved by the Funds common and preferred shareholders as follows:

#### Proposal No. 1. (all Funds) To elect Board Members:

With respect to Dividend Advantage:

three (3) Class I Board Members are to be elected by a plurality of the Fund s common and preferred shareholders, voting together as a single class; and

two (2) Board Members are to be elected by a plurality of the Fund s preferred shareholders voting separately (but not by the Fund s common shareholders).

With respect to Premium Income and Investment Quality:

eight (8) Board Members are to be elected by a plurality of the Fund s common and preferred shareholders voting together as a single class; and

two (2) Board Members are to be elected by a plurality of the Fund s preferred shareholders voting separately (but not by the Fund s common shareholders).

## Proposal No. 2.

(all Funds) To approve the Agreement and Plan of Reorganization:

With respect to Dividend Advantage, Proposal No. 2 must be approved by the Fund s preferred shareholders voting separately (but not by the Fund s common shareholders).

With respect to each of Premium Income and Investment Quality, Proposal No. 2 must be approved by each Fund s common and preferred shareholders voting together as a single class and by each Fund s preferred shareholders voting separately.

ii

Proposal No. 3.

(Dividend Advantage only) To approve the issuance of additional common shares in connection with each reorganization pursuant to the Agreement and Plan of Reorganization:

Proposal No. 3 must be approved by Dividend Advantage s common and preferred shareholders voting together as a single class and by the Acquiring Fund s common shareholders voting separately.

Only holders of VMTP Shares are being solicited to vote on the proposals described above pursuant to this Joint Proxy Statement. The common shareholders and holders of VRDP Shares of the Funds are being solicited to vote on the proposals described above by means of separate proxy statements.

#### **Quorum and Voting**

A quorum of shareholders is required to take action at each Annual Meeting. A majority of the shares entitled to vote at each Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Annual Meeting. Votes cast in person or by proxy at each Annual Meeting will be tabulated by the inspectors of election appointed for that Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which (1) instructions have not been received from the beneficial owners or persons entitled to vote and (2) the broker or nominee does not have discretionary voting power on a particular matter), if any, as present for purposes of determining a quorum.

Broker-dealer firms holding shares of a Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares before the Annual Meeting. The Funds understand that, under the rules of the New York Stock Exchange (the NYSE), such broker-dealer firms may, for certain routine matters, grant discretionary authority to the proxies designated by each Board to vote without instructions from their customers and clients if no instructions have been received prior to the date specified in the broker-dealer firm s request for voting instructions. Proposal No. 1 is a routine matter, and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of Proposal No. 1.

Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

Those persons who were shareholders of record of the Acquiring Fund as of the close of business on March 18, 2016 and those persons who were shareholders of record of a Target Fund as of the close of business on April 18, 2016 will be entitled to one vote for each share held and, with respect to holders of common shares, a proportionate fractional vote for each fractional common share held.

As of March 18, 2016 for the Acquiring Fund, and as of April 18, 2016 for each Target Fund, the shares of the Funds issued and outstanding are as follows:

Fund	Common	VMTP	VRDP
(Ticker Symbol)	Shares(1)	Shares <sup>(1)</sup>	Shares <sup>(1)</sup>
Acquiring Fund (NAD)	39,296,352	$2,650^{(2)}$	
Premium Income (NPI)	64,060,043	4,070	
Investment Quality (NQM)	41,576,384	435	2,368
Select Quality (NQS)	35,222,129		2,675
Premier Income (NPF)	19,888,518		1,277

- (1) The common shares of the Acquiring Fund, Premium Income, Investment Quality, Select Quality and Premier Income are listed on the NYSE. Upon the closing of the Reorganizations, it is expected that the common shares of the Acquiring Fund will continue to be listed on the NYSE. Neither the VMTP Shares of the Acquiring Fund, Premium Income or Investment Quality nor the VRDP Shares of Investment Quality, Select Quality or Premier Income are listed on any exchange.
- (2) The outstanding VMTP Shares of the Acquiring Fund have a liquidity account initial date of June 30, 2016 and a term redemption date of December 30, 2016 and the outstanding VMTP Shares of Investment Quality have a liquidity account initial date of November 1, 2016 and a term redemption date of May 1, 2017. It is expected that each such Fund s VMTP Shares will be refinanced on or prior to the applicable liquidity account initial date with the proceeds of the issuance of one or more new series of VMTP Shares and/or other preferred shares of the Fund with an aggregate liquidation preference at least equal to the aggregate liquidation preference of the Fund s outstanding VMTP Shares. The refinancing of the Acquiring Fund s and Investment Quality s outstanding VMTP Shares may take place prior to the closing of the Reorganizations.

#### The Reorganizations

The proposed reorganizations are part of a broad initiative to restructure the product offerings of Nuveen s leveraged national municipal closed-end funds by creating fewer funds with greater scale and more clearly differentiated and competitive investment mandates. Upon the closing of the Reorganizations, the Acquiring Fund s name will be changed to Nuveen Enhanced Quality Municipal Income Fund.

The terms of the reorganization of each Target Fund into the Acquiring Fund are set forth in an Agreement and Plan of Reorganization by and among the Acquiring Fund and each Target Fund (the Agreement). The Agreement and Plan of Reorganization provides for: (1) the Acquiring Fund is acquisition of substantially all of the assets of each Target Fund in exchange for newly issued common shares of the Acquiring Fund, par value \$0.01 per share, and newly issued VMTP Shares of the Acquiring Fund, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, or newly issued VRDP Shares of the Acquiring Fund, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, as applicable, and the Acquiring Fund is assumption of substantially all of the liabilities of each Target Fund; and (2) the distribution of the newly issued Acquiring Fund common shares and Acquiring Fund preferred shares received by each Target Fund to its common and preferred shareholders, respectively, as part of the liquidation, dissolution and termination of each Target Fund in accordance with applicable law (each, a Reorganization and together, the Reorganizations). Preferred shareholders of each Target Fund will receive the same number of Acquiring Fund VMTP Shares or VRDP Shares, as applicable, having substantially identical terms (with respect to VMTP Shares) or substantially similar terms (with respect to VRDP Shares) as the outstanding preferred shares of the Target Fund held by such preferred shareholders

immediately prior to the closing of the Reorganizations. The aggregate liquidation preference of the Acquiring Fund preferred shares received in connection with each Reorganization will equal the aggregate liquidation preference of the corresponding Target Fund preferred shares held immediately prior to the closing of the Reorganization. The Agreement and Plan of Reorganization may be amended by the Funds, as specifically authorized by each Fund s Board, provided that following receipt of shareholder approval of the Agreement at the Annual Meeting, no such amendment may change the provisions for determining the number of Acquiring Fund shares to be issued to Target Fund shareholders to the detriment of such shareholders without their further approval.

The preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations will have equal priority with each other and with the Acquiring Fund s other outstanding preferred shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. In addition, the preferred shares of the Acquiring Fund, including the preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations, will be senior in priority to the Acquiring Fund s common shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The Acquiring Fund will continue to operate after the Reorganizations as a registered closed-end management investment company, with the investment objectives and policies described in this Joint Proxy Statement.

With respect to Premium Income and Investment Quality, the Reorganizations are required to be approved by the affirmative vote of the holders of a majority of each Fund s outstanding common and preferred shares, voting together as a single class, and by the affirmative vote of a majority of each Fund s outstanding preferred shares, voting separately. The affirmative vote of a majority of the common and preferred shareholders of the Acquiring Fund, voting together as a single class, and the affirmative vote of a majority of the common shareholders of the Acquiring Fund, voting separately, are required to approve the issuance of additional common shares of the Acquiring Fund in connection with the Reorganizations. In addition, the Reorganizations are required to be approved by the affirmative vote of a majority of the Acquiring Fund s outstanding preferred shares, voting separately.

The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holders of the outstanding VMTP Shares of the Acquiring Fund, Premium Income and Investment Quality and liquidity providers with respect to the outstanding VRDP Shares of the Funds. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund s Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the Reorganizations are not consummated, each Fund s Board may take such actions as it deems in the best interests of its Fund.

V

## **Incorporation by Reference and Additional Information**

The following documents have been filed with the SEC and are incorporated into this Joint Proxy Statement by reference:

- (1) the audited financial statements and related independent registered public accounting firm s report for the Acquiring Fund and the financial highlights for the Acquiring Fund contained in the Fund s Annual Report for the fiscal year ended October 31, 2015 (File No. 811-09297); and
- (2) the audited financial statements and related independent registered public accounting firm s report for each of Premium Income, Investment Quality, Select Quality and Premier Income and the financial highlights for such Target Fund contained in each fund s Annual Report for the fiscal year ended October 31, 2015 (File Nos. 811-05570, 811-06091, 811-06240 and 811-06456, respectively).

No other parts of the Funds Annual or Semi-Annual Reports are incorporated by reference herein.

Copies of the foregoing may be obtained without charge by calling (800) 257-8787 or writing the Funds at 333 West Wacker Drive, Chicago, Illinois 60606. In addition, each Fund will furnish, without charge, a copy of its most recent Annual Report or Semi-Annual Report to a shareholder upon request. Any such request should be directed to the Funds by calling (800) 257-8787 or by writing the Funds at 333 West Wacker Drive, Chicago, Illinois 60606.

The Funds are subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the Exchange Act ), and the Investment Company Act of 1940, as amended (the 1940 Act ), and in accordance therewith file reports and other information with the SEC. Reports, proxy statements, registration statements and other information filed by the Funds may be inspected without charge and copied (for a duplication fee at prescribed rates) at the SEC s public reference room at 100 F Street, N.E., Washington, D.C. 20549 or at the SEC s New York Regional Office (Brookfield Place, 200 Vesey Street, Suite 400, New York, New York 10281) or Chicago Regional Office (175 West Jackson Boulevard, Suite 900, Chicago, Illinois 60604). You may call the SEC at (202) 551-8090 for information about the operation of the public reference room. You may obtain copies of this information, with payment of a duplication fee, by electronic request at the following e-mail address: publicinfo@sec.gov, or by writing the SEC s Public Reference Branch, Office of Consumer Affairs and Information Services, Securities and Exchange Commission, Washington, D.C. 20549. You may also access reports and other information about the Funds on the EDGAR database on the SEC s Internet site at http://www.sec.gov. Reports, proxy statements and other information concerning the Funds also can be inspected at the offices of the NYSE, 11 Wall Street, New York, New York 10005.

#### PROPOSAL NO. 1 THE ELECTION OF BOARD MEMBERS

#### (PREFERRED SHAREHOLDERS OF EACH FUND)

## Dividend Advantage:

Pursuant to the organizational documents of Dividend Advantage (the Massachusetts Fund ), the Board is divided into three classes (Class I, Class II and Class III), to be elected by the holders of the outstanding common shares and any outstanding preferred shares, voting together as a single class, to serve until the third succeeding annual meeting of shareholders subsequent to their election or thereafter, in each case until their successors have been duly elected and qualified. Under normal circumstances, holders of preferred shares, voting separately, are entitled to elect two (2) Board Members. The Board Members elected by holders of preferred shares will be elected to serve until the next annual meeting of shareholders or until their successors have been duly elected and qualified.

- a. Three (3) Board Members are to be elected by holders of common shares and preferred shares, voting together as a single class. Board Members Stockdale, Stone and Wolff have been designated as Class I Board Members and are nominees for election at the Annual Meeting to serve for a term expiring at the 2019 annual meeting of shareholders or until their successors have been duly elected and qualified. Board Members Adams, Evans, Kundert, Nelson, Schreier and Toth are current and continuing Board Members. Board Members Adams, Kundert, Nelson and Toth have been designated as Class II Board Members to serve for a term expiring at the 2017 annual meeting of shareholders or until their successors have been duly elected and qualified. Board Members Evans and Schreier have been designated as Class III Board Members to serve for a term expiring at the 2018 annual meeting of shareholders or until their successors have been duly elected and qualified.
- b. Two (2) Board Members are to be elected by holders of preferred shares only, voting separately. Board Members Hunter and Schneider are nominees for election by holders of preferred shares to serve for a term expiring at the next annual meeting of shareholders or until their successors have been duly elected and qualified.

#### Premium Income and Investment Quality:

At the Annual Meeting of each Premium Income and Investment Quality (the Minnesota Funds), Board Members are to be elected to serve until the next annual meeting of shareholders or until their successors have been duly elected and qualified. Under the terms of each Funds organizational documents, under normal circumstances, holders of preferred shares, voting separately, are entitled to elect two (2) Board Members, and the remaining Board Members are to be elected by holders of common shares and preferred shares, voting together as a single class

- a. Eight (8) Board Members are to be elected by holders of common shares and preferred shares, voting together as a single class. Board Members Adams, Evans, Kundert, Nelson, Stockdale, Stone, Toth and Wolff are nominees for election by all shareholders.
- b. Two (2) Board Members are to be elected by holders of preferred shares only, voting separately. Board Members Hunter and Schneider are nominees for election by holders of preferred shares.

It is the intention of the persons named in the enclosed proxy to vote the shares represented thereby for the election of the nominees listed in the table below unless the proxy is marked otherwise. Each of the nominees has agreed to serve as a Board Member of each of Premium Income and Investment Quality if elected. However, should any nominee become unable or unwilling to accept nomination for election, the proxies will be voted for substitute nominees, if any, designated by Premium Income and Investment Quality s then-present Board.

For the Massachusetts Fund, Class I Board Members Stockdale and Stone, nominees for election by holders of common and preferred shares, were last elected at the at the annual meeting of shareholders held on August 7, 2013. Effective February 15, 2016, Board Member Wolff, also a nominee for election by holders of common and preferred shares, was appointed as a Board Member and designated as a Class I Board Member with respect to the Massachusetts Fund. Class II Board Members Adams, Kundert, Nelson and Toth were last elected at the Massachusetts Fund s annual meeting of shareholders held on August 5, 2014. Class III Board Members Evans and Schreier were last elected at the Massachusetts Fund s annual meeting of shareholders held on August 5, 2015. Board Members Hunter and Schneider were last elected by holders of preferred shares at the annual meeting of shareholders held on August 5, 2015.

For each Minnesota Fund, each Board Member was last elected to the Fund s Board at the annual meeting of shareholders held on August 5, 2015, with the exception of Board Member Wolff, who was appointed as a Board Member of the Minnesota Funds effective February 15, 2016.

Other than Messrs. Adams and Schreier, each of the Board Members and Board Member nominees is not an interested person, as defined in the 1940 Act, of the Funds or of Nuveen Fund Advisors, LLC ( Nuveen Fund Advisors or the Advisor ), the investment adviser to each Fund, and has never been an employee or director of Nuveen Investments, the Advisor s parent company, or any affiliate. Accordingly, such Board Members are deemed Independent Board Members.

For each Fund, the affirmative vote of a plurality of the shares present and entitled to vote at the Annual Meeting will be required to elect each Board Member of that Fund. For purposes of determining the approval of the proposal to elect nominees for each Fund, abstentions and broker non-votes will have no effect on the election of Board Members.

The Board of each Fund unanimously recommends that shareholders vote FOR the election of each Board Member identified in the table below as having an annual term or designated as a Class I Board Member, as applicable.

- (1) Length of Time Served indicates the year in which the individual became a Board Member of a fund in the Nuveen Fund complex.
- (2) Mr. Schneider is one of several owners and managing members in two limited liability companies and a general partner and one member of the governing body of a general partnership, each engaged in real estate ownership activities. In connection with their ordinary course of investment activities, court appointed receivers have been named for certain individual properties owned by such entities. The individual properties for which a receiver has been appointed represent an immaterial portion of the portfolio assets owned by these entities.
- (3) Mr. Toth serves as a director on the Board of Directors of the Mather Foundation (the Foundation ) and is a member of its investment committee. The Foundation is the parent of the Mather LifeWays organization, a non-profit charitable organization. Prior to Mr. Toth joining the Board of the Foundation, the Foundation selected Gresham Investment Management (Gresham), an affiliate of Nuveen Fund Advisors, to manage a portion of the Foundation s investment portfolio, and pursuant to this selection, the Foundation has invested that portion of its investment portfolio in a private commodity pool managed by Gresham.
- (4) Each of Messrs. Adams and Schreier is an interested person, as defined in the 1940 Act, by reason of his respective position(s) with Nuveen Investments. Inc. and/or certain of its subsidiaries.
- (5) Mr. Schreier has announced his intention to retire from the Board as of May 31, 2016. He will continue to serve on the Board until his retirement on May 31, 2016.

In order to create an appropriate identity of interests between Board Members and shareholders, the boards of directors/trustees of the Nuveen funds have adopted a governance principle pursuant to which each Board Member is expected to invest, either directly or on a deferred basis, at least the equivalent of one year of compensation in the funds in the Nuveen complex.

#### **Share Ownership**

The following table sets forth for each Board Member the dollar range of equity securities beneficially owned in each Fund and in all Nuveen funds overseen by the Board Member as of December 31, 2015:

#### **Dollar Range of Equity Securities**

Name of Board Member	Dividend Advantage	Premium Income	Investment Quality	Family of Investment Companies <sup>(1)</sup>
William Adams IV	Over \$100,000	\$50,001 \$100,000	None	over \$100,000
Jack B. Evans	None	None	None	over \$100,000
William C. Hunter	None	None	None	over \$100,000
David J. Kundert	None	None	None	over \$100,000
John K. Nelson	None	None	None	over \$100,000
William J. Schneider	None	None	None	over \$100,000
Thomas S. Schreier, Jr.	None	None	None	over \$100,000
Judith M. Stockdale	\$10,001 \$50,000	None	None	over \$100,000
Carole E. Stone	None	None	None	over \$100,000
Terence J. Toth	None	None	None	over \$100,000
Margaret L. Wolff <sup>(2)</sup>	None	None	None	None

<sup>(1)</sup> The amounts reflect the aggregate dollar range of equity securities beneficially owned by the Board Member in all Nuveen funds overseen by the Board Member.

No Independent Board Member or his or her immediate family member owns beneficially or of record any security of Nuveen Fund Advisors, Nuveen Asset Management, LLC, the Funds sub-adviser (Nuveen Asset Management or the Sub-Adviser), Nuveen Investments or any person (other than a registered investment company) directly or indirectly controlling, controlled by or under common control with Nuveen Fund Advisors, Nuveen Asset Management or Nuveen Investments.

As of December 31, 2015, Board Members and executive officers as a group beneficially owned approximately 1,700,000 shares of all funds managed by the Adviser (including shares held by the Board Members through the deferred compensation plan for Independent Board Members and by executive officers in Nuveen s 401(k)/profit sharing plan), and each Board Member s individual beneficial shareholdings of each Fund constituted less than 1% of the outstanding shares of such fund. As of December 31, 2015, the Board Members and officers of each Fund as a group beneficially owned less than 1% of the total outstanding common shares and less than 1% of the total outstanding preferred shares of each Fund. Information regarding beneficial owners of more than 5% of any class of shares of any Fund is provided under General Information Shareholders of the Acquiring Fund and the Target Funds.

<sup>(2)</sup> Ms. Wolff was appointed to the Board effective February 15, 2016.

#### Compensation

Effective January 1, 2016, Independent Board Members receive a \$170,000 annual retainer plus: (1) a fee of \$5,500 per day for attendance in person or by telephone at regularly scheduled meetings of the Board; (2) a fee of \$3,000 per meeting for attendance in person or by telephone at special, non-regularly scheduled meetings of the Board where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (3) a fee of \$2,500 per meeting for attendance in person or by telephone at Audit Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (4) a fee of \$2,500 per meeting for attendance in person or by telephone at Compliance Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (5) a fee of \$1,000 per meeting for attendance in person or by telephone at Dividend Committee meetings; (6) a fee of \$500 per meeting for attendance in person or by telephone at all other committee meetings (\$1,000 for shareholder meetings) where in-person attendance is required and \$250 per meeting for attendance by telephone or in person at such committee meetings (excluding shareholder meetings) where in-person attendance is not required, and \$100 per meeting when the Executive Committee acts as pricing committee for IPOs, plus, in each case, expenses incurred in attending such meetings, provided that no fees are received for meetings held on days on which regularly scheduled Board meetings are held; and (7) a fee of \$2,500 per meeting for attendance in person or by telephone at Closed-End Funds Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; provided that no fees are received for meetings held on days on which regularly scheduled Board meetings are held. In addition to the payments described above, the Independent Chairman of the Board receives \$80,000, and the chairpersons of the Audit Committee, the Dividend Committee, the Compliance Committee, the Nominating and Governance Committee and the Closed-End Funds Committee receive \$12,500 each as additional retainers. Independent Board Members also receive a fee of \$3,000 per day for site visits to entities that provide services to the Nuveen funds on days on which no Board meeting is held. When ad hoc committees are organized, the Nominating and Governance Committee will at the time of formation determine compensation to be paid to the members of such committees; however, in general, such fees will be \$1,000 per meeting for attendance in person or by telephone at ad hoc committee meetings where in-person attendance is required and \$500 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required. The annual retainer, fees and expenses are allocated among the Nuveen funds on the basis of relative net assets, although management may, in its discretion, establish a minimum amount to be allocated to each fund.

