Clarification of Recent News

Rio de Janeiro, March 13 2009 PETRÓLEO BRASILEIRO S/A - PETROBRAS, [Bovespa: PETR3/PETR4, NYSE: PBR/PBRA, Latibex: XPBR/XPBRA, BCBA: APBR/APBRA], a Brazilian international energy company, in response to written notice received from the Securities and Exchange Commission of Brazil CVM ,CVM/SEP/GEA-2/Nº 76/09, wishes to clarify the news published yesterday in the Brazilian press about the intention of a Japanese Group to finance the Premium Refinery.

The Company informs that it celebrated on January 28, 2009 Memorandum of Understandings (MOU) with Marubeni Corporation (Marubeni) regarding the joint study for the Project of Premium 1 Refinery in the state of Maranhão.

The Memorandum is based on Marubeni's interest to act as potential partner of the project, and aims to execute a joint study to analyze the implementation of the Project with the participation of Marubeni, and does not create any additional obligation to the parties or any financial obligation to Petrobras.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
