ANNEX II

Detailed report on the source and justification of the proposed amendments

In general terms, the proposed amendments have as purpose:

(a) Change on the Company's Capital Stock: amendment to the Article 4 in order to reflect the current numbers of the capital stock and of shares of the Company, having regard to the recent increases in the Company's capital stock, as approved by the Board of Directors, in view of the exercise of stock options within the Stock Option Plan, within the limits of the Company's authorized capital;

(b) Creation of the Committee of Corporate Governance: amendment to the Article 19, as renumbered, in order to provide for the establishment of the Committee of Corporate Governance, which shall analyze the Company's current structure and practices and make recommendations and suggestions with the purpose to improve the Company's corporate governance practices;

(c) Creation of the Company's Audit Committee: amendment to the Articles 19, 20 e 21 in order to provide for the establishment of the Audit Committee, as well as to provide certain rules applicable to it, with the purpose to improve the Company's corporate governance practices. The establishment of the Audit Committee should be incentivised by shareholders and management, and is aligned with the most recent regulations issued by CVM, the authority responsible for the supervision of the Company's practices and conduct, who has expressed the following opinion on this matter: *"within the efforts to improve the quality of financial statements of Brazilian publicly-held companies, CVM recognises that the existence of an audit committee can substantially improve the supervision and monitoring of the services rendered by independent auditors. Such body, which already exists in several Brazilian publicly-held companies, is responsible for, among other things, supervising the activities of external independent auditors, mitigating possible independence problems or conflicts in such activities"*¹;

¹Passage from CVM's Public Hearing Report SNC No. 10/11, dated 14th of July, 2011, which gave rise to the CVM Instruction No. 509/11.

(d)Rules regarding the Fiscal Council: amendment to the caput and first paragraph of Article 29, which becomes Article 30 by renumbering due to the inclusion of new articles, in order to provide that the Fiscal Council will operate on a non-permanent basis, being installed in the legal hypotheses, as well as to eliminate the provision for members of the Fiscal Council to remain in office until the investiture of their successors (since the Fiscal Council shall be non-permanent), with the purpose to make the Company's management more efficient, especially in view of the new Audit Committee;

(e)Change on Certain Rules Regarding the Composition and Operation of the Company's Special Committees:

(e.1) amendment to the first paragraph of Article 19, as renumbered, in order to provide that the Special Committees may have in their composition an external member, as defined in the proposed Bylaws, with the purpose to improve the performance of such Committees in light of the contribution that specialized professionals can bring them; and

(e.2) amendment to the third paragraph of Article 19, as renumbered, in order to provide that the meetings of the Special Committees may be called by their respective Chairman, without prejudice to the prerogative of the Chairman of the Board of Directors to call it, with the purpose to improve the performance of such Committees and to solidify the Company's corporate governance practices;

(f)Removal of the Advisory Board: removal of the Articles 27 and 28 and of the fourth paragraph of the Article 15 in order to remove from the Bylaws the provisions that established the existence of the Advisory Board, with the purpose to make the Company's management more efficient, aligned with the proposal for the improvement of the Company's corporate governance structure, given that the amendments comprise the establishment of two other Committees, one of which is the Corporate Governance Committee, which shall be responsible for the functions currently performed by the Advisory Board;

(g)Change on Certain Rules of Composition and Operation of the CBD Board of Directors:

(g.1) amendment to the Article 13 in order to remove the requirement of being a Company shareholder to be able to be elected as member of the CBD Board of Directors, in order to reflect the new provisions of Law No. 6,404/76;

(g.2) amendment to the first paragraph of Article 15 to reduce from seven (7) to five (5) days the period within the Chairman shall comply with requests to call a Board of Directors meeting presented by other Director, with the purpose to make the decision-making process of the Board of Directors more efficient and speedy;

(g.3) amendment to the third paragraph of Article 15 in order to establish that the minimum quorum required for the installation of the meetings of the Board of Directors shall be, on first call, ten (10) Board members and, on second call, eight (8) Board members, with the purpose to make the performance of the Board of Directors more efficient. The current wording of the Bylaws only establishes a quorum of ten (10) Board members for the installation of meetings of the Board of Directors without differentiating whether the relevant meeting was called for the first or second time. The purpose is then to establish different quorums, depending on whether the meeting was called for the first or second time, so as to make the decision-making process of the Board of Directors more speedy and efficient;

(g.4) amendment to the sole paragraph of Article 16 in order to facilitate the remote participation by Directors in meetings of the Board of Directors of the Company, with the purpose to make the performance of the Board of Directors more efficient; and

(g.5) amendment to the Article 17 in order to provide that the Board of Directors of the Company will have a Rules of Procedures, to be approved by the majority of its members, as well as that the functions of the Executive Secretary of the Board shall be defined in such Rules, with the purpose to make the performance of the Board of Directors more efficient and improve its corporate governance practices. The adoption of the Rules of Procedure for the Board of Directors, as widely known, is a highly incentivized practice and is frequently adopted by publicly-held companies' boards of directors, with the purpose to make performance of the board's activities clearer and improve its functioning, which will obviously meet the Company's interests. In fact, the companies whose Bylaws establish the possibility of adopting Rules of Procedure, and those which adopt such Rules without Bylaws' provision, amount to a significant proportion of 55% of the companies included in the IBOVESPA index and 46% of companies listed in BM&FBOVESPA's *Novo Mercado*;

(h) Creation of the Position of Vice-Chairman of the Board of Directors of the Company:The amendment intends to assure the good performance of the Company's Board of Directors, given its relevance for the conduction of the Company's affairs, avoiding any possible deadlock on the Company's activities, already establishing the functions to be performed by the Vice-Chairman. Note that such position is widely utilized as a good corporate governance practice within Brazilian companies. The position of Vice-Chairman of the Board of Directors is established in the Bylaws of 72.6% of companies listed in BM&FBOVESPA's *Novo Mercado*, and in the Bylaws of 67.1% of companies included in the IBOVESPA index.

(h.1) amendment to the Article 9, III, in order to establish as a power of the Shareholders General Meeting the election and destitution of the Chairman and also of the Vice-Chairman of the Board of Directors, with the purpose to adjust the Bylaws provisions to this new position;

(h.2) amendment to the Article 14 in order to reflect that the Board of Directors of the Company will have a Chairman and a Vice-Chairman, with the purpose to adjust the Bylaws provisions to this new position;

(h.3) amendment to the sole paragraph of Article 14 in order to establish that in case of absence or inability of the Chairman of the Board of Directors he may indicate another Director as his substitute, and that the Vice-Chairman shall replace the Chairman in case such substitute is absent or has not been indicated, with the purpose to make the performance of the Board of Directors more efficient;and

(h.4) amendment to the Article 16 in order to provide that the Board of Directors meetings shall be chaired by its Chairman, or in his absence by another Director indicated by the Chairman as his substitute, and that the Vice-Chairman shall replace the Chairman in case such substitute is absent or has not been indicated, with the purpose to make the performance of the Board of Directors more efficient.

ANNEX III

As indicated above, the Proposals have the effect of: **(a)** changing the Company's capital stock in order to reflect the current numbers of the capital stock and of shares of the Company; **(b)** creating the Committee of Corporate Governance; **(c)** creating the Company's Audit Committee, as well as providing for certain rules applicable to it; **(d)** changing certain rules regarding the Fiscal Council; **(e)** changing certain rules regarding the composition and operation of the Company's Special Committees; **(f)** removing the Advisory Board; **(g)** changing certain rules regarding the Company's Board of Directors; and **(h)** creating the position of Vice-Chairman of the Board of Directors of the Company.