The Funds do not have retirement or pension plans. Certain Nuveen funds (the Participating Funds ) participate in a deferred compensation plan (the Deferred Compensation Plan ) that permits an Independent Board Member to elect to defer receipt of all or a portion of his or her compensation as an Independent Board Member. The deferred compensation of a participating Independent Board Member is credited to a book reserve account of the Participating Fund when the compensation would otherwise have been paid to such Independent Board Member. The value of the Independent Board Member s deferral account at any time is equal to the value that the account would have had if contributions to the account had been invested and reinvested in shares of one or more of the eligible Nuveen funds. At the time for commencing distributions from an Independent Board Member s deferral account, the Independent Board Member may elect to receive distributions in a lump sum or over a period of five years. The Participating Fund will not be liable for any other fund s obligations to make distributions under the Deferred Compensation Plan.

The Funds have no employees. The officers of the Funds and each Board Member of the Funds who is not an Independent Board Member serve without any compensation from the Funds.

The table below shows, for each Independent Board Member, the aggregate compensation paid by each Fund to the Board Member for its last fiscal year:

## Aggregate Compensation from the Funds<sup>(1)(2)</sup>

			Virgin							rginia	nia							
	Jack	В.	Wil	Villiam C. David J.		John K. W		William J.		Judith M.		Carole E.		L.		Terence J.

- (2) Ms. Wolff was appointed to the Board effective February 15, 2016 and did not sit on the Board during the fiscal year ended October 31, 2015.
- (3) Ms. Stringer retired from the Board as of December 31, 2015.

#### **Board Leadership Structure and Risk Oversight**

The Board of each Fund oversees the operations and management of the Fund, including the duties performed for the Funds by the Adviser. The Board has adopted a unitary board structure. A unitary board consists of one group of board members who serve on the board of every fund in the complex. In adopting a unitary board structure, the Board Members seek to provide effective governance through establishing a board, the overall composition of which will, as a body, possess the appropriate skills, independence and experience to oversee the Nuveen funds business. With this overall framework in mind, when the Board, through its Nominating and Governance Committee discussed below, seeks nominees for the Board, the Board Members consider, not only the candidate s particular background, skills and experience, among other things, but also whether such background, skills and experience enhance the Board s diversity and at the same time complement the Board given its current composition and the mix of skills and experiences of the incumbent Board Members. The Nominating and Governance Committee believes that the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy on diversity or any particular definition of diversity.

The Board believes the unitary board structure enhances good and effective governance, particularly given the nature of the structure of the investment company complex. Funds in the same complex generally are served by the same service providers and personnel and are governed by the same regulatory scheme that raises common issues that must be addressed by the Board Members across the fund complex (such as compliance, valuation, liquidity, brokerage, trade allocation or risk management). The Board believes it is more efficient to have a single board review and oversee

common policies and procedures, which increases the Board sknowledge and expertise with respect to the many aspects of fund operations that are complex-wide in nature. The unitary structure also enhances the Board sinfluence and oversight over the Adviser and other service providers.

In an effort to enhance the independence of the Board, the Board also has a Chairman that is an Independent Board Member. The Board recognizes that a chairman can perform an important role in setting the agenda for the Board, establishing the boardroom culture, establishing a point person on behalf of the Board for Fund management and reinforcing the Board's focus on the long-term interests of shareholders. The Board recognizes that a chairman may be able to better perform these functions without any conflicts of interests arising from a position with Fund management. Accordingly, the Board Members have elected William J. Schneider as the Independent Chairman of the Board. Specific responsibilities of the Chairman include: (1) presiding at all meetings of the Board and of the shareholders; (2) seeing that all orders and resolutions of the Board Members are carried into effect; and (3) maintaining records of and, whenever necessary, certifying all proceedings of the Board Members and the shareholders.

Although the Board has direct responsibility over various matters (such as advisory contracts, underwriting contracts and Fund performance), the Board also exercises certain of its oversight responsibilities through several committees that it has established and which report back to the full Board. The Board believes that a committee structure is an effective means to permit Board Members to focus on particular operations or issues affecting the Funds, including risk oversight. More specifically, with respect to risk oversight, the Board has delegated matters relating to valuation and compliance to certain committees (as summarized below) as well as certain aspects of investment risk. In addition, the Board believes that the periodic rotation of Board Members among the different committees allows the Board Members to gain additional and different perspectives of a Fund s operations. The Board has established six standing committees: the Executive Committee; the Dividend Committee; the Audit Committee; the Compliance, Risk Management and Regulatory Oversight Committee; the Nominating and Governance Committee; and the Closed-End Funds Committee. The Board may also from time to time create ad hoc committees to focus on particular issues as the need arises. The membership and functions of the standing committees are summarized below.

*Executive Committee.* The Executive Committee, which meets between regular meetings of the Board as necessary, is authorized to exercise all of the powers of the Board. As of February 15, 2016, the members of the Executive Committee are William J. Schneider, Chair, William Adams IV and Terence J. Toth. During the fiscal year ended October 31, 2015, the Executive Committee of Premium Income met one time and the Executive Committee of Investment Quality, Select, Quality, and Premier Income did not meet.

Dividend Committee. The Dividend Committee is authorized to declare distributions on each Fund s shares including, but not limited to, regular and special dividends, capital gains and ordinary income distributions. As of February 15, 2016, the members of the Dividend Committee are William C. Hunter, Chair, Judith M. Stockdale and Terence J. Toth. During the fiscal year ended October 31, 2015, the Dividend Committee met three times.

Closed-End Funds Committee. The Closed-End Funds Committee is responsible for assisting the Board in the oversight and monitoring of the Nuveen Funds that are registered as closed-end management investment companies ( Closed-End Funds ). The committee may review and evaluate

matters related to the formation and the initial presentation to the Board of any new Closed-End Fund and may review and evaluate any matters relating to any existing Closed-End Fund. The committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx. As of February 15, 2016, the members of the Closed-End Funds Committee are Carole E. Stone, Chair, William Adams IV, Jack B. Evans, John K. Nelson, William J. Schneider and Terence J. Toth. During the fiscal year ended October 31, 2015, the Closed-End Funds Committee met four times.

Audit Committee. The Board has an Audit Committee, in accordance with Section 3(a)(58)(A) of the Exchange Act, that is composed of Independent Board Members who are also independent as that term is defined in the listing standards pertaining to closed-end funds of the NYSE or NYSE MKT, as applicable. The Audit Committee assists the Board in: the oversight and monitoring of the accounting and reporting policies, processes and practices of the Funds, and the audits of the financial statements of the Funds; the responsibility of the financial statements relating to the Funds financial statements; the independent auditors qualifications, performance and independence; and the pricing procedures of the Funds and the internal valuation group of Nuveen. It is the responsibility of the Audit Committee to select, evaluate and replace any independent auditors (subject only to Board and, if applicable, shareholder ratification) and to determine their compensation. The Audit Committee is also responsible for, among other things, overseeing the valuation of securities comprising the Funds portfolios. Subject to the Board's general supervision of such actions, the Audit Committee addresses any valuation issues, oversees the Funds pricing procedures and actions taken by Nuveen's internal valuation group which provides regular reports to the committee, reviews any issues relating to the valuation of the Funds's securities brought to its attention, and considers the risks to the Funds in assessing the possible resolutions of these matters. The Audit Committee may also consider any financial risk exposures for the Funds in conjunction with performing its functions.

To fulfill its oversight duties, the Audit Committee receives annual and semi-annual reports and has regular meetings with the external auditors for the Funds and the internal audit group at Nuveen. The Audit Committee also may review, in a general manner, the processes the Board or other Board committees have in place with respect to risk assessment and risk management as well as compliance with legal and regulatory matters relating to the Funds financial statements. The Audit Committee operates under a written Audit Committee Charter (the Charter) adopted and approved by the Board, which Charter conforms to the listing standards of the NYSE or NYSE MKT, as applicable. Members of the Audit Committee are independent (as set forth in the Charter) and free of any relationship that, in the opinion of the Board Members, would interfere with their exercise of independent judgment as an Audit Committee member. A copy of the Charter is attached as Appendix B to this Joint Proxy Statement. As of February 15, 2016, the members of the Audit Committee are Jack B. Evans, Chair, David J. Kundert, John K. Nelson, Carole E. Stone and Terence J. Toth, each of whom is an Independent Board Member of the Funds. During the fiscal year ended October 31, 2015, the Audit Committee met four times.

Compliance, Risk Management and Regulatory Oversight Committee. The Compliance, Risk Management and Regulatory Oversight Committee (the Compliance Committee ) is responsible for the oversight of compliance issues, risk management and other regulatory matters affecting the Funds that are not otherwise under or within the jurisdiction of the other committees. The Board has adopted and periodically reviews policies and procedures designed to address the Funds compliance and risk matters. As part of its duties, the Compliance Committee: reviews the policies and procedures relating

to compliance matters and recommends modifications thereto as necessary or appropriate to the full Board; develops new policies and procedures as new regulatory matters affecting the Funds arise from time to time; evaluates or considers any comments or reports from examinations from regulatory authorities and responses thereto; and performs any special reviews, investigations or other oversight responsibilities relating to risk management, compliance and/or regulatory matters as requested by the Board.

In addition, the Compliance Committee is responsible for risk oversight, including, but not limited to, the oversight of risks related to investments and operations. Such risks include, among other things, exposures to: particular issuers, market sectors or types of securities; risks related to product structure elements, such as leverage; and techniques that may be used to address those risks, such as hedging and swaps. In assessing issues brought to the Compliance Committee s attention or in reviewing a particular policy, procedure, investment technique or strategy, the Compliance Committee evaluates the risks to the Funds in adopting a particular approach or resolution compared to the anticipated benefits to the Funds and their shareholders. In fulfilling its obligations, the Compliance Committee meets on a quarterly basis, and at least once a year in person. The Compliance Committee receives written and oral reports from the Funds Chief Compliance Officer (CCO) and meets privately with the CCO at each of its quarterly meetings. The CCO also provides an annual report to the full Board regarding the operations of the Funds and other service providers compliance programs as well as any recommendations for modifications thereto. The Compliance Committee also receives reports from the investment services group of Nuveen regarding various investment risks. Notwithstanding the foregoing, the full Board also participates in discussions with management regarding certain matters relating to investment risk, such as the use of leverage and hedging. The investment services group therefore also reports to the full Board at its quarterly meetings regarding, among other things, Fund performance and the various drivers of such performance. Accordingly, the Board directly and/or in conjunction with the Compliance Committee oversees matters relating to investment risks. Matters not addressed at the committee level are addressed directly by the full Board. The Compliance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx. As of February 15, 2016, the members of the Compliance Committee are John K. Nelson, Chair, William C. Hunter, Judith M. Stockdale and Margaret L. Wolff. During the fiscal year ended October 31, 2015, the Compliance Committee met five times.

Nominating and Governance Committee. The Nominating and Governance Committee is responsible for seeking, identifying and recommending to the Board qualified candidates for election or appointment to the Board. In addition, the Nominating and Governance Committee oversees matters of corporate governance, including the evaluation of Board performance and processes, the assignment and rotation of committee members and the establishment of corporate governance guidelines and procedures, to the extent necessary or desirable, and matters related thereto. Although the unitary and committee structure has been developed over the years and the Nominating and Governance Committee believes the structure has provided efficient and effective governance, the committee recognizes that, as demands on the Board evolve over time (such as through an increase in the number of funds overseen or an increase in the complexity of the issues raised), the committee must continue to evaluate the Board and committee structures and their processes and modify the foregoing as may be necessary or appropriate to continue to provide effective governance. Accordingly, the Nominating and Governance Committee has a separate meeting each year to, among other things, review the Board and committee structures, their performance and functions and recommend any modifications thereto or alternative structures or processes that would enhance the Board s governance over the Funds business.

In addition, the Nominating and Governance Committee, among other things: makes recommendations concerning the continuing education of Board Members; monitors performance of legal counsel and other service providers; establishes and monitors a process by which security holders are able to communicate in writing with Board Members; and periodically reviews and makes recommendations about any appropriate changes to Board Member compensation, including the compensation of the Independent Chairman of the Board. In the event of a vacancy on the Board, the Nominating and Governance Committee receives suggestions from various sources, including shareholders, as to suitable candidates. Suggestions should be sent in writing to Lorna Ferguson, Manager of Fund Board Relations, Nuveen Investments, 333 West Wacker Drive, Chicago, Illinois 60606. The Nominating and Governance Committee sets appropriate standards and requirements for nominations for new Board Members and each nominee is evaluated using the same standards. However, the Nominating and Governance Committee reserves the right to interview any and all candidates and to make the final selection of any new Board Members. In considering a candidate s qualifications, each candidate must meet certain basic requirements, including relevant skills and experience, time availability (including the time requirements for due diligence site visits to internal and external sub-advisers and service providers) and, if qualifying as an Independent Board Member candidate, independence from the Adviser, sub-advisers, underwriters or other service providers, including any affiliates of these entities. These skill and experience requirements may vary depending on the current composition of the Board, since the goal is to ensure an appropriate range of skills, diversity and experience, in the aggregate. Accordingly, the particular factors considered and weight given to these factors will depend on the composition of the Board and the skills and backgrounds of the incumbent Board Member at the time of consideration of the nominees. However, all candidates must meet high expectations of personal integrity, independence, governance experience and professional competence. All candidates must be willing to be critical within the Board and with management and yet maintain a collegial and collaborative manner toward other Board Members. The Nominating and Governance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx, and is composed entirely of Independent Board Members, who are also independent as defined by NYSE or NYSE MKT listing standards, as applicable. Accordingly, the members of the Nominating and Governance Committee are William J. Schneider, Chair, Jack B. Evans, William C. Hunter, David J. Kundert, John K. Nelson, Judith M. Stockdale, Carole E. Stone, Terence J. Toth and Margaret L. Wolff. During the fiscal year ended October 31, 2015, the Nominating and Governance Committee met six times.

During the last fiscal year, each Board Member attended 75% or more of each Fund s Board meetings and the committee meetings (if a member thereof) held during the period for which such Board Member was a Board Member. The policy of the Board relating to attendance by Board Members at annual meetings of the Funds and the number of Board Members who attended the last annual meeting of shareholders of each Fund is posted on the Funds website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx.

Board Diversification and Board Member Qualifications. In determining that a particular Board Member was qualified to serve on the Board, the Board considers each Board Member s background, skills, experience and other attributes in light of the composition of the Board with no particular factor controlling. The Board believes that Board Members need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties, and the Board believes each Board Member

satisfies this standard. An effective Board Member may achieve this ability through his or her educational background; business, professional training or practice; public service or academic positions; experience from service as a board member or executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. Accordingly, set forth below is a summary of the experiences, qualifications, attributes, and skills that led to the conclusion, as of the date of this document, that each Board Member should serve in that capacity. References to the experiences, qualifications, attributes and skills of Board Members are pursuant to requirements of the SEC, do not constitute holding out the Board or any Board Member as having any special expertise or experience and will not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

#### William Adams IV

Mr. Adams, an interested Board Member of the Funds, is Co-Chief Executive Officer and Co-President (since March 2016), and was formerly Senior Executive Vice President, Global Structured Products of Nuveen Investments since November 2010. Mr. Adams has also served as Co-President of Nuveen Fund Advisors, LLC since January 2011. Prior to that, he was Executive Vice President, U.S. Structured Products from December 1999 until November 2010 and served as Managing Director of Structured Investments from September 1997 to December 1999 and Vice President and Manager, Corporate Marketing from August 1994 to September 1997. He is Co-Chief Executive Officer (since 2016), formerly, Senior Executive Vice President of Nuveen Securities, LLC. Mr. Adams earned his Bachelor of Arts degree from Yale University and his Masters of Business Administration (MBA) from the University of Chicago s Graduate School of Business. He is an Associate Fellow of Yale s Timothy Dwight College and is currently on the Board of the Chicago Symphony Orchestra and of Gilda s Club Chicago. Mr. Adams joined the Board in 2013.

#### Jack B. Evans

President of the Hall-Perrine Foundation, a private philanthropic corporation, since 1996, Mr. Evans was formerly President and Chief Operating Officer of the SCI Financial Group, Inc., a regional financial services firm headquartered in Cedar Rapids, Iowa. Formerly, he was a member of the Board of the Federal Reserve Bank of Chicago, a Director of Alliant Energy and a Member and President Pro Tem of the Board of Regents for the State of Iowa University System. Mr. Evans is Chairman of the Board of United Fire Group, sits on the Board of The Gazette Company and is a Life Trustee of Coe College. He has a Bachelor of Arts degree from Coe College and an MBA from the University of Iowa. Mr. Evans joined the Board in 1999.

#### William C. Hunter

Mr. Hunter became Dean Emeritus of the Henry B. Tippie College of Business at the University of Iowa on June 30, 2012. He was appointed Dean of the College on July 1, 2006. He was previously Dean and Distinguished Professor of Finance at the University of Connecticut School of Business from 2003 to 2006. From 1995 to 2003, he was the Senior Vice President and Director of Research at the Federal Reserve Bank of Chicago. While there he served as the Bank s Chief Economist and was an Associate Economist on the Federal Reserve System s Federal Open Market Committee (FOMC). In addition to serving as a Vice President in charge of financial markets and basic research at the Federal Reserve Bank in Atlanta, he held faculty positions at Emory University, Atlanta University, the University of Georgia and Northwestern University. A past Director of the Credit

Research Center at Georgetown University, SS&C Technologies, Inc. (2005) and past President of the Financial Management Association International, he has consulted with numerous foreign central banks and official agencies in Western, Central and Eastern Europe, Asia, Central America and South America. From 1990 to 1995, he was a U.S. Treasury Advisor to Central and Eastern Europe. He has been a Director of the Xerox Corporation since 2004 and Wellmark, Inc. since 2009. He is a Director and past President of Beta Gamma Sigma, Inc., The International Business Honor Society. Mr. Hunter joined the Board in 2003.

#### David J. Kundert

Mr. Kundert retired in 2004 as Chairman of JPMorgan Fleming Asset Management, and as President and CEO of Banc One Investment Advisors Corporation, and as President of One Group Mutual Funds. Prior to the merger between Bank One Corporation and JPMorgan Chase and Co., he was Executive Vice President, Bank One Corporation and, since 1995, the Chairman and CEO, Banc One Investment Management Group. From 1988 to 1992, he was President and CEO of Bank One Wisconsin Trust Company. Mr. Kundert recently retired as a Director of the Northwestern Mutual Wealth Management Company (2006-2013). He started his career as an attorney for Northwestern Mutual Life Insurance Company. Mr. Kundert has served on the Board of Governors of the Investment Company Institute and he is currently a member of the Wisconsin Bar Association. He is on the Board of the Greater Milwaukee Foundation and chairs its Investment Committee. He is a Regent Emeritus and a Member of the Investment Committee of Luther College. He is also a Member of the Board of Directors (Milwaukee), College Possible and a Member of the Board of Trustees, Milwaukee Repertory Theater. He received his Bachelor of Arts degree from Luther College and his Juris Doctor from Valparaiso University. Mr. Kundert joined the Board in 2005.

#### John K. Nelson

Mr. Nelson currently serves on the Board of Directors of Core12 LLC (since 2008), a private firm which develops branding, marketing, and communications strategies for clients. He was formerly a senior external advisor to the financial services practice of Deloitte Consulting LLP. Mr. Nelson has served in several senior executive positions with ABN AMRO Holdings N.V. and its affiliated entities and predecessors, including LaSalle Bank Corporation from 1996 to 2008. From 2007 to 2008, Mr. Nelson was Chief Executive Officer of ABN AMRO N.V. North America, and Global Head of its Financial Markets Division. He was a member of the Foreign Exchange Committee of the Federal Reserve Bank of the United States, and during his tenure with ABN AMRO, served as the bank s representative on various committees of the Bank of Canada, European Central Bank, and the Bank of England. At Fordham University, he currently serves as a director of The Curran Center for Catholic American Studies, and The President s Council. He is also a member of The Economic Club of Chicago and was formerly a member of The Hyde Park Angels and a Trustee at St. Edmund Preparatory School in New York City. He is former chair of the Board of Trustees of Marian University. Mr. Nelson graduated and received his MBA from Fordham University. Mr. Nelson joined the Board in 2013.

#### William J. Schneider

Mr. Schneider, the Board s Independent Chairman, is currently Chairman, formerly Senior Partner and Chief Operating Officer (retired, December 2004) of Miller-Valentine Partners, a real estate investment company. He is an owner in several other Miller-Valentine entities. He is currently a

member of the Board of WDPR Public Radio Station and of Med-America Health System. He was formerly a Director and Past Chair of the Dayton Development Coalition. He was formerly a member of the Community Advisory Board of the National City Bank in Dayton as well as a former member of the Business Advisory Council of the Cleveland Federal Reserve Bank. Mr. Schneider was also a member of the Business Advisory Council for the University of Dayton College of Business. He also served as Chair of the Miami Valley Hospital and as Chair of the Finance Committee of its parent holding company. Mr. Schneider was an independent trustee of the Flagship Funds, a group of municipal open-end funds. Mr. Schneider has a Bachelor of Science in Community Planning from the University of Cincinnati and a Masters of Public Administration from the University of Dayton. Mr. Schneider joined the Board in 1996.

