PROXY STATEMENT

Our Board is providing these proxy materials to you in connection with the solicitation of proxies by ADMA Biologics, Inc. on behalf of the Board for use at the 2016 Annual Meeting of the Company, which will take place at 9:00 a.m. Eastern Time on June 7, 2016, at the offices of Dentons US LLP at 1221 Avenue of the Americas, New York, New York 10020, and any adjournment or postponement thereof.

The Company intends to mail this proxy statement and the accompanying proxy card, together with the Company's Annual Report on Form 10-K for the year ended December 31, 2015, on or about May 6, 2016 to each stockholder entitled to vote at the Annual Meeting.

Our Annual Report on Form 10-K for the year ended December 31, 2015 as well as this proxy statement will be available through the Securities and Exchange Commission's EDGAR system at <http://www.sec.gov> and will also be available on our website.

In this proxy statement, unless the context otherwise requires, references to "ADMA," "ADMA Biologics," the "Company," "we," "us" and "our" refer to ADMA Biologics, Inc., a Delaware corporation, as well as its subsidiary, ADMA Plasma Biologics, Inc., a Delaware corporation, taken as a whole, and also refer to the operations of ADMA Plasma Biologics, Inc. In each case, references to ADMA Plasma Biologics, Inc. also include its subsidiary ADMA BioCenters Georgia, Inc., or ADMA BioCenters, a Delaware corporation.

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why am I receiving these materials?

We sent this proxy statement and the enclosed proxy card because the Board of the Company is soliciting your proxy to vote at the Annual Meeting and at any adjournment or postponement thereof. The Annual Meeting will be held on June 7, 2016 at the offices of Dentons US LLP at 1221 Avenue of the Americas, New York, New York 10020. You are invited to attend the Annual Meeting and we request that you vote on the proposals described in this proxy statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, as discussed below.

Who is entitled to vote at and attend the Annual Meeting?

Only stockholders of record and beneficial owners of the Company's common stock at the close of business on the record date, April 25, 2016, are entitled to receive notice of, to vote at and attend the Annual Meeting. Each outstanding share of the Company's common stock entitles its holder to cast one vote on each matter to be voted upon.

What is the difference between holding shares of common stock as a holder of record and as a beneficial owner?

Certain of our stockholders hold or may in the future hold their shares of common stock beneficially through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares owned beneficially and those held of record.

Beneficial Owner: If your shares of common stock are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you together with a voting instruction card by your broker, trustee or other nominee, as the case may be. As the beneficial owner, you have the right to direct your broker, trustee or other nominee how to vote. The voting instruction card from your broker, trustee or other nominee contains voting instructions for you to use in directing the broker, trustee or other nominee how to vote your shares.

Because a beneficial owner is not the stockholder of record, you may not vote your shares of common stock in person at the Annual Meeting unless you obtain a "legal proxy" from the broker, trustee or other nominee that holds your shares giving you the right to vote the shares at the Annual Meeting.

Stockholder of Record: If your shares of common stock are registered directly in your name with us or our stock transfer agent, Continental Stock Transfer & Trust Company, you are considered the stockholder of record with respect to those shares and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. We have enclosed or sent a proxy card for you to use.

What do I need to do to attend the Annual Meeting?

In order to be admitted to the Annual Meeting, a stockholder must present proof of ownership of their shares on the record date. Any holder of a proxy from a stockholder must present the proxy, properly executed to be admitted. Stockholders and proxyholders must also present a form of valid, government-issued photo identification, such as a driver's license or passport. These items must be presented in order to be admitted to the Annual Meeting. Expired forms of identification will not be accepted.

If you do not bring proof of ownership of common stock on the record date, you will not be admitted to the Annual Meeting. If you are a beneficial owner of common stock and your shares are held in the name of a broker, trustee or other nominee, a brokerage statement or letter from a bank or broker detailing ownership of the common stock as of the record date is an example of proof of ownership.

What constitutes a quorum?

The presence of a quorum is required for business to be conducted at the Annual Meeting. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding as of the record date and entitled to vote shall constitute a quorum. As of the record date, 10,710,587 shares of common stock were outstanding and entitled to vote. If you submit a properly executed proxy card, regardless of whether you abstain from voting, you will be considered in determining the presence of a quorum.

