We believe that diverse backgrounds and experiences strengthen Board performance and promote long-term stockholder value creation. The Compensation Committee maintains formal criteria for selecting director nominees who will best serve the interests of Edwards and its stockholders. The Compensation Committee evaluates whether the candidate's skills and experience are complementary to the existing Board and Company strategy. All members of the Board are highly engaged in the process of, and discussions regarding, refreshment. The Board's leadership structure is evaluated by our independent directors on a regular basis to ensure that it continues to provide effective independent oversight of the Company and serves the best interests of stockholders.