#### Thomas S. Schreier, Jr.

Mr. Schreier, an interested Board Member of the Funds, has been Vice Chairman, Wealth Management of Nuveen Investments since January 2011. Mr. Schreier has also served as Co-President of Nuveen Fund Advisors, LLC since January 2011. Until Nuveen Investments acquisition of FAF Advisors on January 1, 2011, Mr. Schreier was Chief Executive Officer of FAF Advisors from November 2000, Chief Investment Officer of FAF Advisors from September 2007 and President of First American Funds from February 2001 to December 2010. From 1998 to November 2000, Mr. Schreier served as Senior Managing Director and Head of Equity Research for U.S. Bancorp Piper Jaffray, Inc. He received a Bachelor s degree from the University of Notre Dame and an MBA from Harvard University. He is a Director and Vice Chairman of Allina Health and a member of its Finance, Audit and Investment Committees. He is also a Director of the Minneapolis Institute of Art. Mr. Schreier is a member of the Board of Governors of the Investment Company Institute and is on its Chairman s Council. He has also served as director, chairman of the finance committee, and member of the audit committee for Pinnacle Airlines Corp. Mr. Schreier is former chairman of the Saint Thomas Academy Board of Trustees, a founding investor of Granite Global Ventures, and a member of the Applied Investment Management Advisory Board for the University of Notre Dame. Mr. Schreier joined the Board in 2013.

#### Judith M. Stockdale

Ms. Stockdale retired at the end of 2012 as Executive Director of the Gaylord and Dorothy Donnelley Foundation, a private foundation working in land conservation and artistic vitality in the Chicago region and the Lowcountry of South Carolina. She is currently a board member of the U.S. Endowment for Forestry and Communities (since 2013) and rejoined the board of the Land Trust Alliance in June 2013. Her previous positions include Executive Director of the Great Lakes Protection Fund, Executive Director of Openlands, and Senior Staff Associate at the Chicago Community Trust. She has served on the Advisory Council of the National Zoological Park, the Governor s Science Advisory Council (Illinois), and the Nancy Ryerson Ranney Leadership Grants Program. She has served on the Boards of Brushwood Center and the Donors Forum. Ms. Stockdale, a native of the United Kingdom, has a Bachelor of Science degree in geography from the University of Durham (UK) and a Master of Forest Science degree from Yale University. Ms. Stockdale joined the Board in 1997.

#### Carole E. Stone

Ms. Stone retired from the New York State Division of the Budget in 2004, having served as its Director for nearly five years and as Deputy Director from 1995 through 1999. Ms. Stone is currently

on the Board of Directors of the Chicago Board Options Exchange, CBOE Holdings, Inc. and C2 Options Exchange, Incorporated. She has also served as the Chair of the New York Racing Association Oversight Board, as Chair of the Public Authorities Control Board, as a Commissioner on the New York State Commission on Public Authority Reform and as a member of the boards of directors of several New York State public authorities. Ms. Stone has a Bachelor of Arts in Business Administration from Skidmore College. Ms. Stone joined the Board in 2006.

#### Terence J. Toth

Mr. Toth is a Managing Partner of Promus Capital (since 2008). From 2008 to 2013, he served as a Director of Legal & General Investment Management America, Inc. From 2004 to 2007, he was Chief Executive Officer and President of Northern Trust Global Investments, and Executive Vice President of Quantitative Management & Securities Lending from 2000 to 2004. He also formerly served on the Board of the Northern Trust Mutual Funds. He joined Northern Trust in 1994 after serving as Managing Director and Head of Global Securities Lending at Bankers Trust (1986 to 1994) and Head of Government Trading and Cash Collateral Investment at Northern Trust from 1982 to 1986. He currently serves on the Boards of Chicago Fellowship, Fulcrum IT Service LLC (since 2010), Quality Control Corporation (since 2012) and LogicMark LLC (since 2012), and is Chairman of the Board of Catalyst Schools of Chicago. He is on the Mather Foundation Board (since 2012) and is Chair of its investment committee. Mr. Toth graduated with a Bachelor of Science degree from the University of Illinois, and received his MBA from New York University. In 2005, he graduated from the CEO Perspectives Program at Northwestern University. Mr. Toth joined the Board in 2008.

#### Margaret L. Wolff

Ms. Wolff retired from Skadden, Arps, Slate, Meagher & Flom LLP in 2014 after more than 30 years of providing client service in the Mergers & Acquisitions Group. During her legal career, Ms. Wolff devoted significant time to advising boards and senior management on U.S. and international corporate, securities, regulatory and strategic matters, including governance, shareholder, fiduciary, operational and management issues. Since 2013, she has been a Board member of Travelers Insurance Company of Canada and The Dominion of Canada General Insurance Company (each of which is a part of Travelers Canada, the Canadian operation of The Travelers Companies, Inc.). Ms. Wolff has been a trustee of New York-Presbyterian Hospital since 2005 and, since 2004, she has served as a trustee of The John A. Hartford Foundation (a philanthropy dedicated to improving the care of older adults) where she currently is the Chair. From 2005 to 2015, she was a trustee of Mt. Holyoke College and served as Vice Chair of the Board from 2011 to 2015. Ms. Wolff received her Bachelor of Arts from Mt. Holyoke College and her Juris Doctor from Case Western Reserve University School of Law.

Independent Chairman. William J. Schneider currently serves as the Independent Chairman of the Board. Specific responsibilities of the Chairman include: (1) presiding at all meetings of the Board and of the shareholders; (2) seeing that all orders and resolutions of the Board Members are carried into effect; and (3) maintaining records of and, whenever necessary, certifying all proceedings of the Board Members and the shareholders.

Board Member Terms. Pursuant to the organizational documents of Dividend Advantage, the Board is divided into three classes, Class I, Class II and Class III, to be elected by the holders of the outstanding common shares and any outstanding preferred shares, voting together as a single class, to

serve until the third succeeding annual meeting subsequent to their election or thereafter, in each case until their successors have been duly elected and qualified. These provisions could delay for up to two years the replacement of a majority of the Board. Under normal circumstances, holders of preferred shares (including holders of VMTP Shares and VRDP Shares), voting separately as a single class, are entitled to elect two (2) Board Members. The Board Members elected by holders of preferred shares will be elected to serve until the next annual meeting or until their successors have been duly elected and qualified. Holders of preferred shares will be entitled to elect a majority of the Fund s Board Members under certain circumstances. See Certain Provisions in the Declaration of Trust and By-Laws in the Memorandum.

Pursuant to the organizational documents of each of Investment Quality, Select Quality and Premier Income, Board Members are to be elected to serve until the next annual meeting or until their successors have been duly elected and qualified. Under normal circumstances, holders of preferred shares (including holders of VMTP Shares and VRDP Shares), voting separately as a single class, are entitled to elect two (2) Board Members, and the remaining Board Members are to be elected by holders of common shares and preferred shares, voting together as a single class. Holders of preferred shares will be entitled to elect a majority of the Fund s Board Members under certain circumstances.

#### The Officers

The following table sets forth information with respect to each officer of the Funds. Officers receive no compensation from the Funds. The officers are elected by the Board on an annual basis to serve until successors are elected and qualified.

# PROPOSAL NO. 2 REORGANIZATION OF EACH TARGET FUND INTO THE ACQUIRING FUND (PREFERRED SHAREHOLDERS OF EACH FUND)

### A. SYNOPSIS

The following is a summary of certain information contained elsewhere in this Joint Proxy Statement with respect to the proposed Reorganizations. More complete information is contained elsewhere in this Joint Proxy Statement and the appendices hereto. Shareholders should read the entire Joint Proxy Statement carefully.

### **Background and Reasons for the Reorganizations**

The boards of directors/trustees of Nuveen s leveraged national municipal closed-end funds, including the Board of each of the Funds, have approved a series of proposals that are intended to benefit shareholders in a number of ways by streamlining and differentiating Nuveen s product offerings. The proposals included the Reorganization of each Target Fund into the Acquiring Fund. Each Board has determined that the Reorganization(s) proposed for its Fund would be in the best interests of such Fund. The Target Funds and the Acquiring Fund have similar investment objectives, policies and risks and invest exclusively in municipal securities and other investments the income from which is exempt from regular federal income tax.

Based on information provided by Nuveen Fund Advisors, LLC (previously defined as Nuveen Fund Advisors or the Advisor ), the investment adviser to each Fund, each Fund s Board believes that the Reorganizations may benefit common shareholders in a number of ways, including, among other things:

The potential for higher common share net earnings over time from increased operating economies of scale, which may support higher distribution rates in the future and increase investor interest in the combined fund, and, in turn, may lower the trading discount to net asset value of common shares:

Increased portfolio and leverage management flexibility due to the significantly larger asset base of the combined fund;

Improved secondary market trading for common shares as a result of the combined fund s greater share volume, which may lead to narrower bid-ask spreads and smaller trade-to-trade price movements; and

Lower fund operating expenses excluding the costs of leverage for all Funds, as certain fixed costs are spread over a larger asset base (however, total expenses including leverage are expected to be slightly higher for the Acquiring Fund and Premium Income due to increased leverage).

The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holders of the outstanding VMTP Shares of the Acquiring Fund, Premium Income and Investment Quality and liquidity providers with respect to the outstanding VRDP Shares of the Funds. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund s Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the Reorganizations are not consummated, each Fund s Board may take such actions as it deems in the best interests of its Fund. For a fuller discussion of the Boards considerations regarding the approval of the Reorganizations, see C. Information About the Reorganizations Reasons for the Reorganizations.

#### Material Federal Income Tax Consequences of the Reorganizations

As a condition to closing, each Fund will receive, with respect to its proposed Reorganization(s), an opinion of Vedder Price P.C., subject to certain representations, assumptions and conditions, substantially to the effect that the proposed Reorganization(s) will qualify as a tax-free reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code). Accordingly, it is expected that no Fund will recognize gain or loss for federal income tax purposes as a direct result of the Reorganizations. It is also expected that preferred shareholders of a Target Fund who receive Acquiring Fund preferred shares pursuant to a Reorganization will recognize no gain or loss for federal income tax purposes as a result of such exchange. However, gain or loss may be recognized by a shareholder who exercises dissenters rights under Minnesota Law.

The foregoing discussion and the tax opinion discussed above to be received by the Funds regarding certain aspects of the Reorganizations, including that the Reorganizations will qualify as tax-free reorganizations under the Code and that preferred shareholders of a Target Fund will not recognize gain or loss upon the exchange of their shares, will rely on the position that the Acquiring Fund preferred shares will constitute equity of the Acquiring Fund. See C. Information About the Reorganizations Material Federal Income Tax Consequences of the Reorganizations.

#### Comparison of the Acquiring Fund and each Target Fund

*General.* The Acquiring Fund and each Target Fund are diversified, closed-end management investment companies. Set forth below is certain comparative information about the organization, capitalization and operation of each Fund.

	Organization			
Fund	Ç	Organization Date	State of Organization	Entity Type
Acquiring Fund		January 15, 1999	Massachusetts	business trust
Premium Income		April 15, 1988	Minnesota	corporation
Investment Quality		January 23, 1990	Minnesota	corporation
Select Quality		January 23, 1991	Minnesota	corporation
Premier Income		July 25, 1991	Minnesota	corporation

Premium Income	200,000,000	64,060,043	\$ 0.01	None	None	NYSE
Investment Quality	200,000,000	41,576,384	\$ 0.01	None	None	NYSE
Select Quality	200,000,000	35,222,129	\$ 0.01	None	None	NYSE
Premier Income	200,000,000	19,888,518	\$ 0.01	None	None	NYSE

(1) As of March 18, 2016 for the Acquiring Fund, and as of April 18, 2016 for each Target Fund.

The Acquiring Fund currently has outstanding 2,650 VMTP Shares, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share (the Outstanding VMTP Shares ). Premium Income currently has outstanding 4,070 VMTP Shares, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share; Investment Quality currently has outstanding 435 VMTP Shares, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, and 2,368 VRDP Shares, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share; and Premier Income currently has outstanding 1,277 VRDP Shares, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share; and Premier Income currently has outstanding 1,277 VRDP Shares, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share. Each Fund s VMTP Shares and VRDP Shares are entitled to one vote per share. The preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations will have equal priority with each other and with the Acquiring Fund s other outstanding preferred shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. In addition, the preferred shares of the Acquiring Fund, including preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations,

will be senior in priority to the Acquiring Fund s common shares as to payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations will have rights and preferences, including liquidation preferences, that are substantially identical (with respect to VMTP Shares) or substantially similar (with respect to VRDP Shares) to those of the outstanding Target Fund preferred shares for which they are exchanged.

Investment Objectives and Policies. The investment objectives of the Funds are similar. The investment objectives of the Acquiring Fund are to provide current income exempt from regular federal income tax and to enhance portfolio value relative to the municipal bond market by investing in tax-exempt municipal bonds that the Fund s investment adviser believes are underrated or undervalued or that represent municipal market sectors that are undervalued. The investment objective of Premium Income is to provide, through investment in a professionally managed portfolio of investment grade tax-exempt municipal obligations, a high level of current income exempt from federal income tax, consistent with preservation of capital. The primary investment objective of Investment Quality is to provide, through investment in a professionally managed portfolio of investment grade quality tax-exempt municipal obligations, current income exempt from regular federal income tax. The primary investment objective of Select Quality is to provide, through investment in a professionally managed portfolio of tax-exempt municipal obligations, current income exempt from regular federal income tax, consistent with the Fund s investment policies. The secondary investment objective of each of Investment Quality, Select Quality and Premier Income is the enhancement of portfolio value relative to the municipal bond market through investments in tax-exempt municipal obligations that, in the opinion of the Fund s investment adviser, are underrated or undervalued or that represent municipal market sectors that are undervalued. Premium Income does not have a secondary investment objective.

The Acquiring Fund has a fundamental investment policy requiring it to invest, under normal circumstances, at least 80% of its managed assets in a portfolio of securities the income from which is exempt from regular federal income tax. Each Target Fund has a fundamental investment policy requiring it to invest, under normal circumstances, at least 80% of its managed assets in municipal securities and other related investments the income from which is exempt from regular federal income tax. The investment policies of the Target Funds are substantially similar to those of the Acquiring Fund.

The following summary compares the current principal investment policies and strategies of the Acquiring Fund, to the current principal investment policies and strategies of the Target Funds as of the date of this Joint Proxy Statement. Managed Assets includes the net assets of a Fund as well as assets of a Fund that are attributable to leverage.

#### **Investment Quality,** Select Quality and Differences **Acquiring Fund Premium Income Premier Income** Principal Investment Strategy: Principal Investment Strategy: Substantially identical. sub-adviser.1

Prior to February 4, 2016, the Acquiring Fund and each Target Fund had non-fundamental investment policies that required the each fund, under normal circumstances, (1) to invest at least 80% of its Managed Assets in investment-grade municipal securities (which includes Baa/BBB-rated municipal securities) and (2) permitted the Fund to invest up to 20% of its Managed Assets in below-investment-grade municipal securities and no more than 10% of its Managed Assets in municipal securities rated below B3/B- or that are unrated but judged to be of comparable quality by the Fund s investment adviser. On February 4, 2016, the Board of the Acquiring Fund and each Target Fund replaced this policy and adopted the current non-fundamental policy described above.

Non-fundamental investment policies may be changed by each Board at any time without shareholder approval. Each of the Acquiring Fund and Target Funds has certain agreements in place related to its outstanding preferred shares. These agreements currently have covenants aligned with each funds non-fundamental investment policies that were in effect prior to February 4, 2016. Consequently, the Acquiring Fund and each Target Fund must comply with the investment policy covenants contained in the preferred share agreements until such time that those agreements are amended. It is currently expected that the agreements governing the Acquiring Fund s outstanding preferred shares

will be so amended in connection with the completion of the Reorganizations, and that the agreements governing the new preferred shares to be issued by the Acquiring Fund in the Reorganizations will include provisions permitting the Acquiring Fund to take full advantage of its non-fundamental investment policies. It is not currently expected that the agreements governing the Target Funds—outstanding preferred shares will be amended prior to the completion of the Reorganizations.

The fund may enter into certain derivative instruments in pursuit of its investment objectives. Such instruments include financial futures contracts, swap contracts (including credit default swaps and interest rate swaps), options on financial futures, options on swap contracts or other derivative instruments. The fund may not enter into a futures contract or related options or forward contracts if more than 30% of the fund s net assets would be represented by futures contracts or more than 5% of the fund s net assets would be committed to initial margin deposits and premiums on futures contracts or related options.

The fund may invest in derivative instruments in pursuit of its investment objective. Such instruments include financial futures contracts, swap contracts (including interest rate and credit default swaps), options on financial futures, options on swap contracts, or other derivative instruments. The fund may not enter into futures contracts or related options or forward contracts, if more than 30% of the fund s net assets would be represented by futures contracts or more than 5% of the fund s net assets would be committed to initial margin deposits and premiums on futures contracts and related options.

The fund may invest in certain derivative instruments in pursuit of its investment objectives. Such instruments include financial futures contracts, swap contracts (including interest rate and credit default swaps), options on financial futures, options on swap contracts or other derivative instruments whose prices, in the adviser s opinion, correlate with the prices of the fund s investments. The fund may not enter into a futures contract or related options or forward contracts if more than 30% of the fund s net assets would be represented by futures contracts or more than 5% of the fund s net assets would be committed to initial margin deposits and premiums on futures contracts or related options.

Credit Quality. A comparison of the credit quality (as a percentage of total investment exposure, which includes the leveraged effect of the Acquiring Fund and each Target Fund s investments in inverse floating rate securities of tender option bond trusts) of the portfolios of the Acquiring Fund and each Target Fund, as of October 31, 2015, is set forth in the table below. The information for the Acquiring Fund and each Target Fund in the table below reflects that fund s investment policies as in effect on October 31, 2015. Under the non-fundamental investment policies adopted on February 4, 2016, the Acquiring Fund and each Target Fund is expected to increase its allocation to lower rated securities over time.

	Acquiring	Premium	Investment	Select	Premier
Credit Rating <sup>(1)</sup>	Fund	Income	Quality	Quality	Income
AAA/U.S. Guaranteed	12.3%	11.5%	11.7%	16.7%	18.7%
AA	55.2%	40.8%	38.4%	45.5%	43.2%
A	19.3%	28.6%	25.8%	21.2%	17.6%
BBB	5.1%	13.6%	14.2%	7.9%	10.6%
BB or lower	6.4%	4.4%	5.2%	7.3%	6.5%
N/R (not rated)	1.6%	1.1%	4.7%	1.4%	3.4%
N/A (not applicable) <sup>(2)</sup>	0.1%				

- (1) Ratings shown are the highest rating given by one of the following national rating agencies: S&P, Moody s or Fitch Ratings, Inc. (Fitch). Credit ratings are subject to change. AAA, AA, A, and BBB are investment-grade ratings; BB, B, CCC, CC and D are below-investment-grade ratings. Certain bonds backed by U.S. government or agency securities are regarded as having an implied rating equal to the rating of such securities. Holdings designated N/R are not rated by these national rating agencies.
- (2) Relates to investment company holdings of the Acquiring Fund.

Leverage. Each Fund may utilize the following forms of leverage: (1) the issuance of preferred shares, (2) bank borrowings and (3) portfolio investments that have the economic effect of leverage, including but not limited to investments in futures, options and inverse floating rate securities (sometimes referred to as inverse floaters). Each Fund currently employs leverage through the issuance of preferred shares and the use of inverse floaters. Certain important ratios related to each Fund suse of leverage for the last three fiscal years are set forth below:

Acquiring Fund	2015	2014	2013
Asset Coverage Ratio <sup>(1)</sup>	328.91%	331.87%	314.01%
Regulatory Leverage Ratio <sup>(2)</sup>	30.40%	30.13%	31.85%
Effective Leverage Ratio <sup>(3)</sup>	34.11%	34.66%	37.01%
Premium Income	2015	2014	2013
Asset Coverage Ratio <sup>(1)</sup>	341.10%	343.27%	319.40%
Regulatory Leverage Ratio <sup>(2)</sup>	29.32%	29.13%	31.31%
Effective Leverage Ratio <sup>(3)</sup>	36.85%	35.53%	39.03%
Investment Quality	2015	2014	2013
Investment Quality Asset Coverage Ratio <sup>(1)</sup>	<b>2015</b> 337.44%	<b>2014</b> 340.13%	<b>2013</b> 325.66%
- 0			
Asset Coverage Ratio <sup>(1)</sup>	337.44%	340.13%	325.66%
Asset Coverage Ratio <sup>(1)</sup> Regulatory Leverage Ratio <sup>(2)</sup>	337.44% 29.64%	340.13% 29.40%	325.66% 30.71%
Asset Coverage Ratio <sup>(1)</sup> Regulatory Leverage Ratio <sup>(2)</sup>	337.44% 29.64%	340.13% 29.40%	325.66% 30.71%
Asset Coverage Ratio <sup>(1)</sup> Regulatory Leverage Ratio <sup>(2)</sup> Effective Leverage Ratio <sup>(3)</sup>	337.44% 29.64% 35.86%	340.13% 29.40% 35.98%	325.66% 30.71% 38.89%
Asset Coverage Ratio <sup>(1)</sup> Regulatory Leverage Ratio <sup>(2)</sup> Effective Leverage Ratio <sup>(3)</sup> Select Quality	337.44% 29.64% 35.86% <b>2015</b>	340.13% 29.40% 35.98% <b>2014</b>	325.66% 30.71% 38.89% <b>2013</b>
Asset Coverage Ratio <sup>(1)</sup> Regulatory Leverage Ratio <sup>(2)</sup> Effective Leverage Ratio <sup>(3)</sup> Select Quality Asset Coverage Ratio <sup>(1)</sup>	337.44% 29.64% 35.86% 2015 304.96%	340.13% 29.40% 35.98% <b>2014</b> 306.39%	325.66% 30.71% 38.89% <b>2013</b> 287.01%

Premier Income	2015	2014	2013
Asset Coverage Ratio <sup>(1)</sup>	333.35%	338.91%	317.75%
Regulatory Leverage Ratio <sup>(2)</sup>	30.00%	29.51%	31.47%
Effective Leverage Ratio <sup>(3)</sup>	35.27%	36.52%	39.79%

- (1) A Fund s asset coverage ratio is defined under the 1940 Act as the ratio that the value of the total assets of the Fund, less all liabilities and indebtedness not represented by preferred shares or senior securities representing indebtedness, bears to the aggregate amount of preferred shares and senior securities representing indebtedness issued by the Fund.
- (2) Regulatory leverage consists of preferred shares or debt issued by the Fund. Both of these are part of a Fund s capital structure. Regulatory leverage is sometimes referred to as 1940 Act Leverage and is subject to asset coverage limits set forth in the 1940 Act.
- (3) Effective leverage is a Fund s effective economic leverage, and includes both regulatory leverage and the leverage effects of certain derivative investments in the Fund s portfolio. Currently, the leverage effects of Tender Option Bond (TOB) inverse floater holdings, in addition to any regulatory leverage, are included in effective leverage ratios.