How do I vote?

You may vote in person at the Annual Meeting or by mail. If you hold your shares of common stock in “street name” through a broker, trustee or other nominee, you must vote in accordance with the voting instructions provided to you by such broker, trustee or other nominee.

Voting by Mail: If you are a holder of record of common stock and choose to vote by mail, simply complete, sign and date your proxy card and mail it in the accompanying pre-addressed envelope. Proxy cards submitted by mail must be received by our Office of the Secretary prior to the Annual Meeting in order for your shares to be voted. If you hold common stock beneficially in street name and choose to vote by mail, you must complete, sign and date the voting instruction card provided by your broker, trustee or other nominee and mail it in the accompanying pre-addressed envelope within the specified time period.

Voting in Person at the Annual Meeting: If you are a record holder of common stock, you may attend and vote in person at the Annual Meeting. If you are a beneficial owner of common stock held in the name of a broker, trustee or other nominee, you must obtain a “legal proxy,” executed in your favor, from such broker, trustee or other nominee to be able to vote in person at the Annual Meeting. You should allow yourself enough time prior to the Annual Meeting to obtain this “legal proxy” from the holder of record.

Even if you plan to attend the Annual Meeting, we recommend that you submit your proxy or voting instructions by mail as described above so that your vote will be counted if you later decide not to attend the Annual Meeting. Any vote properly cast at the Annual Meeting will supersede any previously submitted proxy or voting instructions. For additional information, please see “Can I change my vote or revoke my proxy after I return my proxy card?” below.

How does the Board recommend I vote on the proposals?

The Board’s recommendations are set forth after the description of each proposal in this proxy statement. In summary, the Board recommends a vote:

- “FOR” the election of the two directors to serve on the Company’s Board as Class III directors for a term of three years, until their successors are elected and qualified (see Proposal No. 1).
- “FOR” the ratification of the appointment of CohnReznick LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2016 (see Proposal No. 2).

How will my shares of common stock be voted if I do not indicate a vote on my proxy card?

Your shares will be voted as you indicate on the proxy card or voting instruction form, as applicable. If you return your signed proxy card but do not mark the boxes indicating how you wish to vote, your shares will be voted as recommended by the Board on those items. See the question above entitled “How does the Board recommend I vote on the proposals?”

Your shares will be voted in accordance with the discretion of the proxyholders as to any other matter that is properly presented at the Annual Meeting.

3

Can I change my vote or revoke my proxy after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised at the Annual Meeting. If you are a stockholder of record as of the record date, regardless of the way in which you submitted your original proxy, you may change it by:

- Returning a later-dated signed proxy card to us prior to the Annual Meeting at 465 State Route 17 South, Ramsey, New Jersey 07446, Attention: Office of the Secretary;
- Delivering a later-dated written notice of revocation to us prior to the Annual Meeting at 465 State Route 17 South, Ramsey, New Jersey 07446, Attention: Office of the Secretary; or
 - Attending the Annual Meeting and properly voting in person.

Alternatively, you may hand deliver a later-dated written notice of revocation, or later-dated signed proxy to the Secretary at the Annual Meeting before we begin voting.

If your shares of common stock are held through a broker, trustee or other nominee, you will need to contact that nominee if you wish to change your voting instructions. You may also vote in person at the Annual Meeting if you obtain a “legal proxy” as described in the answer to the question above entitled “How do I vote? —Voting in Person at the Annual Meeting.” Mere attendance at the Annual Meeting will not cause your previously granted proxy to be revoked.

What vote is required to approve each proposal?

Election of Directors. For Proposal No. 1, directors are elected by a plurality of the votes of the shares present in person or represented by proxy and entitled to vote on the election of directors. Thus, the two nominees with the greatest number of votes will be elected. Withheld votes will have no effect on the election of Class III directors.

