Proposal No. 1

ELECTION OF CLASS C DIRECTOR

The Company's Certificate of Incorporation provides that the Board of Directors shall consist of not more than nine nor less than five members. The exact number of Directors is fixed by the Board prior to each year's Annual Meeting of Shareholders. The Board is divided into three staggered classes, each class having not less than one or more than three members. Each Director is elected to serve for a three-year term, and until the election and qualification of his or her successor. When vacancies on the Board occur, due to resignation or otherwise, the Directors then in office may continue to exercise the powers of the Directors and a majority of such directors may select a new Director to fill the vacancy. Any Director may resign at any time. Any Director may be removed by the vote of, or written consent of, the holders of a majority of the shares of Common Stock outstanding at a special meeting called for the purpose of removal or to ratify the recommendation of a majority of the Directors that such Director be removed.

The term of the Class C Director expires at the fiscal 2008 Annual Meeting to be held on February 18, 2009. The Board has proposed John C. Love as the Class C Director to serve until the fiscal 2011 Annual Meeting and until the election and qualification of his successor. The Board of Directors has been informed that the nominee has consented to being named as nominee and is willing to serve as a Director if elected. However, if the nominee should be unable, or declines to serve, it is intended that the proxies will be voted for such other person as the proxies shall, in their discretion, designate. Unless otherwise directed in the accompanying Proxy, the person's name therein will vote FOR the election of this nominee. Election requires the affirmative vote of a majority of the shares represented and voted at the Annual Meeting.

BOARD AND COMMITTEE INFORMATION

InterGroup's common stock is listed on the NASDAQ Capital Market tier of the NASDAQ Stock Market LLC ("NASDAQ"). InterGroup is a Smaller Reporting Company under the rules and regulations of the Securities and Exchange Commission ("SEC").

The Board of Directors of InterGroup currently consists of five members. With the exception of the Company's President and CEO, John V. Winfield, all of InterGroup's Board of Directors consists of "independent" directors as independence is defined by the applicable rules of the SEC and NASDAQ. The Board of Directors held four meetings during the 2008 Fiscal Year (in person, telephonically or by written consent). No Director attended (whether in person, telephonically, or by written consent) less than 75% of all meetings held during the period of time he served as Director during the 2008 Fiscal Year. The independent directors also meet in executive session at least two times per year.

The Board of Directors has not established a formal process for security holders to send communications to the Board of Directors and the Board has not deemed it necessary to establish such a procedure at this time. Historically,

Edgar Filing: INTERGROUP CORP - Form DEF 14A

almost all communications that the Company receives from security holders are administrative in nature and are not directed to the Board of Directors. If the Company should receive a security holder communication directed to the Board of Directors, or to an individual director, said communication will be relayed to the Board of Directors or the individual director as the case may be.

The Company does not have any formal policy with regard to board members attendance at annual meetings of shareholders but encourages each director to attend said meetings. All of the Company's directors attended the fiscal 2007 annual meeting of shareholders.

The Company has an Executive Committee that meets in lieu of the Board upon the request of the Chairman of the Committee. Mr. Winfield is Chairman of the Executive Committee. The Committee held two meetings (in person, telephonically or by written consent) during the 2008 Fiscal Year.

The Company's Nominating Committee is comprised of two "independent" directors as independence is defined by the applicable rules of the SEC and NASDAQ. The Company has not established a charter for the Nominating Committee and the Committee has no policy with regard to consideration of any director candidates recommended by security holders. As a Smaller Reporting Company whose directors own in excess of sixty percent of the voting shares of the Company, InterGroup has not deemed it appropriate to institute such a policy. 1998 Stock Option Plan for Non-Employee Directors

On December 8, 1998, the Board of Directors of the Company adopted, subject to shareholder approval and ratification, a 1998 Stock Option Plan for Non-Employee Directors (the "1998 Director Plan"). The stockholders ratified that plan on January 27, 1999.

All non-employee directors are eligible to participate in the 2007 Plan. Each non-employee director as of the adoption date of the 2007 Plan shall be granted an award of 600 unrestricted shares of the Company's Common Stock. On each July 1 following the adoption date of the 2007 Plan, each non-employee director shall receive an automatic grant of a number of shares of Company's Common Stock equal in value to \$18,000 based on 100% of the fair market value (as defined) of the Common Stock on the date of grant, provided he or she holds such position on that date and the number of shares of Common Stock available for grant under the 2007 Plan is sufficient to permit such automatic grant. Any fractional shares resulting from such grant will be rounded up to next highest whole share. All stock awards to non-employee directors will be fully vested on the date of grant. The dollar amount of the annual grant is subject to further adjustment by the Board of Directors upon recommendation by the Compensation Committee.

