Item 1.01 Entry into a Material Definitive Agreement.

On January 31, 2018, Carlisle Companies Incorporated, a Delaware corporation (the Company), Carlisle, LLC, a Delaware limited liability company and an indirect, wholly-owned subsidiary of the Company (Seller), Carlisle FoodService Products, Incorporated, a Delaware corporation and a direct, wholly-owned subsidiary of Seller (CFS), and CFSP Acquisition Corp., a Delaware corporation (Buyer) and an affiliate of The Jordan Company, L.P., a New York limited partnership (Jordan), entered into a Stock Purchase Agreement (the Agreement), pursuant to which Seller agreed to sell to Buyer, and Buyer agreed to purchase from Seller, all of the outstanding shares of capital stock of CFS in exchange for cash in the amount of \$750 million, subject to certain adjustments.

The Agreement contains customary representations, warranties, covenants and agreements, none of which survive the closing of the transactions contemplated by the Agreement (the Closing) except for covenants and agreements that by their terms survive the Closing. Pursuant to the terms of the Agreement, Seller's and Buyer's indemnification obligations to one another are limited to losses Seller or Buyer, as applicable, may incur (i) as a result of post-Closing adjustments to the purchase price based on the amounts of CFS's net working capital, cash, indebtedness and certain unpaid transaction-related expenses as of the Closing, and (ii) related to specific matters described in the Agreement. The Closing is subject to conditions that include, among others, receipt of regulatory approvals, correctness of the representations and warranties of the parties (except as would not reasonably be expected to have a material adverse effect as of the Closing), and material compliance by the parties with their respective obligations under the Agreement that must be complied with by them at or prior to the Closing. The Company has provided a limited guaranty of certain of Seller's payment and performance obligations under the Agreement.

At the Closing, in accordance with the terms of the Agreement, CFS and Carlisle Intangible Company, LLC, a Delaware limited liability company and an indirect, wholly-owned subsidiary of the Company (CIC), will enter into a Trademark License Agreement (the Trademark License Agreement). Pursuant to the Trademark License Agreement, CIC will grant to CFS a license to use certain of CIC's trademarks solely in connection with the sale of certain licensed products specified in the Trademark License Agreement. The Trademark License Agreement will have an initial term of 20 years with the ability for renewal by mutual agreement of the parties for additional periods. The license will be royalty-free for the first 10 years, and, thereafter, CFS will pay CIC royalty payments as specified in the Trademark License Agreement.

The Closing is expected to occur within the first quarter of 2018. The Agreement contains certain termination rights, including, among others, (i) Seller's right to terminate the Agreement if the Closing does not occur by March 30, 2018, (ii) Buyer's right to terminate the Agreement if the Closing does not occur by April 30, 2018, (iii) either Buyer's or Seller's right to terminate the Agreement if the other party breaches any of its representations, warranties, covenants or agreements that causes a condition to Closing not to be satisfied, and the breach is not curable or cannot be cured within a certain cure period, and (iv) Seller's right to terminate the Agreement if all of the conditions to Closing have been satisfied or waived, Seller has notified Buyer that Seller is prepared to close the transaction, and Buyer fails to close the transaction on the date the Closing should have occurred pursuant to the terms of the Agreement. The Agreement further provides that, upon Seller's termination of the Agreement under either of the circumstances described in clauses (iii) and (iv) of the immediately preceding sentence, Buyer will be required to pay to Seller a termination fee of \$50 million. The Resolute Fund III, L.P., a Delaware limited partnership and an investment fund affiliated with Jordan (the Investor), has provided a limited guarantee of Buyer's obligation to pay the termination fee.

The representations, warranties, covenants and agreements set forth in the Agreement have been made only for the purposes of the Agreement and solely for the benefit of the parties to the Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures, may have been made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting

parties that differ from those applicable to investors. Accordingly, the Agreement is included with this filing only to provide investors with information regarding the terms of the Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses, and should be read in conjunction with the disclosures in the Company's periodic reports and other filings with the Securities and Exchange Commission.

Buyer has obtained equity and debt financing commitments for the transactions contemplated by the Agreement, the aggregate proceeds of which will be sufficient for Buyer to pay the cash purchase price and all related fees and expenses. The Investor has committed to capitalize Buyer, at or immediately prior to the closing of the transactions contemplated by the Agreement, with an aggregate equity contribution in an amount up to \$360 million, subject to the terms and conditions set forth in an equity financing commitment letter, dated as of January 31, 2018. In addition, Goldman Sachs Bank USA, Credit Suisse AG, Credit Suisse Securities (USA) LLC, Jefferies Finance LLC, Benefit Street Partners L.L.C., NB Private Debt II Holdings LP, NB PD III Holdings (UO) LP, NB Pine Private Debt LP, NB Canafund Private Debt LP and NB Granite Private Debt LP (collectively, the Lenders) have committed to provide debt financing for the transaction, consisting of (a) \$370 million in senior secured first lien credit facilities and (b) a \$105 senior secured second lien term loan facility, each on the terms and subject to the conditions set forth in a commitment letter dated as of January 31, 2018 (the Debt Commitment Letter). The obligations of the Lenders to provide debt financing under the Debt Commitment Letter are subject to a number of customary conditions.

Copies of the Agreement and the Form of Trademark License Agreement have been filed as Exhibits 2.1 and 10.1, respectively, to this Current Report on Form 8-K and are incorporated herein by reference. The foregoing descriptions of the Agreement and the Trademark License Agreement are qualified in their entirety by reference to the full text of such agreements.