Ratification of the appointment of CohnReznick LLP as the Company’s independent registered public accounting firm. For Proposal No. 2, a majority of the votes cast will be required for approval. A majority of votes cast means that the number of votes cast “for” must exceed the number of votes “against.” Abstentions will have no effect on Proposal No. 2, as they are not counted as votes cast. Notwithstanding the vote standards described for this Proposal No. 2, please be advised that Proposal No. 2 is advisory only and will not be binding on the Company or the Board and will not create or imply any change in the fiduciary duties of, nor impose any additional fiduciary duty on, the Company or the Board. However, the Board and/or the Audit Committee, as the case may be, will take into account the outcome of the votes when considering what action, if any, should be taken in response to the advisory vote by Stockholders.

A “broker non-vote” would occur only if a broker, trustee or other nominee does not have discretionary authority and has not received instructions with respect to a particular item from the beneficial owner or other person entitled to vote such shares. Brokers will have discretionary voting power to vote shares for which no voting instructions have been provided by the beneficial owner with respect to Proposal No. 2. Brokers will not have discretionary voting power to vote shares with respect to Proposal No. 1. Broker non-votes will have no effect on Proposal No. 1.

What happens if additional matters are presented at the Annual Meeting?

Other than the items of business described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxyholders will have the discretion to vote your shares of common stock on any additional matters properly presented for a vote at the Annual Meeting or any

adjournment or postponement of the Annual Meeting. If, for any reason, any of our nominees for director is not available as a candidate for director, the persons named as proxyholders will vote your proxy for such other candidate or candidates as may be nominated by the Board, or the size of the Board will be reduced.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Our directors, officers and other employees, without additional compensation, may solicit proxies personally or in writing, by telephone, e-mail, or otherwise. We are required to request that any brokers, trustees and other nominees who hold shares in their names furnish our proxy materials to the beneficial owners of the shares, and we must reimburse these brokers, trustees and other nominees for the expenses of doing so in accordance with statutory fee schedules.

PROPOSAL NO. 2:

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has appointed CohnReznick LLP as the Company's independent registered public accounting firm for the year ending December 31, 2016. In connection with this appointment, CohnReznick LLP will examine and report to Stockholders on the consolidated financial statements of the Company and its subsidiaries for 2016.

Although not required, the Board has put this proposal before the stockholders because it believes that seeking stockholders' ratification of the Audit Committee's appointment of our independent registered public accounting firm is good corporate practice. This vote is only advisory, however, because the Audit Committee has the sole authority to retain and dismiss our independent registered public accounting firm. If the appointment of CohnReznick LLP is not ratified, the Audit Committee will evaluate the basis for the stockholders' vote when determining whether to continue the firm's engagement. Even if the appointment is ratified, the Audit Committee in its sole discretion may direct the appointment of a different independent registered public accounting firm at any time if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of CohnReznick LLP are expected to be present at the Annual Meeting and are expected to be available to respond to appropriate questions from stockholders. They also will have the opportunity to make a

statement if they desire to do so.

The Board unanimously recommends that Stockholders vote “FOR” the ratification of the Audit Committee’s appointment of CohnReznick LLP as our independent registered public accounting firm for 2016.

Pre-Approval of Audit and Permissible Non-Audit Services

Our Audit Committee requires pre-approval of all audit and non-audit services in one of two methods. Under the first method, the engagement to render the services would be entered into pursuant to pre-approval policies and procedures established by the Audit Committee, provided (i) the policies and procedures are detailed as to the services to be performed, (ii) the Audit Committee is informed of each service, and (iii) such policies and procedures do not include delegation of the Audit Committee's responsibilities under the Securities Exchange Act of 1934 (the "Exchange Act") to the Company's management. Under the second method, the engagement to render the services would be presented to and pre-approved by the Audit Committee (subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act that are approved by the Audit Committee prior to the completion of the audit). The Chairman of the Audit Committee has the authority to grant pre-approvals of audit and permissible non-audit services by the independent registered public accounting firm, provided that all pre-approvals by the Chairman must be presented to the full Audit Committee at its next scheduled meeting.

Report of the Audit Committee

The following Report of the Audit Committee shall not be deemed incorporated by reference into any of our filings under the Securities Act of 1933 or the Exchange Act, except to the extent we specifically incorporate it by reference therein.