The stock awards granted under the 2007 Plan are shares of unrestricted Common Stock and are fully vested on the date of grant. The right of the non-employee director to receive his or her annual grant of Common is personal to the director and is not transferable. Once received, shares of Common Stock awarded to the non-employee director are freely transferable subject to any requirements of Section 16(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). On June 28, 2007, Company filed a registration statement on Form S-8 to register the shares subject to the 2007 Plan and the Company's two stock option plans.

Upon recommendation of the Compensation Committee, the Board may, at any time and from time to time and in any respect, amend or modify the 2007 Plan. The Board must obtain stockholder approval of any material amendment to the 2007 Plan if required by any applicable law, regulation or stock exchange rule. The Board of Directors may amend the 2007 Plan or any award agreement, which amendment may be retroactive, in order to conform it to any present or future law, regulation or ruling relating to plans of this or similar nature. No amendment or modification of the 2007 Plan or any award agreement may adversely affect any outstanding award without the written consent of the participant holding the award.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 4, 1998, the Compensation Committee authorized the Company to obtain whole life and split dollar insurance policies covering the Company's President and Chief Executive Officer, Mr. Winfield. During fiscal 2008 and 2007, the Company paid annual premiums in the amount of approximately \$85,000 for the split dollar insurance policy owned by, and the beneficiary of which is, a trust for the benefit of Mr. Winfield's family. The Company has a secured right to receive, from any proceeds of the policy, reimbursement of all premiums paid prior to any payments to the beneficiary.

On June 30, 1998, the Company's Chairman and President entered into a voting trust agreement with the Company giving the Company the power to vote his 4.0% interest in the outstanding shares of the Santa Fe common stock.

As Chairman of the Securities Investment Committee, the Company's President and Chief Executive officer, John V. Winfield, oversees the investment activity of the Company in public and private markets pursuant to authority granted by the Board of Directors. Mr. Winfield also serves as Chief Executive Officer and Chairman of Santa Fe and Portsmouth and oversees the investment activity of those companies. Depending on certain market conditions and various risk factors, the Chief Executive Officer, his family, Santa Fe and Portsmouth may, at times, invest in the same companies in which the Company invests. The Company encourages such investments because it places personal resources of the Chief Executive Officer and his family members, and the resources of Santa Fe and Portsmouth, at risk in connection with investment decisions made on behalf of the Company. Under the direction of the Securities Investment Committee, the Company has instituted certain modifications to its procedures to reduce the potential for conflicts of interest.

The Company, its subsidiary Santa Fe and Santa Fe's subsidiary, Portsmouth, have established performance based compensation programs for Mr. Winfield's management of the securities portfolios of those companies. The performance based compensation program was approved by the disinterested members of the respective Boards of Directors of the Company and its subsidiaries. No performance bonus compensation was paid to Mr. Winfield for the fiscal years ended June 30, 2008 and 2007.

PROPOSAL NO. 2

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed the firm of Burr, Pilger & Mayer LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2009. Burr, Pilger & Mayer LLP has served as the Company's independent registered public accounting firm since October 23, 2007. Although the action of shareholders in this matter is not required, the Audit Committee believes it is appropriate to seek shareholder ratification of this appointment. Ratification requires the affirmative vote of a majority of the shares represented and voted at the Annual Meeting.

On October 23, 2007, the Audit Committee of the Board of Directors recommended and approved the dismissal of PricewaterhouseCoopers LLP ("PWC") as the Company's independent registered public accounting firm. PWC served as the independent registered accounting firm engaged to audit the Company's financial statements for its fiscal year ended June 30, 2007. On October 23, 2007, the Audit Committee engaged and appointed Burr, Pilger & Mayer LLP ("BPM") as the Company's new independent registered accounting firm.

The reports of PWC on the financial statements of the Company for the fiscal year ended June 30, 2007 did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principle. During the fiscal year ended June 30, 2007 and through October 23, 2007, there were no disagreements with PWC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements (as defined in Item 304(a)(1)(iv)(A) of Regulation S-B), if not resolved to the satisfaction of PWC, would have caused PWC to make reference thereto in their reports on the Company's financial statements for such years. During the fiscal year ended June 30, 2007 and through October 23, 2007, there were no reportable events as defined in Item 304(a)(1)(iv)(B) of Regulation S-B.

The Company provided PWC with a copy of the above disclosures and requested that PWC furnish a letter addressed to the U.S. Securities and Exchange Commission stating whether or not it agrees with the statements made by the Company and, if not, stating the respects in which it does not agree. PWC furnished a letter confirming that it agreed with the statements made by the Company.

