**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

As previously disclosed in Form 8-K filed with the Securities and Exchange Commission on July 2, 2018, the Board of Directors (the Board) of MiMedx Group, Inc. (the Company) appointed David Coles as Interim Chief Executive Officer of the Company, effective as of July 2, 2018.

In connection with the appointment of Mr. Coles as Interim Chief Executive Officer of the Company, on July 10, 2018, the Company entered into an engagement letter with Alvarez & Marsal North America, LLC (A&M), where Mr. Coles has been employed since 1997, providing for Mr. Coles' services as the Company's Interim Chief Executive Officer and the services of additional A&M employees as needed to assist Mr. Coles in the execution of his duties (the Engagement Letter). The engagement of Mr. Coles as Interim Chief Executive Officer denotes specific responsibilities to include interim executive management and performance improvement, assisting in the execution of the Company's current business strategy and in the development of a long range plan.

Under the terms of the Engagement Letter, during his service at the Company, Mr. Coles will continue to be employed by A&M and will not receive any compensation directly from the Company or participate in any of the Company's employee benefit plans. The Company will instead pay A&M an hourly rate of \$975 per hour for the services provided by Mr. Coles, with an option to change the fee arrangement for Mr. Coles' services to a fixed monthly fee of \$200,000 per calendar month after the first 60 days of the engagement. Pursuant to the Engagement Letter, the Company will pay A&M a retainer in the amount of \$200,000, which will be credited against amounts due at termination of the engagement and returned upon the satisfaction of all obligations under the Engagement Letter, and will also reimburse A&M for reasonable out-of-pocket expenses. In addition, the Company and A&M recognize that it is appropriate that A&M receive incentive compensation for its services, and the parties will seek to reach an agreement on the terms and amount of such incentive compensation.

The Engagement Letter may be terminated by either party at any time without cause by giving 30 days written notice to the other party, subject to the payment of fees and expenses incurred by A&M through the effective date of termination (and, under certain circumstances, the payment of incentive compensation to A&M on terms to be agreed between the parties). The Engagement Letter also contains certain covenants, including a two year-non-solicitation provision applicable to the Company, subject to certain exceptions as provided in the Engagement Letter.

A copy of the Engagement Letter is filed as Exhibit 10.1 to this Form 8-K/A and is incorporated herein by reference. The foregoing description of the Engagement Letter does not purport to be complete and is qualified in its entirety by reference to the full text of the Engagement Letter.

The Company will remain focused on delivering operational and clinical successes that are expected to drive long-term value for all stakeholders, including shareholders, employees, healthcare providers and their patients. The Company reiterates that it has no outstanding debt, it is operating its business as usual and currently has sufficient liquidity to fund its operational needs.