9

The Audit Committee reviews our financial reporting process on behalf of our Board. Management has the primary responsibility for the financial statements, the reporting process and maintaining our system of internal control over financial reporting. Our independent registered public accounting firm was engaged to audit and express opinions on the conformity of our financial statements to generally accepted accounting principles in the United States.

The Audit Committee of the Board has:

- Reviewed and discussed the Company's audited financial statements for the year ended December 31, 2015 with management;
- Discussed with CohnReznick LLP the matters required to be discussed in accordance with Auditing Standard No. 16-Communications with Audit Committees; and
- Received written disclosures and a letter from CohnReznick LLP regarding its independence as required by applicable requirements of the Public Company Accounting Oversight Board regarding CohnReznick LLP communications with the Audit Committee and the Audit Committee further discussed with CohnReznick LLP their independence. The Audit Committee also considered the status of pending litigation, taxation matters and other areas of oversight relating to the financial reporting and audit process that the committee determined appropriate.

Based on the Audit Committee's review of the audited financial statements and discussions with management and CohnReznick LLP, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 for filing with the SEC.

CORPORATE GOVERNANCE

Director Independence

Under the corporate governance standards of the Nasdaq Capital Market, a majority of the members of our Board must satisfy Nasdaq's criteria for "Independent Directors", as modified or supplemented from time to time. In making this determination, our Board considers, among other things, transactions and relationships between each director and his immediate family and the Company, including those reported in this Schedule 14A "Certain Relationships and Related Transactions, and Director Independence." The Nasdaq independence standards include a series of objective tests, such as that the director is not an employee of the Company and has not engaged in various types of business dealings with the company, to determine whether any such relationships or transactions are material and, therefore, inconsistent with a determination that the directors are independent. In addition, the Board considered Dr. Goldstein's appointment to the six member investment committee of Aisling Capital II LP, by virtue of which Dr. Goldstein may be deemed to beneficially own those shares of our common stock held by Aisling, and determined that Dr. Goldstein continues to satisfy the definition of an "Independent Director" as set forth in Nasdaq Stock Market Rule 5605(a)(2) because Dr. Goldstein's appointment to Aisling's investment committee would not interfere with his exercise of independent judgment in carrying out the responsibilities of a director. On the basis of such review and its understanding of such relationships and transactions, our Board has determined that at least four of our Board members, Mr. Richman, Dr. Goldstein, Mr. Fong and Mr. Guiheen, are independent directors.

Nominating Rights

Our Board includes members who were designated nominees of certain of our stockholders. Bryant E. Fong was the designated nominee of Biomark Capital Fund IV LP, or Biomark, Steven Elms was the designated nominee of Aisling Capital II, L.P., or Aisling, and Dr. Jerrold B. Grossman is currently the designated nominee of Hariden, LLC, an entity controlled by Adam S. Grossman. In February 2012, we completed a private placement (the "2012 Financing"). As lead investors in the 2012 Financing, each of Biomark, Aisling and Hariden, LLC, is entitled to designate one nominee to our Board for as long as it owns 50% of the shares of common stock that it owned immediately following the closing of the 2012 Financing.

Board Leadership Structure

Our Board is comprised of seven directors, of which four are independent in accordance with Nasdaq Marketplace Rules. Presently, the Board has the following standing committees: Audit Committee, Compensation Committee, and Governance and Nominations Committee. Each of the standing committees is comprised solely of independent directors. In accordance with Nasdaq Marketplace Rules, our Audit Committee is responsible for overseeing risk management and updates the full Board periodically.

To assure effective and independent oversight of management, our Board currently operates with the roles of Chief Executive Officer and Chairman of the Board separated in recognition of the differences between these two roles in the management of the Company. Although our Board does not have a policy as to whether the same individual may serve as both Chairman and Chief Executive Officer, or if the roles must be separate, our Board believes that its current leadership structure provides the most effective leadership model for our Company. By permitting more effective monitoring and objective evaluation of the Chief Executive Officer's performance, this structure increases the accountability of the Chief Executive Officer. A separation of the Chief Executive Officer and Chairman roles also prevents the former from controlling the Board's agenda and information flow, thereby reducing the likelihood that the Chief Executive Officer would abuse his power.