During fiscal year ended June 30, 2007 and through October 23, 2007, there were

Edgar Filing: INTERGROUP CORP - Form DEF 14A

no consultations with BPM on any matters described in Item 304(a)(2)(i) and Item 304(a)(2)(ii) of Regulation S-B.

BPM serves as the auditors of the Justice Investors limited partnership ("Justice" or the Partnership). Due to the consolidation of the financial statements of Justice into those of the Company, effective July 1, 2006, the Audit Committee believed that the engagement of BPM would promote greater efficiencies and savings for the Company, especially since the hotel owned by the Partnership is now the major asset and operating entity on the Company's financial statements.

We expect that a representative of Burr Pilger & Mayer LLP will be present at the Annual Meeting to respond to appropriate questions from Shareholders, and we will provide this representative with an opportunity to make a statement if he or she desires to do so.

During fiscal year ended June 30, 2008, the Company retained Burr, Pilger & Mayer LLP as its independent registered public accounting firm to provide audit and audit related services. There were no fees paid for non-audit services.

The Audit Committee reviewed and discussed the audited financial statements with management and Burr, Pilger & Mayer LLP and management represented to the Audit Committee that the consolidated financial statements were prepared in accordance with generally accepted accounting principals. The discussions with Burr, Pilger & Mayer LLP also included the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by SAS No. 90 with respect to quarterly financial statements. The Audit Committee has also received the written disclosures and the letter from Burr, Pilger & Mayer LLP regarding its independence as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), which was discussed with Burr, Pilger & Mayer LLP.

Based on the Audit Committee's review of the audited financial statements, and the review and discussions with management and Burr, Pilger & Mayer LLP referred to above, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended June 30, 2008 for filing with the Securities and Exchange Commission.

PROPOSAL NO. 3

APPROVAL OF THE INTERGROUP CORPORATION
2008 RESTRICTED STOCK COMPENSATION PLAN

Edgar Filing: INTERGROUP CORP - Form DEF 14A

GENERAL. Based on the recommendation of the Compensation Committee, our Board of Directors adopted, subject to shareholder approval, a new equity compensation plan for its officers, directors and key employees on December 3, 2008, entitled, The InterGroup Corporation 2008 Restricted Stock Unit Plan (which we refer to as the Plan). At the same time the Board adopted the Plan, the holders of more than 65.2% of the outstanding common stock of the Company executed written consents in favor of the adoption of the Plan and have committed to vote in favor of the ratification of the 2008 Plan at this Annual Meeting of Shareholders. A majority of the outstanding shares of Common Stock are required to approve the Plan.

The Plan authorizes the Company to issue restricted stock units ("RSUs") as equity compensation to officers, directors and key employees of the Company on such terms and conditions established by the Compensation Committee. RSUs are not actual shares of the Company's common stock, but rather promises to deliver common stock in the future, subject to certain vesting requirements and other restrictions as may be determined by the Committee.

Our executive officers, directors and key employees have an interest in the proposal to approve the Plan since each is an eligible participant in such awards that may be granted under the Plan by the Compensation Committee. As of December 31, 2008, there were five (5) directors and four (4) named executive officers that are eligible participants under the Plan.

A copy of the Plan is attached to this Proxy Statement as Appendix B and is hereby incorporated by reference. The following summary of the key provisions of the Plan is qualified in its entirety by reference to the attached Plan document.

PURPOSE. The Plan was adopted, in part, to replace our 1998 Stock Option Plan for Non-Employee Directors and our 1998 Stock Option Plan for Key Officers and Employees (which we refer to as the Prior Plans). The Prior Plans expired on December 7, 2008. The purpose of the Plan is to provide a means whereby officers, directors and key employees of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of this Plan is to provide a means through which the Company may attract able individuals to become employees or serve as directors of the Company and to provide a means for such individuals to acquire and maintain stock ownership in the Company, thereby strengthening their concern for the welfare of the Company. The Plan will also provides flexibility for the Company to exchange RSUs for stock options granted under Prior Plans which will reduce the number of shares of common stock subject to equity awards, thereby reducing potential dilution to the Company's shareholders in the event of significant increases in the value of its common stock.

EFFECTIVE DATE AND DURATION. The Plan became effective upon adoption by the Board of Directors on December 3, 2008; however, no RSUs that may be granted shall vest until the Plan is approved by the holders of a majority of the outstanding Common Stock of the Company. The Plan shall be rescinded and all equity compensation granted under the Plan shall be null and void unless within six months from the date of the adoption of the Plan it is approved by the shareholders of the Company. The Plan will terminate ten (10) years from December 3, 2008, unless terminated sooner by the Board of Directors. After the Plan is terminated, no awards may be granted but awards previously granted shall remain outstanding in accordance with the Plan and their applicable terms and conditions.