Board Members and Officers. The Acquiring Fund and each Target Fund have the same Board Members and officers. The management of each Fund, including general supervision of the duties performed by the Fund s investment adviser under an investment management agreement between the investment adviser and such Fund (each, an Investment Management Agreement ), is the responsibility of its Board. Each Fund currently has eleven(11) Board Members, two (2) of whom are interested persons, as defined in the 1940 Act, and nine (9) of whom are not interested persons. The names and business addresses of the Board Members and officers of the Funds and their principal occupations and other affiliations during the past five years are set forth under Proposal No. 1 The Election of Board Members.

While the Acquiring Fund and Target Funds have the same Board Members, the Acquiring Fund, which is organized as a Massachusetts business trust (the Massachusetts Fund), has a board structure that is different from the structure for the Target Funds, which are organized as Minnesota corporations (the Minnesota Funds). All members of the boards of directors of the Minnesota Funds stand for election each year. In contrast to the Minnesota Funds board structure, and pursuant to the Massachusetts Fund s by-laws, the board of trustees of the Massachusetts Fund is divided into three classes (Class I, Class II and Class III) with staggered multi-year terms, such that only the members of one of the three classes stand for election each year; provided, however, that holders of preferred shares are entitled as a class to elect two trustees of the Acquiring Fund at all times. The staggered board structure could delay for up to two years the election of a majority of the Board of the Acquiring Fund. To the extent the preferred shares are held by a small number of institutional holders, a few holders could exert influence on the selection of the Board as a result of the requirement that holders of preferred shares be entitled to elect two trustees of the Acquiring Fund at all times. The Acquiring Fund s board structure will remain in place following the closing of the Reorganizations.

Investment Adviser. Nuveen Fund Advisors, LLC (previously defined as Nuveen Fund Advisors or the Adviser) is the investment adviser to each Fund and is responsible for overseeing each Fund s overall investment strategy, including the use of leverage, and its implementation. Nuveen Fund Advisors also is responsible for the ongoing monitoring of any sub-adviser to the Funds, managing each Fund s business affairs and providing certain clerical, bookkeeping and other administrative services to the Funds. Nuveen Fund Advisors is located at 333 West Wacker Drive, Chicago, Illinois 60606.

Nuveen Fund Advisors, a registered investment adviser, is a wholly-owned subsidiary of Nuveen Investments, Inc. (previously defined as Nuveen or Nuveen Investments). Founded in 1898, Nuveen Investments and its affiliates had approximately \$225 billion in assets under management as of December 31, 2015. Nuveen is a separate subsidiary of TIAA, a financial services organization based in New York, New York. TIAA acquired Nuveen on October 1, 2014.

Nuveen Fund Advisors has selected its wholly owned subsidiary, Nuveen Asset Management, LLC (previously defined as Nuveen Asset Management or the Sub-Adviser), located at 333 West Wacker Drive, Chicago, Illinois 60606, to serve as a sub-adviser to each of the Funds pursuant to a sub-advisory agreement between Nuveen Fund Advisors and Nuveen Asset Management (the Sub-Advisory Agreement). Nuveen Asset Management, a registered investment adviser, oversees day-to-day operations and manages the investment of the Funds assets on a discretionary basis, subject to the supervision of Nuveen Fund Advisors. Pursuant to the Sub-Advisory Agreement, Nuveen Asset Management is compensated for the services it provides to the Funds with a portion of the management fee Nuveen Fund Advisors receives from each Fund. Nuveen Fund Advisors and Nuveen Asset Management retain the right to reallocate investment advisory responsibilities and fees between themselves in the future.

Unless earlier terminated as described below, each Fund s Investment Management Agreement with Nuveen Fund Advisors will remain in effect until August 1, 2016. Each Investment Management Agreement continues in effect from year to year so long as such continuation is approved at least annually by: (1) the Board or the vote of a majority of the outstanding voting securities of the Fund; and (2) a majority of the Board Members who are not interested persons of any party to the Investment Management Agreement, cast in person at a meeting called for the purpose of voting on such approval. Each Investment Management Agreement may be terminated at any time, without penalty, by either the Fund or Nuveen Fund Advisors upon 60 days written notice and is automatically terminated in the event of its assignment, as defined in the 1940 Act.

Pursuant to each Investment Management Agreement, each Fund has agreed to pay an annual management fee for the overall advisory and administrative services and general office facilities provided by Nuveen Fund Advisors. Each Fund s management fee consists of two components a complex-level fee, based on the aggregate amount of all eligible fund assets managed by Nuveen Fund Advisors, and a specific fund-level fee, based only on the amount of assets within such Fund. This pricing structure enables the Funds shareholders to benefit from growth in assets within each individual Fund as well as from growth of complex-wide assets managed by Nuveen Fund Advisors.

For the fiscal year ended October 31, 2015, the effective management fee rates of the Acquiring Fund, Premium Income, Investment Quality, Select Quality and Premier Income, expressed as a percentage of average total daily net assets (including assets attributable to leverage), were 0.59%, 0.58%, 0.59%, 0.59% and 0.60%, respectively.

The annual fund-level fee rate for each Fund, payable monthly, is calculated according to the following schedules:

#### **Current Fund-Level Fee Schedule for the Acquiring Fund**

	Fund-Level
Average Total Daily Net Assets*	Fee Rate
For the first \$125 million	0.4500%
For the next \$125 million	0.4375%

Average Total Daily Net Assets*	Fund-Level Fee Rate
For the next \$250 million	0.4250%
For the next \$500 million	0.4125%
For the next \$1 billion	0.4000%
For net assets over \$2 billion	0.3750%

<sup>\*</sup> For this purpose, average total daily net assets include net assets attributable to preferred shares and residual interest certificates (also called inverse floating rate securities) in tender option bond (TOB) trusts.

#### Fund-Level Fee Schedule for Premium Income, Investment Quality, Select Quality and Premier Income

Average Total Daily Net Assets*	Fund-Level Fee Rate
For the first \$125 million	0.4500%
For the next \$125 million	0.4375%
For the next \$250 million	0.4250%
For the next \$500 million	0.4125%
For the next \$1 billion	0.4000%
For the next \$3 billion	0.3875%
For net assets over \$5 billion	0.3750%

<sup>\*</sup> For this purpose, average total daily net assets include net assets attributable to preferred shares and residual interest certificates (also called inverse floating rate securities) in tender option bond (TOB) trusts.

In connection with the Reorganizations, Nuveen Fund Advisors proposed and the Board of the Acquiring Fund approved an amended management fee schedule for the Acquiring Fund, to take effect in conjunction with the closing of the Reorganizations, that includes an additional breakpoint, providing for a lower effective fund-level management fee rate payable with respect to managed assets over \$5 billion, and standardizes the Acquiring Fund s Investment Management Agreement with the investment management agreements of Nuveen s newer municipal closed-end funds. The pro forma managed assets of the combined fund as of October 31, 2015 do not total \$5 billion, and it is not expected that the Acquiring Fund will have \$5 billion in managed assets immediately following the closing of the Reorganizations. Accordingly, it is not expected that shareholders of the combined fund will benefit from the new breakpoint immediately following the Reorganizations.

The annual fund-level fee rate for the Acquiring Fund under the new Investment Management Agreement, payable monthly, will be calculated according to the following schedule:

#### Proposed Fund-Level Fee Schedule for the Acquiring Fund

	Fund-Level
Average Daily Managed Assets*	Fee Rate
For the first \$125 million	0.4500%
For the next \$125 million	0.4375%
For the next \$250 million	0.4250%
For the next \$500 million	0.4125%
For the next \$1 billion	0.4000%
For the next \$3 billion	0.3750%
For managed assets over \$5 billion	0.3625%

<sup>\*</sup> For this purpose, managed assets means the total assets of the Fund, minus the sum of its accrued liabilities (other than Fund liabilities incurred for the express purpose of creating leverage). Total assets for this purpose

shall include assets attributable to the Fund s use of effective leverage (whether or not those assets are reflected in the Fund s financial statements for purposes of U.S. generally accepted accounting principles).

The management fee compensates the Adviser for overall investment advisory and administrative services and general office facilities. Each Fund pays all of its other costs and expenses of its operations, including compensation of its Board Members (other than those affiliated with the Adviser), custodian, transfer agency and dividend disbursing expenses, legal fees, expenses of independent auditors, expenses of repurchasing shares, expenses of issuing any preferred shares, expenses of preparing, printing and distributing shareholder reports, notices, proxy statements and reports to governmental agencies, listing fees and taxes, if any. For the services provided pursuant to each Fund s Sub-Advisory Agreement, Nuveen Fund Advisors pays Nuveen Asset Management a fee, payable monthly, equal to 38.4615% of the management fee (net of applicable waivers and reimbursements) paid by the Fund to Nuveen Fund Advisors.

The stated fund-level fee rate for the Acquiring Fund is lower at certain asset values than the fee rates of Premium Income, Investment Quality, Select Quality and Premier Income at the same asset levels. The effective fund-level fee rate as a percentage of average daily Managed Assets for the combined fund is expected to be lower than the current effective fund-level fee rate for the Acquiring Fund and each Target Fund due to the combination of the assets of the Funds and the combined fund s ability to benefit from available breakpoints in the applicable fee schedule that reduces the fee rate as the Acquiring Fund s Managed Assets increase in size.

Each Fund also pays a complex-level fee to Nuveen Fund Advisors, which is payable monthly and is in addition to the fund-level fee. The complex-level fee is based on the aggregate daily amount of eligible assets for all Nuveen sponsored funds in the United States, as stated in the table below. As of October 31, 2015, the complex-level fee rate for each Fund was 0.1639%.

The annual complex-level fee for each Fund, payable monthly, is calculated according to the following schedule:

#### **Complex-Level Fee Rates**

Complex-Level Managed Asset Breakpoint Level**	Effective Rate at Breakpoint Level
\$55 billion	0.2000%
\$56 billion	0.1996%
\$57 billion	0.1989%
\$60 billion	0.1961%
\$63 billion	0.1931%
\$66 billion	0.1900%
\$71 billion	0.1851%
\$76 billion	0.1806%
\$80 billion	0.1773%
\$91 billion	0.1691%
\$125 billion	0.1599%
\$200 billion	0.1505%
\$250 billion	0.1469%
\$300 billion	0.1445%

<sup>\*\*</sup> For the fund-level and complex-level fees, managed assets include closed-end fund assets managed by the Adviser that are attributable to certain types of leverage. For these purposes, leverage includes the funds

use of preferred stock and borrowings and certain investments in the residual interest certificates (also called inverse floating rate securities) in tender option bond (TOB) trusts, including the portion of assets held by a TOB trust that has been effectively financed by the trust s issuance of floating rate securities, subject to an agreement by the Adviser as to certain funds to limit the amount of such assets for determining managed assets in certain circumstances. The complex-level fee is calculated based upon the aggregate daily managed assets of all Nuveen funds that constitute eligible assets. Eligible assets do not include assets attributable to investments in other Nuveen funds or assets in excess of \$2 billion added to the Nuveen fund complex in connection with the Adviser s assumption of the management of the former First American Funds effective January 1, 2011.

A discussion of the basis for the Board s most recent approval of each Fund s current Investment Management Agreement and Sub-Advisory Agreement are included in the Fund s Annual Report for the fiscal year ended October 31, 2015.

Portfolio Management. Subject to the supervision of Nuveen Fund Advisors, Nuveen Asset Management is responsible for execution of specific investment strategies and day-to-day investment operations. Nuveen Asset Management manages the portfolios of the Funds using a team of analysts and a portfolio manager that focuses on a specific group of funds. Thomas C. Spalding, CFA, is the portfolio manager of the Acquiring Fund and Select Quality. Paul L. Brennan, CFA, CPA, is the portfolio manager of Premium Income. Christopher L. Drahn, CFA, is the portfolio manager of Investment Quality, and Daniel J. Close, CFA, is the portfolio manager of Premier Income. Mr. Spalding assumed portfolio management responsibility for the Acquiring Fund and Select Quality in 2003. Mr. Brennan assumed portfolio management responsibility for Premium Income in 2006. Mr. Drahn assumed portfolio management responsibility for Investment Quality in 2011, and Mr. Close assumed portfolio management responsibility for Premier Income in 2011. Mr. Drahn will manage the combined fund upon completion of the Reorganizations.

Thomas Spalding, CFA, is Senior Vice President and Senior Investment Officer of Nuveen Investments. He has direct investment responsibility for the National Long Term funds. He joined Nuveen in 1976 as assistant portfolio manager and has been the portfolio manager of the Nuveen Municipal Value Fund, Nuveen s first closed-end exchange traded fund, since its inception in 1987. Currently, he manages investments for 16 Nuveen-sponsored investment companies.

Paul L. Brennan, CFA, CPA, manages several Nuveen municipal national and state mutual funds and closed-end bond funds. Mr. Brennan began his career in the investment business in 1991, as a municipal credit analyst for Flagship Financial, before becoming a portfolio manager in 1994. He joined Nuveen Investments in 1997, when Nuveen acquired Flagship Financial that year. He earned his B.S. in Accountancy and Finance from Wright State University. He is a Certified Public Accountant (CPA), has earned the Chartered Financial Analyst (CFA) designation, and currently sits on the Nuveen Asset Management Investment Management Committee.

Christopher L. Drahn, CFA, manages several municipal funds and portfolios. He began working in the financial industry when he joined FAF Advisors in 1980. Mr. Drahn became a portfolio manager in 1988. He received a B.A. from Wartburg College and an M.B.A. in finance from the University of Minnesota. Mr. Drahn holds the Chartered Financial Analyst (CFA) designation.

Daniel J. Close, CFA, is a Senior Vice President of Nuveen Investments. He joined Nuveen Investments in 2000 as a member of Nuveen s product management and development team. He then served as a research analyst for Nuveen s municipal investing team, covering corporate-backed,

energy, transportation and utility credits. He received his B.S. in Business from Miami University and his M.B.A. from Northwestern University s Kellogg School of Management. Mr. Close has earned the Chartered Financial Analyst (CFA) designation. Mr. Close also serves as a portfolio manager for various Nuveen Build America Bond strategies.

#### **Comparative Risk Information**

Because the Acquiring Fund and the Target Funds have similar investment objectives and policies and substantially similar portfolio compositions, the principal risks of an investment in each fund are similar. The Acquiring Fund and each Target Fund are subject to various risks associated with investing primarily in a portfolio of municipal securities and employing leverage, which include:

Municipal Securities Risk. Special factors may adversely affect the value of municipal securities and have a significant effect on the yield or value of a fund s investments in municipal securities. These factors include economic conditions, political or legislative changes, regulatory developments or enforcement actions, uncertainties related to the tax status of municipal securities, or the rights of investors.

Tax Risk. The tax treatment of fund distributions may be affected by new Internal Revenue Service (IRS) interpretations of the Code and future changes in tax laws and regulations.

Leverage Risk. Each fund s use of leverage creates the possibility of higher volatility for the fund s per share net asset value, market price, distributions and returns. There is no assurance that a fund s leveraging strategy will be successful.

*Inverse Floater Risk*. The funds may invest in inverse floaters. Due to their leveraged nature, these investments can greatly increase a fund s exposure to interest rate risk and credit risk. In addition, investments in inverse floaters involve the risk that the fund could lose more than its original principal amount.

*Issuer Credit Risk.* This is the risk that a security in a fund s portfolio will fail to make dividend or interest payments when due. Investments in lower rated securities are subject to higher risks than investments in higher rated securities.

*Interest Rate Risk.* Fixed-income securities such as bonds, preferred, convertible and other debt securities will decline in value if market interest rates rise.

Reinvestment Risk. If market interest rates decline, income earned from a fund s portfolio may be reinvested at rates below that of the original bond that generated the income.

Call Risk or Prepayment Risk. Issuers may exercise their option to prepay principal earlier than scheduled, forcing a fund to reinvest in lower yielding securities.

*Derivatives Risk.* The funds may use derivative instruments which involve a high degree of financial risk, including the risk that the loss on a derivative may be greater than the principal amount invested.

Municipal Bond Market Liquidity Risk. Inventories of municipal bonds held by brokers and dealers have decreased in recent years, lessening their ability to make a market in

these securities. This reduction in market making capacity has the potential to decrease a fund s ability to buy or sell bonds, and increase bond price volatility and trading costs, particularly during periods of economic or market stress. In addition, recent changes to federal banking regulations may cause certain dealers to reduce their inventories of municipal bonds, which may further decrease a fund s ability to buy or sell bonds. As a result, a fund may be forced to accept a lower price to sell a security, to sell other securities to raise cash, or to give up an investment opportunity, any of which could have a negative effect on performance. If a fund needed to sell large blocks of bonds, those sales could further reduce the bonds prices and hurt performance.

High Yield Securities Risk. High yield securities, which are rated below investment grade and commonly referred to as junk bonds, are speculative and high risk investments that may cause income and principal losses for a fund. They generally have greater credit risk, involve greater risks of default, downgrade, or price declines, are less liquid and have more volatile prices than investment-grade securities. Issuers of high yield securities are less financially strong, are more likely to encounter financial difficulties, and are more vulnerable to adverse market events and negative sentiments than issuers with higher credit ratings. Under the non-fundamental investment policies adopted on February 4, 2016, the Acquiring Fund and each Target Fund is expected to increase its allocation to lower rated securities over time.

The principal risks of investing in the Acquiring Fund are described in more detail below.

#### **Comparative Expense Information**

The information in the table reflects the fees and expenses for the Acquiring Fund and each Target Fund s fiscal year ended October 31, 2015, except as described in footnotes 1 and 2 below, and the pro forma expenses for the twelve (12) months ended October 31, 2015, for the combined fund following the Reorganizations. The figures in the Example are not necessarily indicative of past or future expenses, and actual expenses may be greater or less than those shown. The Acquiring Fund and each Target Fund s actual rates of return may be greater or less than the hypothetical 5% annual return shown in the Example.

