Forward Looking Statements

This Current Report on Form 8-K includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks, uncertainties and other factors. All statements other than statements of historical fact are statements that could be deemed forward-looking statements, including statements regarding the expected timing of the completion of the transaction; the ability to complete the transaction considering the various closing conditions; and any statements of assumptions underlying any of the foregoing. Risks, uncertainties and assumptions include risks related to the timing or ultimate completion of the transaction, as the transaction is subject to closing conditions, including antitrust clearance and completion of audited financial statements of the McKesson Technology Solutions businesses being contributed to the new company; the possibility that expected benefits may not materialize as expected; ability to successfully implement integration strategy for the new company; as well as the ability to ensure continued performance or market growth of McKesson's, Change Healthcare's and the new company's products and services. These risks, uncertainties and other factors, and the general risks associated with the respective businesses of McKesson and Change Healthcare described in the reports and other documents submitted by each of them to the Securities and Exchange Commission, could cause actual results to differ materially from those referred to in the forward-looking statements. All forward-looking statements are based on information currently available to McKesson and Change Healthcare and are qualified in their entirety by this cautionary statement. Readers are cautioned not to place undue reliance on any such forward-looking statements, which speak only as of the date such statements were first made.