SHARES AVAILABLE FOR AWARDS; MAXIMUM AWARDS. The shares available for issuance under the Plan are shares of the Company's common stock, par value

Edgar Filing: INTERGROUP CORP - Form DEF 14A

\$.01 per share, which may be unissued shares or treasury shares. Subject to certain adjustments upon changes in capitalization, a maximum of 200,000 shares of the common stock will be available for issuance to participants under the Plan.

16

AWARDS AUTHORIZED FOR ISSUANCE. The awards authorized for issuance are restricted stock units ("RSUs"), each of which represents a right to acquire one share of our common stock. RSUs are not actual shares of common stock but rather promises to deliver common stock in the future, subject to certain vesting requirements and restrictions as may be determined by the Compensation Committee. Holders of RSUs have no voting rights with respect to the underlying shares of common stock and holders are not entitled to receive any dividends until the RSUs vest and the shares are delivered. No awards of RSUs shall vest until at least six months after shareholder approval of the Plan.

TRANSFERABILITY. Awards of RSUs are personal to the participant and may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated.

REGISTRATION OF SHARES. The shares to be delivered pursuant to the award of RSUs have not been registered under the Securities Act of 1933, as amended (the "1933 Act"). Following approval of the Plan by the stockholders, the Company may, but shall not be obligated to, register the shares subject to the Plan by filing a registration statement on Form S-8 under the 1933 Act or any other applicable law. Shares of stock issued pursuant to the Plan may bear an appropriate restrictive legend as determined by the Committee.

ELIGIBILITY AND PARTICIPATION. Individuals eligible to participate in the Plan include all officers, directors, key employees and holders of awards from Prior Plans. Subject to the provisions of the Plan, the Compensation Committee may, from time to time, select from all eligible individuals, those individuals to whom awards shall be granted and shall determine, in its sole discretion, the nature of, any and all terms permissible by law, and the amount of each award. Presently there are five directors and four named executive officers that may be eligible participants under the Plan.

ADMINISTRATION AND AUTHORITY. The Compensation Committee shall be responsible for administering the Plan. The Compensation Committee shall have full and exclusive discretionary power to interpret the terms and the intent of the Plan and any award agreement in connection with the Plan, to determine eligibility for awards and to adopt such rules, regulations, forms, instruments, and guidelines for administering the Plan as the Committee may deem necessary or proper. Such authority shall include, but not be limited to, selecting award recipients, establishing all award terms and conditions, including the terms and conditions set forth in award agreements, granting awards as an alternative to, or as the form of, payment for grants or rights earned or due under compensation plans or arrangements of the Company, including an exchange of awards granted under Prior Plans, construing any ambiguous provision of the Plan or any award agreement, and adopting modifications and amendments to the Plan or any award agreement, including without limitation, any that are necessary to comply with the laws of the countries and other jurisdictions in which the Company and/or its Subsidiaries operate. All actions taken and all interpretations and determinations made by the Committee shall be final and binding upon the participants, the Company, and all other interested individuals.

OTHER RESTRICTIONS. The Compensation Committee may impose such other conditions and/or restrictions on any RSUs granted pursuant to the Plan as it may deem advisable including, without limitation, a requirement that

Edgar Filing: INTERGROUP CORP - Form DEF 14A

participants pay a stipulated purchase price for each RSU, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, service time-based restrictions, restrictions under applicable laws or under the requirements of any stock exchange or market upon which such Shares are listed or traded, and/or holding requirements or sale restrictions placed on the shares by the Company upon vesting of RSUs.

EXCHANGE PROGRAM. Under to the Plan, the Compensation Committee also has the power and authority to establish and implement an exchange program that would permit the Company to offer holders of awards issued under prior shareholder approved compensation plans to exchange certain options for new RSUs on terms and conditions to be set by the Committee. The exchange program is designed to increase the retention and motivational value of awards granted under Prior Plans. In addition, by exchanging options for RSUs, the Company will reduce the number of shares of common stock subject to equity awards, thereby reducing potential dilution to stockholders in the event of significant increases in the value of its common stock.

