Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that the Company's executive officers and directors, as well as persons who own 10% or more of a class of the Company's equity securities, file reports of their ownership of the Company's securities, as well as statements of changes in such ownership, with the SEC. The Company believes that all such filings required during 2010 were made on a timely basis.

Audit Committee

The Audit Committee of the Board of Directors is responsible for the oversight of the Company's financial and accounting reporting processes and the audits of the Company's financial statements. The Audit Committee is currently composed of three non-employee directors and operates under a written charter adopted and approved by the Board of Directors. Jerry Grace, Chairman, Larry Willis and Robert Acri make up the Board's Audit Committee. A copy of the current Audit Committee Charter can be viewed on our Web site at www.optimumbank.com/corpgovernance.html.

The Board has determined that each member of the Audit Committee is financially literate and independent in accordance with the more stringent NASDAQ listing standards applicable to audit committee members. The Board considered that Mr. Willis is an executive officer of an insurance agency which is used by the Company to obtain commercial property and liability insurance. The Board determined that such payments are not indirect compensatory fees to Mr. Willis, and Mr. Willis is therefore independent under the standards applicable to audit committee members. The Board also has determined that Jerry Grace is an audit committee financial expert as defined by SEC rules.

Code of Ethics for Senior Executive Officers

The Company has a Code of Ethics that applies to its chief executive officer, chief operating officer, chief financial officer (who is also its chief accounting officer) and controller, a copy of which is incorporated by reference into this Form 10-K as Exhibit 14.1.