Meetings of the Board and its Committees

The Board held a total of eight meetings during the fiscal year ended December 31, 2015. In addition, our Audit Committee held a total of four meetings, our Compensation Committee held a total of three meetings and our Governance and Nominations Committee held one meeting in 2015. No member of our Board attended fewer than 75% of the aggregate of the total number of meetings of the Board (held during the period for which he or she was a director) and the total number of meetings held by all committees of the Board on which such director served (held during the period that such director served). Members of our Board are invited and encouraged to attend each annual meeting of stockholders, and each member attended the prior year's annual meeting. The last annual meeting of stockholders was held on June 23, 2015.

Board Committees

The following section describes the standing committees of our Board. The charter of each Board Committee is available free of charge on our website, www.admabiologics.com, under "Investors—Corporate Governance" or by directing a written request to our Corporate Secretary c/o ADMA Biologics, Inc., at 465 State Route 17 South, Ramsey, New Jersey 07446.

Audit Committee

The members of our Audit Committee are Eric I. Richman (Chair), Lawrence P. Guiheen and Bryant E. Fong. The Board has adopted a written Audit Committee Charter. The composition and responsibilities of the Audit Committee, as reflected in its charter (as amended on October 22, 2014) are intended to be in accordance with applicable rules of the SEC for corporate audit committees and listing requirements of Nasdaq. Our Board has determined that each committee member meets the definition of “independent director” as defined in Rule 5605(a)(2) of the Nasdaq Marketplace Rules and the additional independence criteria for members of audit committees specified in the Nasdaq Marketplace Rules and Rule 10A-3 under the Exchange Act. Our Board has determined that Mr. Richman, the chairman of the Audit Committee, qualifies as an “audit committee financial expert,” as such term is defined by SEC rules.

The primary functions of the Audit Committee are to: (i) review the financial reports and other financial information prepared by the Company for submission to any governmental or regulatory body or the public and monitor the integrity of such financial reports; (ii) review the Company's systems of internal controls established for finance, accounting, legal compliance and ethics; (iii) review the Company's accounting and financial reporting processes generally and the audits of the financial statements of the Company; (iv) monitor compliance with legal regulatory requirements; (v) monitor the independence and performance of the Company's registered independent public accounting firm; and (vi) provide effective communication between the Board, senior and financial management and the Company's registered independent public accounting firm.

The Audit Committee is also responsible for addressing matters of accounting policy with our independent accountants. In discharging its role, the Audit Committee is empowered to investigate any matter within the scope of its responsibilities with full access to all of our books, records, facilities and personnel. The Audit Committee also has the power to retain special legal, accounting and other advisors as it deems necessary to carry out its duties.

Compensation Committee

The members of our Board's Compensation Committee are Dr. Goldstein (Chairman), Mr. Richman and Mr. Fong. Our Board has determined that all members of the Compensation Committee are "independent directors" as defined in Rule 5605(a)(2) of the Nasdaq Marketplace Rules, and in accordance with the requirements of Section 952 of the Dodd-Frank Wall Street Reform and Consumer Protection Act. Each member of the Compensation Committee also qualifies as an outside director within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Compensation Committee is responsible for ensuring that the Company's compensation program is: effective in attracting and retaining the Company's Chief Executive Officer, the Company's other executive officers, the Company's other officers and the Company's non-management directors; administered fairly and in our stockholders' interests; and in compliance with the applicable compensation rules, regulations and guidelines promulgated by Nasdaq, the SEC, and other laws, as amended from time to time. The Compensation Committee reviews and recommends to the Board appropriate executive compensation policies, compensation of the directors and officers, and executive and employee benefit plans and programs, and is responsible for overseeing such policies, compensation, plans and programs approved by the Board, and where appropriate, by our stockholders. In connection with its evaluations and determinations in 2015, the Compensation Committee retained the services of an independent compensation consultant.