#### Comparative Fee Table<sup>(1)</sup>

	Premium Income	Investment Quality	Select Quality	Premier Income	Acquiring Fund	Nuveen Enhanced Quality Municipal Income Fund Pro Forma <sup>(2)(3)</sup>
Annual Expenses (as a percentage of						
net assets applicable to common						
shares)						
Management Fees	0.90%	0.91%	0.92%	0.93%	0.88%	$0.86\%^{(5)}$
Fees on Preferred Shares and Interest						
and Related Expenses from Inverse						
Floaters <sup>(4)</sup>	0.45%	0.54%	0.59%	0.54%	0.47%	0.52%
Other Expenses <sup>(5)</sup>	0.07%	0.09%	0.08%	0.09%	0.06%	0.06%
Total Annual Expenses	1.42%	1.54%	1.59%	1.56%	1.41%	1.44%

- (1) Annual Expenses (as a percentage of net assets applicable to common shares), are based on the expenses of the Acquiring Fund and Target Funds for the twelve (12) months ended October 31, 2015. Fees on Preferred Shares and Interest and Related Expenses from Inverse Floaters for Premium Income have been restated to assume the issuance of Series 2018 VMTP Shares for the full period and to exclude one-time debt modification expenses. Fees on Preferred Shares and Interest and Related Expenses from Inverse Floaters for the Nuveen Enhanced Quality Municipal Income Pro Forma were estimated based on the actual expenses incurred by the Acquiring Fund and the Target Funds during the twelve (12) months ended October 31, 2015 adjusted for the restatement of expenses of Premium Income noted above and adjusted for the impact of assumed additional inverse floating rate securities of \$53,191,000.
- (2) Pro Forma figures reflect the impact of applying the Acquiring Fund s post-Reorganization fund-level management fee rates to Nuveen Enhanced Quality Municipal Income Fund s Managed Assets and the anticipated reduction of certain duplicative expenses eliminated as a result of the Reorganization. Pro Forma figures assume additional leverage of \$53,191,000 estimated to be incurred following the Reorganizations to achieve a leverage ratio equal to the highest leverage ratio of the Target Funds and the Acquiring Fund as of October 31, 2015. Pro Forma expenses do not include the expenses to be borne by the common shareholders of the Funds in connection with the Reorganizations, which are estimated to be \$470,000 (0.08%) for the Acquiring Fund, \$760,000 (0.08%) for Premium Income, \$535,000 (0.08%) for Investment Quality, \$430,000 (0.08%) for Select Quality and \$260,000 (0.09%) for Premier Income. All percentages are based on average net assets applicable to common shares for the twelve (12) months ended October 31, 2015.
- (3) Following the closing of the Reorganizations, the Acquiring Fund will change its name to Nuveen Enhanced Quality Municipal Income Fund.
- (4) Fees on Preferred Shares assume annual dividends paid and amortization of offering costs for MuniFund Term Preferred, VMTP and VRDP Shares, where applicable, and annual liquidity and remarketing fees for VRDP Shares, where applicable. Interest and Related Expenses from Inverse Floaters include interest expense attributable to inverse floating rate securities created by selling a fixed-rate bond to a broker dealer for deposit into the special purpose trust and receiving in turn the residual interest in the trust (self-deposited inverse floating rate securities). To the extent the Acquiring Fund and each Target Fund creates self-deposited inverse floating rate securities, the fund recognizes interest expense because accounting rules require the fund to treat interest paid by such trusts as having been paid (indirectly) by the fund. Because the Acquiring Fund and each Target Fund also recognizes a corresponding amount of additional interest earned (also indirectly), the fund s net asset value per share, net investment income and total return are not affected by the accounting treatment. The actual fees on preferred shares and interest and related expenses from inverse floaters incurred in the future may be higher or lower. The Funds use of leverage will increase the amount of management fees paid to the Adviser and the Sub-Adviser.
- (5) Other Expenses are estimated based on actual expenses from the prior fiscal year. *Example*: The following examples illustrate the expenses that a common shareholder would pay on a \$1,000 investment that is held for the time periods provided in the table. The examples assume that all dividends and other distributions are reinvested and that Total Annual Expenses remain the same. The examples also assume a 5% annual return. The examples should not be considered a representation of future expenses. Actual expenses may be greater or lesser than those shown.

	1 Year	3 Years	5 Years	10 Years
Acquiring Fund	\$ 14	\$ 45	\$ 77	\$ 169
Premium Income	\$ 14	\$ 45	\$ 78	\$ 170
Investment Quality	\$ 16	\$ 49	\$ 84	\$ 183
Select Quality	\$ 16	\$ 50	\$ 87	\$ 189

#### **Comparative Performance Information**

Comparative total return performance for the Funds for periods ended October 31, 2015:

	8	Average Annual Total Return on Net Asset Value			Average Annual Total Return on Market Value		
	One Year	Five Years	Ten Years	One Year	Five Years	Ten Years	
Acquiring Fund	4.43%	7.30%	6.24%	5.57%	6.14%	6.09%	
Premium Income	4.57%	7.40%	6.21%	6.40%	5.62%	6.13%	
Investment Quality	5.05%	7.69%	6.60%	10.22%	7.24%	7.14%	
Select Quality	4.53%	7.49%	6.42%	3.26%	4.28%	5.69%	
Premier Income	3.14%	6.41%	5.70%	2.36%	4.75%	5.85%	

Average Annual Total Return on Net Asset Value is the combination of changes in common share net asset value, reinvested dividend income at net asset value and reinvested capital gains distributions at net asset value, if any. The last dividend declared in the period, which is typically paid on the first business day of the following month, is assumed to be reinvested at the ending net asset value. The actual reinvestment price for the last dividend declared in the period may often be based on the Fund s market price (and not its net asset value), and therefore may be different from the price used in the calculation. Average Annual Total Return on Market Value is the combination of changes in the market price per share and the effect of reinvested dividend income and reinvested capital gains distributions, if any, at the average price paid per share at the time of reinvestment. The last dividend declared in the period, which is typically paid on the first business day of the following month, is assumed to be reinvested at the ending market price. The actual reinvestment for the last dividend declared in the period may take place over several days, and in some instances it may not be based on the market price, so the actual reinvestment price may be different from the price used in the calculation. Past performance information is not necessarily indicative of future results.

#### B. RISK FACTORS

The principal risks of investing in VMTP Shares of the Acquiring Fund are described under the caption Risk Factors in the Confidential Information Memorandum accompanying this Joint Proxy Statement as Appendix D (the Memorandum). An investment in the VMTP Shares of Premium Income and Investment Quality is also generally subject to these principal risks. The risks and special considerations discussed in the Memorandum should be considered by holders of VMTP Shares of each Fund in their evaluation of the Reorganizations. In connection with recent changes to the credit quality policy of the Acquiring Fund and each Target Fund, each fund is expected to increase its allocation to lower rated securities over time.

## C. INFORMATION ABOUT THE REORGANIZATIONS General

The boards of directors/trustees of Nuveen s leveraged national municipal closed-end funds, including the Board of each of the Funds, have approved a series of proposals that are intended to benefit shareholders in a number of ways by streamlining and differentiating Nuveen s product offerings. As part of this initiative, the Board of each Target Fund and the Acquiring Fund approved the Reorganizations. Each Board has determined that the Reorganization(s) proposed for its Fund would be in the best interests of its Fund. Each Fund s Board considered the Reorganization(s) as part

of a broad initiative to restructure the product offerings of Nuveen s leveraged national municipal closed-end funds by creating fewer funds with greater scale and more clearly differentiated and competitive investment mandates. As noted above, the Acquiring Fund and the Target Funds have similar investment objectives, policies and risks and substantially similar portfolio compositions.

Based on the information provided by Nuveen Fund Advisors, each Fund s Board believes that the proposed Reorganizations may benefit common shareholders in a number of ways, including, among other things:

The potential for higher common share net earnings over time from increased operating economies of scale, which may support higher distribution rates in the future and increase investor interest in the combined fund, and, in turn, may lower the trading discount to net asset value of common shares;

Increased portfolio and leverage management flexibility due to the significantly larger asset base of the combined fund;

Improved secondary market trading for common shares as a result of the combined fund s greater share volume, which may lead to narrower bid-ask spreads and smaller trade-to-trade price movements; and

Lower fund operating expenses excluding the costs of leverage for all Funds, as certain fixed costs are spread over a larger asset base (as discussed in more detail below, total expenses including leverage are expected to be slightly higher for the Acquiring Fund and Premium Income due to increased leverage).

The pro forma expense ratio of the combined fund including the costs of leverage, expressed as a percentage of net assets applicable to common shares as of October 31, 2015, is estimated to be three basis points (0.03%) higher than the total expense ratio of the Acquiring Fund and two basis points (0.02%) higher than the total expense ratio of Premium Income because the combined fund is expected to make greater use of regulatory leverage (i.e., leverage attributable to preferred shares and bank borrowings) than the Acquiring Fund and Premium Income. See the Comparative Fee Table on page 42.

The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holders of the outstanding VMTP Shares of the Acquiring Fund, Premium Income and Investment Quality and liquidity providers with respect to the outstanding VRDP Shares of the Funds. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund s Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the Reorganizations are not consummated, each Fund s Board may take such actions as it deems in the best interests of its Fund.

#### **Terms of the Reorganizations**

General. The Agreement provides for: (1) the Acquiring Fund s acquisition of substantially all of the assets of each Target Fund in exchange for newly issued common shares of the Acquiring Fund, par value \$0.01 per share, and newly issued VMTP Shares, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, and/or newly issued VRDP Shares, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, of the Acquiring Fund, as applicable, and the Acquiring Fund s assumption of substantially all of the liabilities of each Target Fund; and (2) the distribution of the newly issued Acquiring Fund common shares and Acquiring Fund preferred shares received by each Target Fund to its common and preferred shareholders, respectively, as part of the liquidation, dissolution and termination of each Target Fund in accordance with applicable law. No fractional Acquiring Fund common shares will be distributed to a Target Fund s common shareholders in connection with a Reorganization and, in lieu of such fractional shares, each Target Fund s common shareholders entitled to receive a fractional share will receive cash in an amount equal to a pro-rata share of the proceeds from the sale by the Acquiring Fund s transfer agent of the aggregated fractional shares in the open market (as described further below), which may be higher or lower than net asset value. Preferred shareholders of each Target Fund will receive the same number of Acquiring Fund VMTP Shares or VRDP Shares, as applicable, having substantially identical terms (with respect to VMTP Shares) or substantially similar terms (with respect to VRDP Shares) as the outstanding preferred shares of the Target Fund held by such preferred shareholders immediately prior to the closing of the Reorganizations. The aggregate liquidation preference of the Acquiring Fund preferred shares received in connection with each Reorganization will equal the aggregate liquidation preference of the corresponding Target Fund preferred shares held immediately prior to the closing of the Reorganization. The preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations will have equal priority with each other and with the Acquiring Fund s other outstanding preferred shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. In addition, the preferred shares of the Acquiring Fund, including the preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations, will be senior in priority to the Acquiring Fund s common shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund.

As a result of the Reorganizations, the assets of the Acquiring Fund and each Target Fund would be combined, and the shareholders of each Target Fund would become shareholders of the Acquiring Fund. The closing date is expected to be on or about July 11, 2016, or such other date as the parties may agree (the Closing Date). Following the Reorganizations, each Target Fund would terminate its registration as an investment company under the 1940 Act. The Acquiring Fund will continue to operate after the Reorganizations as a registered closed-end management investment company, with the investment objectives and policies described in this Joint Proxy Statement.

Following the Reorganizations, each preferred shareholder of a Target Fund would own the same number of Acquiring Fund preferred shares with the same aggregate liquidation preference as preferred shares of the Target Fund held by such shareholder immediately prior to the closing of the Reorganizations, with substantially identical terms (with respect to VMTP Shares) or substantially similar terms (with respect to VRDP Shares) as the outstanding preferred shares of the Target Fund held by such preferred shareholder immediately prior to the closing of the Reorganizations. As a result of the Reorganizations, preferred shareholders of the Funds would hold reduced voting percentages of preferred shares in the combined fund than they held in the Acquiring Fund or Target Fund

individually. In addition, the VMTP Shares of the Acquiring Fund, Premium Income, and Investment Quality are currently owned by a single institutional investor or a single group of affiliated institutional investors.

Valuation of Assets and Liabilities. If the Reorganizations are approved and the other closing conditions are satisfied or waived, the value of the net assets of each Target Fund will be the value of its assets, less its liabilities, computed as of the close of regular trading on the NYSE on the business day immediately prior to the Closing Date (such time and date being hereinafter called the Valuation Time). The value of each Target Fund s assets will be determined by using the valuation procedures of the Nuveen closed-end funds adopted by the Board or such other valuation procedures as will be mutually agreed upon by the parties. The value of each Target Fund s net assets will be calculated net of the liquidation preference (including accumulated and unpaid dividends) of all outstanding preferred shares of such Target Fund.

Dividends. Dividends and other distributions on the New VMTP Shares will accumulate from the closing date of the Reorganizations with respect to such New VMTP Shares. The Dividend Period for the New VMTP Shares will generally be a calendar month and the Dividend Payment Date with respect of each Dividend Period is the first Business Day following the end of such Dividend Period, except that if the first Dividend Period is longer than one month, the first Dividend Payment Date shall be the first Business Day of the calendar month immediately following the end of such Dividend Period.

Amendments. Under the terms of the Agreement, the Agreement may be amended, modified or supplemented in such manner as may be mutually agreed upon in writing by each Fund as specifically authorized by each Fund s Board; provided, however, that following receipt of shareholder approval of the Agreement at the Annual Meeting, no such amendment, modification or supplement may have the effect of changing the provisions for determining the number of Acquiring Fund shares to be issued to each Target Fund s shareholders under the Agreement to the detriment of such shareholders without their further approval.

Conditions. Under the terms of the Agreement, the closing of the Reorganizations is subject to the satisfaction or waiver of the following closing conditions: (1) the requisite approval by the shareholders of each Fund, as applicable, of the proposals with respect to the Reorganization(s) in this Joint Proxy Statement, (2) each Fund s receipt of an opinion substantially to the effect that its Reorganization(s) will qualify as a reorganization under the Code (see Material Federal Income Tax Consequences of the Reorganizations ), (3) the absence of legal proceedings challenging the Reorganizations, and (4) the Funds receipt of certain customary certificates and legal opinions. Additionally, in order for the Reorganizations to occur, each Fund must obtain certain consents, confirmations and/or waivers from various third parties, including the holders of the outstanding VMTP Shares of the Acquiring Fund, Premium Income and Investment Quality and liquidity providers with respect to the outstanding VRDP Shares of the Funds. The Funds are not required under the respective Statements for VMTP Shares or VRDP Shares to maintain any particular (or particular level of) long-term ratings for the VMTP Shares or VRDP Shares.

*Termination*. The Agreement may be terminated by the mutual agreement of the parties and such termination may be effected by each Fund s Chief Administrative Officer or a Vice President without further action by the Board. In addition, any Fund may at its option terminate the Agreement at or before the closing due to: (1) a breach by any other party of any representation, warranty or

agreement contained therein to be performed at or before the closing, if not cured within 30 days of the breach and prior to the closing; (2) a condition precedent to the obligations of the terminating party that has not been met and it reasonably appears it will not or cannot be met; or (3) a determination by its Board that the consummation of the transactions contemplated by the Agreement is not in the best interests of the Fund.

#### Reasons for the Reorganizations

Based on the considerations below, the Board of each Fund, including the Independent Board Members, has determined that its Fund s Reorganization(s) would be in the best interests of its Fund and that the interests of the existing shareholders of such Fund would not be diluted as a result of such Reorganization(s). At a meeting held on February 4, 2016 (the February Meeting), the Boards approved the Reorganizations and recommended that shareholders of the respective Funds approve the Reorganizations.

Since the beginning of 2015, the Adviser has been evaluating the national municipal closed-end fund market and, in particular, its leveraged national municipal closed-end funds and their position in the market. As part of this broad initiative, the Adviser has proposed to restructure the product offerings of Nuveen s leveraged national municipal closed-end funds by creating fewer funds with greater scale and more clearly differentiated and competitive investment mandates. The Reorganizations were intended, among other things, to create a combined fund with significantly greater scale and to provide various benefits to shareholders as outlined in further detail below.

During the time leading up to the February Meeting, the Adviser made presentations, and the Boards received a variety of materials relating to the proposed Reorganizations, including the rationale therefor. Prior to approving the Reorganizations, the Independent Board Members reviewed the foregoing information with their independent legal counsel and with management, reviewed with independent legal counsel applicable law and their duties in considering such matters and met with independent legal counsel in private sessions without management present. The Boards considered a number of principal factors presented at the time of the February Meeting or at prior meetings in reaching their determinations, including the following:

the compatibility of the investment objectives, policies and related risks of the Acquiring Fund and the Target Funds;
the consistency of portfolio management;
the anticipated improved economies of scale and an additional breakpoint in the fund-level management fee schedule for the combined fund, creating the potential for lower operating expenses per common share (i.e., total expenses excluding the costs of leverage);
the potential for improved secondary market trading with respect to the common shares;
the anticipated federal income tax-free nature of the Reorganizations;
the expected costs of the Reorganizations;
the terms of the Reorganizations and whether the Reorganizations would dilute the interests of the shareholders of the Funds;

48

the effect of the Reorganizations on shareholder rights; and

any potential benefits of the Reorganizations to the Adviser and its affiliates as a result of the Reorganizations.

Compatibility of Investment Objectives, Policies and Related Risks. Based on the information presented, the Boards noted that the investment objectives, policies and risks of the Acquiring Fund and each Target Fund are similar. The Boards noted that each Fund is a diversified closed-end fund that invests exclusively in municipal securities and other investments the income from which is exempt from regular federal income tax.

The Boards noted that, as of February 4, 2016, the Acquiring Fund and the Target Funds have a non-fundamental investment policies permitting them to invest, under normal circumstances, up to 35% of their respective Managed Assets in securities rated, at the time of investment, below the three highest grades (Baa or BBB or lower), by at least one NRSRO, which includes below-investment-grade securities or unrated securities judged to be of comparable quality by the fund s Sub-Adviser. The Boards recognized that under this policy, the Acquiring Fund and the Target Funds are expected to increase their respective allocations to lower rated securities over time.

In addition to evaluating the compatibility of the investment strategies and related risks, the Boards considered the portfolio composition of the Acquiring Fund and each Target Fund and the impact of the Reorganizations on each fund s portfolio, including the shifts in credit quality as well as any shifts in sector allocations, yield, leverage and leverage costs. The Boards also considered the relative performance of the Funds and the factors that may affect the future performance of the combined fund, including the secondary market trading of its shares. The Boards also recognized that each Fund utilizes leverage. If the Reorganizations are approved, the Boards considered that the Target Funds may sell portfolio securities prior to the closing of the Reorganizations. The Boards considered the potential for related gains and losses of such transactions.

In evaluating the Reorganizations and related proposals, the Boards considered the anticipated benefits that the Reorganizations were intended to provide to shareholders, including, among other things:

The potential for higher common share net earnings over time from increased operating economies of scale, which may support higher distribution rates in the future and increase investor interest in the combined fund, and, in turn may lower the trading discount to net asset value of common shares;

Increased portfolio and leverage management flexibility due to a significantly larger asset base of the combined fund;

Improved secondary market trading for common shares as a result of the combined fund s greater share volume, which may lead to narrower bid-ask spreads and smaller trade-to-trade price movements; and

Lower fund operating expenses excluding the costs of leverage for all Funds, as certain fixed costs are spread over a larger asset base (however, total expenses including leverage are expected to be slightly higher for the Acquiring Fund and Premium Income due to increased leverage).

Consistency of Portfolio Management. The Boards noted that each Fund has the same investment adviser and sub-adviser. Through the Reorganizations, the Boards recognized that shareholders will remain invested in a closed-end management investment company that will have the same investment adviser and sub-adviser and similar investment objectives and policies.

Anticipated Improved Economies of Scale and Additional Breakpoint in the Management Fee Schedule for the Combined Fund, Creating the Potential for Lower Operating Expenses. The Boards considered the fees and expense ratios of each of the Funds (including estimated expenses of the combined fund following the Reorganizations). In connection with the Reorganization proposal, Nuveen Fund Advisors proposed and the Board of the Acquiring Fund approved an amended fund-level management fee schedule for the Acquiring Fund, to take effect in conjunction with the closing of the Reorganizations, that includes an additional breakpoint, providing for a lower effective fund-level management fee rate payable with respect to managed assets over \$5 billion, and standardizes the Acquiring Fund s Investment Management Agreement with the investment management agreements of Nuveen s newer municipal closed-end funds. The Boards recognized that the combined fund s effective fee rate based on managed assets is expected to result in a lower effective management fee rate for the Acquiring Fund and each Target Fund. As a result of the greater economies of scale from the larger asset size of the combined fund after the Reorganizations, the Boards further noted that it was expected that the operating expenses per common share (i.e., total expenses excluding the costs of leverage) of the combined fund would be lower than those of the Acquiring Fund and each Target Fund prior to the closing of the Reorganizations. The Boards also considered the anticipated benefit to the Funds from the larger asset size as fixed costs are shared over a larger asset base. In addition, as each Fund utilizes leverage, the Boards considered the differences in the costs of leverage among the Funds and the impact of the Reorganizations on such costs. In this regard, the Boards took into account the Adviser's position that the greater asset size of the combined fund may provide increased portfolio and leverage management flexibility.

Potential for Improved Secondary Market Trading with Respect to the Common Shares. While it is not possible to predict trading levels following the Reorganizations, the Boards noted that the Reorganizations are being proposed, in part, to seek to enhance the secondary trading market for the common shares of the Acquiring Fund and each Target Fund. The Boards considered that the combined fund s greater share volume may result in increased market liquidity after the Reorganizations, which may lead to narrower bid-ask spreads and smaller trade-to-trade price movements.

Anticipated Tax-Free Reorganizations; Capital Loss Carryforwards. The Reorganizations will be structured with the intention that they qualify as tax-free reorganizations for federal income tax purposes, and the Funds will obtain opinions of counsel substantially to this effect (based on certain factual representations and certain customary assumptions). In addition, the Boards considered the impact of the Reorganizations on any estimated capital loss carryforwards of the Funds and applicable limitations of federal income tax rules.

