EXPLANATORY NOTE

This proxy statement supplement, dated April 24, 2018 (the Supplement), supplements the definitive proxy statement (the Proxy Statement) of Mondelez International, Inc., which we filed with the Securities and Exchange Commission on April 2, 2018, relating to our Annual Meeting of Shareholders (the Annual Meeting) to be held on May 16, 2018. We are providing this Supplement solely to correct an inadvertent typographical error in the shareholder proposal requesting that our Board of Directors create a committee to prepare a report regarding the impact of plant closures on communities and alternatives to help mitigate the effects, which we included in the Proxy Statement as Item 5.

We have made no other changes to the Proxy Statement or the matters to be considered by our shareholders at the Annual Meeting. All other items of the Proxy Statement are incorporated herein by reference without change. If you have already voted, you do not need to vote again unless you would like to change or revoke your prior vote on any proposal. If you would like to change or revoke your prior vote on any proposal, please refer to the Proxy Statement for instructions on how to do so. Capitalized terms used but not otherwise defined in this Supplement have the meanings assigned to those terms in the Proxy Statement. This Supplement should be read in conjunction with the Proxy Statement. From and after the date of this Supplement, any references to the Proxy Statement are to the Proxy Statement as supplemented hereby.

Supplemental Disclosure Concerning the Shareholder Proposal

On page 90 of the Proxy Statement, in the text of the proposed shareholder resolution, the reference to 2018 annual meeting of shareholders is replaced with 2019 annual meeting of shareholders. The correct text for the proposed resolution is provided below and replaces the original text in the Proxy Statement in its entirety.

RESOLVED: Shareholders of Mondelez International, Inc. (Mondelez), hereby request that the Board of Directors create a committee, with members drawn from representatives of the employee work force and the management of Mondelez, to prepare a report regarding the impact on communities from the closure of Mondelez manufacturing facilities and alternatives that can be developed to help mitigate the impact of such closures in the future. The report shall be prepared at reasonable cost and omit proprietary information, and shall be made available on the Mondelez website no later than the 2019 annual meeting of shareholders.