17

AMENEDMENT AND DISCONTINUANCE. Upon recommendation of the Compensation Committee, the Board may amend or modify the Plan. The Board must obtain stockholder approval of any material amendment to the Plan if required by any applicable law, regulation or stock exchange rule. The Board of Directors may amend the Plan or any Award Agreement, which amendment may be retroactive, in order to conform it to any present or future law, regulation or ruling relating to plans of this or similar nature. No amendment or modification of the Plan or any award agreement may adversely affect any outstanding award without the written consent of the participant holding the award.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES. The following is a brief description of certain federal income tax consequences that will generally apply to awards issued under the Plan, based on current federal income tax laws. This summary is not intended to be exhaustive and, among other things, does not describe state, local or foreign income and other tax consequences. Participants should not rely on this discussion for individual tax advice, as each participant's situation and the tax consequences of exercising awards and disposing of the underlying shares of common stock will vary depending upon the specific facts and circumstances involved. Each participant is advised to consult with his or her own tax advisor.

In general, the recipient of restricted stock units will not recognize taxable income at the time of grant as long as the award is nontransferable and is subject to a substantial risk of forfeiture as a result of performance-based vesting targets, continued services requirements or other conditions that must be satisfied before delivery of shares can occur. The recipient will generally recognize ordinary income when the substantial risk of forfeiture expires, or is removed, and the shares can be delivered. The Company will generally be entitled to a corresponding deduction equal to the amount of income the recipient recognizes. On a subsequent sale of the shares, the recipient will recognize capital gain or loss equal to the difference between the sales price and the participant's adjusted basis in those shares, which will generally be the amount of income previously recognized by the participant.

MISCELLANEOUS TAX ISSUES. Compensation to a participant who is an employee which results from awards under the Plan will constitute wages for purposes of the Federal Insurance Contributions Act and the Federal Unemployment Tax Act and thus will result in additional tax liability to the Company, generally with respect to each award at the time that such award is no longer subject to a substantial risk of forfeiture or becomes transferable. The Company shall have

Edgar Filing: INTERGROUP CORP - Form DEF 14A

the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of the Plan.

NEW PLAN BENEFITS. Pursuant to an exchange offer authorized by the Compensation Committee, a total of 5,812 RSUs were issued to four holders of Non-Employee Director stock options in exchange for a total of 36,000 stock options which were surrendered to the Company on December 7, 2008. The number of RSUs issued was determined by multiplying the number of options that were surrendered by the difference between the exercise price of the options surrendered (\$8.00) and the closing price of the Company's common stock on December 5, 2008 of \$9.54, with that product divided by the closing price of the common stock on December 5, 2009.

On December 15, 2008, the Compensation Committee authorized a similar exchange offer to the Company's Chief Executive Officer, John V. Winfield, respecting 225,000 stock options issued to him under the Key Officer and Employee Plan that were to expire on December 21, 2008. Pursuant to that exchange offer, Mr. Winfield surrendered his 225,000 options to the Company on December 21, 2008 in exchange for 84,628 RSUs. The number of RSUs issued was based on an exercise price of the options surrendered of \$7.917 and the closing price of the Company's common stock on December 19, 2008 of \$12.69, using the same formula as the exchange offer to the holders of the Non-Employee Director options.

(As Amended on January 5, 2009)

Purpose:

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the Company's financial reporting process, the Company's systems of internal accounting and financial controls, and the annual independent audit of the Company's financial statements.

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention and shall have full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts for this purpose. The Board and the Committee are in place to represent the Company's shareholders, and the Company's independent registered public accounting firm is ultimately accountable to the Board and the Committee as such representatives of shareholders. It is the responsibility of the Committee to maintain free and open means of communication between the Board, the independent registered public accounting firm and the financial management and internal auditors of the Company.

The Committee shall review the adequacy of this Charter on an annual basis.

Membership:

The Committee shall be comprised of at least three (3) "independent" directors that meet the composition requirements as defined by the rules of the Securities and Exchange Commission ("SEC") and The NASDAQ Stock Market LLC ("NASDAQ") as may be modified and supplemented from time to time. Accordingly, all of the members of the Committee will be directors:

1. Who have no relationship to the Company that may interfere with the exercise of their independence from management and the Company;
2. Are not affiliates of the Company;
3. Do not receive any compensation from the Company other than in the capacity as director; and
4. Who are financially literate or who become financially literate within a reasonable period of time after appointment to the Committee.

In addition, at least one member of the Committee will qualify as an audit

committee financial expert as defined by the Securities and Exchange Commission.

The members of the Committee shall be elected by the Board at the annual meeting of the Board and shall serve until their successors shall be duly elected and qualified. Unless a Chairman of the Committee is elected by the full Board, the members of the Committee may designate a Chairman of the Committee by majority vote of the full Committee Membership.

