**Petrobras discovers new oil accumulation
at Poço Verde area, in Sergipe Basin**

Rio de Janeiro, June 1st, 2015 – Petróleo Brasileiro S.A. - Petrobras informs that well 3-SES-189 (Petrobras nomenclature), located at BM-SEAL-4 concession, discovers new oil accumulation in Sergipe Basin's ultradeep waters.

The well, informally known as Poço Verde 4, is located at 23.5 km from the discovering well, at 2.479 meters of water depth, and it is located at 5.350 meters deep. The Company will proceed with drilling operation up to 5.350 meters, as scheduled.

The reservoirs, light oil carriers with the highest market value, have total thickness of 85 meters and they are at good conditions of porosity and permeability

Such well is the third drilled at Poço Verde area, whose discovery occurred on July 2012. This area is part of the exploratory project in Sergipe-Alagoas Basin, at ultradeep waters, which has another five evaluation plans.

Petrobras, which is the consortium operator (75%), in partnership with ONGC (25%), will perform a test (TFR) to evaluate the results and to confirm reservoir conditions and production potential.

Furthermore, the Discovery Evaluation Plan (DEP) will carry on, as approved by the National Agency of Petroleum, Natural Gas and Biofuels (ANP).

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