Expected Costs of the Reorganizations. The Boards considered the terms and conditions of the Agreement, including the estimated costs associated with the Reorganizations and the allocation of such costs among the Acquiring Fund and each Target Fund. The Boards also noted, however, that, assuming the Reorganizations are consummated, the Adviser anticipated that the projected costs of each Reorganization may be recovered over time for the common shareholders and that preferred shareholders will not bear any costs of the Reorganizations.

Terms of the Reorganizations and Impact on Shareholders. The terms of the Reorganizations are intended to avoid dilution of the interests of the existing shareholders of the Funds. In this regard, the Boards considered that each holder of common shares of a Target Fund will receive common shares of the Acquiring Fund (taking into account any fractional shares to which the shareholder would be entitled) equal in value as of the Valuation Time to the aggregate per share net asset value of that shareholder s Target Fund common shares held as of the Valuation Time. However, no fractional common shares of the Acquiring Fund will be distributed to a Target Fund s common shareholders in connection with the Reorganizations. In lieu of such fractional shares, the respective Target Fund s common shareholders will receive cash.

Preferred shareholders of each Target Fund will receive the same number of Acquiring Fund VMTP Shares or VRDP Shares, as applicable, having substantially identical terms (with respect to VMTP Shares) or substantially similar terms (with respect to VRDP Shares) as the outstanding preferred shares of the Target Fund held by such preferred shareholders immediately prior to the closing of the Reorganizations. The aggregate liquidation preference of the Acquiring Fund preferred shares received in connection with each Reorganization will equal the aggregate liquidation preference of the corresponding Target Fund preferred shares held immediately prior to the closing of the Reorganization.

Effect on Shareholder Rights. The Boards considered that the Acquiring Fund is organized as a Massachusetts business trust and each of the Target Funds is organized as a Minnesota corporation. In this regard, the Boards recognized that, unlike a Massachusetts business trust, many aspects of the corporate governance of a Minnesota corporation are prescribed by state statutory law. In addition, the Boards considered the differences between the structure of the Board of the Massachusetts Fund and that of the Boards of the Minnesota Funds.

Potential Benefits to Nuveen Fund Advisors and Affiliates. The Boards recognized that the Reorganizations may result in some benefits and economies of scale for the Adviser and its affiliates. These may include, for example, a reduction in the level of operational expenses incurred for administrative, compliance and portfolio management services as a result of the elimination of the Target Funds as separate funds in the Nuveen complex.

Conclusion. Each Board, including the Independent Board Members, approved the Reorganization(s) involving its Fund, concluding that such Reorganization(s) are in the best interests of its Fund and that the interests of existing shareholders of the Fund will not be diluted as a result of the Reorganization(s).

## Capitalization

The following table sets forth the unaudited capitalization of the Funds as of October 31, 2015 and the pro-forma combined capitalization of the combined fund as if the Reorganizations had occurred on that date. The table reflects pro forma exchange ratios of approximately 0.98922514 common shares of the Acquiring Fund issued for each common share of Premium Income, approximately 1.03410741 common shares of the Acquiring Fund issued for each common share of Investment Quality, approximately 1.00700171 common shares of the Acquiring Fund issued for each common share Select Quality and approximately 0.96952959 common shares of the Acquiring Fund issued for each common share of Premier Income. If the Reorganizations are consummated, the actual exchange ratios may vary.

- (1) The proforma balances are presented as if the Reorganizations were effective as of October 31, 2015, and are presented for informational purposes only. The actual Closing Date of the Reorganizations is expected to be on or about July 11, 2016, or such later time agreed to by the parties at which time the results would be reflective of the actual composition of shareholders—equity as of that date. All proforma adjustments are directly attributable to the Reorganizations.
- (2) Assumes the issuance of 63,369,997, 42,994,577, 35,468,758 and 19,282,509 Acquiring Fund common shares in exchange for the net assets of Premium Income, Investment Quality, Select Quality and Premier Income, respectively. These numbers are based on the net asset value of the Acquiring Fund and Target Funds as of October 31, 2015, adjusted for estimated Reorganization costs and the effect of distributions.
- (3) Includes the impact of estimated total Reorganization costs of \$2,455,000, which are currently expected to be borne by the Acquiring Fund, Premium Income, Investment Quality, Select Quality and Premier Income in the amounts of \$470,000, \$760,000, \$535,000, \$430,000 and \$260,000, respectively.
- (4) Assumes Premium Income, Investment Quality, Select Quality and Premier Income make net investment income distributions of \$3,057,322, \$1,814,482, \$751,002 and \$304,756, respectively.
- (5) Following the closing of the Reorganizations, the Acquiring Fund will change its name to Nuveen Enhanced Quality Municipal Income Fund.

#### **Expenses Associated with the Reorganizations**

In evaluating the Reorganizations, management of the Funds estimated the amount of expenses the Funds would incur to be approximately \$2,455,000, which includes additional stock exchange listing fees, SEC registration fees, legal and accounting fees, proxy solicitation and distribution costs and other related administrative or operational costs. The expenses of the Reorganizations (whether or not consummated) will be allocated among the Funds ratably based on the relative expected benefits of the Reorganizations comprised of forecasted operating cost savings (i.e., total expenses excluding the costs of leverage) and improved secondary market trading, if any to each Fund during the first year following the Reorganizations. Reorganization expenses have been or will be accrued as expenses of each Fund prior to the Valuation Time. Reorganization expenses have been or will be reflected in each Fund s net asset value at or before the close of trading on the business day immediately prior to the close of the Reorganizations. These estimated expenses are currently expected to be borne by the Acquiring Fund, Premium Income, Investment Quality, Select Quality and Premier Income in the amounts of \$470,000 (0.08%), \$760,000 (0.08%), \$535,000 (0.08%), \$430,000 (0.08%), and \$260,000 (0.09%), respectively (all percentages are based on average net assets applicable to common shares for the twelve (12) months ended October 31, 2015). Preferred shareholders of the Funds will not bear any costs of the Reorganizations.

Additional solicitation may be made by letter or telephone by officers or employees of Nuveen Investments or the Adviser, or by dealers and their representatives. The Funds have engaged Computershare Fund Services to assist in the solicitation of proxies at an estimated aggregate cost of \$10,500 per Fund plus reasonable expenses, which is included in the foregoing estimate.

## Dissenting Shareholders Rights of Appraisal

Under the charter documents of the Acquiring Fund, shareholders do not have dissenters rights of appraisal with respect to the Reorganizations.

Under Minnesota law, shareholders generally are entitled to assert dissenters—rights in connection with a reorganization and obtain payment of the—fair value—of their shares, provided that they comply with the requirements of Minnesota law. However, because the common shares of each Target Fund are listed and trade on an exchange, under Minnesota law, only the holders of preferred shares of the Target Funds, and not the holders of common shares, will be entitled to assert dissenters—rights.

Holders of preferred shares of the Target Funds are entitled to assert dissenters—rights in connection with the Reorganizations of those Funds and obtain payment of the fair value—of their shares, provided that they comply with the requirements of Minnesota law. These dissenters—rights, and the procedures pertaining to them, are set forth in Minnesota Statutes, Sections 302A.471 and 302A.473, copies of which are attached to this Joint Proxy Statement as Appendix C. The following summary of these rights and procedures is qualified in its entirety by reference to Appendix C. Holders of Target Fund preferred shares should note that they will lose their dissenters—rights of appraisal if they do not follow the required procedures carefully.

## Notice of Dissent

A holder of Target Fund preferred shares who is entitled to dissent under Minnesota law and who wishes to exercise dissenters rights must file a written notice of intent to demand the fair value

with the applicable fund before the Annual Meeting. The shareholder must not vote its preferred shares in favor of the Agreement. For this purpose, the fair value of the shares means the value of such preferred shares immediately prior to the Closing Date. A written notice of intent to demand the fair value of the Target Fund preferred shares should be submitted to the applicable Target Fund addressed to Secretary, [FUND NAME], 333 West Wacker Drive, Chicago, Illinois 60606.

This written notice is in addition to and separate from any proxy or vote against adoption of the Agreement. It should specify the shareholder s name and mailing address, the number of Target Fund preferred shares owned and that the shareholder intends to demand the fair value, plus interest, of the shareholder s Target Fund preferred shares. Voting against, abstaining from voting or failing to vote on adoption of the Agreement does not constitute a demand for appraisal within the meaning of Minnesota law.

Only holders of Target Fund preferred shares of record as of the record date for the Annual Meeting, and beneficial owners as of that date who hold Target Fund preferred shares through those record shareholders, are entitled to exercise dissenters—rights of appraisal. A shareholder cannot assert dissenters—rights of appraisal as to less than all the Target Fund preferred shares that are registered in that shareholder—s name, except where some of the Target Fund preferred shares are registered in that shareholder—s name but are beneficially owned by one or more other persons. If a record owner, such as a broker, nominee, trustee or custodian, wishes to dissent with respect to Target Fund preferred shares that are beneficially owned by another person, the record owner must dissent with respect to all of the Target Fund preferred shares that are beneficially owned by that person and must disclose the name and address of the beneficial owner on whose behalf the dissent is made. A beneficial owner of Target Fund preferred shares who is not the record owner of those shares may assert dissenters—rights of appraisal as to the Target Fund preferred shares held on that person—s behalf, provided that the beneficial owner submits a written consent of the record owner to the Fund at or before the time dissenters—rights are asserted.

Shareholders who wish to assert dissenters—rights of appraisal must not vote for adoption of the Agreement. A shareholder—s failure to vote against adoption of the Agreement will not constitute a waiver of dissenters—rights. However, if a shareholder returns a signed proxy but does not specify a vote against adoption of the Agreement or a direction to abstain, the proxy will be voted for adoption of the Agreement, which will have the effect of waiving that shareholder—s dissenters—rights.

## Notice of Procedure; Deposit of Shares

If the shareholders of the Target Funds and the Acquiring Fund approve the Agreement, each Target Fund will send a notice (the Notice of Procedure ) to all holders of the fund s preferred shares who have provided timely written notice of their intent to demand fair value. The Notice of Procedure will contain the information required by Subdivision 4 of Section 302A.473 of the Minnesota Statutes. In order to receive the fair value of Target Fund preferred shares, a dissenting shareholder must demand payment and deposit certificated shares or comply with any restrictions on transfer of uncertificated shares within 30 days after the Notice of Procedure was given, but the dissenter retains all other rights of a shareholder until the fund s Reorganization takes effect. A Target Fund may establish contingent liabilities for any preferred shares for which a demand has been, or is anticipated to be, received.

## Payment; Return of Shares

After the Closing Date, each Target Fund shall remit to each dissenting holder of the fund spreferred shares who has complied with the requirements for asserting dissenters rights the amount the fund estimates to be the fair value of the shares, plus interest and less applicable withholding taxes, accompanied by the materials specified by Subdivision 5 of Section 302A.473 of the Minnesota Statutes (the Payment Materials ).

A Target Fund may withhold this payment from a person who was not a holder of the fund s preferred shares on the date the fund s Reorganization was first announced to the public or who is dissenting on behalf of a person who was not a beneficial owner on that date. In that case, if the dissenter has complied with the requirements for asserting dissenters—rights, the Target Fund will forward to the dissenter the Payment Materials, a statement of the reason for withholding the payment, and an offer to pay to the dissenter the amount listed in the materials if the dissenter agrees to accept that amount in full satisfaction. The dissenter may decline the offer and demand payment as set forth below. Failure to do so entitles the dissenter only to the amount offered.

If a Target Fund fails to remit payment within 60 days of the deposit of certificates or the imposition of transfer restrictions on uncertificated shares, it shall return all deposited certificates and cancel all transfer restrictions. However, the Target Fund may again give a Notice of Procedure and require deposit or restrict transfer at a later time.

Where a Target Fund is required to pay the fair value of its preferred shares plus interest, the interest will accrue commencing five days after the Closing Date up to and including the date of payment. The interest rate will be the rate at which interest accrues on verdicts and judgments under Minnesota law.

# Supplemental Payment; Demand

If a dissenter believes that the amount paid is less than the fair value of the Target Fund preferred shares plus interest, the dissenter may give written notice ( Dissenter s Notice ) to the applicable fund of the dissenter s own estimate of the fair value of the preferred shares, plus interest, within 30 days after the respective fund mails the payment. The Dissenter s Notice must demand payment of the difference; otherwise, a dissenter is entitled only to the amount remitted by the Target Fund.

#### Petition: Determination

If a Target Fund receives a demand based on the dissenter s own estimate of the fair value of the Target Fund preferred shares, plus interest, it shall, within 60 days after receiving the demand, either pay to the dissenter the amount demanded by the dissenter, pay an amount agreed to by the dissenter after discussion with the Target Fund, or file in court a petition requesting that the court determine the fair value of the preferred shares, plus interest. The petition shall be filed in the county in which the registered office of the applicable Target Fund is located. The petition shall name as parties all dissenters who have demanded payment and who have not reached agreement with the Target Fund. After filing the petition, the Target Fund shall serve all parties with a summons and copy of the petition under Minnesota s Rules of Civil Procedure.

The court may appoint appraisers to receive evidence on and recommend the amount of the fair value of the Target Fund preferred shares. The court shall determine whether the shareholder or shareholders in question have fully complied with the requirements of Minnesota law. The court shall also determine the fair value of the Target Fund preferred shares, taking into account any and all factors the court finds relevant. The fair value of the shares as determined by the court is binding on all holders of Target Fund preferred shares. A dissenter is entitled to judgment in cash for the amount by which the fair value of the shares as determined by the court, plus interest, exceeds the amount paid, if any. However, a dissenter shall not be liable to the Target Fund for the amount, if any, by which the amount, if any, paid to the dissenter exceeds the fair value of the Target Fund preferred shares as determined by the court, plus interest.

## Costs; Fees; Expenses

The court shall determine the costs and expenses of the above proceeding, including the reasonable expenses and compensation of any appraisers appointed by the court, and shall assess those costs and expenses against a Target Fund. However, the court may assess part or all of those costs and expenses against a dissenter whose action in demanding payment is found to be arbitrary, vexatious or not in good faith.

If the court finds that a Target Fund has failed to comply substantially with Minnesota law, the court may assess all fees and expenses of any experts or attorneys as the court deems equitable. These fees and expenses may also be assessed against a person who has acted arbitrarily, vexatiously, or not in good faith in bringing the proceeding, and may be awarded to a party injured by those actions. The court may also award, in its discretion, fees and expenses to an attorney for the dissenters out of the amount awarded to the dissenters, if any.

## Material Federal Income Tax Consequences of the Reorganizations

As a condition to each Fund s obligation to consummate the Reorganizations, the Acquiring Fund and each Target Fund will receive a tax opinion from Vedder Price P.C. (which opinion will be based on certain factual representations and certain customary assumptions) with respect to its Reorganization(s) substantially to the effect that, on the basis of the existing provisions of the Code, current administrative rules and court decisions, for federal income tax purposes:

- 1. The transfer by the Target Fund of substantially all its assets to the Acquiring Fund solely in exchange for Acquiring Fund shares and the assumption by the Acquiring Fund of substantially all the liabilities of the Target Fund, immediately followed by the distribution of all the Acquiring Fund shares so received by the Target Fund to the Target Fund s shareholders of record in complete liquidation of the Target Fund and the dissolution of the Target Fund as soon as practicable thereafter, will constitute a reorganization within the meaning of Section 368(a)(1) of the Code, and the Acquiring Fund and the Target Fund will each be a party to a reorganization, within the meaning of Section 368(b) of the Code, with respect to the Reorganization.
- 2. No gain or loss will be recognized by the Acquiring Fund upon the receipt of substantially all the Target Fund s assets solely in exchange for Acquiring Fund shares and the assumption by the Acquiring Fund of substantially all the liabilities of the Target Fund.

- 3. No gain or loss will be recognized by the Target Fund upon the transfer of substantially all its assets to the Acquiring Fund solely in exchange for Acquiring Fund shares and the assumption by the Acquiring Fund of substantially all the liabilities of the Target Fund or upon the distribution (whether actual or constructive) of such Acquiring Fund shares to the Target Fund shareholders solely in exchange for such shareholders shares of the Target Fund in complete liquidation of the Target Fund.
- 4. No gain or loss will be recognized by the Target Fund s shareholders upon the exchange, pursuant to the Reorganization, of all their shares of the Target Fund solely for Acquiring Fund shares, except to the extent the Target Fund s common shareholders receive cash in lieu of a fractional Acquiring Fund common share.
- 5. The aggregate basis of the Acquiring Fund shares received by each Target Fund shareholder pursuant to the Reorganization (including any fractional Acquiring Fund common share to which a shareholder would be entitled) will be the same as the aggregate basis of the Target Fund shares exchanged therefor by such shareholder.
- 6. The holding period of the Acquiring Fund shares received by each Target Fund shareholder in the Reorganization (including any fractional Acquiring Fund common share to which a shareholder would be entitled) will include the period during which the shares of the Target Fund exchanged therefor were held by such shareholder, provided such Target Fund shares are held as capital assets at the effective time of the Reorganization.
- 7. The basis of the assets of the Target Fund received by the Acquiring Fund will be the same as the basis of such assets in the hands of the Target Fund immediately before the effective time of the Reorganization.
- 8. The holding period of the assets of the Target Fund received by the Acquiring Fund will include the period during which those assets were held by the Target Fund.

The opinions addressing the federal income tax consequences of the Reorganizations described above will rely on the position that the Acquiring Fund preferred shares will constituted equity of the Acquiring Fund. In that regard, each of Stradley Ronon Stevens & Young, LLP (with respect to the VMTP Shares) and Sidley Austin LLP (with respect to the VRDP Shares), as special tax counsel to the Acquiring Fund, will deliver an opinion to the Acquiring Fund, subject to certain representations, assumptions and conditions, substantially to the effect that the Acquiring Fund VMTP Shares or VRDP Shares, as applicable, received in the Reorganizations by the holders of preferred shares of the Target Funds will quality as equity of the Acquiring Fund for federal income tax purposes. Distributions with respect to the preferred shares (other than distributions in redemption of preferred shares subject to Section 301(b) of the Code) will generally constitute dividends to the extent of the Acquiring Fund s allocable current or accumulated earnings and profits, as calculated for federal income tax purposes. Because the treatment of a corporate security as debt or equity is determined on the basis of the facts and circumstances of each case, and no controlling precedent exists for the preferred shares issued in the Reorganizations, there can be no assurance that the IRS will not question special tax counsel s opinion and the Acquiring Fund s treatment of the preferred shares as equity. If the IRS were to succeed in such a challenge, holders of preferred shares could be characterized as receiving taxable interest income rather than exempt-interest or other dividends, possibly requiring them to file amended

income tax returns and retroactively to recognize additional amounts of ordinary income and pay additional tax, interest and penalties, and the tax consequences of the Reorganizations could differ significantly from those described in this Joint Proxy Statement.

No opinion will be expressed as to (1) the federal income tax consequences of payments to preferred shareholders of a Target Fund who elect dissenters—rights, (2) the effect of the Reorganizations on a Target Fund, the Acquiring Fund or any Target Fund shareholder with respect to any asset (including, without limitation, any stock held in a passive foreign investment company as defined in Section 1297(a) of the Code) as to which any unrealized gain or loss is required to be recognized under federal income tax principles (a) at the end of a taxable year (or on the termination thereof) or (b) upon the transfer of such asset regardless of whether such transfer would otherwise be a non-taxable transaction under the Code, or (3) any other federal tax issues (except those set forth above) and all state, local or foreign tax issues of any kind.

Prior to the closing of the Reorganizations, each Target Fund will declare a distribution to its common shareholders, which, together with all other distributions to preferred and common shareholders made with respect to the taxable year in which the Reorganization occurs and all prior taxable years, will have the effect of distributing to shareholders all its net investment income and realized net capital gains (after reduction by any available capital loss carryforwards), if any, through the Closing Date of the Reorganizations. Each Fund reports distributions to common and preferred shareholders as consisting of particular types of income (such as exempt interest, ordinary income and capital gain) based on each class proportionate share of the total distributions paid by the Fund with respect to the year. As a result, such distribution could cause a portion of the distributions received by preferred shareholders with respect to the year to be taxable for federal income tax purposes.

After the Reorganizations, the combined fund s ability to use the Target Funds or the Acquiring Fund s pre-Reorganization capital losses may be limited under certain federal income tax rules applicable to reorganizations of this type. Therefore, in certain circumstances, shareholders may pay federal income taxes sooner, or pay more federal income taxes, than they would have had the Reorganizations not occurred. However, the effect of these potential limitations will depend on a number of factors including the amount of the losses, the amount of gains to be offset, the exact timing of the Reorganizations and the amount of unrealized capital gains in the Funds at the time of the Reorganizations. As of October 31, 2015, the Funds had unused capital loss carryforwards available for federal income tax purposes to be applied against capital gains, if any, per the table below.