Meetings:

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. A majority of the members of the Committee shall constitute a quorum for the transaction of business. Minutes of each meeting of the Committee should be recorded by the Secretary to the Committee. Approval by a majority of the members present at a meeting at which a quorum is present shall constitute approval by the Committee. The Committee may also act by

A-1

unanimous written consent without a meeting. As part of its job to foster open communication, the Committee should meet at least annually with management and the Company's independent registered public accounting firm in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee or at least its Chairman should meet with the Company's independent registered public accounting firm and management quarterly to review the Company's financials consistent with #2 below. The Committee may request any officer or employee of the Company or the Company's outside counsel or the Company's independent registered public accounting firm to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.

Key Responsibilities:

The Committee's job is one of oversight, and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the Company's independent registered public accounting firm is responsible for auditing those financial statements pursuant to professional standards. Additionally, the Committee recognizes that financial management has more time, knowledge and detailed information about the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditor's work.

The following functions shall be the common recurring activities of the Committee in carrying out its oversight function. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate given the circumstances.

1. The Committee shall review with management and the Company's independent registered public accounting firm the audited financial statements to be included in the Company's Annual Report on Form 10-K (or the Annual Report to Shareholders if distributed prior to the filing of the Form 10-K) prior to the filing of the Form 10-K or, if deemed appropriate, prior to any year-end earnings release. The Committee shall review and consider with Company's independent registered public accounting firm the all matters required to be discussed by Statement of Auditing Standards ("SAS") No. 61, as amended by SAS No.90, by auditors with audit committees.

Edgar Filing: INTERGROUP CORP - Form DEF 14A

2. As a whole, or through the Committee chair, the Committee shall review with the Company's independent registered public accounting firm the Company's interim financial results to be included in the Company's quarterly reports to be filed with Securities and Exchange Commission and the matters required to be discussed by SAS No. 61, as amended by SAS No. 90 with respect to quarterly financial statements. Such review will occur prior to the Company's filing of the Form 10-Q or, if deemed appropriate, prior to any quarterly earnings releases.

3. Review disclosures made to the Committee by the Company's CEO and CFO during their certification process for the Form 10-K and Form 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

4. The Committee shall:

(a) request from the Company's independent registered public accounting firm annually a formal written statement delineating all relationships between the independent registered public accounting firm and the Company consistent with Independence Standards Board Standard No. 1;

(b) discuss with the Company's independent registered public accounting firm any disclosed relationships or services which may impact that firm's objectivity or independence; and

(c) recommend that the Board take appropriate action in response to the Company's independent registered public accounting firm's report to satisfy itself of that firm's independence.

A-2

5. The Committee shall have the sole authority to appoint or replace the Company's independent registered public accounting firm (subject, if applicable, to shareholder ratification). The Committee shall be directly responsible for the compensation and oversight of the work of the Company's independent registered public accounting firm (including resolution of disagreements between management and the Company's independent registered public accounting firm regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The Company's independent registered public accounting firm shall report directly to the Committee.

6. The Committee shall preapprove all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the company by its independent registered public accounting firm, subject to the de minimus exceptions for non-audit services described in Section 10A (i) (1) (B) of the Exchange Act which are approved by the Committee prior to the completion of the audit. The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permitted nonaudit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the full Committee at its next scheduled meeting.

7. Review and discuss quarterly reports from the Company's independent registered public accounting firm:

(a) All critical accounting policies and practices to be used.

Edgar Filing: INTERGROUP CORP - Form DEF 14A

(b) All alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent registered public accounting.

(c) Other material written communications between the independent registered public accounting firm and management, such as any management letter or schedule of unadjusted differences.

8. Periodically consult with the Company's independent registered public accounting firm, out of the presence of management, about internal controls and the fullness and accuracy of the organization's financial statements.

9. Recommend to the Board policies for the Company's hiring of employees or former employees of the independent registered public accounting firm who participated in any capacity in the audit of the Company.

10. Discuss with management the Company's use of "pro forma" or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies. Such discussion may be done generally (consisting of discussing the types of information to be disclosed and the types of presentations to be made).

11. Establish regular and separate systems of reporting to the Committee by each of management, the independent registered public accounting firm, and the internal accountants regarding any significant judgments made in management's preparation of the financial statements, and the view of each as to appropriateness of such judgments.

12. Following completion of the annual audit, review separately with each of management and the independent registered public accounting firm any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information.

13. Review any significant disagreement among management and the independent registered public accounting firm in connection with the preparation of the financial statements.

A-3

14. Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

15. Establish, review, and update periodically a Code of Ethical Conduct, and ensure that management has established a system to enforce this Code.

16. Review and approve any transactions between the Company and its officers, directors or 5% shareholders.

17. The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the Company's independent registered public accounting firm for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

Edgar Filing: INTERGROUP CORP - Form DEF 14A

Reporting Responsibilities:

The Committee shall prepare the report required by the rules of the Securities and Exchange Commission to be included in the Company's annual proxy statement.