Compensation of our President and Chief Executive Officer, including salary, bonus, stock options and certain other arrangements, is recommended to the Board for determination, by the Compensation Committee. The President and Chief Executive Officer, or any other officer for whom compensation is being discussed or determined, is not permitted to be present at meetings at which their respective compensation or performance is discussed or determined.

Under the Compensation Committee Charter, our President and Chief Executive Officer and our Chairman of the Board may recommend to the Compensation Committee individual compensation awards for our officers. The Compensation Committee would then have to review the recommendation and make its own recommendation to the Board.

The Compensation Committee may also form, and delegate its authority to, subcommittees or other committees of the Board when deemed appropriate. In addition, the Compensation Committee may retain special legal counsel, compensation or other consultants to advise it on compensation matters or as it deems appropriate.

Governance and Nominations Committee

The members of our Board's Governance and Nominations Committee are Mr. Guiheen (Chairman), Mr. Fong and Mr. Richman. Our Board has determined that all members of the Governance and Nominations Committee are "independent directors", as defined by the Nasdaq qualification standards.

The Governance and Nominations Committee's role and responsibilities are set forth in the Governance and Nominations Committee's written charter and include evaluating and making recommendations to the full Board the persons to be nominated for election as directors at any meeting of stockholders and the persons to be elected by the Board to fill any vacancies on the Board, develop and recommend to the Board a set of corporate governance principles applicable to the Company, and oversee the evaluation of the Board through annual assessment by the Governance and Nominations Committee of the performance of each member of the Board. In evaluating independence of directors, the Governance and Nominations Committee considers many factors and has taken the position that a director could be considered independent despite being affiliated with a significant shareholder.

In identifying candidates for membership on the Board, the Governance and Nominations Committee takes into account all factors it considers appropriate, which may include (a) ensuring that the Board, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including expertise that could qualify a director as a "audit committee financial expert," as that term is defined by the rules of the SEC), local or community ties and (b) minimum individual qualifications, including strength of character, mature judgment, familiarity with the Company's business and industry, independence of thought and an ability to work collegially. The Committee also may consider the extent to which the candidate would fill a present need on the Board.

The Company is of the view that the continuing service of qualified incumbents promotes stability and continuity in the board room, contributing to the ability of the Board to work as a collective body, while giving the Company the benefit of the familiarity and insight into the Company's affairs that its directors have accumulated during their tenure. Accordingly, the process of the Governance and Nominations Committee for identifying nominees reflects the Company's practice of re-nominating incumbent directors who continue to satisfy the Governance and Nominations Committee's criteria for membership on the Board, whom the Governance and Nominations Committee believes continue to make important contributions to the Board and who consent to continue their service on the Board. The Governance and Nominations Committee will identify and/or solicit recommendations for new candidates when there is no qualified and available incumbent.

The Governance and Nominations Committee will consider nominees recommended by stockholders. There are no differences in the manner in which the committee evaluates nominees for director based on whether the nominee is recommended by a stockholder. Stockholders who would like to have our Governance and Nominations Committee consider their recommendations for nominees for the position of director, should submit their recommendations, in a timely manner, in accordance with the procedures set forth below, in writing to: Corporate Secretary, ADMA Biologics, Inc., 465 State Route 17 South, Ramsey, New Jersey 07446.

For nominations, a stockholder's notice must include: (i) as to each person whom the stockholder proposes to nominate for election as a director, (A) the name, age, business address and residential address of such person, (B) the principal occupation or employment of such person, (C) the class and number of shares of stock of the Company that are beneficially owned by such person, (D) any other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors or is otherwise required by the rules and regulations of the SEC promulgated under the Exchange Act, and (E) the written consent of the nominee to be named in the proxy statement as a nominee and to serve as a director if elected and (ii) as to the stockholder giving the notice, (A) the name, business address, and residential address, as they appear on our stock transfer books, of the nominating

stockholder, (B) a representation that the nominating stockholder is a stockholder of record and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice, (C) the class and number of shares of stock of the Company beneficially owned by the nominating stockholder and (D) a description of all arrangements or understandings between the nominating stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the nominating stockholder.

