(1) New restricted stock award which vests in three equal annual installments beginning on the anniversary of the grant date.

(2) New restricted stock award which vests as follows: 1,060 shares vest in October 2005; 1,590 shares vest in October 2006; and 2,650 shares vest in October 2007.

Under Fannie Mae's Performance Share Program, as a member of Fannie Mae's senior management the reporting person has previously received awards that entitle the reporting person to receive shares of Fannie Mae common stock in an amount based upon and subject to Fannie Mae's meeting corporate performance objectives over three-year periods. These objectives are based on both financial and non-financial goals, equally weighted. The financial goals under the performance share program are currently tied to growth in core business earnings per share. Generally, Fannie Mae's Compensation Committee determines in January of the year following completion of the cycle the number of shares of common stock each awardee is entitled to receive, and the shares are paid out in two annual installments beginning that January. (Footnote 3 is continued in 4 below.)

(4) For the three-year performance cycle completed in 2003, the reporting person was determined in January 2004 to be entitled to receive 7,635 shares, of which the reporting person was paid 3,817 shares in accordance with the program and the remaining shares were

expected to be paid in January 2005. As previously announced, Fannie Mae will restate its previously issued financial statements and re-evaluate previously issued non-GAAP financial information, including core business earnings. The Compensation Committee and Board of Directors of Fannie Mae have determined to consider the impact of Fannie Mae's restatement and re-evaluation on unpaid performance shares for the performance cycle completed in 2003 when reliable financial data for the relevant period are available. As a result, the 3,818 shares expected to be issued to the reporting person in January 2005 have not yet been issued. These shares are included in the the reporting person's total holdings above.

(5) End of period holdings include shares acquired from the reinvestment of dividends in Issuer's ESOP through November 25, 2004.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
