### Item 1.01 Entry into a Material Definitive Agreement

On July 18, 2018, Armstrong World Industries, Inc., a Pennsylvania corporation (the Company) and Knauf International GmbH, a company incorporated in the Federal Republic of Germany (the Purchaser), entered into a Deed of Amendment (the Amendment) to that certain Share Purchase Agreement, dated as of November 17, 2017, as amended and restated on January 22, 2018 (the Purchase Agreement), by and between the Company and the Purchaser. Pursuant to the Purchase Agreement, the Purchaser will purchase certain subsidiaries comprising the Company's business and operations in Europe, the Middle East and Africa (including Russia) and the Pacific Rim (the International Business), including the corresponding businesses and operations conducted by Worthington Armstrong Venture, a Delaware general partnership (WAVE), in which the Company holds a fifty percent (50%) interest, as well as Armstrong France and WAVE France (collectively, the Sale). The consideration to be paid by the Purchaser in connection with the Sale is \$330 million in cash (the Consideration), subject to certain adjustments as provided in the Purchase Agreement and the Amendment.

The Amendment waives certain matters required under the Purchase Agreement. Specifically, the Amendment waives the requirement concerning the receipt of competition clearances (the Competition Conditions) prior to the initiation of a phase II investigation by the European Commission. The Amendment further provides that the Purchaser will irrevocably and unconditionally pay to the Company: (i) on August 1, 2018, the sum of \$250 million, and (ii) on September 15, 2018, if, prior to such date (A) any Competition Condition has not been satisfied, or (B) the closing of the Sale has not yet occurred, the sum of \$80 million, with such payments to be credited against the Consideration at the time of closing. The Amendment also provides for the reduction (from a maximum of \$35 million to a maximum of \$20 million) of potential adjustments to the Consideration based on the impact of any remedies required to satisfy the Competition Conditions. Furthermore, the Amendment provides that, in the event that the Purchaser has paid the amounts referred to in (i) and (ii) above, the Long Stop Date (currently falling on November 19, 2018) shall be extended to June 30, 2019 and can be further extended to allow the Purchaser to fulfill a Remedy (as defined in the Purchase Agreement) which has been approved by a Competition Authority (as defined in the Purchase Agreement). The Amendment also provides that if the above mentioned payments have been made, the Purchaser shall be permitted to (1) lead the negotiations with competition authorities and offer remedies without seeking the Company's consent, as long as such remedies are unlikely to adversely and materially affect the value to the Company of the Sale and (2) require the Company to transfer the International Business to a third party (or a trustee) which can acquire such business without any governmental or antitrust approval.

The Company now expects closing to occur prior to December 31, 2018.

Other than as expressly modified pursuant to the Amendment, the Purchase Agreement, which was previously filed as Exhibit 2.1 to the Current Report on Form 8-K filed with the U.S. Securities and Exchange Commission (the SEC) on November 20, 2017, remains in full force and effect. The foregoing description of the Amendment does not purport to be complete, and is qualified in its entirety by reference to the full text of the Amendment, which is filed herewith as Exhibit 2.1 and is incorporated herein by reference.