Capital losses to be					
carried forward	Acquiring Fund	<b>Premium Income</b>	<b>Investment Quality</b>	Select Quality	<b>Premier Income</b>
Expires October 31, 2016	\$	\$ 3,777,643	\$ 1,349,646	\$	\$
Expires October 31, 2017		11,817,772	246,669		2,039,767
Expires October 31, 2019					76,136
Not subject to expiration	10,298,778		4,782,591	4,080,913	
Total	\$ 10,298,778	\$ 15,595,415	\$ 6,378,906	\$ 4,080,913	\$ 2,115,903

A Fund is generally able to carry forward net capital losses arising in taxable years beginning after December 22, 2010 ( post-enactment losses ) indefinitely. However, net capital losses from the Acquiring Fund and each Target Fund from taxable years beginning on or prior to December 22, 2010 are subject to the expiration dates shown above and can be used only after post-enactment losses.

In addition, the shareholders of a Target Fund will receive a proportionate share of any taxable income and gains realized by the Acquiring Fund and not distributed to its shareholders prior to the closing of the Reorganizations when such income and gains are eventually distributed by the Acquiring Fund. To the extent the Acquiring Fund sells portfolio investments after the Reorganizations, the Acquiring Fund may recognize gains or losses. Gains from such sales will be taxable to Acquiring Fund preferred shareholders (including former Target Fund preferred shareholders who hold preferred shares of the Acquiring Fund following the Reorganizations) to the extent such amounts are required to be allocated to distributions received by preferred shareholders. As a result, shareholders of a Target Fund and the Acquiring Fund may receive a greater amount of taxable distributions than they would have had the Reorganizations not occurred.

In connection with the changes to its non-fundamental investment policies adopted on February 4, 2016, the Acquiring Fund and each Target Fund may reposition its portfolio over time. Such sales may reduce the fund savailable capital loss carryforwards and/or result in taxable distributions to shareholders of such fund.

This description of the federal income tax consequences of the Reorganizations is made without regard to the particular facts and circumstances of any shareholder. Shareholders are urged to consult their own tax advisers as to the specific consequences to them of the Reorganizations, including the applicability and effect of state, local, non-U.S. and other tax laws.

The foregoing is intended to be only a summary of the principal federal income tax consequences of the Reorganizations and should not be considered to be tax advice. There can be no assurance that the IRS will concur on all or any of the issues discussed above. Shareholders are urged to consult their own tax advisers regarding the federal, state and local tax consequences with respect to the foregoing matters and any other considerations which may be applicable to them.

#### Shareholder Approval

Each Reorganization is required to be approved by the affirmative vote of the holders of a majority (more than 50%) of each Target Fund s outstanding common shares and preferred shares entitled to vote on the matter, voting together as a single class, and by the affirmative vote of the holders of a majority (more than 50%) of such Target Fund s outstanding preferred shares entitled to vote on the matter, voting separately. The Reorganizations also are required to be approved by the affirmative vote of the holders of a majority (more than 50%) of the Acquiring Fund s outstanding preferred shares entitled to vote on the matter, voting as a separate class. Holders of the Funds preferred shares are being solicited separately on the foregoing proposals through separate proxy statements and not through this Joint Proxy Statement.

Abstentions and broker non-votes will have the same effect as a vote against the approval of the Reorganizations. Broker non-votes are shares held by brokers or nominees, typically in street name, as to which (1) instructions have not been received from the beneficial owners or persons entitled to vote and (2) the broker or nominee does not have discretionary voting power on a particular matter.

Preferred shareholders of each Fund are separately being asked to approve the Agreement as a plan of reorganization under the 1940 Act. Section 18(a)(2)(D) of the 1940 Act provides that the terms of preferred shares issued by a registered closed-end management investment company must contain provisions requiring approval by the vote of a majority of such shares, voting as a class, of any

plan of reorganization adversely affecting such shares. Because the 1940 Act makes no distinction between a plan of reorganization that has an adverse effect as opposed to a materially adverse effect, each Fund is seeking approval of the Agreement by the holders of such Fund s preferred shares.

The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. The closing of each Reorganization is also subject to the satisfaction or waiver of certain closing conditions, which include customary closing conditions. In order for the Reorganizations to occur, all requisite shareholder approvals must be obtained at the Annual Meetings, and certain other consents, confirmations and/or waivers must also be obtained from various third parties, including the holders of the outstanding VMTP Shares of the Acquiring Fund, Premium Income and Investment Quality and liquidity providers with respect to the outstanding VRDP Shares of the Funds. Because the closing of the Reorganizations is contingent upon each of the Target Funds and the Acquiring Fund obtaining such shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote on your Fund s Reorganization proposal(s) approve such proposal(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. VMTP Shares and VRDP Shares were issued on a private placement basis to one or a small number of institutional holders, and the VMTP Shares of the Acquiring Fund, Premium Income and Investment Quality are currently owned by a single institutional investor or a single group of affiliated institutional investors. To the extent that one or more preferred shareholders of a Fund owns, holds or controls, individually or in the aggregate, all or a significant portion of a Fund s outstanding preferred shares, one or more shareholder approvals required for the Reorganizations may turn on the exercise of voting rights by such particular shareholder(s) and its or their determination as to the favorable view of such proposal(s) with respect to its or their interests. The Funds exercise no influence or control over the determinations of such shareholders with respect to the proposals; there is no guarantee that such shareholders will approve the proposals over which they may exercise effective disposition power. If the Reorganizations are not consummated, each Fund s Board may take such actions as it deems in the best interests of its Fund.

#### Description of Common Shares to Be Issued by the Acquiring Fund; Comparison to Target Funds

## General

As a general matter, the common shares of the Acquiring Fund and each Target Fund have equal voting rights and equal rights with respect to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of their respective Fund and have no preemptive, conversion or exchange rights or rights to cumulative voting. Holders of whole common shares of each Fund are entitled to one vote per share on any matter on which the shares are entitled to vote, while each fractional share entitles its holder to a proportional fractional vote. Furthermore, the provisions set forth in the Acquiring Fund s declaration of trust are substantially similar to the provisions of each Target Fund s articles of incorporation, and each contains, among other things, similar super-majority voting provisions. The full text of each Fund s declaration of trust or articles of incorporation, as applicable, is on file with the SEC and may be obtained as described on page vi.

The Acquiring Fund s declaration of trust authorizes an unlimited number of common shares, par value \$0.01 per share. If the Reorganizations are consummated, the Acquiring Fund will issue additional common shares on the Closing Date to the common shareholders of each Target Fund based

on the relative per share net asset value of the Acquiring Fund and the net asset value of such Target Fund that are transferred in connection with the Reorganization, in each case as of the Valuation Time. The value of a Fund s net assets will be calculated net of the liquidation preference (including accumulated and unpaid dividends) of all of the Fund s outstanding preferred shares.

The terms of the Acquiring Fund common shares to be issued pursuant to the Reorganizations will be identical to the terms of the Acquiring Fund common shares that are then outstanding. Acquiring Fund common shares have equal rights with respect to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The Acquiring Fund common shares, when issued, will be fully paid and non-assessable and have no preemptive, conversion or exchange rights or rights to cumulative voting. See also Comparison of Massachusetts Business Trusts and Minnesota Corporations.

#### Distributions

So long as preferred shares are outstanding, including VMTP Shares, the Acquiring Fund may not declare a dividend or distribution to common shareholders (other than a dividend in common shares of the Fund) or purchase outstanding common shares unless all accumulated dividends on preferred shares have been paid and unless the asset coverage, as defined in the 1940 Act, with respect to its preferred shares at the time of the declaration of such dividend or distribution or at the time of such purchase would be at least 200% after giving effect to the dividend or distribution or purchase price.

## Description of VMTP Shares to Be Issued by the Acquiring Fund

The terms of the VMTP Shares of the Acquiring Fund to be issued pursuant to the Reorganization of each of Premium Income and Investment Quality into the Acquiring Fund (the New VMTP Shares ) will be substantially identical, as of the time of the closing of such Reorganizations, to the outstanding VMTP Shares for which they are exchanged. The aggregate liquidation preference of the New VMTP Shares to be received in each such Reorganization will equal the aggregate liquidation preference of the corresponding series of Target Fund VMTP Shares held immediately prior to the closing of the Reorganizations. In addition, the terms of the New VMTP Shares will be substantially similar to the terms of the Outstanding VMTP Shares of the Acquiring Fund. A full description of New VMTP Shares is set forth in the Memorandum attached hereto as Appendix D.

## Description of VRDP Shares to Be Issued by the Acquiring Fund

The terms of the VRDP Shares of the Acquiring Fund to be issued pursuant to the Reorganization of each of Select Quality, Premier income and Investment Quality into the Acquiring Fund ( New VRDP Shares ) will be substantially similar, as of the closing of the Reorganizations, to the outstanding Target Fund VRDP Shares for which they are exchanged. The aggregate liquidation preference of the New VRDP Shares to be received in each such Reorganization will equal the aggregate liquidation preference of the corresponding series of Target Fund VRDP Shares held immediately prior to the closing of the Reorganization.

The outstanding VRDP Shares of each Target Fund had a 30-year final mandatory redemption date as of their date of original issue, subject to earlier redemption or repurchase by the respective fund, and pay an adjustable dividend rate set weekly by the remarketing agent. The New VRDP Shares

of each series will have the same mandatory redemption date as the corresponding series of Target Fund VRDP Shares exchanged therefor. Holders of New VRDP Shares will have the right to give seven days notice on any business day to tender the securities for remarketing. The New VRDP Shares will also be subject to a mandatory tender for remarketing upon the occurrence of certain events, such as the non-payment of dividends by the Acquiring Fund. Should a remarketing be unsuccessful, the dividend rate will reset to a maximum rate as defined in the governing documents of the New VRDP Shares.

The Statement Establishing and Fixing the Rights and Preferences for the New VRDP Shares of each series (the VRDP Statement) generally requires that the Acquiring Fund maintain a purchase agreement which contains an unconditional demand feature pursuant to a purchase obligation provided by an entity acting as liquidity provider to ensure full and timely repayment of the liquidation preference amount plus any accumulated and unpaid dividends to holders upon the occurrence of certain events. The agreement requires the liquidity provider to purchase from holders all New VRDP Shares of the applicable series tendered for sale that were not successfully remarketed. The liquidity provider also must purchase all outstanding New VRDP Shares of the applicable series prior to termination of the purchase agreement, including by reason of the failure of the liquidity provider to maintain the requisite short-term ratings, if the Acquiring Fund has not obtained an alternate purchase agreement before the termination date.

The obligation of each liquidity provider to purchase the New VRDP Shares of the applicable series pursuant to the applicable purchase agreement will run to the benefit of the holders and beneficial owners of the New VRDP Shares of such series and will be unconditional and irrevocable, and as such the short-term ratings assigned to each series of New VRDP Shares are directly linked to the short-term creditworthiness of the associated liquidity provider. Each liquidity provider entered into a purchase agreement with respect to the applicable series of Target Fund VRDP Shares, subject to periodic extension by agreement with the respective Fund. The initial term of the purchase agreement with the liquidity provider for the New VRDP Shares of each series is expected to be no less than the remaining term immediately prior to the Reorganizations of the applicable purchase agreement with respect to the corresponding series of Target Fund VRDP Shares exchanged therefor.

Prior to the final mandatory redemption date for the New VRDP Shares of each series, the New VRDP Shares of such series will be subject to optional and mandatory redemption by the Acquiring Fund in certain circumstances. New VRDP Shares may be redeemed at any time, at the option of the Acquiring Fund (in whole or, from time to time, in part), out of funds legally available therefor, at a redemption price per share equal to the sum of \$100,000 plus an amount equal to accumulated but unpaid dividends thereon (whether or not earned or declared) until, but excluding, the date fixed for redemption. Pursuant to the VRDP Statement and fee agreement with the liquidity provider for the New VRDP Shares of each series, the Acquiring Fund will have an obligation to redeem, at a redemption price equal to \$100,000 per share plus accumulated but unpaid dividends thereon (whether or not earned or declared) until, but excluding, the date fixed by the Board for redemption, shares of such series purchased by the liquidity provider pursuant to its obligations under the purchase agreement if the liquidity provider continues to be the beneficial owner for a period of six months and such shares cannot be successfully remarketed. If the Acquiring Fund fails to maintain the minimum asset coverage required under the 1940 Act and under the Acquiring Fund s agreement with the liquidity provider with respect to a series of New VRDP Shares, and such failure is not cured by the applicable cure date, the Acquiring Fund also will redeem, at a redemption price equal to the liquidation preference per share plus accumulated but unpaid dividends thereon (whether or not earned

or declared) until, but excluding, the date fixed by the Board for redemption, such number of preferred shares as is necessary to achieve compliance with the minimum asset coverage requirement. The number of preferred shares to be redeemed may, at the Acquiring Fund s sole option (to the extent permitted by the 1940 Act and Massachusetts law), include any number or proportion of preferred shares of any series; provided, that to the extent the Acquiring Fund does a mandatory redemption of any VRDP Shares, the Acquiring Fund will allocate the number to be redeemed pro rata among the VRDP Shares of each series subject to redemption or retirement (if more than one such series is then outstanding).

Holders of the New VRDP Shares of each series, as a separate class, will have voting and consent rights with respect to certain actions that would materially and adversely affect any preference, right or power of the New VRDP Shares of each series or holders of the New VRDP Shares of each series. Holders of the New VRDP Shares of each series also will be entitled to vote as a class with holders of other preferred shares of the Acquiring Fund on matters that relate to the conversion of the Acquiring Fund to an open-end investment company, certain plans of reorganization adversely affecting holders of the preferred shares or any other action requiring a vote of security holders of the Acquiring Fund under Section 13(a) of the 1940 Act. Holders of preferred shares, including the New VRDP Shares of each series, are entitled to elect additional trustees, constituting, when added to the two trustees elected exclusively by the holders of preferred shares, a majority of the trustees, in the event at least two full years—dividends are due and unpaid and sufficient cash or specified securities have not been deposited for their payment, or at any time holders of preferred shares are entitled under the 1940 Act to elect a majority of the trustees of the Acquiring Fund.

The New VRDP Shares of each series will be senior in priority to the Acquiring Fund s common shares as to the payment of dividends and as to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The New VRDP Shares of each series will have equal priority with each other and with the other preferred shares of the Acquiring Fund, including the Acquiring Fund s Outstanding VMTP Shares, the New VMTP Shares of the Acquiring Fund to be issued in the Reorganization, Premium Income and Investment Quality into the Acquiring Fund and any other preferred shares that the Acquiring Fund may issue in the future, as to the payment of dividends and as to distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund.

## **Comparison of Massachusetts Business Trusts and Minnesota Corporations**

The Acquiring Fund is organized as a Massachusetts business trust. Each of Premium Income, Investment Quality, Select Quality and Premier Income is organized as a Minnesota corporation.

The following description is based on relevant provisions of applicable Massachusetts law, the Minnesota Business Corporation Act (MBCA) and each Fund s operative documents. This summary does not purport to be complete, and we refer you to applicable Massachusetts law, the MBCA and each Fund s operative documents.

# General

The Acquiring Fund is a Massachusetts business trust. A fund organized as a Massachusetts business trust is governed by the trust s declaration of trust or similar instrument.

Massachusetts law allows the trustees of a business trust to set the terms of a fund s governance in its declaration of trust. All power and authority to manage the fund and its affairs generally reside with the trustees, and shareholder voting and other rights are limited to those provided to the shareholders in the declaration of trust.

Because Massachusetts law governing business trusts provides more flexibility compared to typical state corporate statutes, the Massachusetts business trust is a common form of organization for closed-end funds. However, some consider it less desirable than other entities because it relies on the terms of the applicable declaration of trust and judicial interpretations rather than statutory provisions for substantive issues, such as the personal liability of shareholders and trustees, and does not provide the level of certitude that corporate laws like those of Minnesota, or newer statutory trust laws such as those of Delaware, provide.

Each Target Fund is a Minnesota corporation. A fund organized as a Minnesota corporation is governed both by the MBCA and the Minnesota corporation s articles of incorporation and by-laws. For a Minnesota corporation, unlike a Massachusetts business trust, the MBCA prescribes many aspects of corporate governance.

Shareholders of a Minnesota corporation generally are shielded from personal liability for the corporation s debts or obligations. Shareholders of a Massachusetts business trust, on the other hand, are not afforded the statutory limitation of personal liability generally afforded to shareholders of a corporation from the trust s liabilities. Instead, the declaration of trust of a fund organized as a Massachusetts business trust typically provides that a shareholder will not be personally liable, and further provides for indemnification to the extent that a shareholder is found personally liable, for the fund s acts or obligations. The declaration of trust for the Acquiring Fund contains such provisions.

Similarly, the trustees of a Massachusetts business trust are not afforded statutory protection from personal liability for the obligations of the trust. The directors of a Minnesota corporation, on the other hand, generally are shielded from personal liability for the corporation s acts or obligations by the MBCA. However, courts in Massachusetts have recognized limitations of a trustee s personal liability in contract actions for the obligations of a trust contained in the trust s declaration of trust, and declarations of trust may also provide that trustees may be indemnified out of the assets of the trust to the extent held personally liable. The declaration of trust for the Acquiring Fund contains such provisions.

## Massachusetts Business Trusts

The Acquiring Fund is governed by its declaration of trust and by-laws. Under the declaration of trust, any determination as to what is in the interests of the Fund made by the trustees in good faith is conclusive, and in construing the provisions of the declaration of trust, there is a presumption in favor of a grant of power to the trustees. Further, the declaration of trust provides that certain determinations made in good faith by the trustees are binding upon the Fund and all shareholders, and shares are issued and sold on the condition and understanding, evidenced by the purchase of shares, that any and all such determinations will be so binding. The following is a summary of some of the key provisions of the governing documents of the Acquiring Fund.

Shareholder Voting. The declaration of trust of the Acquiring Fund requires a shareholder vote on a number of matters, including certain amendments to the declaration of trust, the election of trustees, the merger or reorganization of the Fund (under certain circumstances) or sales of assets in certain circumstances and matters required to be voted by the 1940 Act.

Meetings of shareholders may be called by the trustees and by the written request of shareholders owning at least 10% of the outstanding shares entitled to vote. The by-laws of Acquiring Fund provide that the holders of a majority of the voting power of the shares of beneficial interest of the Fund entitled to vote at a meeting will constitute a quorum for the transaction of business. The declaration of trust of the Acquiring Fund provides that the affirmative vote of the holders of a majority of the shares present in person or by proxy and entitled to vote at a meeting of shareholders at which a quorum is present is required to approve a matter, except in the case of the election of trustees, which requires only a plurality vote, and for events to which other voting provisions apply under the 1940 Act or the declaration of trust and by-laws, such as the super-majority voting provisions with respect to a merger, consolidation or dissolution of, or sale of substantially all of the assets by, the Fund, or its conversion to an open-end investment company in certain circumstances under the terms of the declaration of trust.

*Election and Removal of Trustees.* The declaration of trust of the Acquiring Fund provides that the trustees determine the size of the Board, subject to a minimum and a maximum number. Subject to the provisions of the 1940 Act, the declaration of trust also provides that vacancies on the Board may be filled by the remaining trustees. A trustee may be removed only for cause and only by action of at least two-thirds of the remaining trustees or by action of at least two-thirds of the outstanding shares of the class or classes that elected such trustee.

Issuance of Shares. Under the declaration of trust of the Acquiring Fund, the trustees are permitted to issue an unlimited number of shares for such consideration and on such terms as the trustees may determine. Shareholders are not entitled to any preemptive rights or other rights to subscribe to additional shares, except as the trustees may determine. Shares are subject to such other preferences, conversion, exchange or similar rights, as the trustees may determine.

Classes. The declaration of trust of the Acquiring Fund gives broad authority to the trustees to establish classes or series in addition to those currently established and to determine the rights and preferences, conversion rights, voting powers, restrictions, limitations, qualifications or terms or conditions of redemptions of the shares of the classes or series. The trustees are also authorized to terminate a class or series without a vote of shareholders under certain circumstances.

Amendments to Declaration of Trust. Amendments to the declaration of trust generally require the consent of shareholders owning more than 50% of shares entitled to vote, voting in the aggregate. Certain amendments may be made by the trustees without a shareholder vote, and any amendment to the voting requirements contained in the declaration of trust requires the approval of two-thirds of the outstanding common shares and preferred shares, voting in the aggregate and not by class except to the extent that applicable law or the declaration of trust may require voting by class.

Shareholder, Trustee and Officer Liability. The declaration of trust of the Acquiring Fund provides that shareholders have no personal liability for the acts or obligations of the Fund and require

the Fund to indemnify a shareholder from any loss or expense arising solely by reason of his or her being or having been a shareholder and not because of his or her acts or omissions or for some other reasons. In addition, the Fund will assume the defense of any claim against a shareholder for personal liability at the request of the shareholder. Similarly, the declaration of trust provides that any person who is a trustee, officer or employee of the Fund is not personally liable to any person in connection with the affairs of the Fund, other than to the Fund and its shareholders arising from bad faith, willful misfeasance, gross negligence or reckless disregard for his or her duty. The declaration of trust further provides for indemnification of such persons and advancement of the expenses of defending any such actions for which indemnification might be sought. The declaration of trust also provides that the trustees may rely in good faith on expert advice.

Derivative Actions. Massachusetts has what is commonly referred to as a universal demand statute, which requires that a shareholder make a written demand on the board, requesting the trustees to bring an action, before the shareholder is entitled to bring or maintain a court action or claim on behalf of the entity.