The Committee shall prepare such other reports for the full Board of Directors and others as it shall deem necessary to discharge its responsibilities under this Charter.

APPENDIX B

THE INTERGROUP CORPORATION 2008 RESTRICTED STOCK UNIT PLAN

Article 1.

Establishment, Purpose and Duration

1.1 Establishment. The InterGroup Corporation, a Delaware Corporation (hereinafter referred to as the "Company"), establishes a equity-based incentive compensation plan to be known as The InterGroup Corporation 2008 Restricted Stock Unit Plan (hereinafter referred to as the "Plan") as set forth in this document. This Plan permits the grant of Restricted Stock Units ("RSUs") to Officers, Directors and Key Employees of the Company.

1.2 Purpose of this Plan. The purpose of this Plan is to provide a means whereby Officers, Directors and Key Employees of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of this Plan is to provide a means through which the Company may attract able individuals to become Employees or serve as Directors of the Company and to provide a means for such individuals to acquire and maintain stock ownership in the Company, thereby strengthening their concern for the welfare of the Company. The Plan will also provide flexibility for the Company to exchange RSUs for stock options granted under Prior Plans which will reduce the number of Shares of common stock subject to equity awards, thereby reducing potential dilution to the Company's shareholders in the event of significant increases in the value of its common stock.

1.3 Effective Date. The Plan shall become effective upon adoption by the Board of Directors of the Company (the "Effective Date"); however, no RSUs that may be granted shall vest until the Plan is approved by the holders of a majority of the outstanding Common Stock of the Company present or represented and entitled to vote on the Plan at a stockholders' meeting or by written consent of the holders of a majority of the outstanding Common Stock. The Plan shall be rescinded and all equity compensation granted hereunder shall be null and void unless within six months from the date of the adoption of the Plan by the Board it shall have been approved by the holders of a majority of the outstanding Common Stock of the Company.

1.4 Duration of this Plan. Unless sooner terminated as provided herein, this Plan shall terminate ten (10) years from the Effective Date. After this Plan is terminated, no Awards may be granted but Awards previously granted shall remain outstanding in accordance with their applicable terms and conditions and this Plan's terms and conditions.

Administration

3.1 General. The Committee shall be responsible for administering this Plan, subject to this Article 3 and the other provisions of this Plan. The Committee may employ attorneys, consultants, accountants, agents, and other individuals, any of whom may be an Employee, and the Committee, the Company, and its officers and Directors shall be entitled to rely upon the advice, opinions, or valuations of any such individuals. All actions taken and all interpretations and determinations made by the Committee shall be final and binding upon the Participants, the Company, and all other interested individuals.

3.2 Authority of the Committee. The Committee shall have full and exclusive discretionary power to interpret the terms and the intent of this Plan and any Award Agreement or other agreement or document ancillary to or in connection with this Plan, to determine eligibility for Awards and to adopt such rules, regulations, forms, instruments, and guidelines for administering this Plan as the Committee may deem necessary or proper. Such authority shall include, but not be limited to, selecting Award recipients, establishing all Award terms and conditions, including the terms and conditions set forth in Award Agreements, granting Awards as an alternative to, or as the form of, payment for grants or rights earned or due under compensation plans or arrangements of the Company, including an exchange of awards granted under Prior Plans, construing any ambiguous provision of the Plan or any Award Agreement, and, subject to Article 7, adopting modifications and amendments to this Plan or any Award Agreement, including without limitation, any that are necessary to comply with the laws of the countries and other jurisdictions in which the Company and/or its Subsidiaries operate.

B-3

3.3 Exchange Program. The Committee shall also have the power and authority to establish and implement an exchange program that would permit the Company to offer holders of awards issued under Prior Plans to exchange certain of their options for new RSUs on terms and conditions to be set by the Committee. The exchange program would be designed to increase the retention and motivational value of awards granted under Prior Plans. In addition, by exchanging options for RSUs, the Company will reduce the number of shares of common stock subject to equity awards, thereby reducing potential dilution to stockholders in the event of significant increases in the value of its common stock.