(1) Reflects bonuses for 2015, which were paid in February 2016, and bonuses for 2014, which were paid in February 2015.

(2) The amount reflected in the table represents the aggregate grant-date fair value of options computed in accordance with FASB ASC Topic 718 (formerly FAS 123R). We estimate the fair value of each option on the grant date using the Black-Scholes model with the following assumptions: To determine the risk-free interest rate, we utilized the U.S. Treasury yield curve in effect at the time of grant with a term consistent with the expected term of our awards. The expected term of the options granted is in accordance with Staff Accounting Bulletin 107 which is based on the average between vesting term and contractual term. The expected dividend yield reflects our current and expected future policy for dividends on our common stock. The expected stock price volatility for our stock options was calculated by examining a pro rata percentage of historical volatilities for similar publicly traded industry peers, along with the trading history for our common stock. We will continue to analyze the expected stock price volatility and expected term assumptions. We have not experienced any material forfeitures of stock options and as such, have not established a forfeiture rate. Since the stock options currently outstanding are primarily held by our senior management and directors, we will continue to evaluate the effects of such future potential forfeitures, as they may arise, to evaluate our estimated forfeiture rate. The material terms of the options held are described in the footnotes to the Outstanding Equity Awards at Fiscal-Year End table. The amounts in this column do not include stock options granted by the Board on January 28, 2016 to Mr. Grossman, Dr. Mond and Mr. Lenz, to purchase 16,948, 6,750 and 5,750 shares of common stock, respectively.

(3) Other compensation consists entirely of employer contributions to employee accounts under our 401(k) plan in which our employees are entitled to participate. Such amounts were earned for services performed in 2015, and paid in April 2016.

- (4) Mr. Grossman has served as our President and Chief Executive Officer since October 2011.
(5) Dr. Mond has served as our Chief Scientific Officer and Chief Medical Officer since July 2012.
(6) Mr. Lenz has served as our Chief Financial Officer since April 2012

Agreements with Executive Officers

President and Chief Executive Officer

On January 28, 2016, the Company entered into an amended and restated employment agreement with our President and Chief Executive Officer, Adam S. Grossman, for an initial term of three years, with automatic three year renewal periods unless notice is provided 90 days in advance. The amended and restated employment agreement provides that Mr. Grossman (i) is initially paid \$480,000 annually, (ii) is eligible for an annual cash bonus, the target of which is 50% of Mr. Grossman's base salary, based upon the attainment of certain performance objectives mutually agreed to by the Board and Mr. Grossman; and (iii) is eligible to participate in our standard benefits package. Mr. Grossman's amended and restated employment agreement further provides, in the event (i) that Mr. Grossman is terminated by the Company "without cause" (as such term is defined under the amended and restated agreement), (ii) that Mr. Grossman resigns for "good reason" (as such term is defined under the amended and restated agreement), or (iii) of any termination resulting from a "change of control" (as such term is defined under the amended and restated agreement) in which the existing employment agreement is not assumed by the successor to the Company, he would be entitled to (A) a severance payment equal to one year base salary plus "target bonus" (as such term is defined under the amended and restated agreement) payable in twelve (12) monthly, equal installments after termination or, if immediately preceding or within two (2) years following a change of control, a severance payment equal to eighteen (18) months base salary plus one and a half times the target bonus payable in a lump sum, (B) prior year target bonus (if unpaid) and (C) accelerated vesting of stock options. Furthermore, any payments, awards, benefits or distributions due to Mr. Grossman under the amended and restated agreement as a result of a transaction described in Section 280G(b)(2)(A)(i) of the tax code, may be subject to certain adjustments as set forth in the amended and restated agreement.

The amended and restated employment agreement also provides that Mr. Grossman cannot, directly or indirectly, in any capacity, provide services to any person or entity which competes with the Company, unless he obtained our prior written consent for a period of 12 months following his termination.