## **Minnesota Corporations**

A Minnesota corporation is governed by the MBCA, its articles of incorporation and by-laws. Some of the key provisions of the MBCA and the articles of incorporation and by-laws of each Target Fund are summarized below.

Shareholder Voting. Under the MBCA, a Minnesota corporation generally cannot dissolve, amend its articles of incorporation, sell or otherwise transfer all or substantially all of its property and assets outside the ordinary course of business or engage in a statutory share exchange, merger or consolidation unless approved by a vote of shareholders. Depending on the circumstances and the articles of incorporation of the corporation, there may be various exceptions to these votes.

Shareholders of Minnesota corporations are generally entitled to one vote per share and fractional votes for fractional shares held. The articles of incorporation of each Target Fund contain such provisions regarding fractional shares.

Election and Removal of Directors. Shareholders of a Minnesota corporation generally are entitled to elect and remove directors. The by-laws of each Target Fund provide that directors are elected by a plurality of votes validly cast at such election. The MBCA does not require a corporation to hold an annual meeting unless required by the articles of incorporation or by-laws. The by-laws of each Target Fund provide that regular meetings of the shareholders for the election of directors and the transaction of such other business as may properly come before the meeting will be held on an annual or other less frequent periodic basis at such date and time as the board of directors designates by resolution, except as otherwise required by the MBCA or by other applicable law. The by-laws also provide that a special meeting may be called at the written request of shareholders entitled to cast at least 10% of all the votes entitled to be cast at the meeting, which request must state the purpose or purposes of the meeting. The articles of incorporation provide that a director may be removed from office only for cause and only by action of at least two-thirds of the outstanding shares of the class or classes of capital stock that elected such director. For purposes of the foregoing, cause requires willful misconduct, dishonesty, fraud or a felony conviction.

Amendments to the Articles of Incorporation. Under the MBCA, shareholders of corporations generally are entitled to vote on amendments to the articles of incorporation.

Issuance of Shares. The board of directors of a Minnesota corporation has the power to authorize the issuance of shares. If so provided in the articles of incorporation (and the articles of incorporation of each Target Fund do so provide), the board of directors may authorize the issuance of shares in more than one class or series, and prior to issuance of shares of each class or series, the board of directors must set the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms or conditions of redemption for each class or series.

Shareholder, Director and Officer Liability. Under Minnesota law, shareholders generally are not personally liable for debts or obligations of a corporation. Minnesota law provides that a director s personal liability to the corporation or its shareholders for monetary damages for breach of fiduciary duty as a director may be eliminated or limited in the articles of incorporation, except for a director s breach of the duty of loyalty, for acts or omissions not in good faith or involving an intentional or knowing violation of law or for any transaction from which the director derived an improper personal benefit. The articles of incorporation of each Target Fund provide such a limitation on director liability. Minnesota law provides that, unless prohibited by a corporation s articles of incorporation or by-laws, a corporation must indemnify and advance expenses to its directors for acts and omissions in their official capacity, subject to certain exceptions, and the articles of incorporation of each Target Fund do not prohibit such indemnification or advances. The indemnification provisions and the limitation on liability are both subject to any limitations of the 1940 Act, which generally provides that no director or officer will be protected from liability to a fund or its shareholders by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office. The provisions governing the advance of expenses are subject to applicable requirements of the 1940 Act or rules thereunder.

Preemptive Rights. Pursuant to the articles of incorporation of each Target Fund, shareholders have no preemptive rights.

Dissenters Right of Appraisal. Under Minnesota law, shareholders generally are entitled to assert dissenters rights in connection with certain amendments to the articles of incorporation, asset sales and reorganizations and obtain payment of the fair value of their shares, provided that they comply with the requirements of Minnesota law. However, these rights are subject to certain exceptions under the MBCA, including, in the case of asset sales and reorganizations, if the shares to which the dissenters rights relate and the shares, if any, that a shareholder is to receive are traded on an exchange.

Derivative Actions. Under Minnesota law, applicable case law at the time of a particular derivative action will establish any requirements or limitations with respect to shareholder derivative actions.

The foregoing is only a summary of certain rights of shareholders under the governing documents of the Funds and under applicable state law and is not a complete description of provisions contained in those sources. Shareholders should refer to the provisions of those documents and state law directly for a more thorough description.

# D. ADDITIONAL INFORMATION ABOUT THE INVESTMENT POLICIES Comparison of the Investment Objectives and Policies of the Acquiring Fund and the Target Funds

## General

The investment objectives of the Funds are similar. The investment objectives of the Acquiring Fund are to provide current income exempt from regular federal income tax and to enhance portfolio value relative to the municipal bond market by investing in tax-exempt municipal bonds that the Fund s investment adviser believes are underrated or undervalued or that represent municipal market sectors that are undervalued. The investment objective of Premium Income is to provide, through investment in a professionally managed portfolio of investment grade tax-exempt municipal obligations, a high level of current income exempt from federal income tax, consistent with preservation of capital. The primary investment objective of Investment Quality is to provide, through investment in a professionally managed portfolio of investment grade quality tax-exempt municipal obligations, current income exempt from regular federal income tax. The primary investment objective of Select Quality is to provide, through investment in a professionally managed portfolio of tax-exempt municipal obligations, current income exempt from regular federal income tax, consistent with the Fund s investment policies. The secondary investment objective of each of Investment Quality, Select Quality and Premier Income is the enhancement of portfolio value relative to the municipal bond market through investments in tax-exempt municipal obligations that, in the opinion of the Fund s investment adviser, are underrated or undervalued or that represent municipal market sectors that are undervalued. Premium Income does not have a secondary investment objective.

Under normal circumstances, the Acquiring Fund will invest at least 80% of its Managed Assets in a portfolio of securities the income from which is exempt from regular federal income tax. Under normal circumstances, each Target Fund will invest at least 80% of its Managed Assets in municipal securities and other related investments the income from which is exempt from regular federal income tax. Under normal circumstances, the Acquiring Fund and each Target Fund may invest up to 35% of its Managed Assets in securities rated, at the time of investment, below the three highest grades (Baa or BBB or lower) by at least one NRSRO, which includes below-investment-grade securities or unrated securities judged to be of comparable quality by the Sub-Adviser.

Note that (1) each Fund s investment objectives; (2) the Acquiring Fund s policy to invest, under normal circumstances, at least 80% of its Managed Assets in a portfolio of securities the income from which is exempt from regular federal income tax; and (3) each Target Fund s policy to invest, under normal circumstances, at least 80% of its Managed Assets in municipal securities and other related investments the income from which is exempt from regular federal income tax are fundamental investment policies of the Fund and may not be changed without the approval of the holders of a majority of the outstanding common shares and preferred shares voting together as a single class, and the approval of the holders of a majority of the outstanding preferred shares, voting separately as a single class. When used with respect to particular shares of a Fund, a majority of the outstanding shares means (1) 67% or more of the shares present at a meeting, if the holders of more than 50% of the shares are present in person or represented by proxy, or (2) more than 50% of the shares, whichever is less.

#### **Investment Policies**

The Acquiring Fund pursues its investment objectives by investing, under normal circumstances, at least 80% of its Managed Assets in a portfolio of securities the income from which is exempt from regular federal income tax. As a non-fundamental investment policy, under normal circumstances, the Acquiring Fund may invest up to 35% of its Managed Assets in securities rated, at the time of investment, below the three highest grades (Baa or BBB or lower) by at least one NRSRO, which includes below-investment-grade securities or unrated securities judged to be of comparable quality by the Fund s Sub-Adviser.

Securities of below-investment-grade quality (Ba or BB or lower) are commonly referred to as junk bonds. Issuers of securities rated Ba or BB or lower are regarded as having current capacity to make principal and interest payments but are subject to business, financial or economic conditions which could adversely affect such payment capacity. Municipal securities rated below investment-grade quality are obligations of issuers that are considered predominately speculative with respect to the issuer s capacity to pay interest and repay principal according to the terms of the obligation and, therefore, carry greater investment risk, including the possibility of issuer default and bankruptcy and increased market price volatility. Municipal securities rated below investment grade tend to be less marketable than higher-quality securities because the market for them is less broad. The market for unrated municipal securities is even narrower. During periods of thin trading in these markets, the spread between bid and asked prices is likely to increase significantly and the Acquiring Fund may have greater difficulty selling its holdings of these types of portfolio securities. The Acquiring Fund will be more dependent on the Adviser s and/or the Sub-Adviser s research and analysis when investing in these securities.

The foregoing credit quality policy targets apply only at the time a security is purchased, and the Acquiring Fund is not required to dispose of a security in the event that a rating agency upgrades or downgrades its assessment of the credit characteristics of a particular issuer or that valuation changes of various municipal securities cause the Fund's portfolio to fail to satisfy those targets. In determining whether to retain or sell such a security, the Adviser and/or the Sub-Adviser may consider such factors as the Adviser's and/or the Sub-Adviser's assessment of the credit quality of the issuer of such security, the price at which such security could be sold and the rating, if any, assigned to such security by other rating agencies. The ratings of S&P, Moody's and Fitch represent their opinions as to the quality of the municipal securities they rate. However, it should be emphasized that ratings are general and are not absolute standards of quality. Consequently, municipal securities with the same maturity, coupon and rating may have different yields while obligations of the same maturity and coupon with different ratings may have the same yield. A general description of the ratings of municipal securities by S&P, Moody's and Fitch is set forth in Appendix B to the Memorandum, attached as Appendix D to this Joint Proxy Statement.

The Acquiring Fund s investment objectives include enhancing portfolio value relative to the municipal bond market by investing in tax-exempt municipal bonds that the Adviser believes are underrated or undervalued or that represent municipal market sectors that are undervalued. Underrated municipal securities are those whose ratings do not, in the Adviser s opinion, reflect their true value. Municipal securities may be underrated because of the time that has elapsed since their rating was assigned or reviewed or because of positive factors that may not have been fully taken into account by rating agencies, or for other similar reasons. Municipal securities that are undervalued or that represent undervalued municipal market sectors are municipal securities that, in the Adviser s opinion, are worth

more than the value assigned to them in the marketplace. Municipal securities of particular types or purposes (e.g., hospital bonds, industrial revenue bonds or bonds issued by a particular municipal issuer) may be undervalued because there is a temporary excess of supply in that market sector, or because of a general decline in the market price of municipal securities of the market sector for reasons that do not apply to the particular municipal securities that are considered undervalued. The Acquiring Fund s investment in underrated or undervalued municipal securities will be based on the Adviser s belief that the prices of such municipal securities should ultimately reflect their true value. Accordingly, to enhance portfolio value relative to the municipal bond market refers to the Acquiring Fund s objective of attempting to realize above-average capital appreciation in a rising market, and to experience less than average capital losses in a declining market. Thus, the Acquiring Fund s secondary investment objective is not intended to suggest that capital appreciation is itself an objective of the Fund. Instead, the Acquiring Fund seeks enhancement of portfolio value relative to the municipal bond market by prudent selection of municipal securities, regardless of which direction the market may move. Any capital appreciation realized by the Acquiring Fund will generally result in the distribution of taxable capital gains to common shareholders. Such gains will be taxable to the Acquiring Fund s preferred shareholders to the extent such amounts are required to be allocated to distributions received by preferred shareholders.

The Acquiring Fund will invest primarily in municipal securities with long-term maturities in order to maintain an average effective maturity of 15 to 30 years, including the effects of leverage, but the average effective maturity of obligations held by the Fund may be lengthened or shortened as a result of portfolio transactions effected by the Adviser and/or the Sub-Adviser, depending on market conditions and on an assessment by the portfolio manager of which segments of the municipal securities markets offer the most favorable relative investment values and opportunities for tax-exempt income and total return. As a result, the Acquiring Fund s portfolio at any given time may include both long-term and intermediate-term municipal securities. Moreover, during temporary defensive periods (e.g., times when, in the Adviser s and/or the Sub-Adviser s opinion, temporary imbalances of supply and demand or other temporary dislocations in the tax-exempt bond market adversely affect the price at which long-term or intermediate-term municipal securities are available), and in order to keep the Acquiring Fund s cash fully invested, the Fund may invest any percentage of its net assets in short-term investments including high quality, short-term debt securities that may be either tax-exempt or taxable. The Acquiring Fund may not achieve its investment objectives during such periods. The Acquiring Fund will generally select obligations which may not be redeemed at the option of the issuer for approximately seven to nine years. As of October 31, 2015, the effective maturity of the portfolio of the Acquiring Fund was 17.44 years.

The Acquiring Fund may invest in securities of other open- or closed-end investment companies (including ETFs) that invest primarily in municipal securities of the types in which the Fund may invest directly, to the extent permitted by the 1940 Act, the rules and regulations issued thereunder and applicable exemptive orders issued by the SEC. In addition, the Acquiring Fund may purchase municipal securities that are additionally secured by insurance, bank credit agreements or escrow accounts. The credit quality of companies that provide such credit enhancements may affect the value of those securities. Although the insurance feature may reduce certain financial risks, the premiums for insurance and the higher market price paid for insured obligations may reduce the Acquiring Fund s income. The insurance feature guarantees only the payment of principal and interest on the obligation when due and does not guarantee the market value of the insured obligations, which will fluctuate with the bond market and the financial success of the issuer and the insurer, and the effectiveness and value of the insurance itself is dependent on the continued creditworthiness of the insurer. No representation is made as to the insurers ability to meet their commitments.

The Acquiring Fund may enter into certain derivative instruments in pursuit of its investment objectives, including to seek to enhance return, to hedge certain risks of its investments in fixed-income securities or as a substitute for a position in the underlying asset. Such instruments include financial futures contracts, swap contracts (including interest rate and credit default swaps), options on financial futures, options on swap contracts or other derivative instruments. The Acquiring Fund may not enter into a futures contract or related options or forward contracts if more than 30% of the Fund s net assets would be represented by futures contracts or more than 5% of the Fund s net assets would be committed to initial margin deposits and premiums on futures contracts or related options.

The Acquiring Fund may invest up to 15% of its Managed Assets in inverse floating rate securities. Inverse floating rate securities represent a leveraged investment in the underlying municipal bond deposited. Inverse floating rate securities offer the opportunity for higher income than the underlying bond, but will subject the Acquiring Fund to the risk of lower or even no income if short-term interest rates rise sufficiently. By investing in an inverse floating rate security rather than directly in the underlying bond, the Acquiring Fund will experience a greater increase in its common share net asset value if the underlying municipal bond increases in value, but will also experience a correspondingly larger decline in its common share net asset value if the underlying bond declines in value.

The Acquiring Fund may borrow money to finance the repurchase of its shares or for temporary or emergency purposes, such as for the payment of dividends or the settlement of portfolio transactions. Interest on any borrowings to finance share repurchase transactions or the accumulation of cash by the Acquiring Fund in anticipation of share repurchases or tenders will reduce such Fund s net income. Any share repurchase, tender offer or borrowing that might be approved by the Acquiring Fund s Board would have to comply with the Exchange Act and the 1940 Act and the rules and regulations thereunder.

The Acquiring Fund is diversified for purposes of the 1940 Act. Consequently, as to 75% of its assets, the Acquiring Fund may not invest more than 5% of its total assets in the securities of any single issuer (and in not more than 10% of the outstanding voting securities of an issuer), except that this limitation does not apply to cash, securities of the U.S. government, its agencies and instrumentalities, and securities of other investment companies.

As noted above, during temporary defensive periods and in order to keep the Acquiring Fund s cash fully invested, the Fund may deviate from its investment objectives and invest up to 100% of its net assets in short-term investments including high quality, short-term securities that may be either tax-exempt or taxable. It is the intent of the Acquiring Fund to invest in taxable short-term investments only in the event that suitable tax-exempt short-term investments are not available at reasonable prices and yields. Investment in taxable short-term investments would result in a portion of your dividends being subject to federal income tax, and if the proportion of taxable investments exceeded 50% of the Acquiring Fund s total assets as of the close of any quarter of the Fund s taxable year, the Fund would not satisfy the general eligibility test that permits it to pay exempt-interest dividends for that taxable year.

#### **Portfolio Investments**

## **Municipal Securities**

General. The Acquiring Fund may invest in various municipal securities, including municipal bonds and notes, other securities issued to finance and refinance public projects, and other related securities and derivative instruments creating exposure to municipal bonds, notes and securities that provide for the payment of interest income that is exempt from federal income tax. Municipal securities are generally debt obligations issued by state and local governmental entities and may be issued by U.S. territories and possessions to finance or refinance public projects such as roads, schools, and water supply systems. Municipal securities may also be issued on behalf of private entities or for private activities, such as housing, medical and educational facility construction, or for privately owned transportation, electric utility and pollution control projects. Municipal securities may be issued on a long-term basis to provide permanent financing. The repayment of such debt may be secured generally by a pledge of the full faith and credit taxing power of the issuer, a limited or special tax, or any other revenue source including project revenues, which may include tolls, fees and other user charges, lease payments, and mortgage payments. Municipal securities may also be issued to finance projects on a short-term interim basis, anticipating repayment with the proceeds of the later issuance of long-term debt. Municipal securities may be issued and purchased in the form of bonds, notes, leases or certificates of participation; structured as callable or non-callable; with payment forms including fixed coupon, variable rate, zero coupon, capital appreciation bonds, tender option bonds and residual interest bonds or inverse floating rate securities; or acquired through investments in pooled vehicles, partnerships or other investment companies. Inverse floating rate securities are securities that pay interest at rates that vary inversely with changes in prevailing short-term tax-exempt interest rates and represent a leveraged investment in an underlying municipal security, which may increase the effective leverage of the Acquiring Fund.

The Acquiring Fund may invest in municipal bonds issued by U.S. territories and possessions (such as Puerto Rico or Guam) the income from which is exempt from regular federal income tax. The yields on municipal securities depend on a variety of factors, including prevailing interest rates and the condition of the general money market and the municipal bond market, the size of a particular offering, the maturity of the obligation and the rating of the issue. The market value of municipal securities will vary with changes in interest rate levels and as a result of changing evaluations of the ability of their issuers to meet interest and principal payments.

Municipal Leases and Certificates of Participation. The Acquiring Fund also may purchase municipal securities that represent lease obligations and certificates of participation in such leases. These carry special risks because the issuer of the securities may not be obligated to appropriate money annually to make payments under the lease. A municipal lease is an obligation in the form of a lease or installment purchase that is issued by a state or local government to acquire equipment and facilities. Income from such obligations generally is exempt from state and local taxes in the state of issuance. Leases and installment purchase or conditional sale contracts (which normally provide for title to the leased asset to pass eventually to the governmental issuer) have evolved as a means for governmental issuers to acquire property and equipment without meeting the constitutional and statutory requirements for the issuance of debt. The debt issuance limitations are deemed to be inapplicable because of the inclusion in many leases or contracts of non-appropriation clauses that relieve the governmental issuer of any obligation to make future payments under the lease or contract unless money is appropriated for such purpose by the appropriate legislative body on a yearly or other

periodic basis. In addition, such leases or contracts may be subject to the temporary abatement of payments in the event the issuer is prevented from maintaining occupancy of the leased premises or utilizing the leased equipment or facilities. Although the obligations may be secured by the leased equipment or facilities, the disposition of the property in the event of non-appropriation or foreclosure might prove difficult, time consuming and costly, and result in a delay in recovering, or the failure to recover fully, the Acquiring Fund s original investment. To the extent that the Acquiring Fund invests in unrated municipal leases or participates in such leases, the credit quality rating and risk of cancellation of such unrated leases will be monitored on an ongoing basis. In order to reduce this risk, the Acquiring Fund will purchase municipal securities representing lease obligations only where the Adviser and/or the Sub-Adviser believes the issuer has a strong incentive to continue making appropriations until maturity.

A certificate of participation represents an undivided interest in an unmanaged pool of municipal leases, an installment purchase agreement or other instruments. The certificates typically are issued by a municipal agency, a trust or other entity that has received an assignment of the payments to be made by the state or political subdivision under such leases or installment purchase agreements. Such certificates provide the Acquiring Fund with the right to a pro rata undivided interest in the underlying municipal securities. In addition, such participations generally provide the Acquiring Fund with the right to demand payment, on not more than seven days notice, of all or any part of the Fund s participation interest in the underlying municipal securities, plus accrued interest.

Municipal Notes. Municipal securities in the form of notes generally are used to provide for short-term capital needs, in anticipation of an issuer s receipt of other revenues or financing, and typically have maturities of up to three years. Such instruments may include tax anticipation notes, revenue anticipation notes, bond anticipation notes, tax and revenue anticipation notes and construction loan notes. Tax anticipation notes are issued to finance the working capital needs of governments. Generally, they are issued in anticipation of various tax revenues, such as income, sales, property, use and business taxes, and are payable from these specific future taxes. Revenue anticipation notes are issued in expectation of receipt of other kinds of revenue, such as federal revenues available under federal revenue sharing programs. Bond anticipation notes are issued to provide interim financing until long-term bond financing can be arranged. In most cases, the long-term bonds then provide the funds needed for repayment of the bond anticipation notes. Tax and revenue anticipation notes combine the funding sources of both tax anticipation notes and revenue anticipation notes are sold to provide construction financing. Mortgage notes ins