3.4 Delegation. The Committee may delegate to one or more of its members or to one or more officers of the Company, and/or its Subsidiaries such administrative duties or powers as it may deem advisable, and the Committee or any individuals to whom it has delegated duties or powers as aforesaid may employ one or more individuals to render advice with respect to any responsibility the Committee or such individuals may have under this Plan. The Committee may, by resolution, authorize one or more officers of the Company to do one or both of the following on the same basis as can the Committee: (a) designate Employees to be recipients of Awards; and (b) determine the size of any such Awards; provided, however, (i) the Committee shall not delegate such responsibilities to any such officer for Awards granted to an Employee who is

Edgar Filing: INTERGROUP CORP - Form DEF 14A

considered an Insider; (ii) the resolution providing such authorization sets forth the total number of Awards such officer(s) may grant; and (iii) the officer(s) shall report periodically to the Committee regarding the nature and scope of the Awards granted pursuant to the authority delegated.

Article 4.

Shares Subject to this Plan and Maximum Awards

4.1 Number of Shares Available for Awards. Subject to adjustment as provided in Section 4.3 herein, the maximum number of Shares available for issuance to Participants under this Plan (the "Share Authorization") shall be two hundred thousand (200,000) Shares.

4.2 Share Usage. Shares covered by an Award shall only be counted as used to the extent they are actually issued. Any Shares related to Awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such Shares, shall be available again for grant under this Plan. Moreover, if the tax withholding requirements with respect to any Award granted under this Plan are satisfied by tendering Shares to the Company (by either actual delivery or by attestation), only the number of Shares issued, net of the Shares tendered, if any, will be deemed delivered for purposes of determining the maximum number of Shares available for delivery under this Plan. The Shares available for issuance under this Plan may be authorized and unissued Shares or treasury Shares.

4.3 Adjustments in Authorized Shares. Notwithstanding the limitations set forth in Section 4.1, in the event of a merger, consolidation, reorganization, stock dividend, stock split or other change in corporate structure or capitalization affecting the Common Stock, the Committee shall make an appropriate adjustment in the maximum number of shares available under the Plan and in the number of shares of Common Stock to be granted under the Plan.

Article 5.

Eligibility and Participation

5.1 Eligibility. Individuals eligible to participate in this Plan include all Employees, Officers and Directors and holders of awards from Prior Plans.

5.2 Actual Participation. B-4

Article 6.

Restricted Stock Units

6.1 Grant of Restricted Stock Units. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Restricted Stock Units to Participants in such amounts as the Committee shall determine. Restricted Stock Units are not actual Shares of the Company's common stock, but rather promises to deliver common stock in the future, subject to certain vesting requirements and restrictions as may be determined by the Committee.

Edgar Filing: INTERGROUP CORP - Form DEF 14A

6.2 Restricted Stock Unit Agreement. Each Restricted Stock Unit grant shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Restricted Stock Units granted, and such other provisions as the Committee shall determine. No Awards of Restricted Stock Units shall vest until at least six months after shareholder approval of the Plan.

6.3 Registration of Shares. The Shares to be delivered pursuant to the RSUs has not been registered under the Securities Act of 1933, as amended (the "1933 Act"). Following ratification of the plan by the stockholders, the Company may, but shall not be obligated to, register the shares subject to the plan under the 1933 Act or any other applicable law. Shares of stock issued pursuant to the plan may bear an appropriate restrictive legend as determined by the Committee.

6.4 Other Restrictions. The Committee shall impose such other conditions and/or restrictions on any Restricted Stock Units granted pursuant to this Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Restricted Stock Unit, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, time-based restrictions, restrictions under applicable laws or under the requirements of any stock exchange or market upon which such Shares are listed or traded, and/or holding requirements or sale restrictions placed on the Shares by the Company upon vesting of Restricted Stock Units.

6.5 Voting Rights. A Participant shall have no voting rights at any time with respect to any Restricted Stock Units granted hereunder.

6.6 Termination of Employment. Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Restricted Stock Units following termination of the Participant's employment with or provision of services to the Company and/or its Subsidiaries, or services as a member of the Company's Board of directors, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Restricted Stock Units issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

6.7 Transferability of Restricted Stock Units. Restricted Stock Units are personal to the Participant and may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated.

Article 7.

Amendment and Discontinuance.

Upon recommendation of the Committee, the Board may, at any time and from time to time and in any respect, amend or modify the Plan. The Board must obtain stockholder approval of any material amendment to the Plan if required by any applicable law, regulation or stock exchange rule. The Board of Directors may amend the Plan or any Award Agreement, which amendment may be retroactive, in order to conform it to any present or future law, regulation or ruling relating to plans of this or similar nature. No amendment or modification of the Plan or any award agreement may adversely affect any outstanding award without the written consent of the participant holding the award.

8.2 Share Withholding. With respect to withholding required upon the lapse of restrictions on Restricted Stock Units, or any other taxable event arising as a result of an Award granted hereunder, Participants may elect, subject to the approval of the Committee, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction. All such elections shall be irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 9.

Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.