Chief Scientific Officer and Chief Medical Officer

On January 28, 2016, the Company entered into amended and restated employment agreement with our Executive Vice President, Chief Scientific Officer and Chief Medical Officer, James Mond, M.D., Ph.D., for an initial term of three years, which term extends automatically for additional three year periods unless appropriate notice is provided by either party. The amended and restated employment agreement provides that Dr. Mond is initially paid \$350,000 annually and is eligible for annual bonus payments of up to 35% of his then-current base salary, based upon the achievement of certain milestones as established annually by our Chief Executive Officer and Dr. Mond and approved by the Compensation Committee.

Pursuant to the amended and restated agreement, if a "change in control" (as such term is defined under the amended and restated agreement) occurs and the successor to the Company does not assume the amended and restated agreement or within twelve (12) months following such change in control, Dr. Mond is terminated without "cause" (as such term is defined under the amended and restated agreement) or Dr. Mond resigns for "good reason" (as such term is defined under the amended and restated agreement), Dr. Mond or his estate, as applicable, will receive (i) his base salary, health insurance benefits and any accrued but unpaid benefits for a period of twelve (12) months, (ii) an amount equal to 35% of his base salary for the period ending December 31 in which such termination or resignation occurs, and (iii) all of his unvested stock options granted prior to or after the date of the amended and restated agreement shall immediately become fully vested and exercisable from the date of Dr. Mond's termination. If we terminate Dr. Mond as a result of his death, Dr. Mond or his estate, as applicable, would receive his base salary for 60

days. If we terminate Dr. Mond for "cause", if Dr. Mond terminated his employment other than for "good reason", or if Dr. Mond 's employment terminated by expiration of the term of the employment agreement, Dr. Mond would receive any salary and benefits earned and unpaid to the date of termination. If we terminate Dr. Mond for reasons other than those stated above or Dr. Mond terminates his employment for "good reason", Dr. Mond would receive his salary and benefits for a period of time ending on the date that was six months from the date of termination, except that such health benefits would cease upon the earlier to occur of the expiration of such six month period or the date upon which Dr. Mond begins regular, full-time employment with a third party and is eligible to commence health insurance coverage. The employment agreement also contains certain non-compete and non-solicitation provisions effective during the period Dr. Mond receives termination benefits under the employment agreement, if any, as well as standard confidentiality provisions.

Chief Financial Officer

Pursuant to the amended and restated agreement, if a "change in control" (as such term is defined under the amended and restated agreement) occurs and the successor to the Company does not assume the amended and restated agreement or within twelve (12) months following such change in control, Mr. Lenz is terminated without "cause" (as such term is defined under the amended and restated agreement) or Mr. Lenz resigns for "good reason" (as such term is defined under the amended and restated agreement), Mr. Lenz or his estate, as applicable, will receive (i) his base salary, health insurance benefits and any accrued but unpaid benefits for a period of twelve (12) months, (ii) an amount equal to 35% of his base salary for the period ending December 31 in which such termination or resignation occurs, and (iii) all of his unvested stock options granted prior to or after the date of the amended and restated agreement shall immediately become fully vested and exercisable from the date of Mr. Lenz's termination. If we terminate Mr. Lenz as a result of his death, Mr. Lenz or his estate, as applicable, would receive his base salary for 60 days. If we terminate Mr. Lenz for "cause", if Mr. Lenz terminated his employment other than for "good reason", or if Mr. Lenz's employment terminated by expiration of the term of the employment agreement, Mr. Lenz would receive any salary and benefits earned and unpaid to the date of termination. If we terminate Mr. Lenz for reasons other than those stated above or Mr. Lenz terminated his employment for "good reason", Mr. Lenz would receive his salary and benefits for a period of time ending on the date that was six months from the date of termination, except that such health benefits would cease upon the earlier to occur of the expiration of such six month period or the date upon which Mr. Lenz begins regular, full-time employment with a third party and is eligible to commence health insurance coverage.

The employment agreement also contains certain non-compete and non-solicitation provisions effective during the period Mr. Lenz receives termination benefits under the employment agreement, if any, as well as standard confidentiality provisions.

Furthermore, any payments, awards, benefits or distributions due to Mr. Lenz under the amended and restated agreement as a result of a transaction described in Section 280G(b)(2)(A)(i) of the tax code, may be subject to certain adjustments as set forth in the amended and restated agreement.
